[Psychological Modeling](#) Mar 03 2020 The Classic Edition of this key text highlights seminal work done in the subject of learning by modeling and offers an extensive review of the major theories, edited by one of the most influential psychologists of his generation. In his introductory essay, Bandura identifies the most important controversial issues in the field of observational learning and reviews a large body of research findings, before carefully chosen articles, written by a team of expert contributors, tackle a range of key debates in the field. Topics explored include the role of reinforcement play in observational learning, the scope of modeling influences, the types of people most susceptible to modeling influences, and the relative effectiveness of models presented in live action, in pictorial presentations, or through verbal description. Written in a lively and engaging manner, this book will be of interest to all psychology students interested in psychological modeling, as well as educators and professionals working with children.

John Fante's Ask the Dust Apr 27 2022 This volume assembles for the first time a staggering multiplicity of reflections and readings of John Fante's 1939 classic, *Ask the Dust*, a true testament to the work's present and future impact. The contributors to this work—writers, critics, fans, scholars, screenwriters, directors, and others—analyze

the provocative set of diaspora tensions informing Fante's masterpiece that distinguish it from those accounts of earlier East Coast migrations and minglings. A must-read for aficionados of L.A. fiction and new migration literature, John Fante's "Ask the Dust": A Joining of Voices and Views is destined for landmark status as the first volume of Fante studies to reveal the novel's evolving intertextualities and intersectionalities. Contributors: Miriam Amico, Charles Bukowski, Stephen Cooper, Giovanna DiLello, John Fante, Valerio Ferme, Teresa Fiore, Daniel Gardner, Philippe Garnier, Robert Guffey, Ryan Holiday, Jan Louter, Chiara Mazzucchelli, Meagan Meylor, J'aime Morrison, Nathan Rabin, Alan Rifkin, Suzanne Manizza Roszak, Danny Shain, Robert Towne, Joel Williams

Wait Until Spring, Bandini Apr 08 2023 He came along, kicking the snow. Here was a disgusted man. His name was Svevo Bandini, and he lived three blocks down that street. He was cold and there were holes in his shoes. That morning he had patched the holes on the inside with pieces of cardboard from a macaroni box. The macaroni in that box was not paid for. He had thought of that as he placed the cardboard inside his shoes.

[Fugitives and Refugees](#) Dec 24 2021 Want to know where Chuck Palahniuk's tonsils currently reside? Been looking for a naked mannequin to hide in your kitchen cabinets? Curious about Chuck's debut in an MTV music video? What goes on at the Scum Center? How do you get to the Apocalypse Café? In the closest thing he may ever write to an autobiography, Chuck Palahniuk provides answers to all these questions and more as he takes you through the streets, sewers, and local haunts of Portland, Oregon. According to Katherine Dunn, author of the cult classic *Geek Love*, Portland is the home of America's "fugitives and refugees." Get to know these folks, the "most cracked of the crackpots," as Palahniuk calls them, and come along with him on an adventure through the parts of Portland you might not otherwise believe actually exist. No other travel guide will give you this kind of access to "a little history, a little legend, and a lot of friendly, sincere, fascinating people who maybe should've kept their mouths shut." Here are strange personal museums, weird annual events, and ghost stories. Tour the tunnels under downtown Portland. Visit swingers' sex clubs, gay and straight. See Frances Gabe's famous 1940s Self-Cleaning House. Look into strange local customs like the I-Tit-a-Rod Race and the Santa Rampage. Learn how to talk like a local in a quick vocabulary lesson. Get to know, I mean really get to know, the animals at the Portland zoo. Oh, the list goes on and on.

Campsite May 17 2021 Camping is perhaps the quintessential American activity. We camp to escape, to retreat, to "find" ourselves. The camp serves as a home-away-from-home where we might rethink a deliberate life. We also camp to find a new collective space where family and society converge. Many of us attended summer camps, and the legacies of these childhood havens form part of American culture. In *Campsite*, Charlie Hailey provides a highly original and artfully composed interpretation of the cultural significance and inherently paradoxical nature of camps and camping in contemporary American society. Offering a new understanding of the complex relationship between place, time, and architecture in an increasingly mobile culture, Hailey explores campsites as places that necessitate a unique combination of contrasting qualities, such as locality and foreignness, mobility and fixity, temporality and permanence, and public domesticity. Camping methods reflect the rigid flexibility of the process: leaving home, arriving at a site, clearing an area, making and then finally breaking camp. The phases of this sequence are both separate and indistinct. To understand this paradox, Hailey emphasizes the role of process. He constructs a philosophical

framework to elucidate the "placefulness" -- or sense of place -- of such temporary constructions and provides alternative understandings of how we think of the home and of public versus private dwelling spaces. Historically, camps have been used as places for scouting out future towns, for clearing provisional spaces, and for making semipermanent homes-away-from-home. To understand how "cultures of camping" develop and accommodate this dynamic mix of permanence and flexibility, Hailey looks at three basic qualities of the camp: as a site for place-making, as a populist precursor for modern built environments, and as a "method." Hailey's creative and philosophical approach to camps and camping allows him to construct links between such diverse projects as the "philosophers' camps" of the mid-nineteenth century, the idiosyncratic camping clubs that arose with the automobile culture in the early 1920s, and more recent uses of campsites as temporary housing for those displaced by Hurricane Katrina. In *Campsite*, Hailey makes a singular and significant contribution to current studies of place and vernacular architecture while also reconfiguring methods of research in cultural studies, architectural theory, and geography.

Ham On Rye Feb 11 2021 "Wordsworth, Whitman, William Carlos Williams, and the Beats in their respective generations moved poetry toward a more natural language. Bukowski moved it a little farther." -Los Angeles Times Book Review In what is widely hailed as the best of his many novels, Charles Bukowski details the long, lonely years of his own hardscrabble youth in the raw voice of alter ego Henry Chinaski. From a harrowingly cheerless childhood in Germany through acne-riddled high school years and his adolescent discoveries of alcohol, woman, and the Los Angeles Public Library's collection of D.H. Lawrence, *Ham on Rye* offers a crude, brutal, and savagely funny portrait of an outcast's coming-of-age during the desperate days of the Great Depression.

Ask the Dust Feb 06 2023 *Ask the Dust* is a virtuoso performance by an influential master of the twentieth-century American novel. It is the story of Arturo Bandini, a young writer in 1930s Los Angeles who falls hard for the elusive, mocking, unstable Camilla Lopez, a Mexican waitress. Struggling to survive, he perseveres until, at last, his first novel is published. But the bright light of success is extinguished when Camilla has a nervous breakdown and disappears . . . and Bandini forever rejects the writer's life he fought so hard to attain.

Wait Until Spring, Bandini Mar 07 2023 For Arturo Bandini, oldest son of Italian immigrants living in small-town Colorado during the Great Depression, the winter proves harsh. When his father seemingly abandons his family, Arturo is left to pick up the pieces, even as turmoil rages within him. With its evocative account of grinding poverty, tragic love affairs and tumultuous adolescence, this first novel from the Bandini quartet is a much-neglected masterpiece of modern American literature.

Dreams from Bunker Hill Jan 05 2023 My first collision with fame was hardly memorable. I was a busboy at Marx's Deli. The year was 1934. The place was Third and Hill, Los Angeles. I was twenty-one years old, living in a world bounded on the west by Bunker Hill, on the east by

Los Angeles Street, on the south by Pershing Square, and on the north by Civic Center. I was a busboy nonpareil, with great verve and style for the profession, and though I was dreadfully underpaid (one dollar a day plus meals) I attracted considerable attention as I whirled from table to table, balancing a tray on one hand, and eliciting smiles from my customers. I had something else beside a waiter's skill to offer my patrons, for I was also a writer.

West of Rome May 29 2022 *West of Rome's* two novellas, "My Dog Stupid" and "The Orgy," fulfill the promise of their rousing titles. The latter novella opens with virtuoso description: "His name was Frank Gagliano, and he did not believe in God. He was that most singular and startling craftsman of the building trade—a left-handed bricklayer. Like my father, Frank came from Torcella Peligna, a cliff-hugging town in the Abruzzi. Lean as a spider, he wore a leather cap and puttees the year around, and he was so bowlegged a dog could lope between his knees without touching them."

Italian Americans in Film Jun 17 2021 This book examines how Italian Americans have been represented in cinema, from the depiction of Italian migration in New Orleans in the 1890s (*Vendetta*) to the transition from first- to second-generation immigrants (*Ask the Dust*), and from the establishment of the stereotype of the Italian American gangster (*Little Caesar*, *Scarface*) to its re-definition (*Mean Streets*), along with a peculiar depiction of Italian American masculinity (*Marty*, *Raging Bull*). For many years, Italian migration studies in the United States have commented on the way cinema contributed to the creation of an identifiable Italian American identity. More recently, scholars have recognized the existence of a more nuanced plurality of Italian American identities that reflects social and historical elements, class backgrounds, and the relationship with other ethnic minorities. The second part of the book challenges the most common stereotypes of Italian Americanness: food (*Big Night*) and Mafia, deconstructing the criminal tropes that have contributed to shaping the perception of Italian-American mafiosi in *The Funeral*, *Goodfellas*, *Donnie Brasco*, and the first two chapters of the *Godfather* trilogy. At the crossroads of the fields of Italian Culture, Italian American Culture, Film Studies, and Migration Studies, *Italian Americans in Film* is written not only for undergraduate and graduate students but also for scholars who teach courses on Italian American Cinema and Visual Culture.

1933 Was A Bad Year Aug 20 2021 John Fante is a lost gem of American literature and the man who was credited by Charles Bukowski as the inspiration for him to start writing. In a life that spanned 74 years, Fante wrote several great novels, such as *Ask the Dust*, and numerous screenplays. He died in 1983 from diabetes-related complications. Trapped in a small, poverty-ridden town in 1933, seventeen-year-old Dominic Molise yearns to fulfil his own dreams of becoming an American sports hero. This teenage southpaw aspires to the big leagues, big recognition and big love. He struggles, though, against the reality of his Italian parents, and comes under pressure to go into the family business. Brick-laying is not for Dominic. His father, however, seeks to pre-empt the inevitable road to failure by wanting Dominic to pick up a trowel instead of a pitcher's glove. His

mother's response is to pray. At once the story of class and an individual's struggle during hard times in America, 1933 was a Bad Year is a wonderful tale of childhood and its dissipation into adulthood. *Ask the Dust* Sep 01 2022 Arturo Bandini arrives in Los Angeles with big dreams. But the reality he finds is a city gripped by poverty. When he makes a small fortune from the publication of a short story, he reinvents himself, indulging in expensive clothes, fine food and downtown strip clubs. But Bandini's delusions take a worrying turn when he is drawn into a relationship with Camilla Lopez, a beautiful but troubled young woman who will be responsible for his greatest downfall. *Ask the Dust* is an unforgettable novel about outsiders looking in on a town built on celluloid dreams.

Collectivism After Modernism Oct 22 2021 "Don't start an art collective until you read this book." —Guerrilla Girls "Ever since Web 2.0 with its wikis, blogs and social networks the art of collaboration is back on the agenda. Collectivism after Modernism convincingly proves that art collectives did not stop after the proclaimed death of the historical avant-gardes. Like never before technology reinvents the social and artists claim the steering wheel!" —Geert Lovink, Institute of Network Cultures, Amsterdam "This examination of the succession of post-war avant-gardes and collectives is new, important, and engaged." — Stephen F. Eisenman, author of *The Abu Ghraib Effect* "Collectivism after Modernism crucially helps us understand what artists and others can do in mushy, stinky times like ours. What can the seemingly powerless do in the face of mighty forces that seem to have their act really together? Here, Stimson and Sholette put forth many good answers." —Yes Men Spanning the globe from Europe, Japan, and the United States to Africa, Cuba, and Mexico, *Collectivism after Modernism* explores the ways in which collectives function within cultural norms, social conventions, and corporate or state-sanctioned art. Together, these essays demonstrate that collectivism survives as an influential artistic practice despite the art world's star system of individuality. *Collectivism after Modernism* provides the historical understanding necessary for thinking through postmodern collective practice, now and into the future. Contributors: Irina Aristarkhova, Jesse Drew, Okwui Enwezor, Rubn Gallo, Chris Gilbert, Brian Holmes, Alan Moore, Jelena Stojanović, Reiko Tomii, Rachel Weiss. Blake Stimson is associate professor of art history at the University of California Davis, the author of *The Pivot of the World: Photography and Its Nation*, and coeditor of *Visual Worlds and Conceptual Art: A Critical Anthology*. Gregory Sholette is an artist, writer, and cofounder of collectives *Political Art Documentation/Distribution* and *REPOhistory*. He is coeditor of *The Interventionists: Users' Manual for the Creative Disruption of Everyday Life*. "To understand the various forms of postwar collectivism as historically determined phenomena and to articulate the possibilities for contemporary collectivist art production is the aim of *Collectivism after Modernism*. The essays assembled in this anthology argue that to make truly collective art means to reconsider the relation between art and public; examples from the Situationist International and Group Material to Paper Tiger Television and the Congolese collective *Le Groupe Amos* make the

point. To construct an art of shared experience means to go beyond projecting what Blake Stimson and Gregory Sholette call the “imagined community”: a collective has to be more than an ideal, and more than communal craft; it has to be a truly social enterprise. Not only does it use unconventional forms and media to communicate the issues and experiences usually excluded from artistic representation, but it gives voice to a multiplicity of perspectives. At its best it relies on the participation of the audience to actively contribute to the work, carrying forth the dialogue it inspires.” —BOMB

Charles Bukowski Jan 25 2022 “A lively portrait of American literature’s ‘Dirty Old Man’.” —Library Journal A former postman and long-term alcoholic who did not become a full-time writer until middle age, Charles Bukowski was the author of autobiographical novels that captured the low life—including Post Office, Factotum, and Women—and made him a literary celebrity, with a major Hollywood film (Barfly) based on his life. Drawing on new interviews with virtually all of Bukowski’s friends, family, and many lovers; unprecedented access to his private letters and unpublished writing; and commentary from Norman Mailer, Allen Ginsberg, Sean Penn, Mickey Rourke, Lawrence Ferlinghetti, R. Crumb, and Harry Dean Stanton, Howard Sounes has uncovered the extraordinary true story of the Dirty Old Man of American literature. Illustrated with drawings by Bukowski and over sixty photographs, Charles Bukowski is a must for Bukowski devotees and new readers alike. “Bukowski is one of those writers people remember more for the legend than for the work . . . but, as Howard Sounes shows in this exhaustively researched biography, it wasn’t the whole story.” —Los Angeles Times “Engaging . . . Adroit . . . revealing.” —The New York Times Book Review “A must-read for anybody who is a fan of Bukowski’s writing.” —The Globe and Mail (Toronto)

As the first comprehensive homage to the R and RS models, this is a must-have for all Porsche 911 lovers. At

auctions they rack up premium prices, but the makers of the 911 R never intended to create objects of speculation for maximum profit. Their main concern was developing vehicles that would appeal to customers because of their uncompromising sportiness. The story begins 50 years ago, when the first Porsche 911 R achieved five new long-distance world records in Monza; and goes on to the latest 911 R - a car that is aware of its history, with racing stripes, houndstooth bucket seats, manual gear change, and a free-revving naturally aspirated engine. In between the first and the latest lie 50 years, numerous models, and a legion of fans.

The Cider House Rules Nov 10 2020 An American classic first published in 1985 by William Morrow and adapted into an Academy Award-winning film, The Cider House Rules is among John Irving's most beloved novels. Set in rural Maine in the first half of the twentieth century, it tells the story of Dr. Wilbur Larch—saint and obstetrician, founder and director of the orphanage in the town of St. Cloud's, ether addict and abortionist. It is also the story of Dr. Larch's favorite orphan, Homer Wells, who is never adopted. “A novel as good as one could hope to find from any author, anywhere, anytime. Engrossing, moving, thoroughly satisfying.” —Joseph Heller, author of Catch-22

Ego Is the Enemy Mar 27 2022 The instant Wall Street Journal, USA Today, and international bestseller “While the history books are filled with tales of obsessive visionary geniuses who remade the world in their image with sheer, almost irrational force, I’ve found that history is also made by individuals who fought their egos at every turn, who eschewed the spotlight, and who put their higher goals above their desire for recognition.” —from the prologue Many of us insist the main impediment to a full, successful life is the outside world. In fact, the most common enemy lies within: our ego. Early in our careers, it impedes learning and the cultivation of talent. With success, it can blind us to our faults and sow future problems. In failure, it magnifies each blow and makes recovery more difficult. At every stage, ego holds us back. Ego Is the Enemy draws on a vast array of stories and examples, from literature to philosophy to history. We meet fascinating figures such as George Marshall, Jackie Robinson, Katharine Graham, Bill Belichick, and Eleanor Roosevelt, who all reached the highest levels of power and success by conquering their own egos. Their strategies and tactics can be ours as well. In an era that glorifies social media, reality TV, and other forms of shameless self-promotion, the battle against ego must be fought on many fronts. Armed with the lessons in this book, as Holiday writes, “you will be less invested in the story you tell about your own specialness, and as a result, you will be liberated to accomplish the world-changing work you’ve set out to achieve.”

The Brotherhood of the Grape Nov 03 2022 Henry Molise, a 50 year old, successful writer, returns to the family home to help with the latest drama; his aging parents want to divorce. Henry's tyrannical, brick laying father, Nick, though weak and alcoholic, can still strike fear into the hearts of his sons. His mother, though ill and devout to

her Catholicism, still has the power to comfort and confuse her children. This is typical of Fante's novels, it's autobiographical, and brimming with love, death, violence and religion. Writing with great passion Fante powerfully hits home the damage family can wreck upon us all.

The John Fante Reader Mar 15 2021 It's not every day that a writer, almost unheard of in his lifetime, emerges twenty years after his death as a voice of his generation. But then again, there aren't many writers with such irrepressible genius as John Fante. The John Fante Reader is the important next step in the reintroduction of this influential author to modern audiences. Combining excerpts from his novels and stories, as well as his never-before-published letters, this collection is the perfect primer on the work of a writer -- underappreciated in his time - - who is finally taking his place in the pantheon of twentieth-century American writers.

1933 Was A Bad Year Oct 02 2022 Trapped in a small, poverty-ridden town in 1933, under pressure from his father to go into the family business, seventeen-year-old Dominic Molise yearns to fulfill his own dreams.

The Moviegoer Jul 19 2021 In this National Book Award-winning novel from a “brilliantly breathtaking writer,” a young Southerner searches for meaning in the midst of Mardi Gras (The New York Times Book Review). On the cusp of his thirtieth birthday, Binx Bolling is a lost soul. A stockbroker and member of an established New Orleans family, Binx’s one escape is the movie theater that transports him from the falseness of his life. With Mardi Gras in full swing, Binx, along with his cousin Kate, sets out to find his true purpose amid the excesses of the carnival that surrounds him. Buoyant yet powerful, The Moviegoer is a poignant indictment of modern values, and an unforgettable story of a week that will change two lives forever. This ebook features an illustrated biography of Walker Percy including rare photos from the author’s estate.

The Bandini Quartet May 09 2023 Possessing a style of deceptive simplicity, emotional immediacy and tremendous psychological point, among the novels, short stories and screenplays that complete his career, Fante's crowning accomplishment is the Arturo Bandini tetralogy. This quartet of novels tell of Fante's fictional alter-ego Bandini, an impoverished young Italian-American escaping his suffocating home in Colorado for Depression-era Los Angeles. In the beginning, it is the triple weights of poverty, father and Church that Bandini struggles under but though the physical escape is complete, the psychological imprint continues as he comes to terms with love, desire and the knowledge his talent may not be recognised.

The Road to Los Angeles Dec 04 2022 I had a lot of jobs in Los Angeles Harbor because our family was poor and my father was dead. My first job was ditchdigging a short time after I graduated from high school. Every night I couldn’t sleep from the pain in my back. We were digging an excavation in an empty lot, there wasn’t any shade, the sun came straight from a cloudless sky, and I was down in that hole digging with two huskies who dug with a love for it, always laughing and telling jokes, laughing and smoking bitter tobacco.

Plants and People Nov 22 2021 This first monograph in the EARTH series, *The dynamics of non-industrial agriculture: 8,000 years of resilience and innovation*, approaches the great variety of agricultural practices in human terms. It focuses on the relationship between plants and people, the complexity of agricultural processes and their organisation within particular communities and societies.

Collaborative European research among archaeologists, archaeobotanists, ethnographers, historians and agronomists using a broad analytical scale of investigation seeks to establish new common ground for integrating different approaches. By means of interdisciplinary examples, this book showcases the relationship between people and plants across wide ranging and diverse spatial and temporal milieus, including crop diversity, the use of wild foodstuffs, social context, status and choices of food plants.

Grand Prix Cars May 05 2020 “ In compiling this brief history of Grand Prix racing, along with descriptions of the more successful cars, I have limited myself to the period since World War II as the present day Grand Prix cars are mostly derived from the development and design of the early post war years. Although many ideas were taking shape in the period of the mid-thirties — such as the use of De Dion rear axle layouts, independent front suspension systems and hydraulic brakes — the main interest lay in engine design under a free ruling on capacity. It was not until about 1950 that a renaissance began in chassis design for Grand Prix cars and from then on a great deal of knowledge was gained; enough in fact, to enable roadholding to become a very exact science rather than a hit-and-miss affair. This development in the chassis and the search for improved road holding and higher cornering power was accentuated by the beginning of the era of unsupercharged racing, when power outputs were severely curtailed and speed had to be found by other means ...” (1959 - Denis Jenkinson)

Brotherhood Of The Grape Sep 20 2021 Henry Molise, a fifty-year-old successful writer, returns to the family home to help with the latest drama; his elderly parents want to divorce. Henry's tyrannical, bricklaying father, Nick, despite being weakened by age and alcoholism, can still strike fear into the hearts of his sons. His mother, ill and devoutly Catholic, still has the power both to comfort and confuse her children. Nick has been offered some well-paid work to

build a smokehouse in the hills, and Henry, realising this might be the last chance they have to reconcile things, agrees to lend a hand. What he doesn't appreciate is how much this journey is going to change his view of his father. *The Brotherhood of the Grape* is vintage Fante, brimming with love, death, violence and religion. Writing with great passion, Fante powerfully describes the damage that family can wreak upon us all.

Memoirs of My Services in the World War, 1917-1918 Feb 23 2022 George C. Marshall was an American military leader, Chief of Staff of the Army, Secretary of State, and the third Secretary of Defense. Once noted as the "organizer of victory" by Winston Churchill for his leadership of the Allied victory in World War II, Marshall served as the United States Army Chief of Staff during the war and as the chief military adviser to President Franklin D. Roosevelt. As Secretary of State, his name was given to the Marshall Plan, for which he was awarded the Nobel Peace Prize in 1953. He drafted this manuscript while he was in Washington, D.C., between 1919 and 1924 as aide-de-camp to General of the Armies John J. Pershing. However, given the growing bitterness of the "memoirs wars" of the period he decided against publication, and the draft sat unused until the 1970s when Marshall's step-daughter and her husband decided to publish it.
