Yoga for Speech-Language Development Dec 30 2019
Combining years of experience as certified speech-language pathologists and as qualified yoga teachers, the authors of this pioneering book explain how yoga can be used to aid speech-language development in children up to age 12. The book includes a range of yoga-based exercises for improving

pre-linguistic communication, vocabulary development and motor planning for speech. The text is enriched by illustrations of children in each yoga pose, so no prior experience of yoga is necessary to help children carry out each activity. The book also provides information on using this approach with children with neurodevelopmental and intellectual disabilities, including ADHD and autism. *China Spy* Apr 01 2020 CHINA SPY by Maury Allen is the true, heroic story of the only American CIA agent to die with honor in a Chinese Communist prison during the height of the cold war. Hugh Francis Redmond, a World War II paratrooper with landings at Normandy on D-Day & at the Market-Garden in Holland with the famed 101st Airborne Division, died in 1970 in the Ward Prison in Shanghai under mysterious circumstances. Unlike every other captured CIA agent, Redmond never admitted his connection with the Company. His gravesite in his hometown of Yonkers, New York reads, "His Country Above All Else." The book includes interviews with boyhood friends of Redmond, fellow paratroopers, CIA officials, priests who spent time in Chinese prisons with him & many who worked tirelessly for his freedom. His dramatic tale has been read by Bill & Hillary

Clinton, General Colin Powell, CIA & FBI leaders & dozens of key government leaders. See what has excited all of them. Available single copies with photos \$19.95 each or \$17.75 each for ten or more directly from Maury Allen, 157 Northfield Ave., Dobbs Ferry, NY 10522 or phone: 914-693-5547.

On the Razzle Dec 10 2020 Comedy Characters: 15 male, 10 female, extras, plus 6 musicians. Various interior and exterior sets or unit set. This recent hit in London is a free adaptation of the 19th century farce by Johann Nestroy that provided the plot for Thornton Wilder's *The Merchant of Yonkers*, which led to The

Matchmaker, which led to Hello, Dolly. The story is basically one long chase, chiefly after two naughty grocer's assistants who, when their master goes off on a binge with a new mistress, *Neil Simon's Memoirs* Nov 20 2021 The complete memoirs of Neil Simon, the greatest—and most successful—American playwright of all time, the author of such iconic works as *Lost in Yonkers*, *The Odd Couple*, *Biloxi Blues*, and *The Goodbye Girl*, now with an insightful Introduction by Nathan Lane. This omnibus edition combines Neil Simon's two memoirs, *Rewrites* and *The Play Goes On*, into one volume that spans his extraordinary five-decade career in theater, television, and film. *Rewrites* takes Simon through his first love, his first play, and his first brush with failure. There is the humor of growing up in Washington Heights (the inspiration for his play *Brighton Beach Memoirs*) where, despite his parents' rocky marriage and many separations, he learned to see the funny side of family drama, as when his mother thought she saw a body on the floor in their apartment—and it turned out to be the clothes his father discarded in the hallway after a night of carousing. He describes his marriage to his beloved wife, Joan, and writes lucidly about the pain of losing her to cancer. *The Play Goes On* adds to his life's story, as he wins the Pulitzer Prize and reflects with humor and insight on his tumultuous life and meteoric career. "Neil Simon's terrific memoirs are worth

revisiting" (New York Post). Now, with the whole story in one place, he traces the history of modern entertainment over the last fifty years as seen through the eyes of a man who started life the son of a garment salesman and became the greatest—and most successful—American playwright of all time.

Weekly We survived the zombie apocalypse, but how many of us are still haunted by that terrible time? We have (temporarily?) defeated the living dead, but at what cost? Told in the haunting and riveting voices of the men and women who witnessed the horror firsthand, *World War Z* is the only record of the pandemic. The *Zombie War* came unthinkably close to eradicating humanity. Max Brooks, driven by the urgency of preserving the acid-etched first-hand experiences of the survivors, traveled across the United States of America and throughout the world, from decimated cities that once teemed with upwards of thirty million souls to the most remote and inhospitable areas of the planet. He recorded the testimony of men, women, and sometimes children who came face-to-face with the living, or at least the undead, hell of that dreadful time. *World War Z* is the result. Never before have we had access to a document that so powerfully conveys the depth of fear and horror, and also the ineradicable spirit of resistance, that gripped human society through the plague years. **THE INSPIRATION FOR THE MAJOR MOTION PICTURE** "Will spook you for real."—The New York Times Book Review "Possesses more creativity and zip than entire crates of other new fiction titles. This is action-packed social-political satire with a global view."—Dallas Morning News **Lost in Yonkers** May 07 2023 Neil Simon's inimitable play about the trials and tribulations that test family ties—winner of the 1991 Pulitzer Prize for Drama. What happens to children in the absence of love? That is the question that lies at the heart of this funny and heartrending play by one of America's most acclaimed and beloved playwrights. Debuting at the Richard Rodgers Theatre in 1990, *Lost in Yonkers* went on to win four Tony Awards, including Best Play, as well as the Pulitzer Prize, and tells the moving drama about the cruelties and painful memories that scar a family. It is New York, 1942. After the death of their mother, two young brothers are sent to stay with their formidable grandmother for the longest ten months of their lives. Grandmother Kurnitz is a one-woman German front—a refugee and a widow who has steeled her heart against the world. Her coldness and intolerance have crippled her own children: the boys' father has no self-esteem; their Aunt Gert has an embarrassing speech impediment; their Uncle Louie is a small-time gangster; and their Aunt Bella has the mentality of a child. But it is Bella's hunger for affection and her refusal to be denied love that saves the boys—and that leads to an unforgettable, wrenching confrontation with

her mother. Filled with laughter, tears, and insight, *Lost in Yonkers* is a heartwarming testament to Neil Simon's talent. **Life in Motion** Oct 08 2020 Profiles the life and career of the professional ballerina, covering from when she began dance classes at age thirteen in an after-school community center through becoming the only African American soloist dancing with the American Ballet Theatre. **God's Favorite** Jan 03 2023 Cast size: medium. **The Sunshine Boys** May 15 2021 Al and Willie as "Lewis and Clark" were top-billed vaudevillians for over forty years. Now they aren't even speaking. When CBS requests them for a "History of Comedy" retrospective, a grudging reunion brings the two back together, along with a flood of memories, miseries and laughs. -- publisher description. **Biloxi Blues** Jul 17 2021 The second in Pulitzer Prize-winning playwright Neil Simon's trilogy which began with *Brighton Beach Memoirs* and concluded with *Broadway Bound*. When we last met Eugene Jerome, he was coping with adolescence in 1930's Brooklyn. Here, he is a young army recruit during WW II, going through basic training and learning about Life and Love with a capital 'L' along with some harsher lessons, while stationed at boot camp in Biloxi, Mississippi in 1943. **The Poisoner's Handbook** Jun 03 2020 Equal parts true crime, twentieth-century history, and science thriller, *The Poisoner's Handbook* is "a

vicious, page-turning story that reads more like Raymond Chandler than Madame Curie." —The New York Observer "The Poisoner's Handbook breathes deadly life into the Roaring Twenties." —Financial Times "Reads like science fiction, complete with suspense, mystery and foolhardy guys in lab coats tipping test tubes of mysterious chemicals into their own mouths." —NPR: What We're Reading A fascinating Jazz Age tale of chemistry and detection, poison and murder, *The Poisoner's Handbook* is a page-turning account of a forgotten era. In early twentieth-century New York, poisons offered an easy path to the perfect crime. Science had no place in the Tammany Hall-controlled coroner's office, and corruption ran rampant. However, with the appointment of chief medical examiner Charles Norris in 1918, the poison game changed forever. Together with toxicologist Alexander Gettler, the duo set the justice system on fire with their trailblazing scientific detective work, triumphing over seemingly unbeatable odds to become the pioneers of forensic chemistry and the gatekeepers of justice. In 2014, PBS's AMERICAN EXPERIENCE released a film based on *The Poisoner's Handbook*. *Neil Simon's 45 Seconds from Broadway* Jan 23 2022 Comedy Characters: 6 male, 6 female Interior Set From America's master of Contemporary Broadway Comedy, here is another revealing comedy behind the scenes in the entertainment world, this time

near the heart of the theatre district. *45 Seconds from Broadway* takes place in the legendary "Polish Tea Room" on New York's 47th Street. Here Broadway theatre personalities washed-up and on-the-rise, gather to schmooz even as they lose. This touching valentine to New York **The Prisoner of Second Avenue** Mar 25 2022 "Comedy / Characters: 2 males, 4 females Scenery: Interior Mel Edison is a well paid executive of a high-end Manhattan firm which has suddenly hit the skids and he gets the ax. His wife Edna takes a job to tide them over, then she too is sacked. Compounded by the air-pollution killing his plants, and with the walls of the apartment paper-thin, allowing him a constant earfull of his neighbors private lives things cant seem to get any worse ... then hes robbed and his psychiatrist dies with \$23,000 of his money. Mel does the only thing left for him to do-he has a nervous breakdown and its the best thing that ever happened to him."--Back cover. Brighton Beach Memoirs Feb 09 2021 Full Length, Comic Drama / 3m, 4f / Comb. Ints/Ext. Here is part one of Neil Simon's autobiographical trilogy: a portrait of the writer as a young teen in 1937 living with his family in a crowded, lower middle-class Brooklyn walk-up. Eugene Jerome, standing in for the author, is the narrator and central character. Dreaming of baseball and girls, Eugene must cope with the mundane existence of his family life in Brooklyn: formidable mother,

overworked father, and his worldly older brother Stanley. Throw into the mix his widowed Aunt Blanche, her two young (but rapidly aging) daughters and Grandpa the Socialist and you have a recipe for hilarity, served up Simon-style. This bittersweet memoir evocatively captures the life of a struggling Jewish household where, as his father states "if you didn't have a problem, you wouldn't be living here." "Brings a fresh glow to Broadway...In many respects his funniest, richest and consequently the most affecting of his plays."-New York Daily News "Simultaneously poignant and funny. The characters are fully dimensional, believable... An outstanding show...the best seen on Broadway in too long a time."-Variety "Hilarious comedy...His finest play...A delightful and enriching experience."-CBS-TV *Neil Simon's Lost in Yonkers* Mar 05 2023 Simon's full screenplay, in addition to an interview with the playwright, and the insights and revelations of the director, producer, cast, and crew. Illustrated with production photographs, storyboard drawings, costume sketches, period drawings, and photos. *Tic Tac Tome* Sep 30 2022 Barefoot in the Park Jan 29 2020 This comedic play follows the trials and tribulations of newlyweds in their first apartment. **Broadway Bound** Feb 04 2023 Length: 2 acts. **Lost in Yonkers** Apr 06 2023 A coming of age tale that focuses on brothers Arty and

Jay, left in the care of their Grandma Kurnitz and Aunt Bella in Yonkers, New York. Their desperate father, Eddie, works as a traveling salesman to pay off debts incurred following the death of his wife. Grandma is a severe, frightfully intimidating immigrant who terrified her children as they were growing up, damaging each of them to varying degrees. Bella is a sweet but mentally slow and highly excitable woman who longs to marry an usher at the local movie house so she can escape the oppressive household and create a life and family of her own. Her brother Louie is a small-time, tough-talking hoodlum who is on the run, while her sister Gert suffers from a breathing problem with causes more psychological than physical problems. Missing much of the sentimentality of the plays comprising Simon's earlier Eugene trilogy, *Lost in Yonkers* climaxes with a dramatic confrontation between embittered mother and lonely daughter that creates a permanent fissure in this highly dysfunctional family.

Citizenship in a Republic Mar 01 2020 *Citizenship in a Republic* is the title of a speech given by Theodore Roosevelt, former President of the United States, at the Sorbonne in Paris, France, on April 23, 1910. One notable passage from the speech is referred to as "The Man in the Arena": It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better.

Not God Aug 18 2021 The
tread of the nurses leaving the
room next door tells the woman
her neighbor has died. The
language of the hospital is one
she has unwillingly,
painstakingly learned: the
rhythm of machines, the
counting of pills, the measuring
of words, the shadowy news of
an MRI. And in these
harrowing, eloquent poems,
she opens this world, this
language of illness, to us,
revealing how deeply these
words and rhythms are also the
measure of life. The views of
her doctor are also evocatively
expressed--his anger,
struggles, and hopes--as he
speaks of the delicate bond he
forms with his ill patients.
Composed by a distinguished
medical oncologist whose
literary work has been
performed in venues
throughout the country, the
poems of Not God document
one woman's encounter with
cancer, a journey through
illness whose end, while
inevitable, is also unknown.
Alternating with the words of
her doctor, these poems form a
remarkable dialogue of the
flesh becoming word, and of
the body inventorying--and
finally transcending--its
limitations.

Rewrites Sep 06 2020 Neil Simon's plays are to some extent a reflection of his life, sometimes autobiographical, other times based on the experiences of those close to him. What the reader of this warm, nostalgic memoir discovers, however, is that the plays, although grounded in Neil Simon's own experience, provide only a glimpse into the mind and soul of this very private man. In Rewrites, he tells of the painful discord he endured at home as a child, of his struggles to develop his talent as a writer, and of his

insecurities when dealing with what proved to be his first great success -- falling in love. Supporting players in the anecdote-filled memoir include Sid Caesar, Jerry Lewis, Walter Matthau, Robert Redford, Gwen Verdon, Bob Fosse, Maureen Stapleton, George C. Scott, Peter Sellers, and Mike Nichols. But always at center stage is his first love, his wife Joan, whose death in the early seventies devastated him, and whose love and inspiration illuminate this remarkable and revealing self-portrait. Rewrites is rich in laughter and emotion, and filled with the memories of a sometimes sweet, sometimes bittersweet life.
