Love and Other Words Oct 07 2020 After a decade apart, childhood sweethearts reconnect by chance in New York Times bestselling author Christina Lauren's touching, romantic novel *Love and Other Words*...how many words will it take for them to figure out where it all went wrong? The story of the heart can never be unwritten. Macy Sorensen is settling into an ambitious if emotionally tepid routine: work hard as a new pediatrics resident, plan her wedding to an older, financially secure man, keep her head down and heart tucked away. But when she runs into Elliot Petropoulos—the first and only love of her life—the careful bubble she's constructed begins to dissolve. Once upon a time, Elliot was Macy's entire world—growing from her gangly bookish friend into the man who coaxed her heart open again after the loss of her mother...only to break it on the very night he declared his love for her. Told in alternating timelines between Then and Now, teenage Elliot and Macy grow from friends to much more—spending weekends and lazy summers together in a house outside of San Francisco devouring books, sharing favorite words, and talking through their growing pains and triumphs. As adults, they have become strangers to one another until their chance reunion. Although their memories are obscured by the agony of what happened that night so many years ago, Elliot will come to understand the truth behind Macy's decade-long silence, and will have to overcome the past and himself to revive her faith in the possibility of an all-consuming love.

Solito Dec 09 2020 New York Times Bestseller • Read With Jenna Book Club Pick as seen on Today • Winner of the Los Angeles Times Christopher Isherwood Prize for Autobiography • Winner of the American Library Association Alex Award A young poet tells the inspiring story of his migration from El Salvador to the United States at the age of nine in this “gripping memoir” (NPR) of bravery, hope, and finding family. Finalist for the PEN/John Kenneth Galbraith Award for Nonfiction • One of the New York Public Library’s Ten Best Books of the Year Longlisted for the Andrew Carnegie Medal for Excellence and the PEN/Open Book Award “I read *Solito* with my heart in my throat and did not burst into tears until the last sentence. What a person, what a writer, what a book.”—Emma Straub “A riveting tale of perseverance and the lengths humans will go to help each other in times of struggle.”—Dave Eggers ONE OF THE BEST BOOKS OF THE YEAR: The New York Times Book Review, NPR, The Washington Post, San Francisco Chronicle, Vulture, She Reads, Kirkus Reviews Trip. My parents started using that word about a year ago—“one day, you’ll take a trip to be with us. Like an adventure.” Javier Zamora’s adventure is a three-thousand-mile journey from his small town in El Salvador, through Guatemala and Mexico, and across the U.S. border. He will leave behind his beloved aunt and grandparents to reunite with a mother who left four years ago and a father he barely remembers. Traveling alone amid a group of strangers and a “coyote” hired to lead them to safety, Javier expects his trip to last two short weeks. At nine years old, all Javier can imagine is rushing into his parents’ arms, snuggling in bed between them, and living under the same roof again. He cannot foresee the perilous boat trips, relentless desert treks, pointed guns, arrests and deceptions that await him; nor can he know that those two weeks will

expand into two life-altering months alongside fellow migrants who will come to encircle him like an unexpected family. A memoir as gripping as it is moving, Solito provides an immediate and intimate account not only of a treacherous and near-impossible journey, but also of the miraculous kindness and love delivered at the most unexpected moments. Solito is Javier Zamora's story, but it's also the story of millions of others who had no choice but to leave home.

Book Lovers Nov 19 2021 “One of my favorite authors.”—Colleen Hoover An insightful, delightful, instant #1 New York Times bestseller from the author of *Beach Read* and *People We Meet on Vacation*. Named a Most Anticipated Book of 2022 by Oprah Daily ? Today ? Parade ? Marie Claire ? Bustle ? PopSugar ? Katie Couric Media ? Book Bub ? SheReads ? Medium ? The Washington Post ? and more! One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she's read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city.

It would be a meet-cute if not for the fact that they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves.
