Explores initiation rites, wedding feasts, harvest celebrations, religious rituals, and many other customs used around the world to mark all kinds of special occasions. Suggested level: intermediate, junior secondary. Revel in the enduring legacy of Mexican artist Frida Kahlo—from the self-portraits, to the flower crown, to her iconic eyebrows—with this fun and commemorative book! With her colorful style, dramatic self-portraits, hardscrabble backstory, and verve for life, Frida Kahlo remains a modern icon, captivating and inspiring artists, feminists, and art lovers more than sixty years after her death. Forever Frida celebrates all things Frida, so you can enjoy her art, her words, her style, and her badass attitude every day. Viva Frida! With rare and never-before-published photographs, personal letters, and documents, this groundbreaking book reveals the style secrets that helped make Grant a fashion icon. A powerful interpretation of Rumi and his message of divine love and union. The Way of Passion, a penetrating antidote to today's spiritual crises, presents Rumi's magnificent visions of spiritual surrender and mystical union. Discusses the holiday in which Afro-Americans celebrate their roots and cultural heritage from Africa. Jam-packed with more than 60 spells, invocations, and rituals, "Yule" guides readers through the magic of the season, as they discover the origin of the eight tiny reindeer, brew up some Yuletide coffee, and learn ways to create their own holiday traditions and crafts based on celebrations from a variety of countries and beliefs. Describes a festival or holiday celebrated in Latin America for each month of the year, from the feast of Saint Anthony in January through Mexico's Cinco de Mayo, an Inca festival in Peru in June, and a ritual of African origin in Brazil in September. In this helpful and heartfelt book, Doris Christopher shows families how to honor and celebrate one of our most beloved traditions: togetherness around the family table. An American entrepreneur, who is also an enterprising American mom, Christopher serves up a blend of inspiration and practical advice, revealing the ways dozens of others have transformed their tables into vehicles for strengthening family life. Book jacket. "We are a people who matter." Inspired by President Barack Obama's Of Thee I Sing, Go Show the World is a tribute to historic and modern-day Indigenous heroes, featuring important figures such as Tecumseh, Sacagawea and former NASA astronaut John Herrington. Celebrating the stories of Indigenous people throughout time, Wab Kinew has created a powerful rap song, the lyrics of which are the basis for the text in this beautiful picture book, illustrated by the acclaimed Joe Morse. Including figures such as Crazy Horse, Net-no-kwa, former NASA astronaut John Herrington and Canadian NHL goalie Carey Price, Go Show the World showcases a diverse group of Indigenous people in the US and Canada, both the more well known and the not- so-widely recognized. Individually, their stories, though briefly touched on, are inspiring; collectively, they empower the reader with this message: "We are people who matter, yes, it's true; now let's show the world what people who matter can do." "In September 1998, a completely unknown band from London performed in the corner of a café in Manchester to an audience of fewer than ten people. One of these people was Debs Wild, a record company talent scout who immediately knew she'd seen the future. To celebrate the band's twentieth anniversary, Debs Wild--the discoverer of Coldplay--and Malcolm Croft look back on the band's phenomenal rise to glory. Life In Technicolor: A Celebration of Coldplay charts the band's extraordinary history from the very first rehearsal right through to the conclusion of their record-breaking A Head Full of Dreams Tour. With a unique insider's perspective and never-before-seen photos, this book will delight Coldplay's legions of fans across the globe."--Backcover. Celebrating a century of the Girl Scouts, "this lighthearted look . . . is bound to invoke nostalgia and pride in former members" (Bust Magazine). To commemorate its 100th anniversary, Girl Scouts of the USA presents this special look at the history of this important, beloved, and ever-evolving organization. Featuring iconic photographs, documents, and letters from its vast archives—some never before seen—this volume honor the unique sisterhood of Girl Scouts. Images include historical uniforms, memorabilia, and photographs with first ladies of the United States. Organized by decade, this book is the essential keepsake and gift for Girl Scouts members, alumnae, volunteers, and supporters. Jamie has a lot of friends—a lot of friends with different kinds of families. Kate has two dads. Olivia has two moms. And Jade has her very own butler! But no matter what the families look like, the love they feel for each other is all the same. "A CELEBRATION OF AUTOMOTIVE ART" by Gerry Drunell: The Automotive Fine Arts Society and Automobile Quarterly have published the best automotive art book that's ever crossed my desk. Published to commemorate the 20th Anniversary of the AFAS annual art exhibition at the Pebble Beach Concours d'Elegance, Gerry Durnell and the staff of AQ spent eight months assembling and designing 'A Celebration of Automotive Art'. The result is a masterpiece that will become one of the most treasured books in your collection. You'll find yourself carefully removing this 316 page epic from its sturdy slipcase on a regular basis to treat yourself to some of the most beautiful images of classic and racing cars ever produced. Profiles of all 29 active artists of the AFAS are followed by a portfolio of their best work. Artists such as Bill Neale, Jay Koka, Peter Harsey, Lawrence Braun, Ken Dallison, James Dietz, Charles Maher, Jack Juratovic, Dennis Hoyt are joined by past masters such as Walter Gotschke, John Burgess, Carlo Demand and Peter Helck."--website. Forty-four poems examine the depth and complexities of married love and shares a wife's feelings for her husband. Published with the American Library Association, Reading with the Stars uses the power of politicians, celebrities, and other prominent men and women to celebrate books, libraries, and reading. Fourteen of the biggest names in America offer their thoughts on why literature is important and how books have touched their lives. Television icon Oprah Winfrey discusses how library books were her "pass to personal freedom." Microsoft founder Bill Gates discusses his library computerization project. Former Vice President Al Gore addresses the "information ecosystem," including how reading contributes to an informed citizenry. A fun, fascinating gift for any- one who works in the world of publishing, libraries, or bookselling. An entertaining story which is meant to empower children, of all ages, to celebrate their uniqueness in being a "One and Only." Hopefully, this book will help open doors of dialogue between caregivers and children regarding the reasons for having or adopting only one child and to highlight the positive results of that decision. This special story was produced in a black and white format as an open canvas for the reader to personalize in his or her own way. We also want readers to "see" themselves in the story so the "ME" and "MY FAMILY" pages allow for each person to illustrate the characters in their own real-life stories. Visit us at Out of the Ordinary Books. In the twenty years since its publication, Celebration of Discipline has helped over a million seekers discover a richer spiritual life infused with joy, peace, and a deeper understanding of God. For this special twentieth anniversary edition, Richard J. Foster has added an introduction, in which he shares the story of how this beloved and enduring spiritual guidebook came to be. Hailed by many as the best modern book on Christian spirituality, Celebration of Discipline explores the "classic Disciplines," or central spiritual practices, of the Christian faith. Along the way, Foster shows that it is only by and through these practices that the true path to spiritual growth can be found. Dividing the Disciplines into three movements of the Spirit, Foster shows how each of these areas contribute to a balanced spiritual life. The inward Disciplines of meditation, prayer, fasting, and study, offer avenues of personal examination and change. The outward Disciplines of simplicity, solitude, submission, and service, help prepare us to make the world a better place. The corporate Disciplines of confession, worship, guidance, and celebration, bring us nearer to one another and to God. Foster provides a wealth of examples demonstrating how these Disciplines can become part of our daily activities-and how they can help us shed our superficial habits and "bring the abundance of God into our lives." He offers crucial new insights on simplicity, demonstrating how the biblical view of simplicity, properly understood and applied, brings joy and balance to our inward and outward lives and "sets us free to enjoy the provision of God as a gift that can be shared with others." The discussion of celebration, often the most neglected of the Disciplines, shows its critical importance, for it stands at the heart of the way to Christ. Celebration of Discipline will help motivate Christians everywhere to embark on a journey of prayer and spiritual growth. In 51 visually stunning, emotionally compelling portraits, acclaimed photographer Carol Ross presents a hopeful, heartwarming, and caring view of black fatherhood in the United States. In an era that pays little positive attention to black fathers, Rosss inspirational perspective on the relationships between black men and their children is vitally importantand long overdue. Rosss richly textured duotone photographs reveal a group of devoted fathers whose common bond is their profound love for their children. For her subjects, Ross has selected men from all walks of lifecollege professors, filmmakers, technicians, construction workers, and corporate executivesalong with well-known music executives, directors, entertainers, and actors, such as Antonio L. A. Reid, Ruben Santiago-Hudson, Funk Master Flex, Doug E. Doug, and Melvin Van Peebles. Film star Samuel L. Jackson, photographed with his daughter, provides the books foreword, and each portrait is accompanied by a poignant personal recollection by the father depicted. Exquisitely designed, "Pop: A Celebration of Black Fatherhood" finally gives black men their own voice about their experience as fathers. Inspired by her own father, Rosss book is, in her words, a round of applause, a bow, a God bless you, " to all those fathers who take their children to that place where, one day, they can fly on their own. Jim Turner captures Arizona's history with engaging words accompanied by scenic and historic images that define the spirit of this last frontier outpost of the continental United States. Arizona is a colorful, comprehensive, and exciting history of the Grand Canyon State from its prehistoric origins, to its definitive Native American, Spanish, and Wild West cultures, to its present biotech industries. Celebrate movie history and the world of Disney, from the animations and live action movies to the magical Disney parks and attractions, with The Disney Book. Go behind-the-scenes of Disney's best-loved animated movies and find out how they were made, follow Disney's entire history using the timeline, and marvel at beautiful concept art and story sketches. They live in Marin County, California. ABC Let's Celebrate You & Me presents 26 things—from A to Z—that make us special and that are worth celebrating! From our bodies and our emotions to our interests and hobbies, there is so much to celebrate about ourselves! We all have different talents, ideas, and things to say, but we are more similar than we are different. ABC Let's Celebrate You & Me presents a whole alphabet full of positive attributes kids can celebrate, including their bodies, skin, eyes, and hair, on the outside, as well as inner qualities, such as their interests, kindness, and personalities. ABC Let's Celebrate You & Me features colorful illustrations, as well as thoughtful text that gets kids thinking about who they are and how all people are unique, special, and worthy of love and happiness. Each letter of the alphabet is paired with either a physical or character attribute, and each page promotes self-love and kindness to others. This book shows that when we work together and respect each other, we can do great things! A fun read for the whole family, ABC Let's Celebrate You & Me is not only perfect for teaching toddlers their ABCs, but also for encouraging kids to love themselves—and other people too—just as they are. With endearing illustrations and mindful concepts, the ABC for Me series pairs each letter of the alphabet with words that promote big dreams and healthy living. Other books in this series include: ABC What Can She Be? (2018) ABC What Can He Be? (2019) ABC What Can I Be? (2020) ABC Everyday Heroes Like Me (2021) The mystery of the body in motion. The surprise of seeing what seems impossible. And the pure, joyful optimism of it all. Dancers Among Us presents one thrilling photograph after another of dancers leaping, spinning, lifting, kicking—but in the midst of daily life: on the beach, at a construction site, in a library, a restaurant, a park. With each image the reader feels buoyed up, eager to see the next bit of magic. Photographer Jordan Matter started his Dancers Among Us Project by asking a member of the Paul Taylor Dance Company to dance for him in a place where dance is unexpected. So, dressed in a commuter's suit and tie, the dancer flew across a Times Square subway platform. And in that image Matter found what he'd been searching for: a

way to express the feeling of being fully alive in the moment, unself-conscious, present. Organized around themes of work, play, love, exploration, dreaming, and more, *Dancers Among Us* celebrates life in a way that's fresh, surprising, original, universal. There's no photoshopping here, no trampolines, no gimmicks, no tricks. Just a photographer, his vision, and the serendipity of what happens when the shutter clicks. In 1950, C. S. Lewis introduced the world of Narnia and its unforgettable King, Aslan. Introduced in 1940, The Flash burst onto the comic book scene with an explosive debut akin to his super-speed powers. He was an instant smash-hit success, as the lightning bolt insignia upon his chest became synonymous with the term "superhero". Even as seven decades have passed, The Flash is still a vibrant part of the DC Comics lore and an integral part of the genre. The Flash: A Celebration of 75 Years collects a wide range of stories featuring the Scarlet Speedster, ranging his seven decades as a mainstay in the DC Comics universe. From the original Flash, Jay Garrick, to his successors Barry Allen and Wally West, the mantle of this beloved hero has made him burst beyond the printed page into a pop culture symbol. This anthology graphic novel collects stories from the industry's legendary talents, including Gardner Fox, John Broome and Geoff Johns. This volume collects: "Origin of the Flash" FLASH COMICS #1 (1940) Writer: Gardner Fox, Artist: Harry Lampert Cover by Sheldon Moldoff "The Secret City" ALL-FLASH COMICS #31 (1947) Writer: Robert Kanigher, Penciller: Carmine Infantino, Inker: Frank Giacoia Cover by Evertt E. From the acclaimed author of *Death in the Air* ("Not since *Devil in the White City* has a book told such a harrowing tale"--Douglas Preston) comes the riveting story of the birth of criminal investigation in the twentieth century. Berkeley, California, 1933. In a lab filled with curiosities--beakers, microscopes, Bunsen burners, and hundreds upon hundreds of books--sat an investigator who would go on to crack at least two thousand cases in his forty-year career. Known as the "American Sherlock Holmes," Edward Oscar Heinrich was one of America's greatest--and first--forensic scientists, with an uncanny knack for finding clues, establishing evidence, and deducing answers with a skill that seemed almost supernatural. Heinrich was one of the nation's first expert witnesses, working in a time when the turmoil of Prohibition led to sensationalized crime reporting and only a small, systematic study of evidence. However with his brilliance, and commanding presence in both the courtroom and at crime scenes, Heinrich spearheaded the invention of a myriad of new forensic tools that police still use today, including blood spatter analysis, ballistics, lie-detector tests, and the use of fingerprints as courtroom evidence. His work, though not without its serious--some would say fatal--flaws, changed the course of American criminal investigation. Based on years of research and thousands of never-before-published primary source materials, *American Sherlock* captures the life of the man who pioneered the science our legal system now relies upon--as well as the limits of those techniques and the very human experts who wield them. The Marabou Mule. The Chanel toe. Jackie O's pump. Marilyn's stiletto. And lotus shoes and fetish shoes, shoes made for coronations and inaugurations, Cinderella's slipper, shoes of tulle, brocade, rhinestone, python, fish scales, and feathers, and much, much, more, including the two-foot-high wooden chopines of the 16th century and their resurgence as the platform shoes of the 1960s and 1970s. Shoes, now with over 357,000 copies in print, is an obsessive, over-the-top extravaganza--chunky, full-color, and irresistible, it contains page after page of seductive photographs and information about women's shoes. Created for the woman who's a passionate shoe lover--and what woman isn't?--Shoes features over 1,000 glorious photographs, most of them taken for the book. Includes Footnotes (fascinating facts about shoes); Foot Soldiers (profiles of master shoemakers from David Little to Andrea Pfister); and The Shoe that Left an Imprint, focusing on one shoe that changed history--remember Courage's futuristic go-go boot? Shoes is, as they say, to die for. ~Nominated for a James Beard Award in the international cookbook category!~ The Cuban Table is a comprehensive, contemporary overview of Cuban food, recipes and culture as recounted by serious home cooks and professional chefs, restaurateurs and food writers. Cuban-American food writer Ana Sofia Pelaez and award-winning photographer Ellen Silverman traveled through Cuba, Miami and New York to document and learn about traditional Cuban cooking from a wide range of authentic sources. Cuban home cooks are fiercely protective of their secrets. Content with a private kind of renown, they demonstrate an elusive turn of hand that transforms simple recipes into bright and memorable meals that draw family and friends to their tables time and again. More than just a list of ingredients or series of steps, Cuban cooks' tricks and touches hide in plain sight, staying within families or being passed down in well-worn copies of old cookbooks largely unread outside of the Cuban community. Here you'll find documented recipes for everything from iconic Cuban sandwiches to rich stews with Spanish accents and African ingredients, accompanied by details about historical context and insight into cultural nuances. More than a cookbook, *The Cuban Table* is a celebration of Cuban cooking, culture and cuisine. With stunning photographs throughout and over 110 deliciously authentic recipes this cookbook invites you into one of the Caribbean's most interesting and vibrant cuisines. A heartfelt and playful ode to the father-child relationship, by two-time Caldecott-medal-winning author Chris Raschka King and Jester, Boat and Captain, Mountain and Climber... fathers and children are all of these things and more in Chris Raschka's tribute to this familial pair. Each stanza presents three scenarios in which the father and child's roles are subtly balanced. The pairs vary between stanzas, coming together in a visit to an ice-cream truck. With minimal text and maximum emotion, the book encapsulates Raschka's own passion and nostalgia for being a father to his [now-grown] son. Ages 3-5 In this stunning pictorial journal, 100 talented professional and amateur photographers, many of them award winners, have captured the essence of our most profound relationship: family. Cutting across race and nationality, their photographs -- chosen from 40,000 entries worldwide -- bring to life the intimate moments and emotions shared by all families, whether in Australia, Rwanda, Colombia, or the United States. Taken from the most ambitious photographic competition and exhibit ever staged, the M.I.L.K. Collection -- Moments of Intimacy, Laughter, and Kinship -- these photos depict the joy, heartbreak, and love that shaped and make up our lives. Here are the bonds that bring us together as parent and child, sister and brother, youth and elder. From a father's first look at his new baby to a weathered grandma's embrace, the laughter of octogenarian uncle and nephew to the promise of a mother's kiss, these powerful images tell the story of humanity and celebrate its deepest emotional connection. The M.I.L.K. project was conceived to honor what it is to be part of a family. Look at the men, women, and children on these pages. In their faces you will recognize yourself and your loved ones, for you, too, are a member of the great kinship that is the human family. As James McBride writes, "without family, we are all a tribe of nomads, cut adrift, disconnected, wandering the earth with neither time nor place nor history to give our aching souls a home." Family is a universal homecoming, a commemoration of the human spirit itself. "Brave, brutal . . . a riveting story about suffering, recovery, and redemption. Inspiring and relevant." —The New York Times An electric and unforgettable memoir about a young woman's journey—from the ice rink, to addiction and a prison sentence, to the newsroom—and how she emerged with a fierce determination to expose the broken system she experienced. Keri Blakinger always lived life at full throttle. Growing up, that meant throwing herself into competitive figure skating with an all-consuming passion that led her to nationals. But when her skating career suddenly fell apart, that meant diving into self-destruction with the intensity she once saved for the ice. For the next nine years, Keri ricocheted from one dark place to the next: living on the streets, selling drugs and sex, and shooting up between classes all while trying to hold herself together enough to finish her degree at Cornell. Then, on a cold day during her senior year, the police caught her walking down the street with a Tupperware full of heroin. Her arrest made the front page of the local news and landed her behind bars for nearly two years. There, in the Twilight Zone of New York's jails and prisons, Keri grappled with the wreckage of her missteps and mistakes as she sobered up and searched for a better path. Along the way, she met women from all walks of life—who were all struggling through the same upside-down world of corrections. As the days ticked by, Keri came to understand how broken the justice system is and who that brokenness hurts the most. After she walked out of her cell for the last time, Keri became a reporter dedicated to exposing our flawed prisons as only an insider could. Written with searing intensity, unflinching honesty, and shocks of humor, *Corrections in Ink* uncovers that dark, brutal system that affects us all. Not just a story about getting out and getting off drugs, this galvanizing memoir is about the power of second chances; about who our society throws away and who we allow to reach for redemption—and how they reach for it. Traces the history of the traditional African American holiday, Juneteenth, the official end of slavery in the United States, and suggests ways for modern families to celebrate the holiday Part man and part monster, Two-Face has been one of Batman's greatest and most fearsome villains for more than 75 years! He's an essential part of the Dark Knight's rogues gallery, but unlike the Joker, Scarecrow or Bane, Two-Face alone has some good left inside his soul fighting his evil persona—half the time, anyway. Chaos or order. Life or death. Tragic fallen attorney or scar-faced fiend. It all depends on how the coin falls! Featuring stories from industry legends Bob Kane, Bill Finger, Neal Adams, Dennis O'Neil, Greg Rucka, Bruce Timm and more, TWO-FACE: A CELEBRATION OF 75 YEARS brings you more than a dozen stories of one of Batman's most enduring foes! Collects DETECTIVE COMICS #66, #68, #80, #739; BATMAN #50, #81, #234, #410-411, #572; BATMAN ANNUAL #14; THE BRAVE AND THE BOLD #106; JOKER #1; SECRET ORIGINS #1; BATMAN: BLACK AND WHITE #1; GOTHAM CENTRAL #10; JOKER'S ASYLUM: TWO-FACE #1; and BATMAN AND ROBIN #23.
