**Accidents happen, even in the structured, pampering environment of a professionally-run salon or spa. How often have you asked yourself What would I do if...? What would you do if a client had a heart attack or suddenly stopped breathing? What should you do if your client is burned or breaks out in a strange rash during treatment? The Esthetician's Guide to Client Safety and Wellness is designed to offer practical, safety-based information and tips to decrease the possibility of infection, as well as accidents or injuries during treatment or service. An entire section is dedicated to cautions and contraindications relating to medications that can affect treatment choices, especially for clients dealing with health conditions. Considering the many inherent exposures not only to the client but to those actually working in the spa, clinic and salon environment the Estheticians Guide to Client Safety and Wellness is an essential tool and an invaluable resource for esthetic and cosmetology professionals. **version. It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leonidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas—"The Butterflies." In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from hair ribbons and secret crushes to gunrunning and prison torture, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human cost of political oppression.**
