Sticking patterns Nov 22 2021 Patterns is one of the most comprehensive drum methods available. Covering a wide range of materials, the books can be used in any order, or in any combination with one another. They are a must for developing the kinds of skills necessary for drumset performance. In Sticking Patterns, Gary's unique approach to the use of stickings on the set is explored. Completely different from the rudiments, Gary's system is designed specifically for drumset performance, both for creating time feels as well as for filling and soloing. Also included are sections on accented single strokes, as well as the use of double strokes on the set.

The Cambridge Companion to the Eroica Symphony Jan 31 2020 This Companion provides orientation for those embarking on the study of Beethoven's much-discussed Eroica Symphony, as well as providing fresh insights that will appeal to scholars, performers and listeners more generally. The book addresses the symphony in three thematic sections, on genesis, analysis and reception history, and covers key topics including political context, dedication, sources of the Symphony's inspiration, 'heroism' and the idea of a 'watershed' work. Critical studies of writings and analyses from Beethoven's day to ours are included, as well as a range of other relevant responses to the work, including compositions, recordings, images and film. The Companion draws on previous literature but also illuminates the work from new angles, based on new evidence and a range of approaches by twelve leading scholars in Beethoven research.

Feral Heart: a Rock Star Romance Jun 29 2022 One overly-excitable fangirl couldn't possibly compete with the woman a rock star god loved and lost... I watch him in concert. I adore him from afar. I live for those brief moments backstage when he acknowledges my existence. That's as close to a man I ever let myself get. It's safer for everyone. Until fate brought us together. Morris says he wants me. He says he'll protect me. He also says I remind him of someone he used to care about. I have to wonder. What ghost from his past is he seeing when he looks at me? How can I possibly compete with the woman a rock star god loved and lost? ~~~ Feral Heart is a sexy New Adult Rock Star Romance. It is the fourth novel in the Feral Silence series, but can be read as a standalone with a HEA. A note from the author: This book is complete and utter fangirl wish fulfillment. It is not realistic at all. Then again, who reads rock star

romances for realism, anyway? ;) Also available: Feral Gaze, featuring guitarist Jayce - [amazon.com/dp/B0153ZME78](https://www.amazon.com/dp/B0153ZME78) Feral Voice, featuring lead singer Kell - [amazon.com/dp/B01AIYDNPQ](https://www.amazon.com/dp/B01AIYDNPQ) Feral Touch, featuring bassist Ren - [amazon.com/dp/B01E7GHABY](https://www.amazon.com/dp/B01E7GHABY) --- Athena is giving away a free ebook! Joyful Winter Apr 27 2022 Devon is a teenage boy who longs to find the meaning of his socially privileged but deeply troubled life. The solution may have literally just come to dwell next door.

The Last Day of January Feb 11 2021 It's August 2019 and Sarah, a 50-year-old divorcee, takes up a one-year teaching position in her home county of Suffolk, after teaching in London for thirty years. She moves back to her mother's house as Joan, 83, has growing dementia. Being a carer is tougher than she had anticipated. Added to this, Sarah, a staunch Remainer, is still fuming over Brexit and a lack of political responsibility as she sees it. She loved cosmopolitan London and is unsure about living and working in a Brexit strong environment. Sarah's sister Rachel and family live in Berlin and they compare UK and German mentalities, cultures and lifestyles. There are tensions between them, however, as they come to terms with their mother's condition. On the upside, Sarah enjoys the new school and develops feelings for a fellow teacher, James, whose own mother has recently passed away. He also has issues at school, e.g. being wrongly accused of being too pally towards a boy in his class, with social media escalating the situation. Additionally, Sarah becomes involved when the sister - Izabela - of a young pupil - Zofia - runs away from home to London and then to her native Poland. Following investigation, much of it through Zofia and with another colleague, Sarah is able to find out, ironically with Joan's help, who has aggravated Izabela's troubles. Over the five months leading up to Brexit Day, Sarah's life increases in complexity with issues from the minute to the global: relationships; interactions; belonging; acceptance; cyberbullying, homophobia and politics. This climaxes when she and James clash over Brexit, leading her to take positive actions to reconcile her feelings.

The Teaching of Instrumental Music May 29 2022 This book introduces music education majors to basic instrumental pedagogy for the instruments and ensembles most commonly found in the elementary and secondary curricula. This text focuses on the core competencies required for teacher certification in instrumental music. The first section of the book focuses on essential issues for a successful instrumental program: objectives, assessment and evaluation, motivation, administrative tasks, and recruiting and scheduling (including block scheduling). The second section devotes a chapter to each wind instrument plus percussion and strings, and includes troubleshooting checklists for each instrument. The third section focuses on rehearsal techniques from the first day through high school.

RHYTHM AND DRUMMING DEMYSTIFIED Nov 10 2020 The lessons in *Rhythm and Drumming Demystified (R.A.D.D.)* utilize a process of adapting the rudiments---and the countless variations and grooves they spawn---to the framework of five systems of common rhythmic figures, as a means to increase one's control and flexibility with any sticking or time-feel. The book also contains a groundbreaking system for using the voice to develop one's "internal clock." By using this system, drummers can improve their groove by learning to generate time with their mind and allow their body to simply be a conduit between their perception of the time and its manifestation on the drumset.

Rhythmic Training Jun 17 2021 (Instructional). A continuation of *Basic Rhythmic Training*, this collection of progressive rhythmic drills is designed to increase a music student's proficiency in executing and understanding Rhythm. The exercises begin very simply and proceed to more complex meters, beat divisions and polyrhythms. The book can be used as a supplement to any method, or as a drill book for the musician who wishes to solidify and expand his/her rhythmic abilities.

Follow Your Heart Mar 07 2023 Detailing the fascinating career of Joe Evans, *Follow Your Heart* chronicles the nearly thirty years that he spent immersed in one of the most exciting times in African American music history. An alto saxophonist who between 1939 and 1965 performed with some of America's greatest musicians, including Louis Armstrong, Cab Calloway, Charlie Parker, Jay McShann, Andy Kirk, Billie Holiday, Bill "Bojangles" Robinson, Lionel Hampton, and Ivory Joe Hunter, Evans warmly recounts his wide range of experience in the music industry. Readers follow Evans from Pensacola, Florida, where he first learned to play, to such exotic destinations as Tel Aviv and Paris, which he visited while on tour with Lionel Hampton. Evans also comments on popular New York City venues used for shaping and producing black music, such as the Apollo Theater, the Savoy, Minton's Playhouse, and the Rhythm Club. Revealing Evans as a master storyteller, *Follow Your Heart* describes his stints as a music executive, entrepreneur, and musician. Evans provides rich descriptions of jazz, swing, and rhythm and blues culture by highlighting his experiences promoting tracks to radio deejays under Ray Charles's Tangerine label and later writing, arranging, and producing hits for the Manhattans and the Pretenders. Leading numerous musical ventures that included a publishing company and several labels--Cee Jay Records (with Jack Rags), Revival, and Carnival Records--Evans remained active in the music industry even after he stopped performing regularly. As one of the few who enjoyed success as both performer and entrepreneur, he offers invaluable insight into race relations within the industry, the development of African American music and society from the 1920s to 1970s, and the music scene of the era.

The Harmony of Bill Evans Oct 22 2021 (Keyboard Instruction). Bill Evans, the pianist, is a towering figure acknowledged by the jazz world, fans, musicians and critics. However Bill Evans, the composer, has yet to take his place alongside the great masters of composition. Therein lies the sole purpose of this book. A compilation of articles now revised and expanded that originally appeared in the quarterly newsletter *Letter from Evans*, this unique folio features extensive analysis of Evans' work. Pieces examined include: B Minor Waltz * Funny Man * How Deep Is the Ocean * I Fall in Love Too Easily * I Should Care * Peri's Scope * Time Remembered * and Twelve Tone Tune.

Latte for Leyla Nov 03 2022 Austin Wells: everyone's comic relief, the unmotivated baby brother with the occasional bright idea. In other words, nowhere good enough for brilliant, driven, gorgeous Leyla Robinson. He tries to content himself with admiring her from across the barista counter while she works on taking the world by storm. Austin is, Leyla's sure, just as sweet and funny and attentive and flirty with her as he is with everyone else he serves at Pier Three Coffee. She's nothing special. To be blunt, she's boring. All she ever does is follow the rigorous schedule she sets herself to get through grad school and fight for the career she craves. They've been watching each other for so long, each so sure of their own opinions about themselves and each other. But when Leyla finds she can help with Austin's secret ambitions, so long as she gives up a few layers of her own self-protections, they must both decide how much to risk on the other's behalf. And what happens if, in the process, they begin to see themselves the way they see each other?
