News The Co-Teacher's Playbook A Letter from Your Teacher

In a world of "alternative facts" and "post-truth" politics, producing public-interest journalism is more important than ever—but also more complex. This book examines how journalism is evolving to meet the demands of the digital media ecosystem, where lies often spread faster than truth, and where modern news consumers increasingly expect journalism to be a conversation, not a lecture. • Examines the historical roots of journalism's crisis while pushing the conversation toward promising experiments and solutions • Offers insights from digital-era disruptors and innovators, as well as long-time veterans of the news business • Provides context for the 2016 election's "fake news" phenomenon and explains—in clear and compelling prose—what savvy

journalists are doing to rebuild trust in the real thing Gedichten in het Engels en Spaans. Go on a mission to learn about the Army Rangers through infographics, closely leveled text, and dynamic photos. From rescue missions to nighttime attacks, special forces are always ready to protect and serve. With engaging text and detailed infographics, explore the high-tech gear and grueling training that makes these soldiers elite warriors. Full color. The first explosive thriller featuring Peter Ash, a veteran who finds that the demons of war aren't easily left behind... "Lots of characters get compared to my own Jack Reacher,

but Petrie's Peter Ash is the real deal."—Lee Child Peter Ash came home from the wars in Iraq and Afghanistan with only one souvenir: what he calls his "white static," the buzzing claustrophobia due to post-traumatic stress that has driven him to spend a year roaming in nature, sleeping under the stars. But when a friend from the Marines commits suicide, Ash returns to civilization to help the man's widow with some home repairs. Under her dilapidated porch, he finds more than he bargained for: the largest, ugliest, meanest dog he's ever encountered...and a Samsonite suitcase stuffed with cash and explosives. As Ash begins to investigate this unexpected discovery, he finds himself at the center of a plot that is far larger than he could have imagined...and it may lead straight back to the world he thought he'd left for good.

*Veteran-Centered Care in Education and Practice: An Essential Guide for Nursing Faculty* addresses the mandate to improve veteran healthcare as a national priority, highlighting the tremendous impact nurses can make on improving veteran health. It provides guidance on how faculty can integrate veteran-centered care into nursing curricula, ultimately improving veteran-centered care at the bedside and in the community. The expert authors utilize a holistic approach to veteran needs, beginning with an overview of the importance of veteran health in nursing education and a primer of military culture and lifestyle, and transitions. A wide range of veteran-specific healthcare issues are addressed, including

occupational and environmental exposures, common physical-related issues, mental-health issues, and special topics such as women's health and military sexual trauma, gender issues, and end-of-life concerns. ; This book offers innovative teaching and learning strategies to build a base of knowledge related to nursing prioritization of veteran health care needs, filling a notable gap in nursing literature. It includes teaching strategies for the classroom and clinical setting that graduate/undergraduate nurse educators may employ to integrate veteran content into existing courses or to build a Veteran Health elective or topics course. It outlines key competencies and essential knowledge faculty and students need to teach and provide basic veteran-centered care. Also covered are the expansion of Veteran-to-BSN programs, current research on veterans transitioning to the classroom, and strategies to enhance learning within this student population and maximize their skills and leadership abilities. Key Features: Discusses national and organizational efforts to improve veteran-centered care Guides nursing faculty on how to address the multifaceted nature of veteran health needs in existing nursing courses and curricula at all educational levels Outlines key competencies and essential knowledge faculty and students need to teach and provide basic veteran-centered care Includes evidence-based instructional strategies and resources to incorporate into classroom and clinical settings Features learning activities

to enhance knowledge acquisition Details the unique needs of the veteran student population, as well as strategies to enhance their learning, while maximizing their skills and leadership abilities A practical guide on how to transform your ideas from virtual world course ware to virtual world learning experiences. It argues that setting up learning in 3D virtual worlds requires a transformative approach. Ryder Creed rescues abandoned dogs and turns them into heroes. But this time, it's Creed who may need rescuing when a madman leads him and Agent Maggie O'Dell on a gut-wrenching scavenger hunt. Winner of the NEBRASKA BOOK AWARD in fiction Winner of the TCK Publishing Reader's Choice for Best Mystery "The Ryder Creed books are absolutely phenomenal." —Suspense Magazine "A flawed, fierce protagonist whose first and absolute loyalty is to his dogs, plus compelling storylines: a slam-dunk recipe for late-night reading!" —The Bark Sixteen years ago, Ryder Creed's sister, Brodie vanished from an interstate rest stop. She was only eleven and Creed was fourteen. Her disappearance ripped apart his family and has haunted Creed. Now a former Marine with his own scars, Creed has dedicated his life to his K9 business. He takes discarded and abandoned dogs and trains them for scent detection. Together they search for the lost and the missing. And always, Creed has held onto the hope that one day he might find out what happened to his sister. A thousand miles away during a police raid, FBI

Agent Maggie O'Dell stumbles upon a clue that may explain what happened to Brodie Creed all those years ago. But to find the answers she'll need to make a deal with a madman. And the search that follows will be as agonizing for Creed, as are the answers he discovers. A trailblazer in the K9 mystery genre, Kava creates a "dynamic between Ryder and his canines that reveals a world rarely shared in fiction and perhaps nowhere presented more effectively than in this series." —Phil Jason, Florida Weekly Read less

Future retirees talk about vacations, relaxing, and taking time to complete jobs they never had time to finish when they worked full-time. Some others may have some financial fears, thinking that they may never be ready; how much is enough? Whatever you think retirement is there are some realities. Since a person can only take so many vacations, eventually you need to determine how to spend your time at home and in your community. This book will provide you a guide to assist you in retirement and ensure your later years have social activities and opportunities to develop relationships within your community. Aspects covered in this book include preventing social isolation, creating social opportunities, and recreation at any age. This is the story of Percy Diligence - a fearful romantic, a prolific drinker, and purposeful dabbler - and his struggle to complete the final masterwork of his late aunt, the renowned artist Josie Dunn. Water, art, death, and puzzle pieces guide this journey that sends Percy down the

red-clay trail of the Grand Canyon with his mysterious beloved Nelly Blue; down to the banks of the mighty Colorado River and then all they way back to the wheezing metropolis of Los Angeles. Along the way he discovers not only sublime disappointment and bitter betrayal at the hands of his best friends, but also the gift of redemption and the final pieces to a lifelong puzzle. Every year, teams of hundreds of competitors scramble over four days to complete roughly 350 challenges. The tasks range from moments of silliness to 1,000-mile road trips, and they call on participants to fully embrace the absurd. For students it

is a rite of passage, and for the surrounding community it is a chance to glimpse the lighter side of a notoriously serious university. *We Made Uranium!* shares the stories behind Scav, told by participants and judges from the hunt's more than thirty-year history. The twenty-three essays range from the shockingly successful (a genuine, if minuscule, nuclear reaction created in a dorm room) to the endearing failures (it's hard to build a carwash for a train), and all the chicken hypnotisms and permanent tattoos in between. Taken together, they show how a scavenger hunt once meant for blowing off steam before finals has grown into one of the most outrageous annual traditions at any university. The tales told here are absurd, uplifting, hilarious, and thought-provoking—and they are all one hundred percent true. When love drives you crazy . . . When sexy Joe Malone never calls after their explosive kiss, Kylie shoves him out of her mind. Until she needs a favor, and it's a doozy. Andrew wants nothing more than to see his great-grandfather honored for World War II. He learns about Honor Flights, a program that flies veterans to Washington, D.C. to visit a memorial dedicated to them, but his great-grandfather refuses to go. Andrew becomes determined to inspire him to celebrate his bravery and dedication to

his country. Children and adults will appreciate this patriotic, endearing tale. When American soldiers entered World War I, Moina Belle Michael, a schoolteacher from Georgia, knew she had to act. Some of the soldiers were her students and friends. Almost single-handedly, Moina worked to establish the red poppy as the symbol to honor and remember soldiers. And she devoted the rest of her life to making sure the symbol would last forever. Thanks to her hard work, that symbol remains strong today. Author Barbara Elizabeth Walsh and artist Layne Johnson worked with experts, primary documents, and Moina's great-nieces to better understand Moina's determination to honor the war veterans. A portion of the book's proceeds will support the National Military Family Association's Operation Purple®, which benefits children of the U.S. military.

From goat men to witch ladies and spooky little girls, dive into the haunted history of Plano, Texas. Plano's old homes and businesses are rife with haunted history. Explore eerie urban legends like the Goat Man, the Clown Threat, and Ranch 111, where devil worshipers performed their rituals. The Evaporating Apparition spooked the staff at the Art Centre Theatre, while the grumpy spirit of an old rancher stalks the Masonic Lodge. Some specters are harmless, such as the Giggling Ghost, a little girl in the Cox Building with a penchant for peanut butter and pranks. Other figures own a more sinister reputation. The Witch Lady of Plano was feared by city youth and monitored by the FBI. Mary Jacobs examines the ghostly fallout of Plano's darkest moments, from the smallpox epidemic to the gruesome Muncey family murders. Storm Thompson

wants to be anywhere but Liberty Ridge. Especially since his hometown also contains his childhood nemesis, Colleen Gardner. With a young daughter and mentally ill mother to care for, he struggles to simply make ends meet. Every day, his goal of owning an organic farm slips further out of reach. Psychiatrist Colleen Gardner has her sights set on starting a retreat to help veterans suffering from PTSD. She's done well but her small town fundraisers just aren't enough. "The Great American Scavenger Hunt" TV show offers a million-dollar prize, and Colleen and Storm are selected as competitors. Both resolve to do whatever is needed to win, even using the other to get ahead. Storm and Colleen compete to fund their dreams, but their already tattered relationship becomes more strained. Only one will win the money. But will love prove the ultimate prize? Did you know that Plano once had a winning semipro baseball team? And its own university, boasting a pagoda imported from Malaysia? Or that the city once proudly proclaimed itself the "Mule Capital of the World"? Meet the Native American Planoite who walked in space, the African American entrepreneur who prospered in Jim Crow Texas and the man behind the "mystery stone" uncovered in the Collinwood House. Visit a military tank, a five-hundred-year-old tree and the pioneer cemetery started by a smallpox epidemic. From the town's contributions to World War II to the secrets lurking beneath Collin Creek Mall, unlock the astonishingly large

storehouse of Plano's hidden history. Have you ever seen teachers standing in a hallway talking at levels that are too low to hear? Wouldn't you love to know what they are talking about? Some will, and some won't. Teachers love working with their kids every day, but there is a lot that goes on that makes them question why they are still showing up. Not everything about being a teacher is what it seems. The politics, power struggles, and daily changes are enough to make anyone crazy. Dive into the minds of veteran teachers and see what they are really feeling and talking about. You just might be surprised with exactly what they deal with. The White Table is set in many mess halls as a symbol for and remembrance to service members fallen, missing, or held captive in the line of duty. Solitary and solemn, it is the table where no one will ever sit. As a special gift to her Uncle John, Katie and her sisters are asked to help set the white table for dinner. As their mother explains the significance of each item placed on the table Katie comes to understand and appreciate the depth of sacrifice that her uncle, and each member of the Armed Forces and their families, may be called to give. It was just a little white table... but it felt as big as America when we helped Mama put each item on it and she told us why it was so important. "We use a Small Table, girls," she explained first, "to show one soldier's lonely battle against many. We cover it with a White Cloth to honor a soldier's pure heart when he answers his country's call to duty."

"We place a Lemon Slice and Grains of Salt on a plate to show a captive soldier's bitter fate and the tears of families waiting for loved ones to return," she continued. "We push an Empty Chair to the table for the missing soldiers who are not here..." Margot Theis Raven has been a professional writer working in the fields of radio, television, magazines, newspapers, and children's books for 30 years. Her first book with Sleeping Bear Press, *Mercedes and the Chocolate Pilot*, was the runner-up for the 2004 Texas Bluebonnet Award. She lives with her family in Charleston, South Carolina. Mike Benny's illustrations have appeared in *Time*, *GQ*, *New Yorker* and *Sports Illustrated* Magazines. He has also been awarded two Gold Medals from the Society of Illustrators. This is Mike's first children's book. He lives in Austin, Texas with his wife Mary Ann and daughter Adele. "Juno Rushdan is the real deal. *Every Last Breath* is an electric combination of heart-stopping thriller and swoon-worthy romance."—LEXI BLAKE, *New York Times* bestselling author *48 hours 2 covert operatives* 1 chance to get it right Maddox Kinkade is an expert at managing the impossible. Tasked with neutralizing a lethal bioweapon, she turns to the one person capable of helping her stop the threat of pandemic in time: the love of her life, back from the dead and mad as hell at her supposed betrayal. Recruiting Cole to save

millions of lives may be harder than resisting the attraction still burning between them, but Maddox will do whatever it takes...even if it destroys her. When Maddox crashes back into Cole Matthews' life, he wants to fight back. He wants to hate her. But the crisis is too strong to ignore, and soon the two former lovers find themselves working side-by-side in a breakneck race to stop a world-class killer with a secret that could end everything. The clock is ticking. The Final Hour Series: Every Last Breath Nothing to Fear (coming August 2019) Until the End (coming early 2020) What People Are Saying About Juno Rushdan: "Tense and fulfilling. This is the definitive account of how America's film industry remembered and reimagined World War I from the Armistice in 1918 to the outbreak of World War II in 1939. Based on detailed archival research, Michael

Hammond shows how the war and the sociocultural changes it brought made their way into cinematic stories and images. He traces the development of the war's memory in films dealing with combat on the ground and in the air, the role of women behind the lines, returning veterans, and through the social problem and horror genres. Hammond first examines movies that dealt directly with the war and the men and women who experienced it. He then turns to the consequences of the war as they played out across a range of films, some only tangentially related to the conflict itself. Hammond finds that the Great War acted as a storehouse of motifs and tropes drawn upon in the service of an industry actively seeking to deliver clearly told, entertaining stories to paying audiences. Films analyzed include *The Big Parade*, *Grand Hotel*, *Hell's Angels*, *The Black Cat*, and *Wings*. Drawing on production records, set designs, personal accounts, and the advertising and reception of key films, the book offers unique insight into a cinematic remembering that was a product of the studio system as it emerged as a global entertainment industry. Michael Hammond is Associate Professor in Film History at the University of Southampton and the author several books, including *The Big Show: British Cinema Culture in the Great War, 1914–1918*. From the author and illustrator of *Our Class is a Family*, this touching picture book expresses a teacher's sentiments and well wishes on the last day of school. Serving as a follow up to the

letter in *A Letter From Your Teacher: On the First Day of School*, it's a read aloud for teachers to bid a special farewell to their students at the end of the school year.

Through a letter written from the teacher's point of view, the class is invited to reflect back on memories made, connections formed, and challenges met. The letter expresses how proud their teacher is of them, and how much they will be missed. Students will also leave on that last day knowing that their teacher is cheering them on for all of the exciting things to come in the future. There is a blank space on the last page for teachers to sign their own name, so that students know that the letter in the book is coming straight from them. With its sincere message and inclusive illustrations, *A Letter From Your Teacher: On the Last Day of School* is a valuable addition to any elementary school teacher's classroom library.
