T Dot Griots Oct 14 2021 Birthed at the popular open-mic series, La Parole, T-Dot Griots is an intimate journey through previously undocumented Canadian experiences, reporting from Toronto's black communities in fiction, poetry, articles, plays and songs. The book features contributions by over forty writers of African descent, either raised in or residing in Toronto. The griot is a West African storyteller, traditionally responsible for presiding over all of the important milestones in the life a community. T Dot Griots is a window into the communities occupied by black Canadian artists depicting their experiences living in the African diaspora. The griot carried the important function of preserving the community's history and culture through songs and recitations. Now transported across the Atlantic Ocean, non-traditional methods of expression emerge to document the existence of a little known group of people: the black community of Toronto. Toronto is widely acknowledged as the world's most culturally diverse city. T Dot Griots was produced to portray the rich cultural diversity existing within its African communities. The anthology brings together spoken word poets and PhD's, hip hop artists and playwrights, students and professionals. The book voices issues of racial inequality and immigrant experiences. It illustrates numerous spiritual vantage points and political commentaries. Most of all it is an unapologetically accurate representation of an ever growing canon of writers making Toronto their home, who wish to acknowledge the many facets of African-Canadian identity. Immerse yourself in the words, work and life of East, West and Southern Africans. Plunge into the hybridized dialect of Caribbean natives and descendents. Wade through generations of celebrated cast of Toronto's outspoken voices. Listen to the T Dot Griot tell the tale of the ages in a proudly Canadian style.

Pulitzer Prize-Winning International Reporting from the Wall Street Journal by Karen Elliott House Feb 15 2022

Some Did it for Civilisation, Some Did it for Their Country Jan 05 2021 This book marks a total departure from previous studies of the Boxer War. It evaluates the way the war was perceived and portrayed at the time by the mass media. As such the book offers insights to a wider audience than that of sinologists or Chinese historians. The important distinction made by the author is between image makers and eyewitnesses. Whole categories of powerful image makers, both Chinese and foreign, never saw anything of the Boxer War but were responsible for disseminating images of that war to millions of people in China and throughout the world.

Addie leaves her Greyborne Harbor bookstore, *Beyond the Page Books and Curios*, in the capable hands of her assistant while she travels to the neighboring town of Pen Hollow to attend a book sale at a library that is closing due to lack of funding. But the real find is a bookmobile bus, which she's excited to refit as a traveling bookstore to hit all the summer festivals. The bookmobile also holds a surprising treasure: several classic first editions and an early edition of Robert Louis Stevenson's *A Child's Garden of Verses*. But before the bookmobile can be delivered to Addie, a fatal car crash occurs. When an autopsy reveals poison in the victim's system and the first editions go missing, it's up to Addie to determine what would drive someone to murder. If she's not careful,

however, she may be the next one to be dead on arrival . . . “Plenty of specialized knowledge, local color, and romance.”— Kirkus

Through anecdotes, observation, analysis, and extensive interviews, she navigates the maze in which Saudi citizens find themselves trapped and reveals the sometimes contradictory nature of the nation that is simultaneously a final bulwark against revolution in the Middle East and a wellspring of Islamic terrorists. Saudi Arabia finds itself threatened by fissures and forces on all sides, and *On Saudi Arabia* explores in depth what this portends for the country’s future—and our own.

Places and Names May 28 2020 One of NPR's Best Books of 2019 “Lyrical . . . A thoughtful perspective on America’s role overseas.” —Washington Post From a decorated Marine war veteran and National Book Award finalist, an astonishing reckoning with the nature of combat and the human cost of the wars in Iraq, Afghanistan, and Syria. “War hath determined us.” —John Milton, *Paradise Lost* Toward the beginning of *Places and Names*, Elliot Ackerman sits in a refugee camp in southern Turkey, across the table from a man named Abu Hassar, who fought for al-Qaeda in Iraq and whose connections to the Islamic State are murky. At first, Ackerman pretends to have been a journalist during the Iraq War, but after establishing a rapport with Abu Hassar, he takes a risk by revealing to him that in fact he was a Marine special

operation officer. Ackerman then draws the shape of the Euphrates River on a large piece of paper, and his one-time adversary quickly joins him in the game of filling in the map with the names and dates of places where they saw fighting during the war. They had shadowed each other for some time, it turned out, a realization that brought them to a strange kind of intimacy. The rest of Elliot Ackerman's extraordinary memoir is in a way an answer to the question of why he came to that refugee camp, and what he hoped to find there. By moving back and forth between his recent experiences on the ground as a journalist in Syria and its environs and his deeper past in Iraq and Afghanistan, he creates a work of remarkable atmospheric pressurization. Ackerman shares vivid and powerful stories of his own experiences in combat, culminating in the events of the Second Battle of Fallujah, the most intense urban combat for the Marines since Hue in Vietnam, where Ackerman's actions leading a rifle platoon saw him awarded the Silver Star. He weaves these stories into the latticework of a masterful larger reckoning with contemporary geopolitics through his vantage as a journalist in Istanbul and with the human extremes of both bravery and horror. At once an intensely personal story about the terrible lure of combat and a brilliant meditation on the larger meaning of the past two decades of strife for America, the region, and the world, *Places and Names* bids fair to take its place among our greatest books about modern war.

A Good American Family Jun 09 2021 Pulitzer Prize–winning author and “one of our most talented biographers and historians” (The New York Times) David Maraniss delivers a “thoughtful, poignant, and historically valuable story of the Red Scare of the 1950s” (The Wall Street Journal) through the chilling yet affirming story of his family’s ordeal, from blacklisting to vindication. Elliott Maraniss, David’s father, a WWII veteran who had commanded an all-black company in the Pacific, was spied on by the FBI, named as a communist by an informant, called before the House Un-American Activities Committee in 1952, fired from his newspaper job, and blacklisted for five years. Yet he never lost faith in America and emerged on the other side with his family and optimism intact. In a sweeping drama that moves from the Depression and Spanish Civil War to the HUAC hearings and end of the McCarthy era, Maraniss weaves his father’s story through the lives of his inquisitors and defenders as they struggle with the vital 20th-century issues of race, fascism, communism, and first amendment freedoms. “Remarkably balanced, forthright, and unwavering in its search for the truth” (The New York Times), *A Good American Family* evokes the political dysfunctions of the 1950s while underscoring what it really means to be an American. It is “clear-eyed and empathetic” (Publishers Weekly, starred review) tribute from a brilliant writer to his father and the family he protected in dangerous times.

The Man in the Monster Dec 24 2019 An astonishing portrait of a murderer and his complex relationship with a crusading journalist Michael Ross was a serial killer who raped and murdered eight young women between 1981 and 1984. In 2005, the state of Connecticut put him to death by lethal injection. His crimes were horrific, and he paid the ultimate price for them. When journalist Martha Elliott first heard of Ross, she learned what the world knew of him—that he had been a master at hiding in plain sight. Elliott, a staunch critic of the death penalty, was drawn to the case when the Connecticut Supreme Court overturned Ross’s six death sentences. Rather than fight for his life, Ross requested that he be executed because he didn’t want the families of his victims to suffer through a new trial. Elliott was intrigued and sought an interview. The two began a weekly conversation—and developed an odd form of friendship—that lasted over a decade, until Ross’s last moments of life. Over the course of his twenty years in prison, Ross had come to embrace faith for the first time in his life. He had also undergone extensive medical treatment. The Michael Ross whom Elliott knew seemed to be a different man from the monster who was capable of such heinous crimes. This Michael Ross made it his mission to share his story with Elliott in the hopes that it would save lives. He was her partner in unlocking the mystery of his own evil. In *The Man in the Monster*, Martha Elliott gives us a groundbreaking look into the life and motivation of a serial killer. Drawing on a decade of conversations and letters between Ross and the author, readers are given an in-depth view of a killer’s innermost thoughts and secrets, revealing the human face of a monster—without ignoring the horrors of his crimes. Elliott takes us deep into a world of court hearings, tomblike prisons, lawyers hell-bent to kill or to save—and families ravaged by love and hate. This is the personal story of a

journalist who came to know herself in ways she could never have imagined when she opened the notebook for that first interview. Praise for *The Man in the Monster*:

“Sturdily written and well researched . . . The book will appeal to those curious about why killers kill, and those who can stomach what they learn.” —The Boston Globe “A fascinating, in-depth analysis for true-crime buffs, sociologists, and others grappling with nearly impossible-to-comprehend actions and their consequences.” —Booklist

Invisible Child Oct 02 2020 Based on nearly a decade of reporting, *Invisible Child* follows eight dramatic years in the life of Dasani Coates, a child with an imagination as soaring as the skyscrapers near her Brooklyn homeless shelter. Born at the turn of a new century, Dasani is named for the bottled water that comes to symbolise Brooklyn's gentrification and the shared aspirations of a divided city. As Dasani moves with her family from shelter to shelter, this story traces the passage of Dasani's ancestors from slavery to the Great Migration north. Dasani comes of age as New York City's homeless crisis is exploding. In the shadows of this new Gilded Age, Dasani leads her seven siblings through a thicket of problems- hunger, parental drug addiction, violence, housing instability, segregated schools and the constant monitoring of the child-protection system. When, at age thirteen, Dasani enrolls at a boarding school in Pennsylvania, her loyalties are tested like never before. Ultimately, she faces an impossible question- What if leaving poverty means abandoning the family you love? By turns heartbreaking and revelatory, provocative and inspiring, *Invisible Child* tells an astonishing story about the power of resilience, the importance of family and the cost of inequality.

Suspect Red Jan 23 2020 It's 1953, and the United States has just executed an American couple convicted of spying for the Soviet Union. Everyone is on edge as the Cold War standoff between communism and democracy leads to the rise of Senator Joe McCarthy and his zealous hunt for people he calls subversives or communist sympathizers. Suspicion, loyalty oaths, blacklists, political profiling, hostility to foreigners, and the assumption of guilt by association divide the nation. Richard and his family believe deeply in American values and love of country, especially since Richard's father works for the FBI. Yet when a family from Czechoslovakia moves in down the street with a son Richard's age named Vlad, their bold ideas about art and politics bring everything into question. Richard is quickly drawn to Vlad's confidence, musical sensibilities, and passion for literature, which Richard shares. But as the nation's paranoia spirals out of control, Richard longs to prove himself a patriot, and blurred lines between friend and foe could lead to a betrayal that destroys lives. Punctuated with photos, news headlines, ads, and quotes from the era, this suspenseful and relatable novel by award-winning New York Times best-selling author L.M. Elliott breathes new life into a troubling chapter of our history.

Lucifer's Child Aug 12 2021 On a chilly, gray autumn afternoon in 1984, a patrolman was dispatched to an inner-city tenement in Auburn, Maine to investigate the report of a possible fire. What he found inside the building's smoke-filled, second-story apartment was not a fire but something far more horrifying -- the charred body of a 4-year-old girl, Angela Palmer, who had been stuffed into the oven of a kitchen stove and cooked to death. The discovery traumatized the community and shocked the country. The ensuing murder prosecution of the youngster's mother, Cynthia Palmer, and her boyfriend, John Lane, cast a searching light into the shadows of a secret world in which children and women suffer violence and sexual predation at the hands of those who are supposed to love and protect them.

White Coat, Black Hat Dec 04 2020 By New Yorker and Atlantic writer Carl Elliott, a

Physician and medical ethicist Carl Elliott tracks the new world of commercialized medicine from start to finish, introducing the professional guinea pigs, ghostwriters, thought leaders, drug reps, public relations pros, and even medical ethicists who use medicine for (sometimes huge) financial gain. Along the way, he uncovers the cost to patients lost in a health-care universe centered around consumerism.

Torment Saint Jan 17 2022 Elliott Smith was one of the most gifted songwriters of the nineties, adored by worshipful fans for his subtly melancholic words and melodies. The

sadness had its sources in the life. There was trauma from an early age, years of drug abuse and a chronic sense of disconnection that sometimes seemed almost self-engineered. Smith died violently in Los Angeles in 2003, under what some believe to be questionable circumstances, of a single fatal stab wound to the chest. By this time fame had found him, and record buyers who shared the listening experience felt he spoke directly to them from beyond: lonely, lovelorn, frustrated, fighting until he could fight no more. And yet, although his achingly intimate lyrics carried the weight of truth, Smith remained unknowable. In *Torment Saint*, William Todd Schultz gives us the first proper biography of the rock star, a decade after his death, imbued with affection, authority, sensitivity and long-awaited clarity. *Torment Saint* draws on Schultz's careful, deeply knowledgeable readings and insights, as well as on more than 150 hours of interviews with close friends, lovers, bandmates, peers, managers, label owners, and recording engineers and producers. This book unravels the remaining mysteries of Smith's life and his shocking, too-early end. It will be an indispensable examination of his life and legacy, both for Smith's legions of fans as well as readers still discovering his songbook.
