[Lord High Executioner](#) Aug 21 2022 The bloodsoaked saga of the Murder, Inc. legend who helped create the modern American Mafia—one body at a time—featuring shocking eyewitness accounts . . . Umberto “Albert” Anastasia was born in Italy at the turn of the century. Five decades later, he would be gunned down in a barber shop in New York City. What happened in the years in between—and why every crime family had reason to want him dead—is one of the most brutal and fascinating stories in the history of American organized crime. This in-depth account of the man who became one of the most powerful and homicidal crime bosses of the twentieth century from Mafia insider and co-author Frank Dimatteo is the first full-length book to chronicle Anastasia’s bloody rise from fresh-off-the-boat immigrant to founder of the notorious killer’s club Murder, Inc.—featuring never-before-told accounts from those who feared him most . . . They called him “The One Man Army.” “Mad Hatter.” “Lord High Executioner.” Albert Anastasia came to America mean and became a prolific killer. His merciless assassination of Mafia godfather Vincent Mangano is recounted here in chilling first-hand detail. He set the record: the first man in the history of American justice to be charged with four separate murders—and walk free after each one. But in the end, he was the last obstacle in rival Mafia hoodlum Vito Genovese’s dream of becoming the boss of bosses—and paid the ultimate price . . .

**Anastasia** Apr 05 2021 'Falconer's grasp of period and places is almost flawless ... He's my kind of writer.' - Peter Corris, *The Australian* Is she the lost princess? Or just another taxi girl, like a hundred others? When Michael Sheridan jumped into the Whangpoa River to save a Russian refugee, his life changes forever. The girl bears an uncanny resemblance to Princess Anastasia, who is rumored to have survived the brutal massacre of the Royal family by Bolshevik revolutionaries two years before. She is suffering from traumatic amnesia and remembers nothing of her life before Shanghai. So who is she? Unraveling the mystery of Anastasia's identity and past takes them both from the streets of Shanghai to the decadence of pre-war Berlin, from the London of flappers and Charlestons, behind the grim curtain of Bolshevik Russia and finally to New York just before the Wall Street crash. It may also cost him his life. Perfect for fans of Gill Paul and Dinah Jeffries "Falconer weaves a pacy story of obsession, love, greed and corruption ... Really well done." - Sydney Morning Herald 'Murder, scandal and romance all play their part . . . plausible and engrossing.' - Woman's Day

[Anastasia](#) May 06 2021 "On 17 February 1920 a young woman was rescued from a Berlin canal and taken to a local asylum. Her body bore the scars of bullet and bayonet wounds. For a long time she refused to give her name, and was known as Fraulein Unbekannt (Miss Unknown). When she did declare herself - as the Grand Duchess Anastasia, youngest daughter of the murdered Romanovs - she became the centre of a storm of controversy that still continues after her death in 1983. Peter Kurth's brilliant and meticulously researched account shows that the evidence that Anna Anderson was Anastasia is in the end overwhelming. Nevertheless the extraordinary secrecy which still shrouds some of the key evidence suggests that, as her uncle the Grand Duke of Hesse wrote, an investigation of her identity could be 'dangerous'."

*The Visitor* Dec 01 2020 The current revival of the work of Maeve Brennan, who died in obscurity in 1993, has won her a reputation as a twentieth-century classic—one of the best Irish writers of stories since Joyce. Now, unexpectedly, Brennan's oeuvre is immeasurably deepened and broadened by a miraculous literary discovery—a short novel written in the mid-1940s, but till now unknown and unpublished. Recently found in a university archive, it is a story of Dublin and of the unkind, ungenerous, emotionally unreachable side of the Irish temper. The Visitor is the haunting tale of Anastasia King, who, at the age of twenty-two, returns to her grandmother's house—the very house where she grew up—after six long years away. She has

been in Paris, comforting her disgraced and dying mother, the runaway from a disastrous marriage to Anastasia's late father, the grandmother's only son. "It's a pity she sent for you." the grandmother says, smiling with anger. "And a pity you went after her. It broke your father's heart." Anastasia pays dearly for the choice she made, a choice that now costs her her own strong sense of family and makes her an exile—a visitor—in the place she once called home. Penelope Fitzgerald, writing of Brennan's story "The Springs of Affection," said that it carries an "electric charge of resentment and quiet satisfaction in revenge that chills you right through." The same can be said of the *The Visitor*, Maeve Brennan's "lost" novel—the early work of an incomparable master.

**Romanov** May 26 2020 My name is Anastasia. The history books say I died. They don't know the half of it. Anastasia "Nastya" Romanov was given a single mission: to smuggle an ancient spell into her suitcase on her way to exile in Siberia. It might be her family's only salvation. But the leader of the Bolshevik army is after them, and he's hunted Romanov before. Nastya's only chances of saving herself and her family are either to release the spell and deal with the consequences, or to enlist help from Zash, the handsome soldier who doesn't act like the average Bolshevik. Nastya has only dabbled in magic, but it doesn't frighten her half as much as her growing attraction to Zash. She likes him. She thinks he might even like her. That is, until she's on one side of a firing squad . . . and he's on the other. Praise for Romanov: "I am obsessed with this book! Music History and Cosmopolitanism Mar 04 2021 This collection of essays is the first book-length study of music history and cosmopolitanism, and is informed by arguments that culture and identity do not have to be viewed as primarily located in the context of nationalist narratives. Rather than trying to distinguish between a true cosmopolitanism and a false cosmopolitanism, the book presents studies that deepen understanding of the heritage of this concept - the various ways in which the term has been used to describe a wide range of activity and social outlooks. It ranges over a two hundred-year period, and more than a dozen countries, revealing how musicians and audiences have responded to a common humanity by embracing culture beyond regional or national boundaries. Among the various topics investigated are: musical cosmopolitanism among composers in Latin America, the Ottoman Empire, and Austro-Hungarian Empire; cosmopolitan popular music historiography; cosmopolitan musical entrepreneurs; and musical cosmopolitanism in the metropolises of New York and Shanghai.

*Critical theory and epistemology* Oct 11 2021 This volume in the Critical Theory and Contemporary Society series explores the arguments between critical theory and epistemology in the twentieth and twenty-first centuries. Focusing on the first and second generations of critical theorists and Luhmann's systems theory, the book examines how each approaches epistemology. It opens by looking at twentieth-century epistemology, particularly the concept of lifeworld (Lebenswelt). It then moves on to discuss structuralism, poststructuralism, critical realism, the epistemological problematics of Foucault's writings and the dialectics of systems theory. The aim is to explore whether the focal point for epistemology and the sciences

remain that social and political interests actually form a concrete point of concern for the sciences as well.

**The Cambridge Companion to Operetta** Jan 22 2020 Those whose thoughts of musical theatre are dominated by the Broadway musical will find this book a revelation. From the 1850s to the early 1930s, when urban theatres sought to mount glamorous musical entertainment, it was to operetta that they turned. It was a form of musical theatre that crossed national borders with ease and was adored by audiences around the world. This collection of essays by an array of international scholars examines the key figures in operetta in many different countries. It offers a critical and historical study of the widespread production of operetta and of the enthusiasm with which it was welcomed. Furthermore, it challenges nationalistic views of music and approaches operetta as a compositional genre. This Cambridge Companion contributes to a widening appreciation of the music of operetta and a deepening knowledge of the cultural importance of operetta around the world.

**Cyprus in World War II** Jun 19 2022 World War II marked a pivotal point in the history of Cyprus, yet surprisingly, this period of the island's history has been little studied to date. Anastasia Yiangou here provides the first major study of the impact of World War II on the political development of Cyprus. In doing so she traces shifting Cypriot attitudes to the war and the formation of a triangular conflict in the island between the Left, Right and British colonial power. She explains how the British and Cypriots fought a war alongside each other, yet remained far apart in discussions on the future of the island. Yiangou's original and compelling analysis highlights how the post-1945 landscape of Cypriot political struggles was shaped by forces set in motion during the war itself.

Fields of Wheat, Hills of Blood Jul 08 2021 Deftly combining archival sources with evocative life histories, Anastasia Karakasidou brings welcome clarity to the contentious debate over ethnic identities and nationalist ideologies in Greek Macedonia. Her vivid and detailed account demonstrates that contrary to official rhetoric, the current people of Greek Macedonia ultimately derive from profoundly diverse ethnic and cultural backgrounds. Throughout the last century, a succession of regional and world conflicts, economic migrations, and shifting state formations has engendered an intricate pattern of population movements and refugee resettlements across the region. Unraveling the complex social, political, and economic processes through which these disparate peoples have become culturally amalgamated within an overarchingly Greek national identity, this book provides an important corrective to the Macedonian picture and an insightful analysis of the often volatile conjunction of ethnicities and nationalisms in the twentieth century. "Combining the thoughtful use of theory with a vivid historical ethnography, this is an important, courageous, and pioneering work which opens up the whole issue of nation-building in northern

Greece."—Mark Mazower, University of Sussex

*The Romanov Sisters* Feb 03 2021 A 12-WEEK NEW YORK TIMES BESTSELLER "Helen Rappaport paints a compelling portrait of the doomed grand duchesses." —People magazine "The public spoke of the sisters in a genteel, superficial manner, but Rappaport captures sections of letters and diary entries to showcase the sisters' thoughtfulness and intelligence." —Publishers Weekly (starred review) From the New York Times bestselling author of *The Last Days of the Romanovs* and *Caught in the Revolution*, *The Romanov Sisters* reveals the untold stories of the four daughters of Nicholas and Alexandra. They were the Princess Dianas of their day—perhaps the most photographed and talked about young royals of the early twentieth century. The four captivating Russian Grand Duchesses—Olga, Tatiana, Maria and Anastasia Romanov—were much admired for their happy dispositions, their looks, the clothes they wore and their privileged lifestyle. Over the years, the story of the four Romanov sisters and their tragic end in a basement at Ekaterinburg in 1918 has clouded our view of them, leading to a mass of sentimental and idealized hagiography. With this treasure trove of diaries and letters from the grand duchesses to their friends and family, we learn that they were intelligent, sensitive and perceptive witnesses to the dark turmoil within their immediate family and the ominous approach of the Russian Revolution, the nightmare that would sweep their world away, and them along with it. *The Romanov Sisters* sets out to capture the joy as well as the insecurities and poignancy of those young lives against the backdrop of the dying days of late Imperial Russia, World War I and the Russian Revolution. Helen Rappaport aims to present a new and challenging take on the story, drawing extensively on previously unseen or unpublished letters, diaries and archival sources, as well as private collections. It is a book that will surprise people, even aficionados.

Christian Hymnody in Twentieth-century Britain and America Apr 24 2020 The 20th century, especially the latter decades, was a time of explosive growth and importance in hymnody, and yet published material about the hymnody of this period has been scattered and difficult to come by. The present volume catalogues and categorizes the available writings to guide students and scholars in their research.

Furthermore, this reference does not depend primarily on the view of the author/compiler, but guides users toward a broad spectrum of viewpoints about 20th-century hymnody. Listing the principal writings on the repertory, language, practice, and people of hymnody during the last century, this annotated bibliography offers students and researchers alike a handy reference for a vast and varied field. Beginning with a unique introduction to and summary of hymnody in the 20th century, Music arranges the entries by topic, dividing each chapter by helpful subject headings. The repertory of the twentieth century, and language issues are discussed. Practical elements of hymnody are covered, while the final chapter lists writings about individual hymn writers and other influential persons in the field. Music provides a brief annotation for each entry and uses numerous cross-references, guiding the reader to relevant material in other sections of the book. A comprehensive index concludes this essential reference.
