Sure, taking on a new job completely out of my field felt a little rash, but something about it felt so right. Keeping house for four unbelievably hot military men couldn't be that hard. Everything seemed normal enough, but soon I felt myself passionately drawn to my four new temporary housemates: Blake, Hale, Stone and Preston, which is totally out of character for me. How could this be? Before I can question my new reality, it gets turned upside down again. An enemy's shown up at our doorstep. Can I count on my four newfound lovers to find me before it's too late? Even managing to escape somehow lands me in more danger and in a stranger place than I ever knew existed. Yacht party. Sounds good right? Nobody told me that Pirates were a possibility. Nobody warned me that even my saviors could be more dangerous than my captors. But dangerous in a different way. Like, not in a life-threatening way. But, in a way that threatens my understanding of what is real or even possible. I feel a strong attraction to each of my rescuers like I never have before. I only wish I knew who I would choose if I had to. And that's the thing, I'm not totally sure they're expecting me to choose, or if they even want me to. After going through what I just did. Losing any of them would be more than I could live with. Half-vampire, half-witch, Valerie Hannigan thought she had a pretty sweet life. With a full vampire boyfriend and a job (hunting rogue vampires), she had happily walked away from the sorrow that swamped her home life.

But dark magic rose and along with it are years ' worth of lies, a family member in danger, a father she ' d never known, and a love she ' d never imagined. Now with her family ensconced in the midst of two hundred fifty shifters and were-creatures, her new mate edging into his fertility cycle, and the hunt for a missing were-tiger underway, Valerie discovers more about herself, her new mate ' s painful past, and the new life unfolding before her. A raging blizzard, a gunned down plane and six Russian spies. Not exactly the ideal beginnings of a new relationship. Fortunately for me, Julie ' s a storm-chasing, knife-throwing, sexy-as-hell airplane pilot whose sense of danger could use a little adjustment. My life was simple. Nothing stood in the way of my duty to my country. I was alone, but I accepted it; there was no place for me among humans. My mission: find the Russians and stop them from harming our country. I found them alright but no one warned me Julie would be involved. I had always looked from far but now that I ' ve felt her searing touch, she ' s all that I want. The odds of us outrunning them aren ' t good, if the bitter cold doesn ' t kill us first. Each moment we ' re together is a fight to survive. Our worlds are separate. That ' s the way it ' s always been. To build a life together, we have to break all the rules. If we get out alive, will Julie accept my bear as her mate? keywords: paranormal romance, romantic books, romance ebooks, books to read and download, contemporary romance, paranormal romance books, ebooks romance, romance books for adults no cliffhangers, supernatural romance books, paranormal romance books full novel, steamy romance books, happily ever after, guaranteed HEA, no cliffhangers, happy for now, HFN, shifter books free, fated mate, werebear, adventure books free, alpha male, alpha omega, alpha, military romance, soldier romance, opposites attract, bear shifter, alpha male, alpha omega, alpha, military romance, soldier romance, wolf shifter, lion shifter, dragon shifter, beast shifter, alpha shifter, mated to the pack, pack mate, pride mate, military romance series starter, forbidden love, hidden love, first in series I took this assignment in Afghanistan to prove my wretched, disconnected father wrong but an unexpected ambush has us on the run. (Scrolls Book Three) Vietnam War vet turned deep-sea treasure hunter Digger Sullivan scratches out a living, and this new commission is just another job--albeit an exciting one--off the Florida coast in 1977. But while exploring the area, Digger and his crew encounter one shark too many. Reef and his shark shifter clan are charged with protecting a vital, magical secret--two of four scrolls that, when brought together, could annihilate shifters across the world. But Reef can't keep his head in the game around this intriguing diver, and it's not long before Digger takes one of the scrolls topside. Reef now has two missions: seduce Digger and recapture the scroll. Despite his attraction to Digger, Reef's priority must be reclaiming the scroll. For Digger's part, he can't keep his eyes off the flirty young man on his boat. While he doesn't know what Reef could want with a

scarred old vet, he's not going to pass up an opportunity of pleasure. Unfortunately for Reef, he loses sight of his duty and all his plans go awry. Then Digger's crew is captured by the very person who commissioned them, and Reef and his shark clan are the only things standing between them and death. Second Edition with revised and expanded text. This cougar stalks his prey, whether for the dinner table or the bedroom. Ava was dealing with the death of her mother, a recent move to Colorado from California, and now an encounter with the first shifter she has ever met. Though she knows that Colorado has many shifters compared to California, she just wasn't expecting to meet one on her first day upon arriving in the small town after moving in with her uncle. She also wasn't expecting to feel so strongly attracted to him... Candor was used to a certain stability in his life. That all shattered the day a group of rogue Shifters entered his territory and murdered his brother. Though his main priority is to protect his kin and rid his land of these invaders, he can't deny the way this human woman, Ava, is igniting something deep within him. But the closer Ava and Candor become, the more dangerous this small town becomes... Every Monday in 2019 I'll be releasing a brand new novella for you to gobble up! He spent most of his life out at sea, and a few nights a year at a bar known for treating military men decently. He never found being at the bar as entertaining as the rest of unit, that was until she walked through the door. Tabitha was just a simply girl, going to the bar to be a wingman for her friend obsessed with military men. She never saw the point in trying to land one herself, she was never considered the attractive type of woman. So when the sexy naval commander chose to sit next to her, her world turned upside down. Together they discover an entire new world of desire and love. The only question both of them are secretly asking is “ Do they feel the same? ” Tabitha may get her answer before Jacob hears his, but it ' s up to these two to decide what is more important, A Normal life, or a life filled with love. Save by Her Bear Kate Matthews, sergeant in the Aniok Island Sheriff's department, is sinking into mean, self-pitying martyrdom, and the man who can cure her doesn't like her very much. The Sheriff tells her to bring in a new recruit, John T. Dunnigan. Kate knew him in high school and considers

him a weak, limp, useless man. She meets John and fails to see his new body or attitude. She does everything she can to drive him away. She's got a real tool for that. If John joins the Sheriff's office, he becomes a werebear, alternately man or a Kodiak bear, 1500 pounds of muscles and claws. He also has to take Kate as his mate. Forever. She's almost persuaded him to leave when they answer a call to a girl Kate knows. Her nasty mean surface character drops away when she takes the girl in her arms to comfort her. John sees it and tells her he'll take the job. Will Kate accept John's love and face life again or will she lose her courage and allow herself to drown in a sea of helpless self-loathing. Unbearable SEAL When Crag Boulder is sent to Vancouver Island on a special mission the Navy SEAL has no idea that the trip will change his life forever, as well as extending it by several hundred years. In a bar in the northern town of Port Hardy Crag meets Honoria, a girl he was once at school with, who never gave him the time of day. Now she 's in the Navy too, and all of a sudden she wants him and can 't get enough of him. In his room she bites his neck. What seems unusual, perhaps playful foreplay, turns out to be something else completely and Crag finds that he has been shapeshifted into a Werebear, with abilities he could only have dreamed of. But that 's not all he has to contend with. From mating with Honoria, to saving the President of the United States from assassination, Crag is in for the wildest ride of his life. And if he survives it, what else will lie in store for the newest bear in SEAL team 13? HERO Martha lives alone and spends her nights alone with just a bottle of wine for a companion. Cougar shifter Taylor Morrison is undercover, a fresh face in a town known for its troubles. While integrating into Quickdraw's criminal underbelly to find the source of its drug problems, he inadvertently discovers his fated mate in a headstrong woman named Jada. Jada is the daughter of the new police chief, a man who strongly objects to his child associating with a known felon. But fate waits for no one, and if Taylor wants his girl, he'll have to play a dangerous game to maintain his cover while proving he's more than a criminal identity. Taylor can't allow Jada to know his true purpose in Quickdraw, but can she see beyond the phony image? The sweet human is pregnant with my pup. We had one night together, and then she ghosted. Apparently, I'm not part of her ' life plan ' . Whatever, angel. Plans change. She thinks I'm a player. That I won't stick around. She thinks I don't have what it takes to be a dad. That I won't drop everything and dedicate my life to our baby. To our family. To her. She's wrong. She thinks I'll walk away? She has no idea what she's in for. A wolf never walks away from his mate, and he always protects his pups. I may not have marked her yet, but I will. And if she tries to run, I'll follow. I'll hunt my beautiful female to the ends of the Earth. When a team of hot, rugged veteran shifters joins forces to protect and serve their kind, nothing could ever prepare them for their most important mission of all: finding their mates. Read the entire Special Ops Shifters series in one sizzling, action-packed collection! Book 1: Daddy Soldier Bear As soon as I encountered Nikki, my bear went wild with need. But my mate died in childbirth years ago, and as a military trained doctor, I still beat myself up for not being able to save her. I never thought I'd love again. But the way my bear yearns for her now has me thinking otherwise.

No matter what my bear wants, I won't give up until I get to the bottom of the mystery behind Nikki's three devious mates. I can't let my heart get involved. Or can I? Book 2: Fake Mate For The Soldier Lion God, I've been craving a mate for far too long. But between my tactical missions with the Special Ops Shifter Force and working my ass off, I've had no choice but to ignore the roar of my inner lion. Until the day a sassy, iron-willed lioness showed up at the Force's secret headquarters unannounced. Desire surged through my veins the moment our feline eyes met, lighting every cell in my body ablaze. We weren't recruiting, but our Alpha reluctantly agreed to deploy her on a test mission-where she and I will be posing as mates. The only problem? I know she's my one true match. And dating within the Force is strictly forbidden. Will honor and duty keep my inner big cat from finally claiming what's his? Book 3: Captured By The Soldier Wolf I was sent on a covert mission to infiltrate a pack in the Rockies, but once I met the Alpha's raging hot sister, I knew this mission was going to be a hell of a lot harder than I thought. She'd returned to her home pack with her little boy after a messy divorce, hoping to piece together a new life. But one night deep in the forest, she overheard my phone call with the Force, leaving me no choice but to take her hostage. I've gotta keep my cover and protect the integrity of the mission. But when tensions rise between that hot little wolf and I in the middle of the woods, will we be able to ignore the demands of our inner beasts? Book 4: Christmas With The Soldier Dragon I'm the only shifter of my kind, never knowing the sense of family that comes with being part of a clan. The rest of my comrades are celebrating the holidays with their mates, and that only magnifies the issue. So when I was presented with a mission to investigate a mysterious case of shifter disappearances around Lake Tahoe, I jumped at the chance to get away from it all. But when I arrived, I came face to face with another dragon in the lake. Everything I've known to be true was suddenly turned on its head, awakening the fire that had long been dormant in my heart. Finding her was the greatest Christmas gift I could've ever imagined. But with threats around every corner, will my dreams of finally having a mate be torn apart? Steamy shifter scenes inside! Readers 18+. Bad Boy Billionaire Bear Shifter Brock Tandell is the new Mayor of New Orleans. Most are envious of what he has and what he's accomplished, but he will defend his Mate and rebuild his city against all odds, especially when a group of Human Supremacists come after them! Gia Carosa is about to start her new job, as the administrative

assistant to New Orleans' newly elected mayor, Brock Tandell. Brock's life is already interesting enough, being a Bear Shifter and all, but it's about to get downright exciting as an anti-shifter group turns violent. There's a natural divide between the paranormal and the human and mistrust is commonplace. So commonplace that The Human Order seems to have no trouble recruiting in its protest against shifters. But Brock and Gia will need to learn to trust each other in the face of unnerving odds if they are to escape this threat, and if there is going to be any chance of them finding love. Brock and Gia are left scrambling to defend their loved ones, and each other, in the face of a quickly growing threat that seems to be leaps and bounds ahead of them. To complicate matters the chemistry between them is sure to put "SCANDAL" in the headlines. This full length bear shifter paranormal romance novel has all the action, steam and true love that only a Fated Mates story can deliver! Now an unfairly handsome troubleshooter is here to try to tempt him back. To complicate matters, he might just be Alec's mate. Despite their differences, Alec wants to make it work (as mates—not partners). But it'll take time for Dean to figure out what he wants. No matter the attraction between them, it might take an awfully long time. Fortunately, Alec can be as patient as a tree...even if he can't keep his nose out of Dean's job... A shifters and partners novel (standalone) 52,000 words Low heat Parker's life takes an unexpected turn when she inherits her hoarder mother's estate, but sinking every penny into it was the only option to save it from foreclosure. Little did she know, her problems were just beginning. After a drunken night of online chatting, Parker awakens to find six of the sexiest veteran shifter cleaners on her doorstep. She's never heard of shifters, and why are all six of them calling her mate? As Parker struggles to come to terms with her newfound identity, she finds herself drawn to each of the shifters in different ways. But with the estate on the brink of collapse and a

demon determined to steal her soul while destroying everything she's worked for, she doesn't think she can and embrace her destiny as the mate of these powerful shifters? As passion and danger collide, Parker must navigate a world she never knew existed and fight to protect the people she loves. Will she be able to rise to the challenge and find happiness with her six shifter mates, or will the forces against them prove too strong to overcome? Taking Out the Trash is first in a series of big, burly, tatted, veteran shifter polyam romances with a bi main character exploring her desires for the first time. Male/Male military romance at its very best. OFF BASE After trading the barracks for a fixer-upper rental, navy SEAL Zack Nelson wants peace, not a roommate—especially not Pike, who sees things about Zack he most wants to hide. Pike ' s flirting puts virgin Zack on edge. And the questions Pike ' s arrival would spark from Zack ' s teammates about his own sexuality? Nope. Not going there. But Zack can ' t refuse. Pike Reynolds knows there won ' t be a warm welcome in his new home. What can he say? He ' s an acquired taste. But he needs this chance to get his life together. Also, teasing the uptight SEAL will be hella fun. Still, Pike has to tread carefully; he ' s had his fill of tourists in the past, and he can ' t risk his heart on another, not even one as hot, as built—and, okay, yeah, as adorable—as Zack. AT ATTENTION Lieutenant Apollo Floros can ace tactical training missions, but being a single dad to his twin daughters is more than he can handle. He needs live-in help, and he ' s lucky a friend ' s younger brother needs a place to stay. He ' s surprised to see Dylan all grown up with a college degree...and a college athlete ' s body. Apollo ' s widowed heart may still be broken, but Dylan has his blood heating up. It ' s been eight years since the teenage Dylan followed Apollo around like a lovesick puppy, and it ' s time he

showed Lieutenant Hard-to-Please that he 's all man now—an adult who 's fully capable of choosing responsibility over lust. He can handle Apollo 's muscular sex appeal, but Apollo the caring father? Dylan can 't afford to fall for that guy. He 's determined to hold out for someone who 's able to love him back, not someone who only sees him as a kid brother. ON POINT Pushing thirty, with his reenlistment looming, decorated navy sniper Maddox Horvat is taking a long look at what he really wants in life. And what he wants is Ben Tovey. It isn 't smart, falling for his best friend and fellow SEAL, but ten years with Ben has forged a bond so intimate Maddox can 't ignore it. He needs Ben by his side forever—heart and soul. Ben admits he likes what he 's seen—his friend 's full lower lip and the perfect muscles of his ass have proved distracting more than once. But Ben 's still reeling from a relationship gone to hell, and he 's not about to screw up his friendship with Maddox, too. Jennifer Ashley 's New York Times bestselling Shifters Unbound series continues as a Shifter and a human are faced with the unexpected, undeniable pull of a bond... As the military liaison between the human Shifter Bureau and Shifertown, Walker is often stuck trying to appease both sides—and angering both. So when bear-Shifter Rebecca is captured taking a run in a restricted area, Walker has to talk fast to get her released. The compromise: if Rebecca helps him find a missing woman—thought to have been abducted by a Shifter—she won 't be charged and executed. Mate-less Rebecca is not happy to be under Walker 's supervision. As a bear used to roaming for miles, she hates being confined and restricted, she distrusts anything involving humans, and—worst of all—the strong and handsome Walker starts triggering her mating need. They have no choice but to work together, and as they continue their search for the missing girl, uncovering secrets neither Shifters nor humans want them to know, both Walker and Rebecca find it hard not to mix business with pleasure... Includes a preview of Jennifer Ashley 's upcoming novel Mate Bond. Praise for the Shifters Unbound series:

She lives in the Southwest with her husband and cats, and spends most of her time in the wonderful worlds of her stories. Alex Menkaure, former pharaoh and mummy, and his vampire partner, Marcus, born in ancient Rome, are vice cops in a special Miami police unit. They fight to keep the streets safe from criminal vampires, shape-shifters, bootleg-blood dealers, and antivampire vigilantes. When poisoned artificial blood drives vampires to murder, the city threatens to tear itself apart. Only an unlikely alliance with former opponents can give Alex and Marcus a fighting chance against an ancient vampire conspiracy. He left an arm behind in Fallujah, but he'll tear apart anyone who threatens his mate. Briggs Dawson was just trying to lay low. After gaining national attention as the first and only Bear Shifter drafted into a professional football league, he left amid swarming controversy. He decided to serve his country and went overseas, returning as one of the many wounded. Now, just as he's trying to adjust to being a civilian, his past and his future collide. Katrina Crawford wanted to get help for her brother Toby, but there was only so much you could do. You could drag a horse to rehab but you couldn't make him work the program, as the saying went. With her lab working her overtime coming up with a prototype prosthetic, the little fights with Toby about his lack of sobriety were all that was keeping her sane. Before either of them know it, their world is turned upside down and they're forced to fight for their lives and their love! This 50,000+ word novel has hot Bear Shifter action, a Happily Ever After, no cheating and no cliffhangers! A Hidden Clan Kind of Runaway Bride Romance He ' s a retired SEAL and friend of Broken Peak Pack, she left her clan and the mate chosen for her behind. But she ' s his first love and he ' s determined to save her ... if they can navigate the relationship minefield. Boone Freeman has a legendary reputation as a SEAL, both as a team leader and a man who doesn ' t do relationships. Ever. After retiring from the Navy, at the request of his old friend Vixen he comes to Broken Peak, where fate has plans for him that includes more than just missions. When he finally talks with one of the shifters in Hidden Clan, she threatens his commitment to no commitments. Bella is beautiful, intelligent, and a fierce mountain lion shifter, but she has a problem. The male her former Clan Chief chose for her won ' t take no for an answer, even after she ran away to the sanctuary of her uncle ' s clan. When her rejected mate ' s obsession turns deadly, love confronts the danger. Will Bella lose the man she loves or will her love be enough to save Boone? Jake Billings is too dangerous to love.

The Zenith Paranormal Organization is the last line of offense against the drug cartels. This elite crew of Shifters will do whatever is necessary to bring these criminals to justice. Jake Billings is a man transformed. This is literal when his Inner Bear comes forth to destroy his enemies, but it's also true of what his time in the USMC did to him. The things he saw and did hardened him into what he is now: a ZPO operative. Losing his mother to an overdose gives him a drive unmatched by more mundane law enforcement. Hot on the trail of the vermin poisoning this small West Virginia town, he is thrown a curve-ball when he has to become protector instead of hunter. Who is this young lady that makes him feel like no one ever has before? Stephanie Simmons is living a life according to her plan. As a very successful paralegal, she gets to focus on the work that has come to take up her life, and that's just fine with her. Who needs men, anyway? Their needs, their demands, their jealousy...it's just not part of her plan. But after a terrifying night where she loses consciousness, she realizes that she can't do it all alone and she should be open to what the world throws at her. To hell with her plan. Life is for living. USA Today Bestselling Author Becca Fanning is excited to bring you the first Mountain Bears fated mates novel! Sit down and buckle in: this is going to be a bumpy ride! Cassandra Wilson's world was just turned upside down. Someone broke into her studio and destroyed the art she'd put her heart and soul into. Pressure from her older brother and her Alpha has her accepting protection from the Beta's brother. She finds the ex-military non-shifter a sexy distraction. But when reality breaks through and reminds her that someone is after her, will Max be able to save her? Max Lawson knows he needs to get his act together. The last mission that forced him from the military still haunts him at night. When he's asked to help guard one of the woman in the Pack, Max isn't sure he's the right man for the job. He's never really felt like he belonged with the others since

he is the only non-shifter around. But he owes his brother and accepts the job. Cassandra isn't anything like he'd imagined. She's strong and stubborn and he finds himself falling for her. Max needs to fix himself before he can even think about being the kind of man that Cassandra deserves. Resisting the sweet sexy artist, however, is easier said than done. When danger threatens to take her away before Max even has a chance to prove himself to her, he must fight with everything inside him—being able to shift...or not.
