*Preparing Couples for Love and Marriage Mar 12 2021 Good preparation enables couples to take a first step together in facing their future challenges. While no one can smooth away all the rough spots in the marital road ahead, couples can be coached to pay attention to warning signs, see the bumps before they hit them, and deal more skillfully with inevitable conflicts. This book provides pastors with a framework and tools for this ministry. The good news is that you don't need any formal background in counseling, because the kind of work we're talking about isn't counseling—it's coaching—a coach who can help couples to respond positively to the differences between them. It's not about having the answers; but is it about helping couples manage difficulties before they become serious threats to the marriage.*

*John Wesley and Marriage* Apr 12 2021 "In this book, a Methodist minister examines the sources of John Wesley's ideas about marriage and shows how those beliefs found expression in the cleric's revision of the Anglican wedding service." "Author Bufford W. Coe describes the radical differences between a typical eighteenth-century wedding and a church wedding of today. He also tells the fascinating story of Wesley's romances with Sophia Hopkey and Grace Murray, based on his own private diaries, and shows how those relationships, as well as his miserably unhappy marriage, were affected by Wesley's beliefs about matrimony." "Four days after Wesley decided he would marry at the age of forty-seven, he spoke to a group of unmarried men and encouraged them to remain single. In the matrimonial service he devised for American Methodists, Wesley eliminated the custom of the bride being given in marriage by her father, although Wesley consistently taught that Christians should not marry without the consent of their parents. Wesley strongly condemned the Roman Catholic Church for requiring celibacy of its priests, but his own rules required that Methodist preachers who married during their initial probationary period were thereby disqualified." "In 1784, Wesley published *The Sunday Service of the Methodists in North America with Other Occasional Services*. Coe studies the components of Wesley's marriage liturgy from the Sunday Service to try to determine why Wesley revised the Anglican wedding service in the way that he did."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. *Getting Married in Korea* Oct 07 2020 This work explores what it means to be modern and what it means to be Korean in a culture where courtship and marriage are often the crucible in which notions of gender and class are cast and recast. Touching on a number of important issues--identity, romantic love, women's work, marriage negotiations, and wedding ceremonies--Laurel Kendall gives us a new appreciation for how Koreans have adapted this pivotal social practice to the astounding changes of the past century. Kendall attended her first Korean wedding in 1970, soon after she arrived in the country with the Peace Corps. Years later, as a seasoned anthropologist, she began interviewing both working-class and middle-class couples, matchmakers, purveyors of dowry goods, and proprietors of wedding halls. She consulted etiquette handbooks and women's magazines and analyzed cartoons, photographs, and weddings themselves. The result is an engaging account of how marriage matches are made, how families proceed through

*the rites, how they finance ceremonies and elaborate exchanges of ritual goods, and how these practices are integral to the construction of adult identities and notions of ideal women and men. The book is also a reflection on what it means to write "Korea" in a complex and ever changing social milieu.*

The Wedding Aug 17 2021 "Lady Brenna MacAlister harbored no illusions that her husband, a quick-tempered highland laird, was in love with her. How could he be enamored of his bride when, on their wedding day, he had assured her that she could return to her home in England as soon as she had given him a son?" "Marrying Connor MacAlister had been an impulsive act for Brenna. But MacAlister and his warriors, a savage-looking band who had captured her and her party en route to her arranged marriage to another, offered precious few alternatives. Nor could Brenna deny that in fact she had proposed to MacAlister even if that had been ten long years ago, when she was just a child, and Connor a visitor to her father's castle. Actually, Brenna scarcely remembered the secret missives she'd sent to MacAlister, abetted by her mischievous older sister...yet she had never forgotten the tall visitor's dazzling, unexpected smile." "Now, after a hasty forest wedding, they were man and wife. Determined to be happy, Brenna soon endeared herself to most of the clan, despite or perhaps because of - her uncanny knack for getting into trouble. And although she grew to adore her brave, superstitious, gentle husband, she had no clue that Connor lived for the moments she whispered "I love you" ...words she never meant him to hear. But when a rival laird struck out at the MacAlisters, trapping Brenna in a web of dangerous intrigue, she knew that only her faith in her gallant mate could save her...."--BOOK
