Saints for the Sick May 27 2022 In this intriguing new book, bestselling author Joan Carroll Cruz presents 76 mini-biographies highlighting saintly Catholics who faced intense, long-term suffering and disability with sweetness, peace and love for Jesus Christ. These stories show the triumph of God's grace where the world finds only ugliness and approaching death. They describe some lives so recent that the saint's family members are still living today, with many causes for canonization being currently active in Rome. Included here are Bl. Zelig Martin, who died of breast cancer; 14-year-old Bl. Isidore Bakanja, the Scapular martyr from Africa; the famous leper priest, St. Damien of Molokai; Venerable Matthew Talbot, the alcoholic; St. Germaine Cousin, rejected because of a birth

defect; and little Nennolina Meo, who died from cancer of the bone, lungs and brain. Also included are persons who suffered from paralysis, amputation, deformities, breathing problems, mental illnesses, kidney ailments, intestinal disorders, and more as well as from medical treatment itself. Particularly remarkable are the children who suffered, including young people ages 15, 13, 12, 11 and even 6 ! For these there was no grasping at the remnants of earthly life but rather an eager anticipation of Heaven. These children showed unwavering resolve to suffer for the love of God and the conversion of sinners and they endeavored to console their parents. SAINTS FOR THE SICK is a book that reinforces our Catholic faith and gives renewed hope to those who are dealing with bodily struggles. Moreover, it puts us in touch with heavenly intercessors who will gladly help us for they know exactly what we are going through on earth. Includes an Index of Ailments.

Praying with the Saints: Prayers for the Sick and Dying Jun 27 2022 Praying with the Saints: Prayers for the Sick and Dying is a collection of twenty days' meditations and prayers. The prospect of one's mortality can be intimidating—the experience of loss, when those whom we love die, can cause immense pain and sorrow. For Christians, however, we have an answer to these problems that allows us to persist through sickness and death in hope. This booklet may be

used for those who are sick or nearing death. It may also encourage those struck with fear over a loved one's illness or impending passing. All of the saints, whose meditations we reflect upon, have died even as we will. Let us take comfort, then, from these meditations. More than that, might these testimonies of faith grant us confidence, courage, and endurance to face sickness and death with hope.

How to Be Sick May 15 2021 This life-affirming, instructive and thoroughly inspiring book is a must-read for anyone who is--or who might one day be--sick. And it can also be the perfect gift of guidance, encouragement, and uplifting inspiration to family, friends, and loved ones struggling with the many terrifying or disheartening life changes that come so close on the heels of a diagnosis of a chronic condition

or even life-threatening illness. The author--who became ill while a university law professor in the prime of her career--tells the reader how she got sick and, to her and her partner's bewilderment, stayed that way. Toni had been a longtime meditator, going on long meditation retreats and spending many hours rigorously practicing, but soon discovered that she simply could no longer engage in those difficult and taxing forms. She had to learn ways to make "being sick" the heart of her spiritual practice--and through truly learning how to be sick, she learned how, even with many physical and energetic limitations, to live a life of equanimity, compassion, and joy. And whether we ourselves are sick now or not, we can learn these vital arts of living well from "How to Be Sick."
