Excerpt from *Money and Trade Considered: With a Proposal for Supplying the Nation With Money*, First Published at Edinburgh 1705

There are several proposals offer'd to remedy the difficulties the nation is under from the great scarcity of money. That a right judgment may be made, which will be most safe, advantageous and practicable; it seems necessary, 1. that the nature of money be inquired into, and why silver was used as money preferable to other goods. 2. that trade be considered, and how far money affects trade. 3. that the measures have been used for preserving and increasing money, and these now proposed, be examined.

"There is so much to relate to and throughout the novel, there is a sharp feminist edge. Loved this one, and you will too."—New York Times bestselling author Roxane Gay

The New York Times bestselling author of *The Wedding Date* serves up a novel about what happens when a public proposal doesn't turn into a happy ending, thanks to a woman who knows exactly how to make one on her own... When someone asks you to spend your life with him, it shouldn't come as a surprise—or happen in front of 45,000 people. When freelance writer Nikole Paterson goes to a Dodgers game with her actor boyfriend, his man bun, and his bros, the last thing she expects is a scoreboard proposal. Saying no isn't the hard part—they've only been dating for five months, and he can't even spell her name correctly. The hard part is having to face a stadium full of disappointed fans... At the game with his sister, Carlos Ibarra comes to Nik's rescue and rushes her away from a camera crew. He's even there for her when the video goes viral and Nik's social media blows up—in a bad way. Nik knows that in the wilds of LA, a handsome doctor like Carlos can't be looking for anything serious, so she embarks on an epic rebound with him, filled with food, fun, and fantastic sex. But when their glorified hookups start breaking the rules, one of them has to be smart enough to put on the brakes...

Recipes such as Fennel Stew, Carrot & Sake Salad, Watermelon Radish Soup, Brown Butter Tortelli, and Saffron Tagine use healthy, whole foods ingredients and approachable techniques, and photographs

taken in Morocco, Japan, Italy, France, and India, as well as back home in Heidi's kitchen, reveal the places both near and far that inspire her warm, nourishing cooking.
