Requiem for a Dream Jul 19 2022 A tale of four people trapped by their addictions, the basis for the acclaimed Darren Aronofsky film, by the author of Last Exit to Brooklyn. Sara Goldfarb is devastated by the death of her husband. She spends her days watching game shows and obsessing over appearing on television as a contestant—and her prescription diet pills only accelerate her mania. Her son, Harry, is living in the streets with his friend Tyrone and girlfriend Marion, where they spend their days selling drugs and dreaming of escape. When their heroin supply dries up, all three descend into an abyss of dependence and despair, their lives, like Sara's, doomed by the destructive power of drugs. Tragic and captivating, Requiem for a Dream is one of Selby's most powerful works, and an indelible portrait of the ravages of addiction. This ebook features an illustrated biography of Hubert Selby Jr. including rare photos from the author's estate.

Atlantic France Sep 28 2020 Covering the whole Atlantic

coast of France, from Ouessant in the north to Hendaye on the Spanish border, this second edition of the RCC Pilotage Foundation's guide has been thoroughly revised and updated by Nick Chavasse who has taken his Bowman 40, Wild Bird, into every main port and a multitude of anchorages, including explorations up the numerous navigable rivers. The plans have been revised and improved throughout and the coverage has been extended to include large scale detail for key areas including Lorient and the Gironde. Coverage of the Brittany coast west from L'Aberwrac'h, so often the gateway to the Chenal du Four, is now extended to include the islands of Ouessant and Molène. Many of the new photographs are on-the-water images which are invaluable to the navigator, but this edition also continues to benefit from Patrick Roach's unique and informative aerial coverage. 'Atlantic France' is the authoritative cruising companion for this long and varied coastline with its sometimes-daunting tides and currents, and its publication has been welcomed both by first time visitors who are enjoying their first taste of the region and by old hands who are revisiting their favourite haunts.

Stoicism: A Very Short Introduction Feb 14 2022 Stoicism is two things: a long past philosophical school of ancient Greece and Rome, and an enduring philosophical movement that still inspires people in the twenty-first century to re-think and re-organize their lives in order to achieve personal satisfaction. What is the connection between them? This Very Short Introduction provides an introductory account of Stoic philosophy, and tells the story

of how ancient Stoicism survived and evolved into the movement we see today. Exploring the roots of the school in the philosophy of fourth century BCE Greece, Brad Inwood examines its basic history and doctrines and its relationship to the thought of Plato, Aristotle and his successors, and the Epicureans. Sketching the history of the school's reception in the western tradition, he argues that, despite the differences between ancient and contemporary Stoics, there is a common core of philosophical insight that unites the modern version not just to Seneca, Epictetus, and Marcus Aurelius but also to the school's original founders, Zeno, Cleanthes, and Chrysippus. Inwood concludes by considering the place of Stoicism in modern life. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

Mediterranean Spain Feb 26 2023 The second edition of this well-received title from the Royal Cruising Club Pilotage Foundation covers the entire Mediterranean mainland coast of Spain from Gibraltar to the French border. This is the only detailed pilot for the Spanish Mediterranean coast running up from Gibraltar to the border with France. It covers a varied cruising area that includes the mountain-backed Costas del and Sol and Blanca, the expansive lagoon of the Mar Menor, the low-lying Ebro delta and the rugged Costa Brava. In between are several great cities including Malaga, Valencia, Tarragona and Barcelona, the Catalan capital. The volume opens with Gibraltar and La Línea. With Imray charts for the same coast, Mediterranean Spain provides all the data necessary for anyone based in Spain, transitting to and from areas further East or the Balearics, or just exploring this rich and varied coast and its hinterland. The coverage has been revised with the text updated, new plans added and other plan updates based on the latest information. This edition has been enhanced by the addition of over 100 aerial photographs showing coastline and harbour approaches.

These Colors Are Bananas Jan 21 2020 What color is an apple? A dog? Grass? Young readers will be amazed by the range of possibilities What color is a banana? It can be at least 25 different shades, according to this artful swatchbook of versatile subjects. An inversion of the way we typically look at color, this book challenges readers' predispositions towards using a particular crayon for a particular object. 11 items are each presented alongside a grid of color ranges: the "apple" page features yellows, greens, and reds; the "egg" page a range of greens to grays; even "grass" is surprising, with suggestions of pink. The read-along text is playful and philosophical, poetic and factual... all towards expanding readers' assumptions. Inspired by the Whitney Museum's approach to looking at art, these books provide a new way to look at the world. Created for ages 2-4 years

Opuntia spp.: Chemistry, Bioactivity and Industrial Applications Mar 27 2023 The Opuntia fruits, commonly known as cactus pears or prickly pears, have been suggested by the Food and Agriculture Organization to be a promising and strategic crop in regions suffering from lack of water. In Mexico, India, South Africa, and the Mediterranean, the Opuntia fruits have become popular due to their nutritive value and health-promoting benefits, including antioxidant, antiulcerogenic and antiatherogenic traits and protective effects against LDL oxidation. Additionally, readily absorbable sugars, high vitamin C and

mineral content, and a pleasant flavour make *Opuntia* tailor-made for novel foods. Due to their ecological advantages, high functional value, and health-related traits, *Opuntia* fruits can be highly exploited in different food processing applications. For instance, *Opuntia* cactus fruits are used for the preparation of juices and marmalades; *Opuntia* cactus plants are used to feed animals in African and Latin American countries; Peruvian farmers cultivate *Opuntia* cactus for growing the cochineal (*Dactylopius coccus*) insect and producing the natural dye carmine; and the commercial production of food and non-food products from *Opuntia* has been established in Mexico, USA and several Mediterranean countries. *Opuntia* spp.: Chemistry, Bioactivity and Industrial Applications creates a multidisciplinary forum of discussion on *Opuntia* cactus with special emphasis on its horticulture, post-harvest, marketability, chemistry, functionality, health-promoting properties, technology and processing. The text includes detailed discussion of the impact of traditional and innovative processing on the recovery of high-added value compounds from *Opuntia* spp. by-products. Later chapters explore the potential applications of *Opuntia* spp. in food, cosmetics and pharmaceutical products.

The Emporion in the Ancient Western Mediterranean Jun 25 2020

Lordships of Southern Italy Jun 06 2021 What was the real nature of medieval lordship in southern Italy? What can this region and its history bring to the great European debates on feudalism and aristocratic powers, their structures and

evolution, and their social and economic impact? What contribution can the Kingdom of Sicily make to studies of the relationships between sovereigns, nobilities and peasant societies? And can the study of seigneurial powers and rural societies reshape the old arguments regarding the economic backwardness of the Mezzogiorno (the South of Italy) and the central role of its monarchy? This book offers the first systematic analysis of lordship in southern Italy in the twelfth and thirteenth centuries, under the Norman, Staufen and early Angevin kings. It offers new interpretations of the powers of the nobility, and of rural societies and royal policy. It reveals the complexity of interactions between the king, nobles and peasants, and how they occurred and were expressed through laws and violence, feudal relations and economic investments, debates on freedom and serfdom, and the exploitation of people and natural resources. In these interactions a leading role is played by peasant societies - with previously unsuspected levels of dynamism - to set against that of the kings, who were determined to curb aristocratic powers, and of the nobles who were obliged to adapt their lordship in response to powerful rural societies and crown policies. What emerges is a hitherto unseen Mezzogiorno, vital and complex, whose study allows a deeper understanding not only of the affairs of the South but of many other regions of Europe.

Elements of Shipping Dec 12 2021 Elements of Shipping was first published in 1964 and has become established as a market leader over its many editions. This latest version is

entirely updated to take in the many changes that have occurred in the shipping industry in recent years and features new chapters on multimodalism, seaports and electronic data interchange. Emphasis is also placed on professionalism and the need to have the latest technology and professionally qualified personnel to operate a shipping service today. It remains essential reading for the shipping executive along with students and academics with an interest in the shipping industry.

The Journeyer Mar 15 2022 Marco Polo was nicknamed "Marco of the millions" because his Venetian countrymen took the grandiose stories of his travels to be exaggerated, if not outright lies. As he lay dying, his priest, family, and friends offered him a last chance to confess his mendacity, and Marco, it is said, replied "I have not told the half of what I saw and did." Now, in his new novel *The Journeyer*, Gary

Jennings has imagined the half that Marco left unsaid as even more elaborate and adventurous than the tall tales thought to be lies. From the palazzi and back streets of medieval Venice to the sumptuous court of Kublai Khan, from the perfumed sexuality of the Levant to the dangers and rigors of travel along the Silk Road, Marco meets all manner of people, survives all manner of danger, and, insatiably curious, becomes an almost compulsive collector of customs, languages and women. In more than two decades of travel, Marco was variously a merchant, a warrior, a lover, a spy, even a tax collector - but always a journeyer, unflagging in his appetite for new experiences, regretting only what he missed. Here - recreated and reimagined with all the splendor, the love of adventure, the zest for the rare and curious that are Jennings's hallmarks - is the epic account, at once magnificent and delightful, of the greatest real-life adventurer in human history. The Life and Death of Sophie Stark Sep 09 2021 Winner of the 2016 Lambda Literary Award for Bisexual Fiction “I read The Life and Death of Sophie Stark with my heart in my mouth. Not only a dissection of genius and the havoc it can wreak, but also a thunderously good story.”—Emma Donoghue, New York Times bestselling author of Room “This novel is perceptive, subtle, funny and lingers in unexpected ways. The analysis of a woman who puts her art above all else is equal parts inspiration and warning story. Anna North makes prose look easy.”—Lena Dunham

Gripping and provocative, *The Life and Death of Sophie Stark* is a haunting story of fame, love, and legacy told through the propulsive rise of an iconoclastic artist. Sophie Stark begins her filmmaking career by creating a documentary about her obsession, Daniel, a college basketball star. But when she becomes too invasive, she finds herself the victim of a cruel retribution. The humiliation doesn't stop her. Visionary and unapologetic, Sophie begins to use stories from the lives of those around her to create movies, and as she gains critical recognition and acclaim, she risks betraying the one she loves most. Told in a chorus of voices belonging to those who knew Sophie best, *The Life and Death of Sophie Stark* is an intimate portrait of an elusive woman whose monumental talent and relentless pursuit of truth reveal the cost of producing great art. It is "not only a dissection of genius and the havoc it can wreak, but also a thunderously good story" (Emma Donoghue).

Grenada to the Virgin Islands Jul 07 2021 This popular book covering the Caribbean from Grenada and Barbados to the Virgin Islands is a translation from Jacques Patuelli's original French version. Each island is dealt with in detail and pilotage notes are followed by tourist information and the usual data on formalities and facilities. Fully illustrated with plans and photos, many of which are new for this third edition, the guide is packed with interesting and useful background information on the Caribbean- its history, tourism, geography and details on sailing in the islands. The last section of the book, the blue pages, consists of

listings of facilities, restaurants, bars, hotels and other information of interest to tourists.

East Aegean Dec 24 2022 The expanded third edition of this popular cruising guide encompasses the Greek Dodecanese islands and the Turkish coast eastwards from the Samos Strait to Kas and Kekova. Fully illustrated with up to date plans and numerous new photographs, it is packed with all the essential information for getting to the area, formalities and sailing these beautiful cruising grounds. There is a level of further detail to this coverage in terms of anchorages and other destinations than is found in the Heikell's Greek Waters Pilot and Turkish Waters and Cyprus Pilot. This handy guide also whets the appetite for the local cuisine and culture and gives some historic context to exploration ashore. The fantastic background information with historical and mythological anecdotes gives ... a richness too often missing from bald pilot guides. Royal Cruising Club ... no East Med cruiser will want to sail without a copy. Yachting Monthly

West Aegean May 17 2022 Rod and Lucinda Heikell's West Aegean covers the coasts and islands near Athens, the adjacent islands in the Cyclades and the Eastern Peloponnisos to Monemvasia. Also covered is the mainland coast of Greece from Sounion to Volos and the adjacent

coast of Evia, and the Northern Sporades including Skiathos and Skopelos.

Rome and Jerusalem Oct 22 2022 A magisterial history of the titanic struggle between the Roman and Jewish worlds that led to the destruction of Jerusalem. Martin Goodman—equally renowned in Jewish and in Roman studies—examines this conflict, its causes, and its consequences with unprecedented authority and thoroughness. He delineates the incompatibility between the cultural, political, and religious beliefs and practices of the two peoples and explains how Rome's interests were served by a policy of brutality against the Jews. At the same time, Christians began to distance themselves from their origins, becoming increasingly hostile toward Jews as Christian influence spread within the empire. This is the authoritative work of how these two great civilizations collided and how the reverberations are felt to this day.
