Three months of not knowing if I were dead or
alive and I'm still infinitely yours. When
Luminous River, former sect leader of Silver
Guard, survives a near fatal blow dealt by her
detrimental fate and lover, Demir Losett. She
has to decide if she wants to let the past rest
where it is or handle things the only way she
knows how. With her razor wire whip. While
she tries to regain her strength—and forget
about the man who put her in the situation to
begin with. The fates decide to deal yet another
blow to the venerated former sect leader.
Shang Wylan is next to the worst possible man
Luminous has ever encountered. Not because

of his looks or the way he wears an all-black warrior outfit. But due to the menacing way he looks at her and the secrets he refuses to share. Will the two of them form a bond unlike any other? Or will Luminous be forced to have the same distrust towards Shang as she does for her former lover, Demir Losett? Demir Losett, now the honorable Judge Losett, is wracked with guilt for his role in Luminous's untimely—and halfway planned—passing. He will question his ability to kill the only woman he's ever loved and try to hold onto hope for what he's lost. When he receives word and proof of Lumi being very much alive, Demir is forced to play both sides of the court in order to save her from a ground of mad scientists and a hellbent judge on the same bench he sits on. In order to make amends for the wrongs he had committed against Lumi, Demir will be faced with a new revelation that will turn all of his plans on over and back. Between Lumi's new found will to live and Demir's expertise in the art of holding secrets and making plans. The two of them will have to come together long enough to take down the people who created them. But what happens when Lumi becomes the target of the most powerful judge on the bench? Will she face what is coming to her without the help of her lover who seemingly switched sides? Or will Demir, yet again, orchestrate a way to get out of the hell he had helped create? Love is out the window, trust is broken. Life never stops for a breather, but no matter what, the two will face an infinite

amount of hell just to be together again. An engaging and remarkably dramatic account of the rise and fall of New York's new media district and how it transformed the city's economy and culture.
