The First Church of Christ Scientist and Miscellany (Classic Reprint) Feb 25 2023 Excerpt from The First Church of Christ Scientist and Miscellany Strive it ever so hard, The Church of Christ, Scientist, 3 can never do for its Leader what its Leader has done for this church; but its members can so protect their own thoughts that they are not unwittingly made to deprive their Leader of her rightful place as the revelator to this age of the immortal truths testified to by Jesus and the prophets. The Moravian Church Miscellany Dec 11 2021

*The Christian Examiner and Religious Miscellany, Vol. 52* Jul 06 2021 Excerpt from The Christian Examiner and Religious Miscellany, Vol. 52: January, March, May, 1852 The efficacy of Christ centres in his death. Christ must die because the flesh is the seat of sin. (galat. V. 17, 19; Rom. Viii. 3; vii. 18, 23, Christ by his death kills sin in the flesh. (rom. Vi. 3, 6; viii. This one death of Christ is made available and sufficient for all men through faith. (rom. V. 18, 19; 2 Corin. V. In explaining this point, Paul uses the most extraordinary language. Christ, he says, is made a curse for us. (galat. iii. He that seeks justification by the works of the law falls under a curse, because he can not adequately perform them. Christ takes upon him self the penalty which the law decrees to sin, and so bears the curse that others had drawn down. Christ is sacrificed for us. (1 Corin. V. 7; and especially see Rom. iii. This last passage implies that Jesus was offered to God as a bloody sacrifice to propitiate his justice. And yet the Apostle expressly states that it is we who are reconciled to God, not God who is reconciled to us. (rom. V. 10; 2 Corin. V. The Christian remembrancer; or, The Churchman's Biblical, ecclesiastical & literary miscellany Jan 12 2022

A Miscellany (Revised) Feb 01 2021 A Miscellany, confined to a private edition for decades, sheds further light on the prodigious vision and imagination of the most inventive poet of the twentieth century: E.E. Cummings. Formally fractured and yet gleefully alive and whole, E. E. Cummings's groundbreaking modernist poetry expanded the boundaries of language. In A Miscellany, originally released in a limited run in 1958, Cummings lent his delightfully original voice to "a cluster of epigrams," a poem, three speeches from an unfinished play, and forty-nine essays—most of them previously written for or published in magazines, anthologies, or art gallery catalogues. Seven years later, George J. Firmage—editor of much of Cummings's work, including Complete Poems—broadened the scope of this delightfully eclectic collection, adding seven more poems and essays, and many of Cummings's unpublished line drawings. Together, these pieces paint a distinctive portrait of Cummings's eccentric, yet precise, genius. Like his poetry, Cummings's prose is lively; often witty, biting, and offbeat, he is an intelligent observer and critic of the modern.

His essays explore everything from Cubism to the circus, equally quick to analyze his poetic contemporaries and satirize New York society. As Cummings wrote in his original foreword, *A Miscellany* contains “a great deal of liveliness and nothing dead.” This remains true today, more than fifty years after its original publication.

Firmage—editor of much of Cummings’s work, including *Complete Poems*—broadened the scope of this delightfully eclectic collection, adding seven more poems and essays, and many of Cummings’s unpublished line drawings. Together, these pieces paint a distinctive portrait of Cummings’s eccentric, yet precise, genius. Like his poetry, Cummings’s prose is lively; often witty, biting, and offbeat, he is an intelligent observer and critic of the modern. His essays explore everything from Cubism to the circus, equally quick to analyze his poetic contemporaries and satirize New York society. As Cummings wrote in his original foreword, *A Miscellany* contains “a great deal of liveliness and nothing dead.” This remains true today, more than fifty years after its original publication.

*Pistis Sophia* Nov 22 2022 *Pistis Sophia* is an important Gnostic text. It relates the Gnostic teachings of the transfigured Jesus to the assembled disciples including his mother Mary, Mary Magdalene, and Martha. *Pisti Sophia* recounts that Jesus remained on earth after the resurrection for 11 years. In it the complex structures and hierarchies of heaven familiar in Gnostic teachings are revealed.

*The Florist, Fruitist, and Garden Miscellany* Apr 03 2021

**The Young Churchman's Miscellany** Jan 20 2020

*The Christian Miscellany* Sep 27 2020 Excerpt from *The Christian Miscellany* This humble work is commended to those who belong to the "Church of God," - and especially to those among whom I have been preaching the Gospel from year to year, in various places. With the sentiments herein contained, Christians generally will agree; and if any thing (especially concerning prophecy) appears singular at first, perhaps, 011 consideration, it will be found to agree with the Holy Scriptures, which the writer has known, and studied from his childhood. Courteous Reader, If thou art a Christian, this little Book is commended to thy candid and favourable notice. It contains the thoughts of the writer on some all-important subjects, relating to the soul's welfare in this life, and in the life which is to come. If thou art not yet a Christian, - still read these pages, they can do thee no harm; and may be a blessing to thee; for thou hast a soul to be saved - or lost. The Vassar Miscellany Nov 10 2021

A Theological Miscellany Apr 27 2023 Ever felt mortally embarrassed when all your friends are discussing the merits of "the 5 points of Calvinism" and you don't have the foggiest idea what they're talking about? Ever kicked yourself for not knowing which popes reigned the shortest amount of time? (First on the list is Pope Urban VII, who ruled for a whopping 13 days.) Well, where else could you find the answer to all your problems, but in *A Theological Miscellany*-a maddeningly addictive cornucopia of trivia and smorgasbord of stuff that will keep you up late at night, reading just one more page. The best little book of trivia and oddities you'll ever find. . . . And if not the best, then certainly in the top ten.

**Schott's Original Miscellany** Jul 18 2022 Impossible to read at one sitting, but utterly unputdownable, *Schott's Original Miscellany* is a unique collection of fabulous trivia. What other book boasts an index that includes shoelace lengths, sign language, and the seven deadly sins; dueling and dwarves; the hair color of Miss America and the Hampton Court maze? Where else can you find, packed onto one page, the names of golf strokes, a history of the Hat Tax, cricketing dismissals, nouns of assemblage, an unofficial motto of the US Postal Service, and the flag of Guadeloupe? Where else but *Schott's Original Miscellany* will you stumble across John Lennon's cat, the supplier of bagpipes to the Queen, the labors of Hercules, and the brutal methods of murder encountered by Miss Marple? A book like no other, *Schott's Original Miscellany* is entertaining, informative, unpredictable, and utterly addictive.

Making the Miscellany Dec 31 2020 In *Making the Miscellany* Megan Heffernan examines the poetic design of early modern printed books and explores how volumes of compiled poems, which have always existed in practice, responded to media change in sixteenth- and seventeenth-century England. Heffernan's focus is not only the material organization of printed poetry, but also how those conventions and innovations of arrangement contributed to vernacular poetic craft, the consolidation of ideals of individual authorship, and centuries of literary history. The arrangement of printed compilations contains a largely unstudied and undertheorized archive of poetic form, Heffernan argues. In an evolving system of textual transmission, compilers were experimenting with how to contain individual poems within larger volumes. By paying attention to how they navigated and shaped the exchanges between poems and their organization, she reveals how we can witness the basic power of imaginative writing over the material text. *Making the Miscellany* is also a study of how this history of textual design has been differently told by the distinct disciplines of bibliography or book history and literary studies, each of which has handled—and obscured—the formal qualities of early modern poetry compilations and the practices that produced them. Revisiting these editorial and critical approaches, this book recovers a moment when compilers, poets, and readers were alert to a poetics of organization that exceeded the limits of the individual poem.

Literary Miscellany Oct 21 2022 *Literary Miscellany* is a breezy tour through the literature of today and yesterday, touching on many great classical literary works, movements, and trends. But don't fear that it's only for intellectuals—there's plenty here for the contemporary pleasure reader as well. Alex Palmer offers something for everyone, including answers to the following questions: What's the original bestseller? What authors introduced insults as a literary art form? Who burned the first book? Are writers more likely to be depressed than booksellers? How does a book become a movie? When did sex become part of literature? Most people don't know that the Bible gets credit for plenty of lines that were written by William Shakespeare or John Milton. In *Literary Miscellany*, learn how this happened. Also examine the more recent concept of "false memoirs," with a list of who lied about what. And speaking of villains, was the devil the first bad guy in print? Did his appearance lead to the inevitable self-help book? Or was that Oprah? This quirky work is filled with entertaining literary trivia for a unique perspective on writers' lives and inspirations, from the drinks they imbibed to the books they penned. Delightfully illustrated, it will entertain casual readers and literary buffs alike.

*Bibliophile* Jan 24 2023 Perfect gift for book lovers, writers and your book club Book lovers rejoice! In this love letter to all things bookish, Jane Mount brings literary people, places, and things to life through her signature and vibrant illustrations. Readers of Jane Mount's *Bibliophile* will delight in: Touring the world's most beautiful bookstores Testing their knowledge of the written word with quizzes Finding their next great read in lovingly curated stacks of books Sampling the most famous fictional meals Peeking inside the workspaces of their favorite authors A source of endless inspiration, literary facts and recommendations: *Bibliophile* is pure bookish joy and sure to enchant book clubbers, English majors, poetry devotees, aspiring writers, and any and all who identify as book lovers.
