**A Thousand Years of Good Prayers** Feb 28 2023 Brilliant and original, A Thousand Years of Good Prayers introduces a remarkable new writer whose breathtaking stories are set in China and among

Chinese Americans in the United States. In this rich, astonishing collection, Yiyun Li illuminates how mythology, politics, history, and culture intersect with personality to create fate. From the bustling heart of Beijing, to a fast-food restaurant in Chicago, to the barren expanse of Inner Mongolia, *A Thousand Years of Good Prayers* reveals worlds both foreign and familiar, with heartbreaking honesty and in beautiful prose. "Immortality," winner of The Paris Review's Plimpton Prize for new writers, tells the story of a young man who bears a striking resemblance to a dictator and so finds a calling to immortality. In "The Princess of Nebraska," a man and a woman who were both in love with a young actor in China meet again in America and try to reconcile the lost love with their new lives. "After a Life" illuminates the vagaries of marriage, parenthood, and gender, unfolding the story of a couple who keep a daughter hidden from the world. And in "A Thousand Years of Good Prayers," in which a man visits America for the first time to see his recently divorced daughter, only to discover that all is not as it seems, Li boldly explores the effects of communism on language, faith, and an entire people, underlining transformation in its many meanings and incarnations. These and other daring stories form a mesmerizing tapestry of revelatory fiction by an unforgettable writer.

**Elli** Oct 24 2022 'Among the most moving documents I have read in years ... You will not forget it'  
Elie Wiesel From her small, sunny hometown between the beautiful Carpathian Mountains and the blue Danube River, Elli Friedmann was taken - at a time when most girls are growing up, having boyfriends and embarking upon the adventure of life - and thrown into the murderous hell of Hitler's Final Solution. When Elli emerged from Auschwitz and Dachau just over a year later, she was fourteen. She looked like a sixty year old. This account of horrifyingly brutal inhumanity - and dogged survival - is Elli's true story.

**The Third Thousand Years** Jul 21 2022 From the days of Father Abraham to the rise of King David

were ten turbulent centuries filled with pathos and drama. These were the times of many notable personalities from the Old Testament. This is the epoch of the famous patriarchs Abraham, Isaac and Jacob. Their exemplary lives, as they stood true and faithful in the midst of adversity, are especially poignant today. They were followed by the exciting and tumultuous life of Joseph, who rose to become prime minister of Egypt, and saved that nation from starvation and ruin through his prophetic gifts. From the desert and thundering slopes of Mount Sinai then came the amazing life of Moses, who rose out of his own fear to become one of the greatest prophets and leaders ever known, who used the power of the priesthood to unleash an astonishing flood of miracles that exceeded any other epoch until the ministry of Jesus Christ. He was soon followed by the great Ephraimite general, Joshua, who in his old age led the children of Israel forth in battle as they conquered the land of Palestine which had been promised to them by the Lord. However, Israel's rise to greatness was short-circuited by several hundred years of iniquity as they turned from the Lord and wallowed in sin. Fortunately, the Lord did not forsake them as he sent messages of light and hope to many prophets and judges such as Gideon, Deborah, Ruth and Samuel, whose lives still inspire us today. Eventually the children of Israel began to see glimpses of a new golden epoch of righteousness and prosperity through the influence of the prophet Samuel and the rise of King Saul and King David. All of these great names belong to the thrilling third thousand years of human history. The Third Thousand Years, like its predecessor, The First 2,000 Years, makes the Old Testament come alive with new understanding. Obscure and misunderstood passages of scripture can now be understood through the additional light of modern revelation. The text is carefully documented so that every important point is correlated with appropriate passages in the scriptures. Helpful maps, charts and illustrations are also included to enhance our understanding of this fascinating and dynamic epoch

of history. This eBook includes the original index, illustrations, footnotes, table of contents and page numbering from the printed format.

**A Thousand Splendid Suns** Mar 29 2023 A riveting and powerful story of an unforgiving time, an unlikely friendship and an indestructible love

**Pebble in the Sky** Aug 30 2020 One moment Joseph Schwartz is a happily retired tailor in Chicago, 1949. The next he's a helpless stranger on Earth during the heyday of the first Galactic Empire. Earth, as he soon learns, is a backwater, just a pebble in the sky, despised by all the other 200 million planets of the Empire because its people dare to claim it's the original home of man. And Earth is poor, with great areas of radioactivity ruining much of its soil--so poor that everyone is sentenced to death at the age of sixty. Joseph Schwartz is sixty-two. This is young Isaac Asimov's first novel, full of wonders and ideas, the book that launched the novels of the Galactic Empire, culminating in the Foundation series. This is Golden Age SF at its finest. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**For Two Thousand Years** Dec 14 2021 Available in English for the first time, Mihail Sebastian's classic 1934 novel delves into the mind of a Jewish student in Romania during the fraught years preceding World War II. This literary masterpiece revives the ideological debates of the interwar period through the journal of a Romanian Jewish student caught between anti-Semitism and Zionism. Although he endures persistent threats just to attend lectures, he feels disconnected from his Jewish peers and questions whether their activism will be worth the cost. Spending his days walking the streets and his nights drinking and conversing with revolutionaries, zealots, and libertines, he remains isolated, even from the women he loves. From Bucharest to Paris, he strives to make peace with himself in an increasingly hostile world. For Two Thousand Years echoes Mihail

Sebastian's struggles as the rise of fascism ended his career and turned his friends and colleagues against him. Born of the violence of relentless anti-Semitism, his searching, self-derisive work captures a defining moment in history and lights the way for generations to come—a prescient, heart-wrenching chronicle of resilience and despair, resistance and acceptance.

*Over a Thousand Hills I Walk with You* Sep 11 2021 Before one fateful April day, Jeanne lived the life of a typical Rwandan girl. She fought with her little sister, went to school, and teased her brother. Then, in one horrifying night, everything changed. Political troubles unleashed a torrent of violence upon the Tutsi ethnic group. Jeanne's family, all Tutsis, fled their home and tried desperately to reach safety. They—along with nearly 1 million others—did not survive. The only survivor of her family's massacre, Jeanne witnessed unspeakable acts. But through courage, wits, and sheer force of will, she survived. Based on a true story, this haunting novel by Jeanne's adoptive mother makes unforgettably real the events of the 1994 Rwandan genocide as one family experienced it. Jeanne's story is a tribute to the human spirit and its capacity to heal.

**I Have Lived a Thousand Years** Apr 30 2023 What is death all about? What is life all about? So wonders thirteen-year-old Elli Friedmann as she fights for her life in a Nazi concentration camp. A remarkable memoir, *I Have Lived a Thousand Years* is a story of cruelty and suffering, but at the same time a story of hope, faith, perseverance, and love. It wasn't long ago that Elli led a normal life that included family, friends, school, and thoughts about boys. A life in which Elli could lie and daydream for hours that she was a beautiful and elegant celebrated poet. But these adolescent daydreams quickly darken in March 1944, when the Nazis invade Hungary. First Elli can no longer attend school, have possessions, or talk to her neighbors. Then she and her family are forced to leave their house behind to move into a crowded ghetto, where privacy becomes a luxury of the past

and food becomes a scarcity. Her strong will and faith allow Elli to manage and adjust, but what she doesn't know is that this is only the beginning. The worst is yet to come...

**The Power** Jan 23 2020 All over the world, women are discovering they have the power. There's Roxy, a white British teenager and the daughter of a gangster. There's Allie, a mixed-race girl who runs away after years of abuse and finds herself at a convent, revered as a goddess. There's Margot, an American mayor and one of the few older women to develop the power. And then Tunde, a young Nigerian man and aspiring journalist who captures early footage of the power in action. With a flick of their fingers, these women can inflict terrible pain - even death. Every man on the planet finds he's lost control. The day of the girls has arrived - but where will it end?

**The Little Prince** Jul 29 2020 "When I fly among the stars and see the lights in the distance, I say to myself that this is my little Consuelo is calling me..." Antoine de Saint-Exupery wrote about love for his wife. A graceful Consuelo Suncin inspired an outstanding French writer, poet and pilot to create a beautiful rose in his famous all over the world book *The Little Prince*. The book that became a real bestseller of the twentieth century.

Daughter of a Thousand Years Jul 09 2021 Greenland, AD 1000 More than her fiery hair marks Freydís as the daughter of Erik the Red; her hot temper and fierce pride are as formidable as her Viking father's. And so, too, is her devotion to the great god Thor, which puts her at odds with those in power--including her own brother, the zealous Leif Eriksson. Determined to forge her own path, she defies her family's fury and clings to her dream of sailing away to live on her own terms, with or without the support of her husband. New Hampshire, 2016 Like her Icelandic ancestors, history professor Emma Moretti is a passionate defender of Norse mythology. But in a small town steeped in traditional values, her cultural beliefs could jeopardize both her academic career and her

congressman father's reelection. Torn between public expectation and personal identity, family and faith, she must choose which to honor and which to abandon. In a dramatic, sweeping dual narrative that spans a millennium, two women struggle against communities determined to silence them, but neither Freydis nor Emma intends to give up without a fight.

Heart of Europe Apr 25 2020 An Economist and Sunday Times Best Book of the Year “Deserves to be hailed as a magnum opus.” —Tom Holland, The Telegraph “Ambitious...seeks to rehabilitate the Holy Roman Empire’s reputation by re-examining its place within the larger sweep of European history...Succeeds splendidly in rescuing the empire from its critics.” —Wall Street Journal Massive, ancient, and powerful, the Holy Roman Empire formed the heart of Europe from its founding by Charlemagne to its destruction by Napoleon a millennium later. An engine for inventions and ideas, with no fixed capital and no common language or culture, it derived its legitimacy from the ideal of a unified Christian civilization—though this did not prevent emperors from clashing with the pope for supremacy. In this strikingly ambitious book, Peter H. Wilson explains how the Holy Roman Empire worked, why it was so important, and how it changed over the course of its existence. The result is a tour de force that raises countless questions about the nature of political and military power and the legacy of its offspring, from Nazi Germany to the European Union. “Engrossing...Wilson is to be congratulated on writing the only English-language work that deals with the empire from start to finish...A book that is relevant to our own times.” —Brendan Simms, The Times “The culmination of a lifetime of research and thought...an astonishing scholarly achievement.” —The Spectator “Remarkable...Wilson has set himself a staggering task, but it is one at which he succeeds heroically.” —Times Literary Supplement

The Fourth Thousand Years Mar 17 2022 There is no period when the distant roar of history can be

heard pounding on the pages of the past with greater fury than during the ten savage centuries known as The Fourth Thousand Years. This was the age of the first world empires, the days when Assyria, Babylon, Greece and Rome each displayed their passion for power. It was an age which demanded the resounding and inspired voices of many of God's greatest spokesmen. The turbulent chaos of these centuries brought forth many mighty prophets of God -- Elijah, Elisha, Isaiah, Jeremiah, Ezekiel, Jonah, Lehi, Nephi, Daniel, Zechariah, and many others. The lives and times of all these men are in these pages. This is the third and final volume of this series dealing with the Old Testament. The volumes which preceded it were entitled: The First 2,000 Years, which covered the period from Adam to Abraham, and The Third Thousand Years, which covered Bible history from Abraham to David. This present volume deals with the exciting scriptural epic which emerged between the time of David and the coming of Christ. For those who find the Old Testament arduous reading, these three books should prove especially inspirational and helpful. This eBook includes the original index, illustrations, footnotes, table of contents and page numbering from the printed format.

**I Have Lived a Thousand Years.: Growing Up in the Holocaust** Mar 25 2020

Two Thousand Years Oct 12 2021 For fans of Elise Kova, Sarah J. Maas, and Holly Black. hr Two thousand years ago, the Prophecy of Fire and Light foretold the coming of the Queen Empress who would lead the Empire into a time of peace and tranquility. But instead of the coming of a prosperous world, a forbidden love for the Empress waged a war that ravaged the land, creating a chasm between the factions, raising the death toll of innocent lives until the final, bloody battle. Centuries later, Alexandra, a twenty-two-year-old barista living in Boston, is taken to an unfamiliar realm of mystery and magic where her life is threatened by Reylor, its banished Lord Steward. She

crosses paths with Treyan, the arrogant and seductive Crown Prince of the Empire, and together they discover how their lives, and their love, are so intricately intertwined by a Prophecy set in motion so many years ago. Alex, now the predestined Queen Empress Alexstrayna, whose arrival was foretold by the Annals of the Empire, controls the fate of her new home as war rages between the Crown Prince and Lord Steward. Either choice could tear her world apart as she attempts to keep the Empire's torrid history from repeating itself. In a realm where betrayal and revenge will be as crucial to her survival as love and honor, Alex must discover whether it is her choice - or her fate - that determines how she survives the Empire's rising conflicts.

hr The Empire Saga is best enjoyed in this order: Two Thousand Years Mark of the Empress Beginning's End The Dark Queen The Dawn of Everything

Apr 06 2021 INSTANT NEW YORK TIMES BESTSELLER A dramatically new understanding of human history, challenging our most fundamental assumptions about social evolution—from the development of agriculture and cities to the origins of the state, democracy, and inequality—and revealing new possibilities for human emancipation. For generations, our remote ancestors have been cast as primitive and childlike—either free and equal innocents, or thuggish and warlike. Civilization, we are told, could be achieved only by sacrificing those original freedoms or, alternatively, by taming our baser instincts. David Graeber and David Wengrow show how such theories first emerged in the eighteenth century as a conservative reaction to powerful critiques of European society posed by Indigenous observers and intellectuals. Revisiting this encounter has startling implications for how we make sense of human history today, including the origins of farming, property, cities, democracy, slavery, and civilization itself. Drawing on pathbreaking research in archaeology and anthropology, the authors show how history becomes a far more interesting place once we learn to throw off our conceptual shackles and perceive what's really

there. If humans did not spend 95 percent of their evolutionary past in tiny bands of hunter-gatherers, what were they doing all that time? If agriculture, and cities, did not mean a plunge into hierarchy and domination, then what kinds of social and economic organization did they lead to? The answers are often unexpected, and suggest that the course of human history may be less set in stone, and more full of playful, hopeful possibilities, than we tend to assume. The Dawn of Everything fundamentally transforms our understanding of the human past and offers a path toward imagining new forms of freedom, new ways of organizing society. This is a monumental book of formidable intellectual range, animated by curiosity, moral vision, and a faith in the power of direct action. Includes Black-and-White Illustrations

*Marihuana* Dec 26 2022 Of all the plants men have ever grown, none has been praised and denounced as often as marihuana (*Cannabis sativa*). Throughout the ages, marihuana has been extolled as one of man's greatest benefactors and cursed as one of his greatest scourges. Marihuana is undoubtedly a herb that has been many things to many people. Armies and navies have used it to make war, men and women to make love. Hunters and fishermen have snared the most ferocious creatures, from the tiger to the shark, in its herculean weave. Fashion designers have dressed the most elegant women in its supple knit. Hangmen have snapped the necks of thieves and murderers with its fiber. Obstetricians have eased the pain of childbirth with its leaves. Farmers have crushed its seeds and used the oil within to light their lamps. Mourners have thrown its seeds into blazing fires and have had their sorrow transformed into blissful ecstasy by the fumes that filled the air. Marihuana has been known by many names: hemp, hashish, dagga, bhang, loco weed, grass-the list is endless. Formally christened *Cannabis sativa* in 1753 by Carl Linnaeus, marihuana is one of nature's hardiest specimens. It needs little care to thrive. One need not talk to it, sing to it, or play

soothing tranquil Brahms lullabies to coax it to grow. It is as vigorous as a weed. It is ubiquitous. It flourishes under nearly every possible climatic condition.

**A History of Christianity** Aug 10 2021 Christianity, one of the world's great religions, has had an incalculable impact on human history. This book, now the most comprehensive and up to date single volume work in English, describes not only the main ideas and personalities of Christian history, its organisation and spirituality, but how it has changed politics, sex, and human society. Diarmaid MacCulloch ranges from Palestine in the first century to India in the third, from Damascus to China in the seventh century and from San Francisco to Korea in the twentieth. He is one of the most widely travelled of Christian historians and conveys a sense of place as arrestingly as he does the power of ideas. He presents the development of Christian history differently from any of his predecessors. He shows how, after a semblance of unity in its earliest centuries, the Christian church divided during the next 1400 years into three increasingly distanced parts, of which the western Church was by no means always the most important: he observes that at the end of the first eight centuries of Christian history, Baghdad might have seemed a more likely capital for worldwide Christianity than Rome. This is the first truly global history of Christianity.

*The Secrets of Happiness* Dec 22 2019 Unhappy is the story of happiness. More than two thousand years ago, when the ancient Greeks first pondered what constitutes "the good life," happiness was considered a civic virtue that demanded a lifetime's cultivation. Not just mere enjoyment of pleasure and mere avoidance of suffering, true happiness was an achievement, not a birthright. Now, in an age of instant gratification and infinite distraction, history professor Richard Schoch takes a refreshingly contemplative look at a question that's as vital today as ever: What does it mean to be happy? Schoch consults some of history's greatest thinkers -- from Aristotle to Thomas Aquinas to

Buddha -- in his quest to understand happiness in all its hard-won forms. Packed with three thousand years' worth of insights, many long forgotten, *The Secrets of Happiness* is a breath of ancient wisdom for anyone who yearns for the good life.

**The Triumph of Seeds** Jun 27 2020 "The genius of Hanson's fascinating, inspiring, and entertaining book stems from the fact that it is not about how all kinds of things grow from seeds; it is about the seeds themselves." --Mark Kurlansky, *New York Times Book Review* We live in a world of seeds. From our morning toast to the cotton in our clothes, they are quite literally the stuff and staff of life: supporting diets, economies, and civilizations around the globe. Just as the search for nutmeg and pepper drove the Age of Discovery, coffee beans fueled the Enlightenment and cottonseed sparked the Industrial Revolution. Seeds are fundamental objects of beauty, evolutionary wonders, and simple fascinations. Yet, despite their importance, seeds are often seen as commonplace, their extraordinary natural and human histories overlooked. Thanks to this stunning new book, they can be overlooked no more. This is a book of knowledge, adventure, and wonder, spun by an award-winning writer with both the charm of a fireside story-teller and the hard-won expertise of a field biologist. A fascinating scientific adventure, it is essential reading for anyone who loves to see a plant grow.

**The First Thousand Years** Apr 18 2022 Describes the first 1,000 years of Christian history, from the early practices and beliefs through the conversion of Constantine as well as documenting its growth to communities in Ethiopia, Armenia, Central Asia, India and China.

**Been Here a Thousand Years** Jan 15 2022 In a tiny, ancient Italian hill town, where the land gives little and money and food are scarce, Don Francesco Falcone is a man to be reckoned with: rich, powerful, restless, intransigent. When he meets another force of nature, Concetta, a penniless but

fiercely indestructible farmworker, the stage is set for the creation of an exceptional family: generations of strong, complicated boys and, especially, girls. The battles between them are many as they live through historical upheaval and private passions. Their stories are told by Gioia, the last of the line, a woman of our times who fights tirelessly against convention. She is the product of a family of memorable women who know how to survive, and also how to make something fantastical and rich out of their lives: with their hands they create delicate and complex embroideries, while their minds embroider endless, elaborate stories. In this sweeping, unforgettable novel, Mariolina Venezia portrays five generations of the Falcone family. Through their complicated, funny, tragic, and astonishing stories, Venezia also recounts a century and a half of Italy's tumultuous history. *Been Here a Thousand Years* is a testament to the Falcone family, and also to the vibrant, irrational, irresistible country that produced it.

**A Thousand Years Over a Hot Stove** Mar 05 2021 Filled with classic recipes and inspirational stories, this stunningly illustrated book celebrates the power of food throughout American history and in women's lives.

Hello, America Feb 16 2022 The year is 1951 and eighteen-year-old Elli and her mother arrive in New York City. Finally they can leave behind bitter Holocaust memories and become real Americans! From office filing all day, to the challenge of night school, to interpreting the intentions of Alex, a handsome and persistent doctor, Elli soon finds learning English is only half as hard as "making it" in this new world. Against a backdrop of soda shops, skyscrapers, and subways, acclaimed author Livia Bitton-Jackson fuses old-world tradition and modern dreams, in this vivid kaleidoscope of immigrant America.

One Thousand Years of Manga Aug 22 2022 This definitive illustrated history of manga is an

unparalleled account of the development of a form which is an integral part of Japanese art and culture and now hugely popular throughout the world. As contemporary as this graphic art form may appear to readers outside of Japan, manga has deep roots in Japanese culture, drawing on centuries-old artistic traditions. Traces can be found in seventh-century temple paintings, folding screens decorated with comic characters, and painted medieval emakimono scrolls. The more familiar manga comics of today echo similar themes, both light-hearted and serious, and draw on narrative forms present in both sagas and skits from Japan's rich cultural heritage. This volume spans the history of manga in all its splendor and diversity. Among the many highlights included are Hokusai's seminal Hokusai Manga of 1814, the advent of the gekiga style in the 1950s, the landmark Astro Boy by Tezuka Osamu, Lady Oscar, Riyoko Ikeda's shjojo manga aimed at young girls, samurai sagas, alternative productions by the review Garo, the demons that populate the works of Mizuki Shigeru, and the latest creations from Jiro Taniguchi. Each period is covered in detail by author Brigitte Koyama-Richard and illustrated with drawings and prints. One Thousand Years of Manga is both an informative account of the genesis of the form and a visual delight. Featuring more than four hundred illustrations and captivating texts, the book situates manga in its proper context, appreciating it for what it truly is: an integral part of Japanese art and culture that is as rich and revealing as it is popular.

**Four Thousand Years Ago** Nov 01 2020

**Ten Thousand Years of Inequality** May 19 2022 "Field-defining research that will set the standard for understanding inequality in archaeological contexts"--Provided by publisher.

**Two Thousand Years of Jewish Life in Morocco** May 27 2020 The origins of the Jewish community of Morocco are buried in history, but they date back to ancient times, and perhaps to the

biblical period. The first Jews in the country migrated there from Israel. Over the centuries, their numbers were increased by converts and then by Jews expelled from Spain and Portugal. After the Muslim conquest, Morocco's Jews, as "people of the book," had dhimmi status, which entailed many restrictions but allowed them to exercise their religion freely. In the mellahs (Jewish quarters) of Morocco's cities and towns, and in the mountainous rural areas, a distinct Jewish culture developed and thrived, unquestionably traditional and Orthodox, yet unique because of the many areas in which it assimilated elements of the local culture and lifestyle, making them its own as it did so. Most of Morocco's Jews settled in Israel after 1948, and many others went to other countries. Wherever they went, their rich cultural heritage went with them, as exemplified by the Maimuna festival, just after Passover, which is now a major occasion on the Israeli calendar.

*The Thousand Autumns of Jacob de Zoet* Feb 04 2021 By the New York Times bestselling author of *The Bone Clocks* and *Cloud Atlas* | Longlisted for the Man Booker Prize In 2007, Time magazine named him one of the most influential novelists in the world. He has twice been short-listed for the Man Booker Prize. The New York Times Book Review called him simply "a genius." Now David Mitchell lends fresh credence to The Guardian's claim that "each of his books seems entirely different from that which preceded it." *The Thousand Autumns of Jacob de Zoet* is a stunning departure for this brilliant, restless, and wildly ambitious author, a giant leap forward by even his own high standards. A bold and epic novel of a rarely visited point in history, it is a work as exquisitely rendered as it is irresistibly readable. The year is 1799, the place Dejima in Nagasaki Harbor, the "high-walled, fan-shaped artificial island" that is the Japanese Empire's single port and sole window onto the world, designed to keep the West at bay; the farthest outpost of the war-ravaged Dutch East Indies Company; and a de facto prison for the dozen foreigners permitted to live

and work there. To this place of devious merchants, deceitful interpreters, costly courtesans, earthquakes, and typhoons comes Jacob de Zoet, a devout and resourceful young clerk who has five years in the East to earn a fortune of sufficient size to win the hand of his wealthy fiancée back in Holland. But Jacob's original intentions are eclipsed after a chance encounter with Orito Aibagawa, the disfigured daughter of a samurai doctor and midwife to the city's powerful magistrate. The borders between propriety, profit, and pleasure blur until Jacob finds his vision clouded, one rash promise made and then fatefully broken. The consequences will extend beyond Jacob's worst imaginings. As one cynical colleague asks, "Who ain't a gambler in the glorious Orient, with his very life?" A magnificent mix of luminous writing, prodigious research, and heedless imagination, *The Thousand Autumns of Jacob de Zoet* is the most impressive achievement of its eminent author.

Praise for *The Thousand Autumns of Jacob de Zoet* "A page-turner . . . [David] Mitchell's masterpiece; and also, I am convinced, a masterpiece of our time."—Richard Eder, *The Boston Globe*

"An achingly romantic story of forbidden love . . . Mitchell's incredible prose is on stunning display. . . A novel of ideas, of longing, of good and evil and those who fall somewhere in between [that] confirms Mitchell as one of the more fascinating and fearless writers alive."—Dave Eggers, *The New York Times Book Review*

"The novelist who's been showing us the future of fiction has published a classic, old-fashioned tale . . . an epic of sacrificial love, clashing civilizations and enemies who won't rest until whole family lines have been snuffed out."—Ron Charles, *The Washington Post*

"By any standards, *The Thousand Autumns of Jacob de Zoet* is a formidable marvel."—James Wood, *The New Yorker*

"A beautiful novel, full of life and authenticity, atmosphere and characters that breathe."—Maureen Corrigan, *NPR Look for special features inside. Join the Random House Reader's Circle for author chats and more.*

**1000 Years of Joys and Sorrows** Nov 25 2022 The “intimate and expansive” (Time) memoir of “one of the most important artists working in the world today” (Financial Times), telling a remarkable history of China over the last hundred years while also illuminating his artistic process “Poignant . . . An illuminating through-line emerges in the many parallels Ai traces between his life and his father’s.”—The New York Times Book Review (Editors’ Choice) ONE OF THE BEST BOOKS OF THE YEAR: Time, BookPage, Booklist, Kirkus Reviews Once a close associate of Mao Zedong and the nation’s most celebrated poet, Ai Weiwei’s father, Ai Qing, was branded a rightist during the Cultural Revolution, and he and his family were banished to a desolate place known as “Little Siberia,” where Ai Qing was sentenced to hard labor cleaning public toilets. Ai Weiwei recounts his childhood in exile, and his difficult decision to leave his family to study art in America, where he befriended Allen Ginsberg and was inspired by Andy Warhol and the artworks of Marcel Duchamp. With candor and wit, he details his return to China and his rise from artistic unknown to art world superstar and international human rights activist—and how his work has been shaped by living under a totalitarian regime. Ai Weiwei’s sculptures and installations have been viewed by millions around the globe, and his architectural achievements include helping to design the iconic Bird’s Nest Olympic Stadium in Beijing. His political activism has long made him a target of the Chinese authorities, which culminated in months of secret detention without charge in 2011. Here, for the first time, Ai Weiwei explores the origins of his exceptional creativity and passionate political beliefs through his life story and that of his father, whose creativity was stifled. At once ambitious and intimate, Ai Weiwei’s 1000 Years of Joys and Sorrows offers a deep understanding of the myriad forces that have shaped modern China, and serves as a timely reminder of the urgent need to protect freedom of expression.

Ten Thousand Years of Cultivation at Kuk Swamp in the Highlands of Papua New Guinea Nov 13 2021 Kuk is a settlement at c. 1600 m altitude in the upper Wahgi Valley of the Western Highlands Province of Papua New Guinea, near Mount Hagen, the provincial capital. The site forms part of the highland spine that runs for more than 2500 km from the western head of the island of New Guinea to the end of its eastern tail. Until the early 1930s, when the region was first explored by European outsiders, it was thought to be a single, uninhabited mountain chain. Instead, it was found to be a complex area of valleys and basins inhabited by large populations of people and pigs, supported by the intensive cultivation of the tropical American sweet potato on the slopes above swampy valley bottoms. With the end of World War II, the area, with others, became a focus for the development of coffee and tea plantations, of which the establishment of Kuk Research Station was a result. Large-scale drainage of the swamps produced abundant evidence in the form of stone axes and preserved wooden digging sticks and spades for their past use in cultivation. Investigations in 1966 at a tea plantation in the upper Wahgi Valley by a small team from The Australian National University yielded a date of over 2000 years ago for a wooden stick collected from the bottom of a prehistoric ditch. The establishment of Kuk Research Station a few kilometres away shortly afterwards provided an ideal opportunity for a research project.

My Bridges of Hope Jun 20 2022 After liberation from Auschwitz, fourteen-year-old Elli, her brother, and their mother attempt to rebuild their lives in Czechoslovakia. But it doesn't take long for Elli to realize that even though the war is over, anti-Semitism is not, so she and her family decide to escape to America along with thousands of other Jews. Little do they know what agonies and adventures await them still. Elli's memoir of her experiences after Auschwitz will captivate readers as they follow her through heartache, frustration, adventure, excitement, love, and ultimately, triumph.

**How to Grow Old** May 07 2021 Timeless wisdom on growing old gracefully from one of ancient Rome's greatest philosophers Worried that old age will inevitably mean losing your libido, your health, and possibly your marbles too? Well, Cicero has some good news for you. In *How to Grow Old*, the great Roman orator and statesman eloquently describes how you can make the second half of life the best part of all—and why you might discover that reading and gardening are actually far more pleasurable than sex ever was. Filled with timeless wisdom and practical guidance, Cicero's brief, charming classic—written in 44 BC and originally titled *On Old Age*—has delighted and inspired readers, from Saint Augustine to Thomas Jefferson, for more than two thousand years. Presented here in a lively new translation with an informative new introduction and the original Latin on facing pages, the book directly addresses the greatest fears of growing older and persuasively argues why these worries are greatly exaggerated—or altogether mistaken. Montaigne said Cicero's book "gives one an appetite for growing old." The American founding father John Adams read it repeatedly in his later years. And today its lessons are more relevant than ever in a world obsessed with the futile pursuit of youth.

Moby Dick Sep 30 2020 *Moby Dick* is novel authored by the American Writer Herman Melville (1st August 1819 28th September 1891). He was not only a novelist but a poet as well. *Moby Dick* is best known work. The story illustrates about the whale world. The detailed and realistic narrations of whale hunting and of extracting whale oil. The story begins with a voyage and the captain, Ahab, of the ship is obsessive by nature. Ahab is still recovering from an encounter with a big whale, *Moby Dick*. Due to his obsession, he plans to kill the *Moby Dick*. So on their journey lots of obstacle and hurdles come. Even Ahab receives a prophecy related to his death, but he ignores. The whole story is in the ship and the voyage. How come it all happens? Whether Ahab's obsession got fulfilled? What

happened to their ship who was pollard ? All these query seems interesting as relate to the whole story. pollard tells the full story to fellow Captains after his rescue from the Essex ordeal and to George Bevnet. The voyage is & 92 days in a leaking boat with no food. The Voyage is actually a whaling voyage. The 87-foot long ship is hit by a squall that destroys some part of the ship. The whale smashes head on into the ship. The whale passes underneath the ship begins thrashing of water. The water rushes into the ship. The story ends in an interesting manner. Most adventures story.

*Work* Feb 22 2020 Tracing the complexity and contradictory nature of work throughout history Say the word “work,” and most people think of some form of gainful employment. Yet this limited definition has never corresponded to the historical experience of most people—whether in colonies, developing countries, or the industrialized world. That gap between common assumptions and reality grows even more pronounced in the case of women and other groups excluded from the labour market. In this important intervention, Andrea Komlosy demonstrates that popular understandings of work have varied radically in different ages and countries. Looking at labour history around the globe from the thirteenth to the twenty-first centuries, Komlosy sheds light on both discursive concepts as well as the concrete coexistence of multiple forms of labour—paid and unpaid, free and unfree. From the economic structures and ideological mystifications surrounding work in the Middle Ages, all the way to European colonialism and the industrial revolution, Komlosy’s narrative adopts a distinctly global and feminist approach, revealing the hidden forms of unpaid and hyper-exploited labour which often go ignored, yet are key to the functioning of the capitalist world-system. *Work: The Last 1,000 Years* will open readers’ eyes to an issue much thornier and more complex than most people imagine, one which will be around as long as basic

human needs and desires exist.

**A Million Miles in a Thousand Years** Jun 08 2021 Full of beautiful, heart-wrenching, and hilarious stories, *A Million Miles in a Thousand Years* details one man's opportunity to edit his life into a better story. Years after writing a best-selling memoir, Donald Miller went into a funk and spent months sleeping in and avoiding his publisher. One story had ended, and Don was unsure how to start another. But he gets rescued by two movie producers who want to make a movie based on his memoir. When they start fictionalizing Don's life for film-changing a meandering memoir into a structured narrative-the real-life Don starts a journey to edit his actual life into a better story. *A Million Miles in a Thousand Years* details that journey and challenges readers to reconsider what they strive for in life. It shows how to get a second chance at life the first time around.

Sicily Jan 03 2021 Tourists, armchair travelers, and historians will all delight in this fluid narrative that can be read straight through, dipped into over time, or used as a reference guide to each period in Sicily's fascinating tale. Emigration of people from Sicily often overshadows the importance of the people who immigrated to the island through the centuries. These have included several who became Sicily's rulers, along with Jews, Ligurians, and Albanians. Greeks, Romans, Vandals, Goths, Byzantines, Muslims, Normans, Hohenstaufens, Spaniards, Bourbons, the Savoy Kingdom of Italy and the modern era have all held sway, and left lasting influences on the island's culture and architecture. Sicily's character has also been determined by what passed it by: events that affected Europe generally, namely the Crusades and Columbus's discovery of the Americas, remarkably had little influence on Italy's most famous island. Maps, biographical notes, suggestions for further reading, a glossary, pronunciation keys, and much more make this unique book as essential as it is enjoyable. From the Trade Paperback edition.

**One Hundred Years of Solitude** Dec 02 2020 One of the twentieth century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. Rich and brilliant, it is a chronicle of life, death, and the tragicomedy of humankind. In the beautiful, ridiculous, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility, the variety of life, the endlessness of death, the search for peace and truth—these universal themes dominate the novel. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an account of the history of the human race.

**A Million Miles in a Thousand Years** Jan 27 2023 After writing a successful memoir, Donald Miller's life stalled. During what should have been the height of his success, he found himself unwilling to get out of bed, avoiding responsibility, even questioning the meaning of life. But when two movie producers proposed turning his memoir into a movie, he found himself launched into a new story filled with risk, possibility, beauty, and meaning. *A Million Miles in a Thousand Years* chronicles Miller's rare opportunity to edit his life into a great story, to reinvent himself so nobody shrugs their shoulders when the credits roll. Through heart-wrenching honesty and hilarious self-inspection, Donald Miller takes readers through the life that emerges when it turns from boring reality into meaningful narrative. Miller goes from sleeping all day to riding his bike across America, from living in romantic daydreams to fearful encounters with love, from wasting his money to

founding a nonprofit with a passionate cause. Guided by a host of outlandish but very real characters, Miller shows us how to get a second chance at life the first time around. *A Million Miles in a Thousand Years* is a rare celebration of the beauty of life.

[The 1000 Year Old Boy](#) Sep 23 2022 A heartstopping, poignant, epic adventure story about a boy destined to live forever, who only wants to grow up. Without death, life is just existence. Have you ever wondered what it would be like to live forever? Well, Alfie Monk can tell you. He may seem like an ordinary eleven-year-old boy, but he's actually more than a thousand years old--and remembers the last Viking invasion of England, not to mention the French Revolution and both World Wars. Way back in the tenth century, he and his mother were given the alchemical secret to eternal life. But when everything Alfie knows is destroyed in a fire, and the modern world intrudes, he must embark on a mission--along with friends Aidan and Roxy--to find a way to reverse the process and grow up like a regular boy. This astonishing new novel from the author of *Time Traveling with a Hamster*, told in alternating perspectives by Alfie and Aidan, is a tour de force--a sweeping epic that takes you on an unforgettable, breathtaking adventure and asks big questions about the meaning of life.
