Spanish tennis legend Rafael Nadal was 19 years and two days old when he won the 2005 French Open in his very first appearance at the event. A left-hander with a booming forehand, Nadal had been known as a clay-court specialist since playing his first pro tournaments in 2001. His aggressive style, flowing hair, and muscular build have made him a fan favorite as well. He won his first singles title in 2004, and had a breakout season in 2005, winning at Monte Carlo, Rome, Barcelona, and Stuttgart as well as at Roland Garros. He won the French Open again in 2006, 2007, and 2008, defeating rival Roger Federer in the final each time. In 2008 he broke through at Wimbledon, beating Federer to win the men's singles title in a spectacular fashion. Here is his unbelievable story. Dostoevsky held on stubbornly to only what a free examination of what was human in himself revealed. Lev Shestov wrote, "To enter the world of the human soul in order to subordinate it to the laws that exist for the outside world means to voluntarily renounce in advance the right to see everything there and accept everything". In "The Brothers Karamazov", Dostoevsky revealed that God himself demands that man be free. Nicholas Berdyaev wrote, "In true humanity not only is the nature of man revealed but God Himself is revealed also." Three great thinkers reveal the authentic path to freedom. Wolf shifter Marcus doesn't do friendship—not since his buddy died. He doesn't do packs—not since he had to kill one of his own packmates. And he sure as hell doesn't do mates—not since the last woman he loved rejected him. But Jessica is turning everything he believed upside down, and he'll do whatever it takes—make friends, form a pack, and even fall in love—to protect her. Filthy Wolf is the second standalone book in the Junkyard Shifters series. It features a wounded hero, a feisty heroine, and all kinds of naughty language and sessytimes. Whether it's a big-bore, high-end custom sportbike you're after, or a naked, bare knuckles streetfighting drag racer, this book has the goods for getting you there. In three different scenarios, the nation's top builders give blow-by-blow instructions for completely rebuilding three popular streetbikes -- from performance modifications and exhaust systems to flawless finishes and detail work. Focusing on highly customized Hayabusa drag bikes, including a slammed and lowered Suzuki GSX1300R Hayabusa, John Dantzler of the Charlotte, North Carolina, shop Two Wheel Customs outlines the suspension and engine modifications that the serious street and quarter-mile racer can make. He takes a salvaged, late-model four-cylinder street machine and transforms it into the kind of machine that both professional stunt riders and corner-carving enthusiasts favor. Next, author Mike Seate covers the details on constructing and installing popular modifications -- everything from engine crash guards and wheelie bars to motocross-style handlebars and bikini fairings -- while stunt riders and streetfighter builders from the United States and Europe weigh in with tips and advice. Last but not least, the builders at Wisconsin's Patrick's Performance and South Carolina's Coastal Motorcycles provide a step-by-step account of the construction of two high-end custom sportbikes -- transforming a Yamaha YZF R-1 and a Suzuki GSX-R 1000 into the kind of machines that are eye-popping everywhere--on the streets or on the motorcycle show circuit. Lady Norah Macalister is perfection: beauty, charm, grace, elegance-- all a carefully constructed lie. No one would ever suspect her of anything scandalous, and no one is the wiser when a terrible secret threatens to destroy her. Major Trevor Hayward has unraveled after a decade at war with Napoleon—or so everyone believes. When his cousin is murdered Trevor finds himself the prime suspect. Placed under house arrest at the home of his oldest friend, Trevor doubts those investigating his cousin's murder will see past his marred reputation. Refusing to accept her fate, Norah is determined to punish those who have wronged her. Her plan is ruthless, and she will see it through, even if she must manipulate those around her to avenge the wounds of her past. Norah is the most confounding woman Trevor has ever met, but he cannot deny, try as he might, that his best friend's little sister is all grown up. When she is the only one who can prove his innocence, Trevor has little choice but to agree to her risky plot to destroy a mutual enemy. While Trevor and Norah collude and execute Norah's plan, succumbing to the spark between them brings their secrets to light. Can they play with fire and not be burned? Or will the madness of their scheme be the downfall of them both? Dear Lady Truelove, I am a girl of noble family, but I am painfully shy, especially in my encounters with those of the opposite sex . . . For Clara Deverill, standing in for the real Lady Truelove means dispensing advice on problems she herself has never managed to overcome. There's nothing for it but to retreat to a tearoom and hope inspiration strikes between scones. It doesn't—until Clara overhears a rake waxing eloquent on the art of "honorable" jilting. The cad may look like an Adonis, but he's about to find himself on the wrong side of Lady Truelove. Rex Galbraith is an heir with no plans to produce a spare. He flirts with the minimum number of eligible young ladies to humor his matchmaking aunt, but Clara is the first to ever catch his roving eye. When he realizes that Clara—as Lady Truelove—has used his advice as newspaper fodder, he's infuriated. But when he's forced into a secret alliance with her, he realizes he's got a much bigger problem—because Clara is upending everything Rex thought he knew about women—and about himself. . . .
