Promises of Hope Sep 29 2021 When Matthew was thrown in jail on July 21, 2001, I had mountains of feelings. I knew his life was coming to a boiling point. With drugs, alcohol, stealing and living the wild life he had chosen to live, it couldn't and wouldn't last long. Not with the promise God had given me for his life. This was a promise I was soon going to question. I would even question the very existence of a loving, kind God whom I had believed in all my life, and had raised my children to believe in. Soon, way too soon, my faith would be put to the ultimate test. Do I truly believe? Is He really a God of love and mercy? How could He be so cruel to those He's supposed to love so much? Today, I know the answer to these questions, without any doubt. This is my journey.

Receiving God's Promises Dec 01 2021 God is inviting you on a journey through the land of His promises and

provision—the riches of your inheritance in Christ. The process by which you enter into your inheritance is similar to the journey made by the Israelites in the Promised Land. God gave them a specific way to gain possession of that land: step-by-step, stage by stage, area by area. He pledged, “Every place on which the sole of your foot treads, I have given it to you” (Joshua 1:3 NASB). Likewise, as you step into each promise of God—in every area of your life—you will possess that much more of your inheritance as an heir of His kingdom. Every day, we face challenges that can be met through God’s powerful provision. In a very practical way, renowned Bible teacher Derek Prince shows you how to address your difficulties and have your needs supplied by applying the specific promises appropriate for each situation. You can receive the blessings of wisdom, guidance, favor at work, good relationships, financial prosperity, healing, peace of mind, and many others. God’s provision is in His promises, and His promises are our inheritance—not only in eternity but right now. Start walking through the land of God’s promises and claim your inheritance. “[God] has given us everything we need.... He has given us His very great and precious promises” (2 Peter 1:3–4 NIV).

The Little Book of Big Promises Jul 20 2023 In The Little Book of Big Promises , intuitive healer Peggy Rometo guides you on an inspiring journey to uncover your life’s path. Using guided meditations, energy work, and other practices that allow you to tap into your intuition, she helps you identify the big promises you made to yourself and the world before your life began. Rometo’s Pursuit of Promises process focuses on a sequence of significant events in your life—from as far back as childhood or from your life today—that have helped shape you. Each event brings forth a piece of you that is needed at that point in time, acting as a bridge from one stage of your life to the next. Looking at

these events and your reactions to them will begin to reveal your promises—promises that outline the actions, intentions, and qualities you're meant to live.

Throughout the process Rometo explores how to break free of the old patterns, beliefs, and fears that hold you back from embodying your true self. In the end, you will find your current promise, which is your starting point for a plan of action to live an authentic, purposeful life. Ultimately, you will be able to honor your life's overarching promise: to share who you are.

Appearing to her in a series of visions in 1673, Jesus promised St. Margaret Mary Alacoque that those who “expose and honor his most Sacred Heart” will find peace in the home, consolation in sorrow, and a source of refuge in times of trouble. Do not be afraid; do not be discouraged, for the Lord Your God will be with you wherever you go." That promise was whispered about my boy—my God will be with him wherever he goes. That promise led me into a deep study of Joshua, and I learned that this book—full of war and gore—has an abundance of beauty and God's grace. Mama's Promises Jun 07 2022 "Waniek is a poet of intelligence, passion, and gentleness with a fine sense of the comic and unfailing judgment about what constitutes a poetic line. She creates a rich mixture of impressions about the speaker of these poems as a woman who is at the same time in her mid-twenties and her mid-fifties, who is black and white and red, who is both trapped by and freed by motherhood." —Miller Williams Marilyn Nelson Waniek writes with great wisdom and compassion. Grounded but never earthbound, her poems speak honestly and eloquently about giving birth, nurturing life, and facing death; they inhabit the present, fully aware of their responsibilities to the past and the future. Waniek leaves us with the affecting strength and assurance of lasting things, as in the poem "Mama's Promise." But the dangerous highway curves through blue evenings when I hold his yielding hand and snip his minuscule nails with my vicious-looking scissors. I carry him around like an egg in a spoon, and I remember a porcelain fawn, a best friend's trust, my

broken faith in myself. It's not my grace that keeps me erect as the sidewalk clatters downhill under my rollerskate wheels. Then I think of Mama, her bountiful breasts. When I was a child, I really swear, Mama's kisses could heal. I remember her promise, and whisper it over my sweet son's sleep: When you float to the bottom, child, like a mote down a sunbeam, you'll see me from a trillion miles away: my eyes looking upon you, my arms outstretched for you like night. The Importance of Campaign Promises May 06 2022

Campaign promises are a cornerstone of representative democracy. Candidates make promises to signal to voters their intentions in office and voters evaluate candidates based on those promises. This study unpacks the theorized pathway regarding campaign promises: not whether promises are kept, but what purpose promises serve, what they signal, and how they affect voter decision-making. The author explores the pathways and conditions influencing promises and finds that promises tend to have a polarizing effect on voters' opinions of politicians, attracting similarly-positioned voters and strongly repelling voters who disagree with a candidate's position. In addition, voters perceive promise breakers as less honest and less likely to follow through than candidates who more weakly took the same position. With a wealth of data and fascinating case studies, this book is full of important insights into electoral psychology and the study of promises, campaigning, and representation.
