Giordano Bruno and the Kabbalah Jan 01 2021 Giordano Bruno (1548?1600), a defrocked Dominican monk, was convicted of heresy by the Roman Catholic Inquisition and burned at the stake in Rome. He had spent fifteen years wandering throughout Europe on the run from Counter-Reformation intelligence and eight years in prison under interrogation. The author of more than sixty works on mathematics, science, ethics, philosophy, metaphysics, the art of memory and esoteric mysticism, Bruno had a profound impact on Western thought. Until now his involvement with Jewish mysticism has never been fully explored. Karen Silvia de Leçn-Jones presents an engaging and illuminating discussion of his mystical understanding and use of Jewish and Christian Kabbalah, theology, and philosophy, including the famous Hermetica, and especially his exploration and use of magic to reveal the mysteries of the universe and the divine.

The Jews in Sicily, Volume 7 (1478-1489) Sep 21 2022 This volume in the series "Documentary History of the Jews in Italy" illustrates the history of the Jews in Sicily from 1478 to 1489. It is the sequel to the first six volumes and covers the events during the first years of the rule of King Ferdinand II. These include the prelude to the expulsion, which witnessed a further deterioration in the position of the Jews on the island. At the same time, the Jewish community on the island reached the points of its greatest expansion in population as well as economic prosperity. Some 900 documents--many of them published here for the first time--record the fortunes of the Jews and their relationship with the authorities and their Christian neighbours. Much new information has come to light, and many facets of Jewish life in Sicily have been uncovered. The abundance of historical records in the archives of the Crown and of local authorities again compares favourably with the

relative scarcity of surviving documentation in earlier centuries. Therefore, many documents had to be reported in summary form. The volume is provided with additional bibliography and indexes, while the introduction will appear at the end of the series on the history of the Jews of the island.
