Foster Burchard of the Omaha police began to suspect foul play. Sandy herself became a primary suspect, as did her ex-boyfriend Steven Harper—a man prone to violence who never got over their breakup. In *Toxic Love*, investigative reporter and true crime author Tomás Guillén offers a detailed and vivid account of this baffling case from the day of the poisoning to the harrowing trial and the murderer's eventual suicide on death row.**

**THE CHILDREN OF NINETEENTH-CENTURY BOSTON. HIS CRIMES WERE APPALLING -- AND YET HE WAS LITTLE MORE THAN A CHILD HIMSELF.** When fourteen-year-old Jesse Pomeroy was arrested in 1874, a nightmarish reign of terror over an unsuspecting city came to an end. "The Boston Boy Fiend" was imprisoned at last. But the complex questions sparked by his ghastly crime spree -- the hows and whys of vicious juvenile crime -- were as relevant in the so-called Age of Innocence as they are today. Jesse Pomeroy was outwardly repellent in appearance, with a gruesome "dead" eye; inside, he was deformed beyond imagining. A sexual sadist of disturbing precocity, he satisfied his atrocious appetites by abducting and torturing his child victims. But soon, the teenager's bloodlust gave way to another obsession: murder. Harold Schechter, whose true-crime masterpieces are "well-documented nightmares for anyone who dares to look" (Peoria Journal Star), brings his acclaimed mix of page-turning storytelling, brilliant insight, and fascinating historical documentation to *Fiend* -- an unforgettable account from the annals of American crime.

**The Raffle Baby: An astounding lyrical novel inspired by a shocking true story of the Great Depression Sep 05 2020** "Purchase a ticket for a chance to win a rosy-cheeked little one. Ladies particularly welcome. With precise, breathtaking

prose and hints of magical realism, Ruth Talbot tells the tale of three orphans as they crisscross the country in the 1930s, riding the rails, chasing the harvests, and stealing when they must. Their destination is always the same: survival. Teeny, Sonny Boy and Vic have been swallowed up by the desperation and devastation of the Great Depression, but the trio is buoyed by the fantastical tales Teeny weaves around campfires in hobo jungles and migrant camps, including the story of the raffle baby. As the three navigate the ravages of poverty and prejudices, they form a family bond as strong as the forces against them. But when a solemn pact fails to protect them, their lives are forever changed. And Sonny Boy is left to tell their story, and his own. Both heartbreaking and uplifting, *The Raffle Baby* examines the intersection of love, loss and resilience, and the enduring triumph of memory. This is a magical tale not soon forgotten. **★★★★★** Reviews "Every word was music to my ears." "So beautifully written I couldn't put it down." "Ruth Talbot has a delicate, beautiful usage of words." "A beautiful picture of this era of American history." "A unique and emotionally satisfying story." "A truly heartfelt story." "The author clearly knows the secrets of the human heart."
