Stunning Caledonia MacNeely fights an unfamiliar shiver when she is offered in marriage to the infamous 'Lord Sin'. Though Callie fears this mysterious knight—less for the dark whispers that damn him than for the burning desire he invokes—she is under order of the English King. And with the fate of her troubled clan hanging in the balance, she has little recourse. A Catholic children's book about the Saints. Following the alphabet, 'You Were Born to Be a Saint' takes a look at all the different ways you can fulfill your call to Sainthood. The Ice Dragon is an enchanting tale of courage and sacrifice for young readers and adults by the wildly popular author of the #1 New York Times bestselling Song of Ice and Fire series, George R.R. Martin. Lavish illustrations by acclaimed artist Luis Royo enrich this captivating and heartwarming story of a young girl and her dragon. In the world of A Song of Ice and Fire the ice dragon was a creature of legend and fear, for no man had ever tamed one. When it flew overhead, it left in its wake desolate cold and frozen land. But Adara was not afraid. For Adara was a winter child, born during the worst freeze that anyone, even the Old Ones, could remember. Adara could not remember the first time she had seen the ice dragon. It seemed that it had always been in her life, glimpsed from afar as she played in the frigid snow long after the other children had fled the cold. In her fourth year she touched it, and in her fifth year she rode upon its broad, chilled back for the first time. Then, in her seventh year, on a calm summer day, fiery dragons from the North swooped down upon the peaceful farm that was Adara's home. And only a winter child—and the ice dragon who loved her—could save her world from utter destruction. This new edition of The Ice Dragon is sure to become a collector's item for fans of HBO's megahit Game of Thrones. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. A glimpse into the tribulations of parenting that is part documentary, part therapy, and completely hilarious. It all started when busy father Greg Pembroke posted a few pictures online of his three-year-old son, mid-tantrum, alongside the reason his son was crying: He had broken his bit of cheese in half. In Reasons My Kid is Crying, Greg collects together photos sent from parents around the world, documenting the many, completely logical reasons why small children cry. Among them: "I let him play on the grass" . . . "He ran out of toys to throw into his pool" . . . "The neighbor's dog isn't outside". The result is both an affectionate portrait of the universal, baffling logic of toddlers—and a reminder for burned-out parents everywhere that they are not alone. Enjoying a spell of peace and quiet when a harsh winter storm chases visitors away from

her bed-and-breakfast, Brianna Concannon anticipates the arrival of Grayson Thane, an American mystery writer with a painful past. A masterpiece of simplicity and beauty, *Kinshuis* an epistolary novel by one of Japan's most popular literary authors. Life, death, karma—these interwoven themes form the heart of Teru Miyamoto's lyrical novel in letters, *Kinshu: Autumn Brocade*, the first work to be published in the U.S. by this internationally acclaimed author. The word *kinshu* has many connotations—brocade, poetic writing, the brilliance of autumn leaves—and here resonates as a vibrant metaphor for the complex, intimate relationship between Aki and Yasuaki, a divorced and long-estranged couple. Ten years after their divorce, they meet by chance at a mountain resort. In a flood of emotions and memories, Aki initiates a new correspondence, and letter by letter through the seasons, the secrets of their past unfold as they reflect on their present struggles. From a lover's suicide to a father's controlling demands, the story moves seamlessly through their deeply introspective exchanges. What begins as a series of accusations and apologies, questions and excuses, turns into a source of mutual support and healing. **PULITZER PRIZE WINNER • NEW YORK TIMES BESTSELLER** • An unflinchingly look into the abyss of slavery, from the acclaimed Nobel Prize winner. This spellbinding novel transforms history into a story as powerful as *Exodus* and as intimate as a lullaby. With a new afterword. Sethe, its protagonist, was born a slave and escaped to Ohio, but eighteen years later she is still not free. She has too many memories of Sweet Home, the beautiful farm where so many hideous things happened. And Sethe's new home is haunted by the ghost of her baby, who died nameless and whose tombstone is engraved with a single word: *Beloved*. Filled with bitter poetry and suspense as taut as a rope, *Beloved* is a towering achievement. Contemporary trilogy about the talented and beautiful Concannon sisters set in Ireland's County Clare. *Nunavut tiggummiun!* Hold on to the land! It was just fifty years ago that the territory of Alaska officially became the state of Alaska. But no matter who has staked their claim to the land, it has always had a way of enveloping souls in its vast, icy embrace. For William L. Iggiagruk Hensley, Alaska has been his home, his identity, and his cause. Born on the shores of Kotzebue Sound, twenty-nine miles north of the Arctic Circle, he was raised to live the traditional, seminomadic life that his Iñupiaq ancestors had lived for thousands of years. It was a life of cold and of constant effort, but Hensley's people also reaped the bounty that nature provided. In *Fifty Miles from Tomorrow*, Hensley offers us the rare chance to immerse ourselves in a firsthand account of growing up Native Alaskan. There have been books written about Alaska, but they've been written by Outsiders, settlers. Hensley's memoir of life on the tundra offers an entirely new perspective, and his stories are captivating, as is his account of his devotion to the Alaska Native land claims movement. As a young man, Hensley was sent by missionaries to the Lower Forty-eight so he could pursue an education. While studying there, he discovered that the land Native Alaskans had occupied and, to all intents and purposes, owned for millennia was being snatched away from them. Hensley decided to fight back. In 1971, after years of Hensley's tireless lobbying, the United States government set aside 44 million acres and nearly \$1 billion for use by Alaska's native peoples. Unlike their relatives to the south, the Alaskan peoples would be able to take charge of their economic and political destiny. The landmark decision did not come overnight and was certainly not the making of any one person. But it was Hensley who gave voice to the cause and made it real. *Fifty Miles from Tomorrow* is not only the memoir of one man; it is also a fascinating testament to the resilience of the Alaskan *ilitqusi*, the Alaskan spirit. To all appearances, Miss Omega Chartley is a schoolteacher on holiday. In fact she is a gentlewoman fallen on hard times, left at the altar eight years earlier and forced to make her own way in the world after the loss of her family fortune. Omega's modest tour of England is cut short when she comes to the aid of a runaway. Jamie Clevenden has fled the clutches of a brutal uncle, and Omega is determined to help him escape the law, as represented by Bow Street Runner, Mr. Timothy Platter. Aided by a kindly war

veteran and his adopted daughter, the two fugitives arrive at the home of Jamie's other uncle, the Viscount of Byford—none other than Miss Chartley's disgraced fiancé, Matthew Bering. There Miss Chartley will finally learn the secret that Lord Byford has hidden from her all these years, the story of a dark chapter in his past that stands in the way of not only their happiness but that of his nephew. Now they must face the truth together, no matter how dire the consequences. Originally published in 1989. All three books of the trilogy. I guess I always felt even if the world came to an end, McDonald's still would be open. High school sophomore Miranda's disbelief turns to fear in a split second when an asteroid knocks the moon closer to Earth, like "one marble hits another." The result is catastrophic. How can her family prepare for the future when worldwide tsunamis are wiping out the coasts, earthquakes are rocking the continents, and volcanic ash is blocking out the sun? As August turns dark and wintery in northeastern Pennsylvania, Miranda, her two brothers, and their mother retreat to the unexpected safe haven of their sunroom, where they subsist on stockpiled food and limited water in the warmth of a wood-burning stove. Told in a year's worth of journal entries, this heart-pounding story chronicles Miranda's struggle to hold on to the most important resource of all—hope—in an increasingly desperate and unfamiliar world. An extraordinary series debut Susan Beth Pfeffer has written several companion novels to *Life As We Knew It*, including *The Dead and the Gone*, *This World We Live In*, and *The Shade of the Moon*. Award-winning actor, rapper, and producer Ice-T unveils a compelling memoir of his early life robbing jewelry stores until he found fame and fortune—while a handful of bad choices sent his former crime partner down an incredibly different path. Ice-T rose to fame in the late 1980s, earning acclaim for his music before going on to enthrall television audiences as Odafin “Fin” Tutuola in *Law & Order: Special Victims Unit*. But it could have gone much differently. In this “poignant and powerful” (*Library Journal*, starred review) memoir, Ice-T and Spike, his former crime partner—collaborating with New York Times bestselling author Douglas Century—relate the shocking stories of their shared pasts, and how just a handful of decisions led to their incredibly different lives. Both grew up in violent, gang-controlled Los Angeles neighborhoods and worked together to orchestrate a series of jewelry heists. But while Ice-T was discovered rapping in a club and got his first record deal, Spike was caught for a jewelry robbery and did three years in prison. As his music career began to take off, Ice made the decision to abandon the criminal life; Spike continued to plan increasingly ingenious and risky jewel heists. And in 1992, after one of Spike's robberies ended tragically, he was sentenced to thirty-five years to life. While he sat behind bars, he watched his former partner rise to fame in music, movies, and television. “Propulsive” (*Publishers Weekly*, starred review), timely, and thoughtful, two men with two very different lives reveal how their paths might have very well been reversed if they made different choices. All it took was a split decision. Three sisters are bound by the timeless beauty of Ireland in #1 New York Times bestselling author Nora Roberts' Irish Born trilogy. *Born in Fire* The eldest Concannon sister, Maggie is a reclusive, stubborn, and free-spirited glassmaker—with a heart worth winning... *Born in Ice* A lover of hearth and home, Brianna Concannon is a practical and nurturing innkeeper—whose heart is an open door... *Born in Shame* Though an American, Shannon Bodine is about to find her roots—and lose her heart—in Ireland... #1 NEW YORK TIMES BESTSELLER • The thrilling history of the Targaryens comes to life in this masterly work, the inspiration for HBO's *Game of Thrones* prequel series *House of the Dragon* “The thrill of *Fire & Blood* is the thrill of all Martin's fantasy work: familiar myths debunked, the whole trope table flipped.”—*Entertainment Weekly* Centuries before the events of *A Game of Thrones*, House Targaryen—the only family of dragonlords to survive the Doom of Valyria—took up residence on Dragonstone. *Fire & Blood* begins their tale with the legendary Aegon the Conqueror, creator of the Iron Throne, and goes on to recount the generations of Targaryens who fought to hold that iconic seat, all the way up to the civil war that

nearly tore their dynasty apart. What really happened during the Dance of the Dragons? Why was it so deadly to visit Valyria after the Doom? What were Maegor the Cruel's worst crimes? What was it like in Westeros when dragons ruled the skies? These are but a few of the questions answered in this essential chronicle, as related by a learned maester of the Citadel and featuring more than eighty-five black-and-white illustrations by artist Doug Wheatley—including five illustrations exclusive to the trade paperback edition. Readers have glimpsed small parts of this narrative in such volumes as *The World of Ice & Fire*, but now, for the first time, the full tapestry of Targaryen history is revealed. With all the scope and grandeur of Gibbon's *The History of the Decline and Fall of the Roman Empire*, *Fire & Blood* is the first volume of the definitive two-part history of the Targaryens, giving readers a whole new appreciation for the dynamic, often bloody, and always fascinating history of Westeros. Praise for *Fire & Blood* "A masterpiece of popular historical fiction."—*The Sunday Times* "The saga is a rich and dark one, full of both the title's promised elements. . . . It's hard not to thrill to the descriptions of dragons engaging in airborne combat, or the dilemma of whether defeated rulers should 'bend the knee,' 'take the black' and join the Night's Watch, or simply meet an inventive and horrible end."—*The Guardian*

A micro-preemie fights for survival in this extraordinary and gorgeously told memoir by her parents, both award-winning journalists. Juniper French was born four months early, at 23 weeks' gestation. She weighed 1 pound, 4 ounces, and her twiggy body was the length of a Barbie doll. Her head was smaller than a tennis ball, her skin was nearly translucent, and through her chest you could see her flickering heart. Babies like Juniper, born at the edge of viability, trigger the question: Which is the greater act of love -- to save her, or to let her go? Kelley and Thomas French chose to fight for Juniper's life, and this is their incredible tale. In one exquisite memoir, the authors explore the border between what is possible and what is right. They marvel at the science that conceived and sustained their daughter and the love that made the difference. They probe the bond between a mother and a baby, between a husband and a wife. They trace the journey of their family from its fragile beginning to the miraculous survival of their now thriving daughter.

A mesmerizing debut novel that spans a thousand years of European and Jewish history seen through the beguiling members of the Spinoza family. Since the eleventh century, the Spinoza family has passed down, from father to son, a secret manuscript containing the recipe for immortality. Now, after thirty-six generations, the last descendant of this long and illustrious chain, Ari Spinoza, doesn't have a son to whom to entrust the manuscript. From his deathbed, he begins his narrative, hoping to save his lineage from oblivion. Ari's two main sources of his family's history are a trunk of yellowing documents inherited from his grandfather, and his great-uncle Fernando's tales that captivated him when he was a child. He chronicles the Spinozas' involvement in some of Europe's most formative cultural events with intertwining narratives that move through ages of tyranny, creativity, and social upheaval: into medieval Portugal, Grand inquisitor Torquemada's Spain, Rembrandt's Amsterdam, the French Revolution, Freud's Vienna, and the horrors of both world wars. *The Elixir of Immortality* blends truth and fiction as it rewrites European history through comic, imaginative, scandalous, and tragic tales that prove "the only thing that can possibly give human beings immortality on this earth: our ability to remember." The chronicles of *The Winter of the World* echo down the ages in half-remembered myth and song - tales of mysterious powers of the Mastersmiths, of the forging of great weapons, of the subterranean kingdoms of the duergar, of Gods who walked abroad, and of the Powers that struggled endlessly for dominion. In the Northlands, beleaguered by the ever-encroaching Ice and the marauding Ekwesh, a young cowherd, saved from the raiders by the mysterious Mastersmith, discovers in himself an uncanny power to shape metal - but it is a power that may easily be turned to evil ends, and on a dreadful night he flees his new home, and embarks on the quest to find both his own destiny, and a weapon that will let him stand against the Power of the

Ice. His wanderings will bring him great friends but earn him greater enemies, and eventually they will transform him from lowly cowerd to a mastersmith fit to stand with the greatest of all men. Collects three novels centered around three members of the Concannon family--Maggie, who is hiding from her past, Brianna, a bed-and-breakfast owner, and Shannon, who finds true love after searching for her real father. When the harsh storms of winter descend upon western Ireland, the locals stay indoors and visitors stay away. Brianna Concannon's bed-and-breakfast becomes a cold and empty place. And that's fine with Brianna. She enjoys the peace and quiet, even when icy winds howl at her window. This year, though, she's expecting an unusual guest, mystery writer Grayson Thane, from America. A restless wanderer with a dark past, he plans to spend the cold winter alone Filled with breathtaking photos, this adventure epic of Greenland offers insight into the lives of the people who call this harsh land home and gives readers a feel for what the Inuit go through to survive daily existence. 135 photos. Heart pounding and laugh out loud funny, USA Today Bestselling author K.F. Breene will take you on a magical joy ride you won't soon forget. Supernatural Bounty Hunter isn't the sort of thing you see on LinkedIn. But with a rare type of magic like mine, I don't have many options. Dangerous or not, the job is mine. And it was going fine, until an old as sin vampire stole my mark, and with it, my pay day. Knowing I'm poor and desperate, he has offered me a job. I'll have to work by his side to help solve a top secret case. Everyone knows not to trust vampires. Especially a hot elder vampire. But without any other jobs coming up, I'm stuck. As I uncover a web of lies and treachery, revealing an enemy I didn't know existed, the truth of my identity is threatened. I might make it out alive, only to end up in a gilded cage. At the behest of his surgical mentor, a young Austrian medical student poses as a law student to journey to a remote mining town in order to observe Strauch, an aging painter and brother of his mentor, without letting Strauch know his true occupation, and becomes caught up in the lives of the mad artist and a colorful assortment of local characters, in the first English edition of the author's debut novel. "As fearless as a futuristic Game of Thrones."— MARGARET STOHL, New York Times bestselling co-author of the Beautiful Creatures trilogy From Melissa de la Cruz and Michael Johnston, the New York Times bestselling authors of the Blue Bloods and Witches of East End series. Welcome to New Vegas, a city once covered in bling, now blanketed in ice. Like much of the destroyed planet, the place knows only one temperature—freezing. But some things never change. The diamond in the ice desert is still a 24-hour hedonistic playground and nothing keeps the crowds away from the casino floors, never mind the rumors about sinister sorcery in its shadows. At the heart of this city is Natasha Kestel, a young blackjack dealer looking for a way out. Like many, she's heard of a mythical land simply called "the Blue." They say it's a paradise, where the sun still shines and the waters are turquoise. More importantly, it's a place where Nat won't be persecuted, even if her darkest secret comes to light. But passage to the Blue is treacherous, if not impossible, and her only shot is to bet on a ragtag crew of mercenaries led by a cocky runner named Ryan Wesson there. Danger and deceit await on every corner, even as Nat and Wes find themselves inexorably drawn to each other. But can true love survive the lies? Fiery hearts collide in this fantastic tale of the evil men do and the awesome power within us all. This is a remarkable first book in a spellbinding new series about the dawn of a new kind of magic. In the Ichidian Universe where The League is law, most live in fear. We fight back. Welcome to a world where corrupt assassination politics dominate everyone. It's kill or be killed. Welcome back to the future...and meet hell's new breed of heroes. Devyn Kell spent his life in service to the League until he learned of the double dealing and backstabbing that was costing innocent people their lives. Refusing to play those politics, he became a Runner—someone who makes sure planets get the weapons, medicine and supplies they need to survive. May the gods have mercy on any who get in his way, because he definitely won't. Alix Garran is a woman on the run from a past she can't escape. Signing on to work for Devyn as a

System's Engineer, she finds a cause she can fight for—and a man she can respect. But as Alix's past catches up to her, and Devyn's old enemies turn lethal, they have to fight together...or fall alone, in *Born of Ice*, the third bestselling League novel from Sherrilyn Kenyon. National Book Award-finalist Ibi Zoboi makes her middle-grade debut with a moving story of a girl finding her place in a world that's changing at warp speed. Twelve-year-old Ebony-Grace Norfleet has lived with her beloved grandfather Jeremiah in Huntsville, Alabama ever since she was little. As one of the first black engineers to integrate NASA, Jeremiah has nurtured Ebony-Grace's love for all things outer space and science fiction—especially Star Wars and Star Trek. But in the summer of 1984, when trouble arises with Jeremiah, it's decided she'll spend a few weeks with her father in Harlem. Harlem is an exciting and terrifying place for a sheltered girl from Huntsville, and Ebony-Grace's first instinct is to retreat into her imagination. But soon 126th Street begins to reveal that it has more in common with her beloved sci-fi adventures than she ever thought possible, and by summer's end, Ebony-Grace discovers that Harlem has a place for a girl whose eyes are always on the stars. A New York Times Bestseller Originally published in 1958, *Ice Palace* is Pulitzer Prize winner Edna Ferber's classic and mighty novel about the taming of a great northern wilderness—Alaska. Czar Kennedy came to Alaska for money and power, Thor Storm for a dream. This is the story of their struggle, over a long half-century, for the future of Alaska and the destiny of their beautiful, rebellious granddaughter, Christine, a courageous woman who must make a choice that will shape the destiny of a new generation. Above all, it is the glowing and eloquent tale of Alaska itself—the last, great American frontier. NATIONAL BESTSELLER • From the acclaimed Nobel Prize winner—a powerful examination of our obsession with beauty and conformity that asks questions about race, class, and gender with characteristic subtly and grace. In Morrison's acclaimed first novel, *Pecola Breedlove*—an 11-year-old Black girl in an America whose love for its blond, blue-eyed children can devastate all others—prays for her eyes to turn blue: so that she will be beautiful, so that people will look at her, so that her world will be different. This is the story of the nightmare at the heart of her yearning, and the tragedy of its fulfillment. Here, Morrison's writing is “so precise, so faithful to speech and so charged with pain and wonder that the novel becomes poetry” (The New York Times). #1 New York Times bestselling author Nora Roberts presents the first novel in the Irish Born Trilogy—featuring three modern sisters bound by the timeless beauty of Ireland. Margaret Mary, the eldest Concannon sister, is a glass artist with an independent streak as fierce as her volatile temper. Hand-blowing glass is a difficult and exacting art, and while she may produce the delicate and the fragile, Maggie is a strong and opinionated woman, a Clare woman, with all the turbulence of that fascinating west country. One man, Dublin gallery owner Rogan Sweeney, has seen the soul in Maggie's art, and vows to help her build a career. When he comes to Maggie's studio, her heart is inflamed by their fierce attraction—and her scarred past is slowly healed by love... Don't miss the other books in the Irish Born Trilogy *Born in Ice* *Born in Shame* #1 New York Times bestselling author Nora Roberts presents the first novel in the Irish Born Trilogy—featuring three modern sisters bound by the timeless beauty of Ireland. Don't miss the other books in the Irish Born Trilogy *Born in Ice* *Born in Shame* - Selecting his most evocative and thought-provoking imagery, this BBC Wildlife Photographer of the Year, top Instagram photography influencer, and speaker takes you deeply into a world he loves. Bathed in

polar light, Nicklen's photography breaks new ground, offering a vivid, timely portrait of two extraordinary, endangered ecosystems - In a wise intertwining of art and science, Nicklen's bold expeditions plunge him into freezing seas to capture it all, from sea to sky, all species and all habitats, including unprecedented, up-close documentation of the lives of leopard seals, whales, walruses, polar bears, elephant seals, penguins, and narwhals - A captivating and important volume of fine art wildlife photography that illustrates Nicklen's vision of seeking out truth and change through his work -- his foundation with Cristina Mittermeier, SeaLegacy, a non-profit environmental organization - With a foreword by Leonardo DiCaprio SeaLegacy co-founder, National Geographic photographer, acclaimed ocean conservationist, and TED Talks favorite, Paul Nicklen traces his extraordinary love affair with the polar regions in his most recent book, *Born to Ice*. His powerful images of iconic arctic and antarctic wildlife and scenery, coupled with his inspiring photographic storytelling, blends ethereal beauty of the icy landscape with a compelling call to action. The Arctic is in Paul Nicklen's blood. Born and raised on Baffin Island, Nunavut, he grew up in one of the only non-Inuit families in a tiny Inuit settlement amid the ice fields, floes, and frigid seas of Northern Canada. At an age when most children are playing hide-and-seek, he was learning important lessons on survival; how to read the weather, find shelter in a frozen snowscape, or live off the land as his Inuit neighbors had done for centuries. Today, Nicklen is a naturalist and wildlife photographer uniquely qualified to portray the impact of climate change on the Polar Regions and their inhabitants, human and animal alike. Whether he is diving off the floe edge in the Canadian Arctic or sitting on a piece of glacial ice in Antarctica to scout for leopard seals, Paul Nicklen goes to great lengths and depths to secure his award-winning images of life in the polar regions. This National Geographic-featured photographer and conservationist never shies away from extreme and challenging conditions as he feels urgently compelled to connect a global audience to the species and ecosystems he cares so deeply about. One of the world's most acclaimed nature photographers, Nicklen focuses on marine wildlife and polar environments. For Nicklen, we must act now to save Earth's delicate ecosystems and the precious diversity of life. Combining some of his most extraordinary photographs with personal experiences -- learning and inspirational -- this stunning Paul Nicklen photo compendium is both a remarkable collection of nature photography and a passionate rallying cry to stand up, have a voice, and enact positive change for our planet. Text in English, German and French. #1 New York Times bestselling author Nora Roberts begins a new trilogy of adventure, romance, and magick in *The Awakening*. In the realm of Talamh, a teenage warrior named Keegan emerges from a lake holding a sword—representing both power and the terrifying responsibility to protect the Fey. In another realm known as Philadelphia, a young woman has just discovered she possesses a treasure of her own... When Breen Kelly was a girl, her father would tell her stories of magical places. Now she's an anxious twentysomething mired in student debt and working a job she hates. But one day she stumbles upon a shocking discovery: her mother has been hiding an investment account in her name. It has been funded by her long-lost father—and it's worth nearly four million dollars. This newfound fortune would be life-changing for anyone. But little does Breen know that when she uses some of the money to journey to Ireland, it will unlock mysteries she couldn't have imagined. Here, she will begin to understand why she kept seeing that silver-haired, elusive man, why she imagined his voice in her head saying Come home, Breen Siobhan. It's time you came home. Why she dreamed of dragons. And where her true destiny lies—through a portal in Galway that takes her to a land of faeries and mermaids, to a man named Keegan, and to the courage in her own heart that will guide her through a powerful, dangerous destiny... One of the twentieth century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of

Macondo through the history of the Buendía family. Rich and brilliant, it is a chronicle of life, death, and the tragicomedy of humankind. In the beautiful, ridiculous, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility, the variety of life, the endlessness of death, the search for peace and truth—these universal themes dominate the novel. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an account of the history of the human race. Rocket has finally achieved his dream -- he's been drafted to the NHL! Following a great Major Junior career, Rocket is drafted in the NHL draft! However, the scouts still feel that Rocket needs some retooling to be an NHLer. He is sent to the AHL for seasoning, and told he should hit the weight room as well. At home, Maddy has applied for loans for her first year of university. Rocket assures her that he'll pay it all off when he's a pro. This changes when his mother is laid off and Rocket's income is all the family has -- and an AHL salary doesn't go very far. Through his training with the AHL, Rocket will face many challenges, both on the ice and in his home life. Will Rocket once again beat the odds? From #1 New York Times bestselling author Nora Roberts comes the final novel in the Irish Born Trilogy—following *Born in Fire* and *Born in Ice*. Shannon Bodine's life revolves around her job as a graphic artist at a New York ad agency. But her world turns upside down when she learns the identity of her real father: Thomas Concannon. Obeying her late mother's wishes, Shannon reluctantly travels to County Clare. There, amid the lush landscape steeped in legend, she meets her half sisters and their families, but she's wary of opening her heart to them—or to their charming neighbor... Murphy Muldoon is a successful farmer and horse breeder with a romantic streak that can turn the most trite sentiment into poetry. Soon, his striking good looks and unpretentious ways have Shannon discovering the possibility of a love that was meant to be. Don't miss the other books in the Irish Born Trilogy *Born in Fire* *Born in Ice* Ranch owner Cane Kirk lost more than his arm in the war. He lost his way, battling his inner demons by challenging any cowboy unfortunate enough to get in his way. No one seems to be able to cool him down, except beautiful Bodie Mays. Bodie doesn't mind saving Cane from himself, even if he is a little too tempting for her own peace of mind. But soon Bodie's the one who finds herself in need of rescuing—only, she's afraid to tell Cane what's really going on. How can she trust someone as unpredictable as this fierce cowboy? When her silence only ends up getting her into even deeper hot water, it's up to Cane to save the day. And if he does it right, he won't be riding off into the sunset alone. #1 New York Times bestselling author Nora Roberts presents a collection including all three novels in her Irish Born Trilogy—featuring three modern sisters bound by the timeless beauty of Ireland. **BORN IN FIRE** The eldest Concannon sister, Maggie is a reclusive, stubborn, and free-spirited glassmaker—with a heart worth winning... **BORN IN ICE** A lover of hearth and home, Brianna Concannon is a practical and nurturing innkeeper—whose heart is an open door... **BORN IN SHAME** Though an American, Shannon Bodine is about to find her roots—and lose her heart—in Ireland... The second novel in the Irish Born Trilogy from the #1 New York Times bestselling author of *Born In Fire*. Brianna Concannon is the kind of innkeeper who doesn't mind the harsh winters of Ireland—and the empty bed-and-breakfast that comes with them. But this year, a famous American author needs a quiet place to stay while writing his next book. A charmer whose easy smiles mask a guarded past, Grayson Thane plans to spend the cold winter alone. But his lovely landlady adds a complication he never expected. She's exactly what he's looking for in his heroine. And soon Grayson and Brianna will learn that sometimes fate has a plan of its own. Sometimes, fire can be born in ice... Don't miss the other books in the Irish Born Trilogy *Born in Fire* *Born in Shame*
