Arleth, a 17 year old slave in a backwater world, has no idea her life is about to be turned upside down. She is too busy trying to avoid the abuse from her owner Bella. But when the legendary king of Oherra comes to Tocarra, Arleth soon finds herself being chased by assassins, sought out by spies and smack dab in the middle of a decades long war. It soon becomes clear to Arleth that powerful forces are at play. Not everyone is who they seem, even those she wants to trust the most. Haunted by an ancient magic, Arleth must decide who she can trust and fast. The wrong choice would cost her the ultimate price - a fate worse than death - to end up as an enchantment. A hollowed out shell of a person; devoid of thought, consciousness and feeling. That's if the birthright she's completely unaware of doesn't kill her first. For the Rhodes family, losing their son was the most devastating thing that could have occurred...but it couldn't prepare them for what happened when he returned. Skybound's newest hit turns fantasy into reality in this all-new series from the creator of NAILBITER and GHOSTED. Pick up this introductory-priced collection and see what everyone's talking about! Borderless Broads, New Adventures for the Midlife Woman is written to you, one midlife woman to another. Discover a new vision of yourself as borderless, an edge woman, and explore how to make this phase of your life spacious, resilient and most importantly, option-filled. Why? Because midlife, age 50 to infinity, is a time to expand into the essential truest self that you are. Contraction and Limitation Begone! Learn how thinking of yourself as a mystic, a maverick, and a maven catapults you into embracing a new journey, energized, purposeful and willing to go beyond the borders of who you think you are and what you think is possible. This book is not a RECIPE for living. It is a book to awaken your soul-self through stories, luscious quotes, a dashing splash of humor, and the author's "take" on things that matter. You too can become a Borderless Broad and discover why midlife is a striptease - consider "Pod Living" as the new normal in lifestyles - explore the healing power of harems - come home to yourself - reclaim your Wildness - and live life full out! In this exciting addition to Kay Arthur and Janna Arndt's Discover 4 Yourself® Inductive Bible Studies for Kids series characters Max, Molly, and Sam (the great detective beagle) help young faith adventurers explore the feats and faith of three fascinating men from the Bible: Isaac, Jacob, and Esau. This outdoor adventure through imagined mountain treks and whitewater rides, reveals how children of God are outfitted with all the gear they need for their amazing trip through life. All along, they discover courage, forgiveness, loyalty, and how to trust God even when you face disappointment. Excellent stories, engaging activities, and puzzles create a study of godly character ideal for Sunday school classes, Bible studies, and independent study. For ages 8-12. Originally published in single magazine format as BIRTHRIGHT #6-10. The Rhodes family's recent adventures have exposed the world to the existence of magic...and now they have a brand-new threat hunting them down. Elena must save the very beings who would kill her if given the chance... There's nothing Fae despise more than the half-breed called Halven, a race of lesser beings produced by the mating of a Fae and a human. Only now those Halven are looking more useful each day, because a deadly virus unleashed in Faery is killing immortal Fae, and the only person capable of healing them is a Halven living on Earth. A mere slip of a girl named Elena Rosales descended from a line of Fae known for their powerful magic, and she'll come into her ability soon. An ability that could destroy the virus--if she can master it. Her only shot at learning to control the magic she was born into and creating a cure? Enlisting the help of her brooding, though brilliant, chemist neighbor, Derek, who rivals the Fae in masculine beauty. But when Elena and Derek get together, more than chemicals spark fire. They soon discover how complicated attraction can get when they find themselves on the other side of the portal, enemies by birthright, and fighting for survival. "I don't have words to describe how good this book is. It's full of intrigue, emotional tension and love. Let's not forget how well written it is." ~ Amazon Reviewer A captivating twist on forbidden love with unique world building, seductive romance, and a deadly noble race for dominance that will make your heart pound. Grab it today! \*Each Halven Rising book is a standalone romance with an overarching story that connects the series. Fates Altered (Halven Rising, Prequel) -- Alex & Theda Fates Divided (Halven Rising, Book 1) -- Derek & Elena Fates Entwined (Halven Rising, Book 2) -- Keen & Reese Fates Fulfilled (Halven Rising, Book 3) -- Coming Soon More Reviews: "I need more of this series right now..." ~ Book Briefs "Fates Divided is one of the best PNR books I've read so far this year." ~ Wicked Babes Blog Reviews "Outstanding romantic fantasy!!" ~ I Heart Books "This series wouldn't have been so addictive if it wasn't so so goood." ~ Reviewer "This is good from the start to the end... I am ready for it to continue, like

yesterday.” ~ Sue D. Reviewer “Lots of fascinating world-building, really interesting magic, intriguing characters and sweet, passionate romance.” ~ Moon Stars Reviewer Keywords: fantasy, romantic fantasy, paranormal, Fae, faery, magic, angels, star-crossed lovers, coming of age, first love, college romance, new adult, young adult paranormal, young adult fantasy, mature young adult, Fae nobility, royal Haunting Memories Following the events of his last adventure, Erik Ashendale is having some serious doubts about . . . well, just about everything. He is doubting his power, his apprentice's progress reached an impassive point and his sister's information is yielding nothing. The Sins can attack at any time, and our hero has no idea what to do. So he turns to Sun Tsu, an old friend who provides Abi with a few tools and a friendly ear to Erik's tale: the obscure history of Erik Ashendale and how he went from a regular kid born into a rich Warlock family to the hunter we all know and love today. Learning to live abundantly is the ability to see, feel, believe, and expect abundance and prosperity in all areas of life—financially, physically, mentally, emotionally, and spiritually. Unfortunately what often holds us back from achieving abundance is what we believe deep inside about ourselves, our potentials, and our limitations. In her hands-on, step-by-step teaching manual, seasoned psychotherapist Roni Bissett shares practical tips and accompanying exercises that invite others to define their own meaning of abundance and create the lives they have always wanted to live. Bissett, a marriage and family counselor who has conducted numerous workshops on the art of living life abundantly, believes that if we lack abundance and prosperity in our lives, it is not because there is an absence of these things; instead, it is because we believe there is. While reinforcing the phrase “what we believe we create,” Bissett explains how you can realize a happier existence through a series of steps that encourage you to look inward and • change thought patterns from negative into positive; • use the tools of the conscious mind to achieve goals; • identify prosperity barriers and attitudes about money; and • alter thinking through visualization and meditation. Abundance Is Your Birthright is an innovative guidebook that shares valuable advice for anyone ready to bring his or her unique definition of abundance into reality and ultimately achieve true happiness. Subtitle on cover: Reflections by alumni of Taglit-Birthright Israel trips. The award-winning author of At Day's Close describes the 18th-century kidnapping of British aristocratic heir James Annesley, which inspired Robert Louis Stevenson's Kidnapped, and explains how Annesley escaped indentured servitude in America to return to Dublin, bring down his nemesis and reclaim his rightful place in society. An adventure featuring the Doctor and his companions Ace and Bernice. The TARDIS is not a happy ship so the Doctor decides to leave Ace and Bernice to holiday alone. However, although in different times, Ace and Bernice both face the Charrl, an insect-like race of time travellers. As Boomer undergoes a startling transformation, Mikey barrels his way through the black market of magic that has erupted since the end of the war—leading to an unexpected confrontation with a former ally! Only three issues left! For fans of Holly Black's The Cruel Prince, Sarah J. Maas' A Court of Thorns and Roses, and Tahereh Mafi's Shatter Me, Bridget E. Baker begins a saga of shocking truths, deadly intrigue, violent battle, and sisterly betrayal. My mom should have killed me the day I was born. Being a twin complicates the Evian line of succession, but Chancery Alamecha is fine letting Judica inherit the throne. After all, she's the stronger sister—the merciless fighter, the ruthless politician, and the groomed heir. But something unexpected happens when Chancery tries on her mother's staridium ring, forcing her into a role that she never wanted: the prophesied queen who will prevent the destruction of Earth. Now I have to kill my sister. Judica, enraged by this turn of events, vows to do anything to reclaim her rightful place as empress. Including challenging Chancery to a battle to the death. While Chancery is away training, she gets a taste of the human world, where she can do whatever she wants without family obligations. Now torn between a life she was born into and one that makes her happy, she must confront her treacherous sister—or cause the end of the world. Professional Reviews: Publisher's Weekly said, "Displaced pulses with exciting incident, and even though this is the first book in a series the climax is consequential and exciting, even as it entices readers with the promise of more. Baker's writing is swift but potent, and scenes of action and romance both prove exciting. Chancery's exciting choices power the narrative from start to epic climax." Kirkus featured Displaced in the indie section of their print magazine the month they reviewed it, and they said Displaced is, "a fast moving, engaging tale in what promises to be an epic fantasy romance series." Fugitives from the law, Brennan will need all the survival skills Mikey learned in Terrenos to stay alive. But something has followed Mikey back, that's strong enough to tear the brothers apart. Collects BIRTHRIGHT #6-10. This collection of all-new John Carter of Mars stories contains “plenty of sword work and old-style action-adventure” (Kirkus Reviews). Ever since Edgar Rice Burroughs published A Princess of Mars in 1912, fans of all ages have marveled at the adventures of John Carter, an Earthman who suddenly finds himself in a strange new world. A century later, readers can enjoy this compilation of brand-new stories starring John Carter of Mars. Collected by veteran editor John Joseph Adams, this anthology features a foreword by Tamora Pierce and stories and original art from titans of literature and

illustration such as Peter S. Beagle, Garth Nix, Charles Vess, and many more, plus a glossary of Mars by Richard A. Lupoff. This book has not been prepared, approved, licensed, or authorized by Edgar Rice Burroughs, Inc. or any other entity associated with the Edgar Rice Burroughs estate. When he was a child, Mikey Rhodes disappeared. Lost in the land of Terrenos, he grew into a warrior of legend and waged war against the God King LoreÑa war that even ravaged Earth. Now, that war is over, and Mikey is victorious. But no victory is without sacrificeÉ Since 2014, JOSHUA WILLIAMSON and ANDREI BRESSANÕs fantasy epic BIRTHRIGHT has enthralled readers, and now it is time for the Rhodes family to embark on one last thrilling adventure in this final volume. Collects BIRTHRIGHT #46-50 NEW STORY ARC Mikey's return has divided the Rhodes family in unexpected ways. Where do they go from here? Mikey's return home has divided the Rhodes family in unexpected ways ... just as a new warrior from Terrenos arrives, looking for the father of her child. From beloved author Nora Roberts comes the #1 New York Times bestseller about shattering loss and shocking discovery—set in a small town nestled in the Blue Ridge Mountains... When five-thousand-year-old human bones are found at a construction site in the small town of Woodsboro, the news draws archaeologist Callie Dunbrook out of her sabbatical and into a whirlwind of adventure, danger, and romance. While overseeing the dig, she must try to make sense of a cloud of death and misfortune that hangs over the project—fueling rumors that the site is cursed. She must cope with the presence of her irritating—but irresistible—ex-husband, Jake. And when a stranger claims to know a secret about her privileged Boston childhood, she must question her own past as well... When his father dies, it falls to Larry—the secular son in a family of Orthodox Brooklyn Jews—to recite the Kaddish, the Jewish prayer for the dead, every day for eleven months. But to the horror and dismay of his sister, Larry refuses, imperiling the fate of his father’s soul. To appease her, he hires a stranger through a website called kaddish.com to say the prayer instead—a decision that will have profound, and very personal, repercussions. Irreverent, hilarious, and wholly irresistible, Nathan Englander’s tale of a son who makes a diabolical compromise brilliantly captures the tensions between tradition and modernity. \*\*Author's note: I know you hate Judica. I know that means you don't want to read this. I worked hard in Displaced to make you hate her. I promise that if you will give her a chance, you'll understand her and even more importantly, you'll like her. There's a reason I sell more Judica merchandise than anything else. ;) What’s dark is not always evil. Judica trained her entire life to be ready to one day rule the Alamecha family. She was nothing less than perfect. She fought, studied, and even dated exactly as her mother directed. Only, now her mother’s gone, her sister stole her throne, and her boyfriend abandoned her. Things can’t really get any worse, or so she thinks. When Judica’s attacked by a hidden enemy, there’s only one person she can trust, the one warrior who never followed her for the wrong reasons. With Roman’s help, Judica must discover the true circumstances surrounding her mother’s attack and find justice, no matter what stands in her way. ? Still not sure whether you want to give Judica a chance? Check out what other reviewers have said after reading her story: “Judica’s story is my favorite in the series!” “I honestly didn’t know how Bridget would be able to redeem Judica in my eyes, but she did it.” “Of all the directions this series could have gone, this was the most surprising.” “I was on the fence about unForgiven because I really didn’t like Judica in the first book. However, I’m so glad I read it!” “Book 2 went and flipped the table on all my preconceived ideas! I loved the switch to the POV of the supposed antagonist.” “All the things we hated about Judica in Displaced are explained in unForgiven and I might like Judica more than Chancery.” “I wasn’t sure how I would feel about reading a book from Judica’s perspective. I loved it so much!” “I am so glad we got to hear her story. She’s actually my favorite character.” “Book 2 is a flawless move into the POV of Judica. So far, this series is a knock out!” Keywords: fantasy, urban fantasy, urban fantasy romance, royal fantasy, fantasy romance, royal romance, epic fantasy romance, clean ya fantasy, contemporary fantasy, ya contemporary fantasy, ya fantasy romance, teen fantasy romance, teen fantasy, teen urban fantasy, game of thrones, series starter, first in series, complete series, urban fantasy series, binge a fantasy series, books for teens, best books for teenagers, best book for my kid, clean fantasy, ya game of thrones, for fans of Victoria Aveyard, for fans of Tahereh Mafi, for fans of Sarah J. Since their reunion, Nicole and Anne have moved from "sisters" to best friends, but when Anne and her young son follow Nicole to their uncle Charles's English estate to become his heirs, they struggle to overcome the trials of keeping their birthright secret. Simultaneous. Michael Steinhardt left a stellar career on Wall Street and spent the next three decades launching revolutionary philanthropic programs like Birthright Israel and OneTable that offer a proud, rich future for the next generation of secular American Jews. What are the keys to a proud Jewish life? Part memoir, part manifesto, Michael Steinhardt’s Jewish Pride offers a compelling vision for a rich, rewarding future for Jews in America and around the world. From his middle class beginnings in Brooklyn to a spectacular Wall Street career, Steinhardt understood that apathy and assimilation were threatening the Jewish future in America. Meanwhile established Jewish institutions were failing in the urgent task of strengthening secular Jewish identity. Using his own capital and the wisdom and connections he’d gained in his successful business career, Steinhardt recruited partners, focused on data and results, and even got the Israeli government to help launch the revolutionary Birthright program. By turns provocative, inspiring, revealing, and outright hilarious, Jewish Pride captures its author’s unique personality and outlook and offers honest talk about the Jewish world today, along with a bold prescription for revitalizing Jewish life in the future.

"There's a strange new drug on the street. It's called warlock and some people say it's the creation of the devil. Others see it as the gateway to enlightenment. Benny is working with an undercover cop, trying to track down its source. Ace is trapped in a horrific animal experimentation laboratory. But only the Doctor has begun to guess the terrible truth about warlock." -- Page 4 of cover. It was a tiny scrap of paper, faded and yellow, with answers to my past written all over it. Why would she save this? 'We thought you might want to find her one day. She sent a message to you; she said to tell you that she loves you very much, and she didn't want to leave you.' Growing up with the broiling heat and frequently unpredictable tropical weather of Louisiana was the easy part; not knowing who she was or where she came from was the hard part. In *Gypsy Phoenix*, author Kimberly Thompson recalls her life-to-date through pain, tears, and ultimate joy. Relinquished at birth, Kimberly lived life into her thirties always lacking what she truly wished for—answers about her past. But afraid of hurting her adoptive parents, she waits thirty-two years before the embers that have been smoldering within ignite, threatening to devour her completely. Watch Kimberly's story unfold as she discovers unconditional love and forgiveness, which finally offer the freedom to take flight like a Gypsy Phoenix. Having spent many years in ignorance of her heritage, and without the gospel of truth to guide her life, she has finally come full circle to the revelation of who she is and where she began. Whether you have experienced adoption personally or just someone you know, this powerful story will speak to the lost and encourage those who have questions to continue seeking answers.

Anuire, the great empire rose from the wreckage of gods-death, from the tumbled lands where the pantheon had died to stop one of its own from destroying the world. In the chaos after Deismaar, Roele founded an empire that would span the continent and last a millennium. Spoiled debutante Abby Anderson is looking forward to her upcoming wedding to Jeffrey Browning, Savannah's most sought-after bachelor. But when a jealous adversary publicly confronts her with allegations of her illegitimate birth, she realizes her reputation is ruined. Mortified, the debutante decides to immediately leave her Savannah home for destinations unknown. Joseph Jordan was headed to California, never expecting to run into the mysterious flaming-red-haired beauty. Her rudeness toward him challenges the handsome Texan. He soon finds himself becoming alarmingly interested in the beautiful debutante. A romantic alliance with this woman could be the ruin of his gold rush dreams. Jeffrey Browning was not about to give up on the love he and Abigail shared. He knew his strong political aspirations would help him silence the gossipers of Savannah. He wastes no time trying to find her and bring her back to Savannah to marry him as originally planned. Will Abby choose a new life with Joseph, the exciting handsome Texan? Will she choose to return home to marry Jeffrey and live the life she always known and loved? Or will fate intervene and make the choice for her?

1664. Four years after Charles II is restored to the throne, Mercia Blakewood stands to lose everything: her father to the executioner's axe, her freedom to her treacherous uncle, her son to his resentful grandparents. But when her father leaves her a cryptic message in his last speech, she seizes her chance to fight back. With would-be lover Nathan Keyte and unlikely new friend Nicholas Wildmoor, Mercia must unravel her father's mystery to find a great prize long thought lost, striving to recover the King's stolen birthright in the hope of reclaiming her own. From London's bulging metropolis to the forests of Manhattan she will contend with murder, intrigue and lust, fighting for her future and her life as the town of New York is born. "A fast moving, engaging tale in what promises to be an epic fantasy romance series," Kirkus Reviews. The first time Chancery's twin sister tried to kill her was on their ninth birthday. In the intervening years, nothing improved. In fact, Judica stabbed her hand with a fork just this morning so she could take the last pancake. Then Judica threw it to her dog. But Chancery has a secret. She's been watching their people's finest warrior for years while she was supposed to be studying. He's gorgeous, powerful, and a genius in all military applications—flawless in every way. Chancery thinks he may like her, too. But he's supposed to marry her evil twin, because their mother chose Judica as her heir, the future empress of one-sixth of the earth. Chancery, sick of all the drama, decides to run away from court to live among the humans, but the day before she's supposed to leave, she's helping her prepare for a ball. She tries on her mother's royal ring and the staridium stone reacts to her. She inadvertently fulfills an ancient prophecy of the woman who will unite the six families and save the entire world. There's no way her mother's going to let her leave now, and things just became much more complicated. ??? AWARDS!! ??? SOVAS 2020 Finalist in Fantasy-Best Voiceover (Audiobook) Whitney Award 2020 Finalist in Fantasy Publisher's Weekly BookLife Prize 2020, Quarter Finalist CRITIC REVIEWS: What are people saying about *Displaced*? Publisher's Weekly BookLife Prize gave it a 9.25/10: *Displaced*, the first novel in Baker's Birthright Saga, boasts a fleet, often inspired story of matriarchal superheroes on a Hawaiian island. The story's heart is the conflict between royal teen twins Chancery, the kind-hearted protagonist, and Judica, her cruel sister and the heir to the throne. Baker's story pulses with exciting incident, and even though this is the first book in a series the climax is consequential and exciting, even as it entices readers with the promise of more. Baker's writing is swift but potent. She invests each scene with the heart of her protagonist, so it's always clear what's most important in each moment. The large cast is clearly described and differentiated, and scenes of action and romance both prove exciting. Chancery's perspective is likably wry for a royal narrator. The dialogue varies from flirty teen banter to regal proclamations, but always is crisply crafted. Baker brings fresh energy and invention to even familiar elements like the inevitable royal succession crisis. Her Evians' powers and customs fascinate, and *Displaced* never misses an opportunity to jolt readers with a surprise. Chancery is a strong and appealing protagonist, split between two worlds and ultimately dragged into battle against her own twin. Both sisters are vividly drawn, as are their paramours, guards, relations, and friends. A letter from Chancery's mother, after that queen's death, is a moving highlight of the story, and Chancery's exciting choices power the narrative from start to epic climax. Kirkus: The notoriously stingy Kirkus called *Displaced*, "a fast moving, engaging tale in what promises to be an epic fantasy romance series." Check out their full review here: <https://www.kirkusreviews.com/book-reviews/bridget-e-baker/battle-song/> And best of all, READERS: "This book drew me in from the first page. Bridget is a fantastic writer, and the story is intense and beautifully written right out the gate. The authenticity of the characters, coupled with the well thought out and complete character storylines made me feel as if I was

in the thick of the story with Chancery and Judica. I couldn't put it down. I read this book in my spare time over the course of 48 hours. It was absolutely irresistible. I quickly purchased the rest of the books in The Birthright Series, and am anxiously awaiting the sixth installment. After finishing this series, I actually read through all of Bridget's work, and each and every time, I was blown away by the care and attention to detail that she put into the story. I am in awe of the way that she can manage the entire universe so beautifully. I haven't been this excited waiting for a new book to be released since I was a kid waiting for Harry Potter, or Twilight to come out."???? "It's been a long time since I've gotten addicted to reading a book, but Bridget is a very compelling author!" ????? "She's phenomenal at laying hints, and she leaves no thread unfinished. What you get is a complete, clean story, everything answered beautifully. Her timing and pacing is incredible as well!" ????? "If you love romance, if you don't mind starting a book and never wanting to put it down, and you want a strong female character who is written by a woman with insight into what that really looks like, this is it. Read it. Enjoy it." ????? A female Blood Kindred who hates her fangs...A fierce warrior who loves her... Can Kara and Raak stay together?Or will their love be shattered because he is...Unbondable?Kara is a rare Blood Kindred female...unfortunately for her, she has the fangs to prove it. To Kara's dismay, it's hard to find a warrior who wants to get bitten when things get hot and heavy. She's tried dating humans too, but that doesn't work out either. So when she meets Raakshas, a Kindred warrior with dark, silver-ringed eyes who actually likes her fangs, it seems like her troubles are over. But there's a problem...Raak is half Y'lyn--a kind of demon without a soul. And without a soul, there's no hope of forming the permanent soul-bond that all Kindred have with their mates. Without the possibility of forming a bond, how can Kara give her heart to the big Warrior? And what will happen when she goes on an adventure to try a shrink her fangs and winds up naked in the Unseen Palace?You'll have to read Unbondable, the first book in the new Kindred Birthright series to find out.\*Author's Note: This is book 1 of the new Kindred Birthright series which follows the children of the first generation of Kindred. Unbondable is Kara's story--the daughter of Sylvan and Sophia. I know this book has been a long time in coming but I hope you enjoy it now that it's here.\* The remarkable story of Birthright Israel, an intensive ten-day educational program designed to connect Jewish young adults to their heritage Since its inception in November 1963, the British science fiction television series Doctor Who has exerted an enormous impact on the world of science fiction (over 1,500 books have been written about the show). The series follows the adventures of a mysterious "Time Lord" from the distant planet Gallifrey who travels through time and space to fight evil and injustice. Along the way, he has visited Rome under the rule of Nero, played backgammon with Kublai Khan, and participated in the mythic gunfight at the O.K. Corral. Predating the Star Trek phenomenon by three years, Doctor Who seriously dealt with continuing characters, adult genre principles and futuristic philosophies. Critical and historical examinations of the ideas, philosophies, conceits and morals put forth in the Doctor Who series, which ran for 26 seasons and 159 episodes, are provided here. Also analyzed are thematic concepts, genre antecedents, the overall cinematography and the special effects of the long-running cult favorite. The various incarnations of Doctor Who, including television, stage, film, radio, and spin-offs are discussed. In addition, the book provides an extensive listing of print, Internet, and fan club resources for Doctor Who. Since the beginning of time, the angelic forces of the High Heavens and the demonic hordes of the Burning Hells have been locked in an eternal conflict for the fate of all Creation. That struggle has now spilled over into Sanctuary -- the world of men. Determined to win mankind over to their respective causes, the forces of good and evil wage a secret war for mortal souls. This is the tale of the Sin War -- the conflict that would forever change the destiny of man. Three thousand years before the darkening of Tristram, Uldyssian, son of Diomedes, was a simple farmer from the village of Seram. Content with his quiet, idyllic life, Uldyssian is shocked as dark events rapidly unfold around him. Mistakenly blamed for the grisly murders of two traveling missionaries, Uldyssian is forced to flee his homeland and set out on a perilous quest to redeem his good name. To his horror, he has begun to manifest strange new powers -- powers no mortal man has ever dreamed of. Now, Uldyssian must grapple with the energies building within him -- lest they consume the last vestiges of his humanity.
