Margo has gotten a job at the day-care center and is perfecting her imitation of twins Jessica and Elizabeth Wakefield. The story centers around a lesbian couple and their roommate. Ashley Rogers was twenty-five, and a beautiful white, almost too white, Caucasian. Aiesha Franklin was the same age and a beautiful medium-toned African-American. They, and their roommate, Mike Chandler, were medical students and lived together in a two-bedroom apartment on the fourth floor of the Crampton House Resort Apartments in Central Florida. Mike was twenty-four, Caucasian, and occupied one of the two bedrooms. Aiesha and Ashley shared the other bedroom. The bedrooms were separated by a living room and kitchen and had separate bathrooms. As Ashley and Aiesha left a club one night they were assaulted with a baseball bat by a pair of homophobic men, which put Ashley in the hospital with broken bones and a concussion. While in a coma, Aiesha was arrested for the beating of Ashley, because she had the bat in her hand that she picked up when one of the men threw it down. When Ashley came out of the coma, she collaborated with Aiesha's explanation and she was exonerated. Mike brought his girlfriend, Rebecca, to their apartment and when she met Aiesha, she was appalled to learn that she was black. Mike broke up with his girlfriend because he was not aware she was homophobic. While Ashley remained in the hospital, Aiesha was lonely sleeping alone and invited Mike into her bedroom to keep her company platonically. Although Aiesha was a lesbian, they became close. The two men who assaulted Ashley were caught and ordered to make restitution. After Ashley was released from the hospital, she and Aiesha got married and eventually wanted a child of their own. They elected Mike for the job of impregnating one of them. As the first attempt failed, Mike tried again and impregnated not one, but both of them. Mike's room was turned into the baby's room, and Mike slept in the same bed with Ashley and Aiesha. Ashley and Aiesha worked at the hotel that Ashley's father managed on the morning shift. Mike also worked there on the evening shift. That worked out great because Mike could care for the children during the day, but they would need to hire a babysitter for a few hours when Mike had to leave and before the girls came home. Mike became involved with the babysitter, Stacy, and they considered getting a three-bedroom apartment for all of them but decided against it as they all became close and managed to sleep four in their king-size bed. Because of the sexual relationship Ashley and Aiesha had with Mike, they questioned whether or not they were still lesbians. The same happened with Stacy, the babysitter as one time that she was alone with Aiesha, she had a love session with her making her question if she was straight or not. The foursome with their ménage à quatre relationship lived happily ever after. Accidents happen all the time... Especially love. I'd never seen a traffic accident before until now. The young woman was clipped by a car, and I rushed to her aide. She mistakenly thought I'd hit her, and was understandably angry, so I did what I could, and waited for help. And I thought nothing more of it. Nothing more than her blazing blue eyes burning into mine. Picture my surprise when she turns up at my house later... to apologise for yelling at me. And she's just absolutely stunning. Beautiful, sexy, she steals my breath away. And it's moments like these that I hate that I like girls. She makes my heart race, she makes my palms sweat, and she has no idea. And she never can. What are the chances? She couldn't possibly be a lesbian, too. So I send her on her way, and think nothing more of it. Nothing but her blazing blue eyes... her full lips... imagining them pressed against my own. Picture my surprise when she turns up at my house again. And this time... this time she tells me she wants me. I never in a million years thought an accident would bring me love... * Accidental Love: A Lesbian Romance is a sweet, steamy, and sensual love story of how two women seemingly disconnected women are brought together by accident, and together they find love. —Melissa Febos, author of *Abandon Me & Girlhood* A nostalgia-packed, star-studded anthology featuring contributors such as Kristen Arnett, Yumi Sakugawa, Gabrielle Moss, and others exploring the lasting impact of the beloved *Baby-Sitters Club* series In 1986, the first-ever meeting of the *Baby-Sitters Club* was called to order in a messy bedroom strewn with Ring-Dings, scrunchies, and a landline phone. Kristy, Claudia, Stacey, and Mary Anne launched the club that birthed an entire generation of loyal readers. The *Baby-Sitters Club* series featured a diverse, complex cast of characters and touched on an impressive range of issues that were underrepresented at the time: divorce, adoption, childhood illness, class division, and racism, to name a few. In *We Are the Baby-sitters Club*, writers and a few visual artists from *Generation BSC* will reflect on the enduring legacy of Ann M. Martin's beloved series, thirty-five years later—celebrating the BSC's profound cultural influence. Contributors include author Gabrielle Moss, illustrator Siobhán Gallagher, and filmmaker Sue Ding, as well as *New York Times* bestselling author Kristen Arnett, Lambda Award-finalist Myriam Gurba, *Black Girl Nerds* founder Jamie Broadnax, and *Paris Review* contributor Frankie Thomas. The first anthology of its kind from editors Marisa Crawford and Megan Milks, *We Are the Baby-Sitters Club* will look closely at how Ann M. Martin's series shaped our ideas about gender politics, friendship, fashion and beyond—and what makes the series still a core part of many readers' identities so many years later. But when a snowstorm keeps her at the Brackens' house much longer than expected, she discovers the couple have been hiding a naughty secret. And she gets to play the lead role. All she has to do is give away her innocence and let the more experienced couple show her what sinful passion is all about. This story is approximately 5,500 words. Kristy, Claudia, Mary Anne, Stacey: Discover how four girls become for friends...forever! Kristy's mom is getting married-in two weeks! Everyone is coming to their house to help with the wedding, but they're bringing all their kid... fourteen total. This looks like a job for the *Baby-Sitters Club*! Everyone makes mistakes in relationships at one time or another. Sometimes they learn from those mistakes. Other times, they return to those behaviors and cycle through failed relationship after failed relationship. Sometimes those behaviors become an addiction to love that may leave a person feeling unhappy, unfulfilled, lonely, or worse. *Lesbian Love Addiction: Understanding the Urge to Merge and How to Heal When Things go Wrong* makes visible the elements of love addiction that many lesbians suffer from. Love addiction for lesbians comes in many forms. Some struggle by sexually acting out and others are serial relationship junkies, jumping from one relationship into the next. Some are addicted to the high of falling in love and once that wears off don't know how to handle the day-to-day realities of a committed relationship. Some are even addicted to fantasy and intrigue, while others are love avoidants and sexual anorexics. Love avoidants may be able to get into a relationship but once they are fully committed, struggle with feeling smothered. Others may avoid intimate or sexual relationships all together, becoming sexually anorexic. Some may even vacillate between all of these. The underlying component and common denominator in all of these scenarios is the "Urge to Merge." *Lesbian Love Addiction* is designed to help ameliorate at least part of this problem. Lauren D. Costine offers insight for lesbians, bisexual women in relationships with women, queer women, and more specifically, any woman who loves women, as well as their family and friends, and health care professionals, into the psychology of lesbian love addiction. It will give those who struggle with and suffer from love addiction ways to understand, cope, and heal from this debilitating addiction. It will give those who work with this population new tools to use to do this more effectively. Mostly, it will help lesbians understand their relationship failures and how to heal from problems associated with them, so they may grow and cultivate happier, more fulfilling connections in the future.
