This brightly illustrated non-fiction book for very young children is packed with dinosaurs to look at and talk about. Little children can find out about different species of dinosaur, how big they were, what they ate, how they lived and died. Illustrations: Full colour throughout Dinosaurs were INCREDIBLE creatures. Now even the smallest of readers can look inside the mighty T. rex - the most famous dinosaur of them all! This chunky board book

has been especially designed for little hands, with interactive, peep-through pages to grasp and explore. Curious learners will love learning exactly how the T. rex worked - from when they lived to how strong their bite was (ouch!). Jam-packed with bite-size facts and accessible information, this is the perfect board book for dinosaur-mad toddlers. Also available in the How it Works series: Rocket, Tractor and The Body. Come on a bug hunt in this little flap book. Peep under leaves and into hives to see where all kinds of bugs live, and find out how some build their own homes. A new book in the delightful, popular series written by Anna Milbourne introducing young children to the natural world around them. The simple, clear information about bug homes has been engagingly written especially for young children. The sturdy flaps and holes to peep through encourage curiosity in the young children. Charming, bright illustrations by Simona Dimitri brings the bugs' world to life in an approachable way. Ten little dinosaurs set off in search of adventure. A beautifully illustrated, non-fiction book to introduce children to dinosaurs for the very first time. Children can lift the flaps and peep through the holes to see a dinosaur egg hatching or trace the outlines of T. Rex's teeth, and find out about spiky dinosaurs, the biggest dinosaurs and dinosaurs from the sea. Peep under seaweed and waves and into rock pools to discover all the delights of the seashore in this little book. What does a limpet look like in its shell? What's inside a pelican's bulging beak? What is a sea otter cuddling as it floats on its back? From bugs in the sand dunes to turtles hatching on a moonlit beach, this book explores seashores from all around the world. Shaped flaps and die-cut peep holes encourage little children to find information about the seashore for themselves. The charmingly written simple information is a joy for young children to expand their knowledge of the natural world and adults might learn a thing or

two as well! (Did you know that baby puffins are called pufflings?) Wander through the delightful pages to discover the pre-historic world buzzing with life in this busy pop-up book. Illustrations are brought to life in a riot of color and details as you turn each page to see a 3-dimensional scene emerge. Learn about dinosaurs and see them pop-up and move! Discover huge hunters and gentle leaf-eaters as you meet all kinds of dinosaurs. Journey back to prehistoric times and meet lots of amazing dinosaurs, from the toothy T-Rex to the powerful Diplodocus, with this bright and inviting sticker book. Learn how the Maiasaura protected her eggs, which gigantic prehistoric animals lived underwater and more whilst decorating the scenes using the 200+ stickers provided. Peep Inside is the very young children's lift-the-flap information book series, the younger cousin of the Look Inside series which is, in turn, the younger relative of the bestselling See Inside series. With flaps and holes to peep underneath and through, life at the zoo is revealed. Snippets of information are combined with intriguing and stylish pictures. From award-winning author Janeen Brian and award-winning illustrator Ann James, comes this gorgeous rhyming picture book about a naughty little dinosaur who loves to get dirty. Bright simple illustrations and rounded corners perfect for the very young. Stomp, splash, slide, dive . . . . This little dinosaur just loves mud! The all-time classic picture book, from generation to generation, sold somewhere in the world every 30 seconds! Have you shared it with a child or grandchild in your life? For the first time, Eric Carle's *The Very Hungry Caterpillar* is now available in e-book format, perfect for storytime anywhere. As an added bonus, it includes read-aloud audio of Eric Carle reading his classic story. This fine audio production pairs perfectly with the classic story, and it makes for a fantastic new way to encounter this famous, famished caterpillar. A very

simple non-fiction, lift-the-flap book for small children, packed with holes to peep through, flaps to peek beneath and snippets of factual information about what happens in the heart of the jungle. This is the latest in a very popular series which includes Peep-Inside the Castle, Dinosaurs, Animal Homes, Night time, Garden, Zoo, Farm and more. Peek inside the world of dinosaurs and see what you can find. There are tall ones, spiky ones, and one with very sharp teeth! Dinosaur, dinosaur, turn out the light. Dinosaur, dinosaur, say goodnight! A super selection of both new and traditional bedtime rhymes - with a fun dino theme to make children giggle! Peep under flaps and through holes to explore the snowiest places on Earth in this little wintry book. Peep under the snow to see polar bear cubs coming out of their den, seals and narwhals in the icy sea, peep behind penguins near the South Pole to meet their fluffy chicks, and peep behind the clouds to see the Northern Lights glowing in the sky. Another, very topical addition to add to the award-winning peep inside series. Sweet first discovery of Arctic/polar animals encourages young children to have a love of nature and snowy places - vital to the environmental concerns of today. Simple child-friendly text and irresistibly designed flaps encourage children to actively engage with the subject, building their learning confidence. Peep into nests and inside burrows to see baby animals and where they live. A beautiful retelling of the classic fairy tale, with fabulous illustrations by Lorena Alvarez and intricate, cut-out windows to peep through. Little children will love following Belle and the birds into the Beast's house, discovering the shy Beast hiding in the garden, the harp that plays itself - and the handsome Prince in the mirror. The classic fairy tale brought right up to date for a modern audience with beautiful illustrations and fine laser-cut holes and cutaways which add depth and drama. Young children will love looking at the details in this book

- both in the illustrations and in the peep-throughs and flaps - and sharing and talking about it with a grown-up. Second in a new series which takes the format of the bestselling 'Peep Inside' non-fiction series and applies it to much-loved fairy tales. Peep inside a plane to discover how it works. Peep into the cockpit, push the throttle and flap down the wheels as you follow the plane on a journey around the world. With lots of flaps to peep under and holes to look through, little ones will enjoy discovering the topic in a hands-on way. There is so much to look at and talk about, from the pilot's controls to the secret bedroom below the cockpit. The first in an exciting new series peeping inside things that go and how they work. . There are 20 of the biggest, fiercest dinosaurs to build in this ROAR-some sticker book, with over ten pages of stickers of terrifying teeth, beady eyes and enormous tails. Children can recreate a triceratops, diplodocus, tyrannosaurus-rex and more. Includes statistics on when each dinosaur lived, what they ate and how big they were. A diverse group of animals comes together to celebrate one very important idea: no matter our differences, we are all equal. We are all equal, let's shout it out loud. We share hopes and dreams, we're equal and proud. These animals may all be different from one another, but they know that doesn't matter. They have different lifestyles, different places of origin, different abilities, different types of families, and more. But big or small, weak or strong, native or new to their land, these animals are all equal, with no one better, more important, or more worthy than the others. With vivid, vibrant art and a resounding message of tolerance conveyed with a sweet and playful rhyme, this book is a celebration of the many different ways to be, all of which are good, welcome, and equal. Discover the dazzling world of dinosaurs, brought to life in this stylishly illustrated picture book. Colourful images of a world long past and a quirky approach

make a well-trodden topic fresh. From old favourites like Stegosaurus to new discoveries like Zhenyuanlong, budding palaeontologists will be inspired by these beautifully realised images. Illustrations: Full colour throughout

This delightful pack contains a 100-piece jigsaw of a lively dinosaur scene for children to assemble, as well as a 24-page picture puzzle book in which kids can discover a colourful array of prehistoric creatures that used to roam the earth. Illustrations: Full colour throughout

"Nibbles, the book-eating monster, has nibbled his way out of his own book and now he's causing mischief and mayhem in other people's stories. Look out!"-- Provided by publisher. Peep under chunky flaps and through holes in the pages to discover hungry sharks, giant whales, deep-sea jellyfish and even a shy sea dragon. Simple text gives information for young readers, and flaps and peep holes encourage their exploration of the marvellous underwater world. Illustrations: Full colour throughout

This simple non-fiction book for very young children is filled with facts about space and the universe. Little children can lift the flaps and peek through the holes in the pages to find out lots about space: this interactive introduction to the subject is accurate, playful and approachable. Space is a "hot" topic at the moment and is a fascinating subject that can lead little minds to be more interested about science as a whole. A very simple non-fiction, lift-the-flap book for small children, packed with holes to peep through, flaps to peep beneath and snippets of factual information about what happens when night falls. Peep Inside is the very young children's lift-the-flap information book series; above that is the Look Inside series for 4+ readers and the See Inside series for slightly older children. An action-packed non-fiction book exploring the inner workings of a fire engine. Nee naw, nee naw! The fire engine is here to save the day. Peep into the cab, roll out the hoses and slide out the ladder to find out

how it works. Truck-obsessed toddlers will love all the details to spot, flaps to lift and holes to peep through. An exciting introduction to some of the people who help us. Peep through holes and under flaps to discover the wonders of a coral reef. Find teeny-tiny camouflaged seahorses, an octopus in its den, and a wealth of other creatures that live on the reef. See how a clownfish looks after its babies, see what comes out on the reef at night and learn what coral really is! A stylish and beautifully illustrated picture book with flaps and moveable clock hands to encourage learning how to tell the time. Children will have fun learning about analogue and digital time telling. A key skill for children of about 6 - 7 years old. Sid likes scaring his friends with his mighty roar, but when Sid loses his voice, will his friends wish he hadn't? Specially written for children beginning to read alone, with delightful audio narration. "Irresistible for children learning to read. " - Child Education Plus Discover all kinds of things underground in this interactive book. Have you ever wondered what's under the ground? A fascinating world lies hidden there. In an exciting journey into the Earth, young children can lift flaps and peep into holes to find ants and bunnies, pipes and trains, fossils and even lava! In a magical new version of this beloved fairy tale, you can peep through the laser-cut holes in the pages to discover the tiny elves who help the shoemaker. Holes and flaps allow you to peep through doors and windows into the shoemaker's cosy shop and the world of the story. Delicate laser-cut holes and flaps bring the fairy tale world to life, and make this a book to treasure. Sweet retelling of the story for a modern, young reader to add to a growing Peep Inside a Fairy Tale library. Gorgeous illustrations by Jessica Knight make the world of tiny elves and beautiful shoes irresistible! A gorgeous addition to the popular Very First Questions and Answers series, exploring the truths about dinosaurs through the eyes of a curious child.

Explore what dinosaurs really looked like, how big they were, what they ate... and where they all disappeared to. Meet some of the most popular dinosaurs and learn how to be a dinosaur detective. Illustrations: Full colour throughout. Discover facts about some of the biggest and most fearsome dinosaurs ever to walk the earth. Features colorful illustrations on large fold-out pages. Peep Inside is the very young children's lift-the-flap information book series, the younger cousin of the Look Inside series which is, in turn, the younger relative of the bestselling See Inside series. With flaps and holes to peep underneath and through, life on a farm is revealed. Snippets of information are combined with intriguing and stylish pictures. 'See Inside the World of Dinosaurs' is an exciting and innovative book which allows children to peep inside the world of dinosaurs to discover where dinosaurs lived, their many different shapes and sizes and who they shared their world with. Once upon a time, Jack climbed a giant beanstalk and found his fortune... Peep through the pages to follow Jack's adventures in this magical book, with delicate cutaway scenes, flaps to lift and stunning illustrations from Davide Ortu. A beautiful way to introduce children to the classic fairytale. Young children can explore a bustling medieval castle in this charming, lift-the-flap non-fiction book. Flaps and peep-through holes in the pages reveal a knight putting on his armour, castle guards counting the king's treasure and a grand feast with the royal family. A lovely introduction to a popular historical subject for little children.
