Preventive care isn't a mystery known only to professional auto mechanics, but rather a set of simple steps you can do yourself if you understand the "ingredients" that go into making your vehicle run. Recipes for Car Care is designed to enable you to perform preventative maintenance on your vehicle to lengthen its life while saving you money. This book covers everything from locating the hood latch to performing basic maintenance tasks such as oil changes to dealing confidently with professional mechanics and car manufacturers. Whether you are a novice at do-it-yourself automotive care or an experienced home mechanic, Recipes for Car Care will show you how to complete necessary car maintenance as easily as you would follow the "recipes" of a cookbook. Consumers Union, the publisher of Consumer Reports, has been an influential and defining force in American society since 1936. The organization's mission has remained essentially unchanged: to work for a fair, just, and safe marketplace for all consumers. The Consumers Union National Testing and Research Center in Yonkers, New York, is the largest nonprofit educational and consumer product testing center in the world. In addition to its testing facility in Yonkers and a state-of-the-art auto test center in Connecticut, the organization maintains advocacy offices in San Francisco, Austin, and Washington, D.C., where staff members work on national campaigns to inform and protect consumers. In addition to its flagship publication, Consumer Reports, Consumers Union also maintains several Web sites, including [www.ConsumerReports.org](http://www.ConsumerReports.org) and [www.ConsumersUnion.org](http://www.ConsumersUnion.org), and publishes two newsletters--Consumer Reports on Health and Consumer Reports Money Adviser--as well as many special publications.
