Riverford Shifters Collection: Vol . One (Books 1 - 2) Dec 07 2020 A new shifter romance series from New York Times & USA Today Bestselling author Cristina Rayne *Previously published as Transformation, Revelation, Ramification, and Infiltration. Book One: Tempted by the Jaguar Kylie Moore has a secret, one she and her adoptive father have carefully guarded for over a decade since the night her parents disappeared. However, when she is randomly attacked one night in her apartment complex's parking lot, that one violent act sets in motion events that reveal not only her long-dormant shifter heritage in the worst possible way, but could also railroad her efforts of finding out what really happened to her parents. Suddenly finding herself the center of attention among Riverford's shifter clans, Kylie's only hope of navigating such a dangerous minefield of politics and perpetual battles over territory is Hunter, a too-sexy-for-her-peace-of-mind jaguar shifter that might be her key to gaining insider access to the hidden and secretive shifter society. Now Kylie must decide whether to integrate more deeply into Hunter's jaguar clan in order to take advantage of this rare opportunity or to run while her secret still remains uncovered. To stay would mean deliberately putting

herself in more danger than Kylie may be prepared to handle, especially when Hunter, the person she must rely on, may be hiding something as well. Book Two: Accepting the Jaguar Kylie knew from the beginning that getting romantically involved with Hunter was an extremely bad idea, and now because of the Pandora's Box she inadvertently blew wide open in order to protect him, more than just Hunter may now determine the consequences she and those she loves will ultimately end up paying. Breach of Contract Jun 12 2021 Our love can't be silenced... Everett James Thompson Known for my charismatic stage presence and being the oldest son of music royalty, I've always been able to do exactly what I want. Front my own band? Become one of the powerhouses in the metal genre? Make a name for myself without using that of my parents? I've done all of it. But when Brianna Jenkins walked into my life during a Vegas show, I knew without a doubt my carefully laid plans were over. Getting married to her after a drunken night of debauchery should've been the worst mistake of my life. Instead? It's the

best decision I've ever made, and our record company thinks so too. Or they did... Brianna Jenkins Thompson I've traveled the world, performed at Madison Square Garden, and sold out arenas everywhere. Nothing ever really made me nervous. That is, until I met EJ Thompson in Vegas. I needed liquid courage to talk to him, and that night changed my life forever. Gone is the girl under her parents thumb, doing everything the record company tells her, and worrying constantly. In her place is a wife. A woman who knows her worth, standing beside the man who gave her his last name, his ring, and the confidence to let her voice be heard. When the record company realizes just how much of a power couple we are; they serve us with a summons for breach of contract, expecting us to roll over. But there's two things they can't silence. Our voices, and our love.
