**Citizenship in a Republic is the title of a speech given by Theodore Roosevelt, former President of the United States, at the Sorbonne in Paris, France, on April 23, 1910. One notable passage from the speech is referred to as "The Man in the Arena": It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better.**

**Switzerland likely has the most particular naturalization system in the world. Whereas in most countries citizenship attribution is regulated at the central level of the state, in Switzerland each municipality is accorded the right to decide who can become a Swiss citizen. This book aims at exploring naturalization processes from a comparative perspective and to explain why some municipalities pursue more restrictive citizenship policies than others. The Swiss case provides a unique opportunity to approach citizenship politics from new perspectives. It allows us to go beyond formal citizenship models and to account for the practice of citizenship. The analytical framework combines quantitative and qualitative data and helps us understand how negotiation processes between political actors lead to a large variety of local citizenship models. An innovative theoretical framework, integrating Bourdieu's political sociology, combines symbolic and material aspects of naturalizations and underlines the production processes of ethnicity. A virulently xenophobic and anti-Catholic tract that advocates a tightening of the nation's immigration laws. This book explains what defines citizenship, including one's rights and responsibilities. Readers will also learn about the many ways people become citizens as well as the process of naturalization. Citizens of the United States are not just people who live in the country. They are people who meet certain criteria. Citizens have specific rights, responsibilities, and duties that are unique to them. What are they? Explore the pages of this book and find out all about what it means to be a citizen of the United States. You'll also hear from people who came here from other countries as immigrants and went through the process to**

**become naturalized citizens. They'll explain their stories and share their feelings about what it means to be a US citizen. Come on inside and let's get started on the road to understanding everything about US citizenship.**
