This is the final book in a three-volume series that covers the entire book of Revelation in awe-inspiring detail, expounding and expanding on familiar verses in God's word that have been misunderstood and misconstrued for many years. In this volume, the authors explore the second half of Revelation from the perspective they established so clearly in Volumes 1 and 2 - that of a Hebrew God speaking through a Hebrew believer to an audience that was intimately familiar with the Hebrew language, culture, customs, and concepts that

form both the literal and the metaphorical foundation for vast portions of Revelation. The emperor's condition is worsening, and the mana warping is beginning to affect the other imperials as well. Lyse, Sidis, and Alcede are doing their best to search out the cause of the incident, but time is of the essence. The mastermind seems to have a connection in the palace...or is something even more nefarious afoot? Lyse is determined to get to the bottom of it, even if it means risking her life again. The book's authors clear away centuries of confusion surrounding subjects that are seldom addressed in modern sermons and Bible studies. Using the ancient Hebrew language and culture, the authors clarify many of the Bible's so-called "mysteries" and help the reader rediscover many of the foundational truths that have been "lost in translation." Topics include: - Who is the Bride of Messiah? - Is there a difference between covenant and testament? - Israel: Who are they really? - What is the difference between devils, demons, and nephilim? Join us on an exciting adventure to rediscover the treasures still buried within the pages of The Book that reveal the pathway to the heart of God. "A must-read for the church! Providing foundational insights which lead to a greater understanding of God's master plan, this book will open your eyes to scriptural distortions due to the centuries of Greek influence on the church." - Corey Berti, Senior Pastor, Silver Valley Worship Center, ID "I've been a believer for 12 years, and I've read numerous scriptures that didn't make sense. The authors do a tremendous job of explaining the importance of understanding our Hebrew roots which provide context and clarity to the overall theme of God's message. It's like watching TV in black and white and then suddenly seeing it in

color. The truth hasn't changed, but it's meaning becomes more vivid." - Jason Carr
