It examines the debates over language among the elite of this region during a period of significant social and political change in the late nineteenth and early twentieth centuries. Language debates closely reflect power relations among different sections of society, such as those delineated by nation, ethnicity, region,

religion, caste, class, and gender. They are intimately linked with the process in which individuals and groups of people try to define and project themselves in response to changing political, economic, and social environments. Based on rich historical sources, including official records, periodicals, literary texts, memoirs, and private papers, this book vividly shows the impact that colonialism, nationalism, and the process of nation-building had on the ideas of language among different groups, as well as how various ideas of language competed and negotiated with each other. *Language, Identity, and Power in Modern India: Gujarat, c.1850–1960* will be of particular interest to students and scholars working on South Asian history and to those interested in issues of language, society, and politics in different parts of the modern world. The definitive biography of Dadabhai Naoroji, the nineteenth-century activist who founded the Indian National Congress, was the first British MP of Indian origin, and inspired Gandhi and Nehru. Mahatma Gandhi called Dadabhai Naoroji the “father of the nation,” a title that today is reserved for Gandhi himself. Dinyar Patel examines the extraordinary life of this foundational figure in India’s modern political history, a devastating critic of British colonialism who served in Parliament as the first-ever Indian MP, forged ties with anti-imperialists around the world, and established self-rule or swaraj as India’s objective. Naoroji’s political career evolved in three distinct phases. He began as the activist who formulated the “drain of wealth” theory, which held the British Raj responsible for India’s crippling poverty and devastating famines. His ideas upended conventional wisdom holding that colonialism was beneficial for Indian subjects and put a generation of imperial officials on the defensive. Next, he attempted to influence the British Parliament to institute political reforms. He immersed himself in British politics, forging links with socialists, Irish home rulers, suffragists, and critics of empire. With these allies, Naoroji clinched his landmark election to the House of Commons in 1892, an event noticed by colonial subjects around the world. Finally, in his twilight years he grew disillusioned with parliamentary politics and became more radical. He strengthened his ties with British and European socialists, reached out to American anti-imperialists and Progressives, and fully enunciated his demand for swaraj. Only self-rule, he declared, could remedy the economic ills brought about by British control in India. Naoroji is the first comprehensive study of the most significant Indian nationalist leader before Gandhi.
