Carter didn't believe in true mates... until he met Brand One scent was all it took. There was one big problem... when he met Brand, he was at a prenatal visit with his mate, Aaron, for their first child. And Brand was Aaron's doctor. Carter wasn't going to let the pull he felt toward Brand ruin what he had with Aaron, though, and Brand kept silent, so he let it fade. Six years later, a car crash changed Carter's life It tore Aaron from him and broke his little boy in ways they are still trying to heal two years later. Carter's had two years of grieving, and he's ready to see if Brand and fate will give him another chance. Brand absolutely believes in true mates... and Carter isn't his When Carter approaches him, Brand has no idea what he's talking about. Brand's never experienced that lightning from the sky moment, the fireworks, the scent--but he wants it. He wants it all. And he's not going to take anything less than everything, no matter how attractive Carter is. If Carter can't win Brand over the easy way, he's determined to do it the old fashioned way: with lots of wooing. But unknown to them, Brand has come to the attention of a group that poses a danger to all shifters everywhere, and their problems are just beginning. Unexpected Mate is a 61,000 word novel with pregnancies galore, danger lurking in the shadows, and finding healing in those you love. After Dr. Brand Delaney's capture and rescue, the White Falls pack is desperate to know more about the secretive group Gecko Labs. But Gecko has beefed up security since their last break in, and getting in with brute force is impossible. After discovering the lab experimenting on shifters, Alpha Alice Williams needs someone she can trust to go undercover at Gecko Labs. Eric Lundgren is an alpha, a loner and a geneticist, which makes him the perfect wolf for the job, though he feels completely out of his depth, even more so when he finds his mate among the prisoners. Omega Victor Cowen, "the human calendar," spends his days counting seconds, minutes, and hours, trying to make sense of the passage of time in captivity. The lights are on all the time; the meals come at irregular hours. The only way the prisoners know what day it is by Victor's calculations. When Victor finds his mate, he feels beyond betrayed that the man is working with his captors. But Eric quickly finds a way to tell Victor he is there to help, and for the first time, Victor feels

a sense of hope. Before Victor, spying on Gecko Labs was an academic challenge, but now his mission is all too personal. The longer Eric stays, the harder it is to hide who he is and his connection to the captive omega, but if he is to save him, he must. Jared's used to living off the streets and stealing to survive, so when a dragon snatches him from the border patrol and promises to meet his every need, he's pretty sure he's dreaming. That is until the dragon drops him in the middle of a fairy tale. Tristan can't believe it. After years of searching, he's finally found his mate. A human omega too! Convincing the human to go with him is one thing, but getting Jared to carry his son will take some time. Will Tristan win Jared's heart, or are the fates playing tricks on his mind? Omega Caden Grant is broke and desperate when he wins an all-inclusive vacation to Paradise Ranch in Knot Valley. He can't wait to sip drinks served poolside by waiters in chaps. When he discovers "Paradise" is actually Pair-A-Dice Ranch and nothing like the brochure, he's ready to hop on the next plane back to LA, but sexy cowboy Jett Cassidy offers him an irresistible deal if he'll stay. This may not be the vacation he envisioned, but Jett is just the alpha for his needs—whether he knows it or not, he's going to be his first lover. Ride a cowboy... Jett can't help but being drawn to Caden, but he's going to blame biology. Alphas are hard-wired to be tempted by omegas. That's all it is. Jett's time and energy belong to the ranch, so he definitely doesn't need or want a handsome city slicker luring him away from his chores. Fortunately, the distracting omega will only be on the ranch for a week, and Jett needs the good review. But when Caden's vacation comes to an end, will Jett be able to let him go? Welcome to Knot Valley, a sleepy small town in Eastern Washington. Ready or Knot is the 3rd in the series about super dominant alphas and quirky omegas finding love and creating families in an alternate universe where mpreg is possible. Some of the books are reimagined from a different series. If you like your MM steamy and endings happy, this hot series will get you right in the feels. After serving five years of a ten-year sentence for a crime he didn't commit, coming home to Knot Valley after being vindicated should be alpha Luke Barker's triumph. All he wants is the life he was supposed to have—a thriving farm, a strong family, and a house full of kids. He should have learned by now that nothing is fair, and he'll have to work just as hard to make it on the outside as he did to survive in prison. The fields are fallow, his house is falling down around his nearly catatonic father, and his ex-boyfriend is somebody else's husband now. But he's not giving up. He'll replant the crops, fix the house, and find an omega of his own. Not in that order, because a man has needs, and his have been denied too long. Michael, the quirky omega waiter at the diner downtown, could use someone looking out for him, and Luke needs a favor in return. Starting with a baby. This farmer is about to take a husband. Welcome to Knot Valley, a sleepy small town in Eastern Washington. Forget me Knot is the first in the series about super dominant alphas and quirky omegas finding love and creating families in an alternate universe where mpreg is possible. If you like your MM steamy and endings happy, this hot series will get you right in the feels. He's determined to bring two enemies back together...but his own heart gets in the way. When pregnant omega Sivney is asked to take care of a wounded alpha named Naran, he agrees. Naran is combatant, bitter, and determined to keep everyone at a distance, but especially Lev, the fellow alpha he betrayed in the worst way. Not that that's hard, since he's confined to his room after injuries to both his legs. Sivney thinks that's BS. It's easy to see Naran and Lev belong together, even though relationships between two alphas are uncommon. But Lev needs something only Naran can give him, so Sivney is determined to bring them back together. It works, until his own feelings get in the way...And outside the PTP ranch, things get worse and worse... How will the pack survive? Alpha's Obedience is book 7 in the Irresistible Omegas series, a bestselling mpreg romance series which needs to be read in order to enjoy the plot lines fully. This slow burn enemies to lovers MMM romance has a little kink and ends on a happy for now, but these three will get their happy ever after in the next book. Omega on the run When Brenden realizes he's being sold to the highest bidder by his stepfather, he escapes and runs into trouble—literally into a ditch. The hottie tow truck driver who rescues him is all the things Brenden forgot existed in a man—kind, protective, calm. The last thing he wants to do is endanger his knight in shining armor—the goons after him are dangerous. Alpha with a hunger After a rocky childhood, the last thing Hale thought he ever wanted was children, so he's always stayed far away from omegas. Until the day Brenden crashes into his life. Suddenly, all his primal instincts are engaged, and he'll stop at nothing to keep the omega with an attitude safe. Safe from everyone but him, that is. Whether Brenden knows it or not, he's just found his forever. Welcome to Knot Valley, a sleepy small town in Eastern Washington. Wedding planner Eliot can't help but believe that every wedding he creates will end in true love, even though statistics are against him. That's what keeps him going—through the bridezillas, missing caterers, and difficult wedding parties. Darcy doesn't believe in true love. He hardly believes in friendship. He sees weddings as a waste of time and energy, and has no problem saying so... right in front of a Eliot at a wedding he planned. That should have been their one and only meeting... but Eliot's sister and Darcy's best friend are falling each other, throwing the two against each other over and over, until simmering passions bubble over into one hot, unexpected night, ending in an unexpected pregnancy. Eliot doesn't want to tell Darcy... but he can't hide it either. How can he reconcile his desire to never see Darcy again with his moral responsibility toward his unborn child? ***Pride and Pregnancy*** is an MPREG *Pride and Prejudice* retelling. Be prepared for family shenanigans, strange wedding customs, and hot, adult scenes you won't find in the original! 18+ readers only, please! (I don't want your mom coming after me!) Beaten and lied to by his previous alpha, Wyatt Fleming has been recovering from his past: by running his own restaurant, and being the best dad to his daughter, Hazel. No one knows his

deepest secret: Nine years ago, he kissed his alpha stepbrother in the family's piano room. Raph has never forgotten that kiss. Not when Wyatt had looked at him, wide-eyed and beautiful. Nine years ago, their grandmother caught him kissing Wyatt. Wyatt had fled, entangled himself in an abusive relationship. By not rescuing him, Raph had helped ruin his brother's life. Saddled with guilt, Raph wishes he had fewer regrets: he should've stood up to Grandma, should've gotten himself out of debt, and stayed with the one omega he could never let go. When their father throws a party, Raph finds Wyatt in heat. Their simmering embers kindle into a roaring flame; after a steamy night together, Wyatt discovers that he's pregnant. Raph refuses to fail his omega again. Wyatt refuses to abandon his innocent child. As their relationship intensifies, both men face the very real danger... of their family and pasts coming to pull them apart. Omega's Step Brother is a 97,000-word alpha/omega nonshifter MPreg romance, with a hilariously adorable 9-year-old, some angst, lots of food, and an alpha who has loved his omega for the longest time. Warning: This book contains references to past domestic/emotional abuse. Full list of warnings available on the Look Inside. If those are your triggers, please exercise caution when reading! When two friends decide to explore a haunted house, they assume the only moans that night will come from ghosts. However, not only do they end up investigating spooky noises but also their relationship! Nate is intrigued by the idea of filming a movie inside an old, Southern plantation house and enlists the help of his best friend to scout the location. Sick of working his dead-end retail job, Felix reluctantly agrees to tag along. But an afternoon of fun turns into an evening of passion and the two men are left looking at their friendship in a whole new light. What started out as a bit of fun ends up changing the lives of this alpha and omega forever. Riley Morgan went to the lake to ride out his heat alone, but due to his intense urge to have sex, he sleeps with Endre, an exceedingly handsome, random guy he meets. When Endre's knot begins to form, he realizes they aren't just having sex, they're mating. Endre has a problem. He glossed over the obvious signs that Riley is an omega and ends up locked inside him. There'd be major repercussions if the world found out the Prince of Andolva was an alpha and impregnated an omega, so he has to bid him farewell. But after they part ways, he knows he made the wrong decision. Now they can't seem to find each other, and if Endre can't locate Riley soon, they might never see each other again because The Omega Relocation Unit, a branch of the government that hunts down omegas and traps them in preserves, has been on patrol in Riley's neighborhood. One misstep from him, and he's taken away forever. THIS BOOK ENDS ON A CLIFFHANGER BECAUSE THE STORY CONTINUES IN BOOK TWO. Alpha/Omega Non-Shifter MPreg / Gay Dystopian Novel In a Post-Apocalyptic America, some roads lead to danger. Others lead to love. Experience has taught Cassian that Omegas live with brutality and one role: reproduce and repeat. Desperate for another life, he dares to navigate the wastelands with his best friend Diego in tow. Unfortunately, the decaying ruins are no place for unclaimed Omegas. Their brazen quest leads them to Harper, an Alpha, who has had his world turned

upside down and his heart torn to shreds. To survive, Cassian and Harper are forced to work and live together. Will that new-found alliance bring them closer as Alpha and Omega or put them further at odds? This post-apocalyptic gay romance contains detailed descriptions of steamy bedroom encounters and is told with dual perspectives from the Alpha and Omega. Note: There is a side-quel called Omega Way in the same universe which follows Diego's journey. Each is written as a standalone and meant to be enjoyed on their own, although they reference events in the other story. A crush that turns into an unforgettable night...Cam is the odd man out, the only Omega firefighter in Millerstown. He doesn't have the traditional body of an Omega and doesn't act like one either, which is why he's sure nothing will ever happen with his crush on the older Police Chief, Derek Williams....with unforgettable consequences. It was just a night of passion, never to be repeated. At least that's what Derek tells himself. Cam is too young, he needs someone closer to his age who can treat him with tender kindness, not a hardened police chief who has seen way more than he ever wanted to. Except, when Derek discovers Cam is in trouble, he doesn't blink before breaking Cam's door down. At the hospital they both get a big surprise. Cam is expecting Derek's child. Now all Derek has to do is become the Alpha his Omega needs while protecting him from the criminal who wants revenge.***Crying Out Loud is 28K sweet mpreg romance. It is book three of the series Millerstown Moments. It contains mpreg, an accidental baby, and a guaranteed Happy Ever After. An old flame is rekindled, but there's more at stake here than just their hearts. Timothy Snow lands his first job right after college graduation. The handsome, young Omega has his work cut out for him, managing the restaurants at his family's ski resort. Everyone is depending on him to get the business back in the black. If he can't turn things around, the family could lose everything. Timothy works hard, and struggles against unhelpful family members, but there's no relief in sight. The last thing he needs is a distraction. Especially not, Derek D'angelus, the sexy, playboy Alpha he knew in college. Derek's rich parents just cut him off. The boy who was born with a silver spoon in his mouth is sleeping on his cousin's couch. Worse, he's having to apply for gainful employment. The last person he expects to meet is his college crush, Timothy. Their attraction is still as strong as it was two years ago. Snowed Inn is still in financial peril and Timothy knows that it's up to him to save the business. When Timothy finds out he's got a baby on the way, he faces an uncertain future. A playboy partner, who might not be ready to be a dad and a ski resort on the edge of bankruptcy. Alpha's Snow Angel is an mpreg romance, featuring old friends becoming lovers and an HEA with a bouncing baby. Steer clear if you're averse to hot, sweaty, baby making between two men. It's lonely at the top of Olympus. Hot-headed Zeus used to be King of the Gods. He did what he wanted, when he wanted, and no one, not even his wife, Hera, could keep him under control. His passions were legendary, and no mortal could resist his advances. He and his brothers ran wild on Earth. Bedding and breeding countless mortals until the jealous goddess' rebelled and cursed their wayward husbands. After centuries of anger, the brothers have finally deciphered the promise of an ancient oracle that will change their lonely existence forever, and usher in an age of New Olympians. Cameron was a theatre student, sure, he's been around the block before, but

no one had ever caught his eye like Zachary. The muscles, the beard, the tattoos... he was everything that Cameron should have known to run far away from, but there was an electricity between them, something he couldn't explain... what he doesn't know is that Zachary isn't everything he says he is, and there's more at stake than just some Friday night hookup. Cameron's demand for truth and honesty in a relationship could spell the end of his dreams, or carry the promise of something beyond anything he could ever have imagined. Lightning Strikes is book 1 in the New Olympians series. This novella is 32,000 words, with an HEA featuring an independent omega with big dreams and an alpha-god to claim him. Can fate melt an icy alpha's heart? August Channing The way his hips gyrate drives me wild, his eyes can see into the soul. The camera loves him as much as everyone else. I can't get enough of watching my favorite alpha cam hunk Z strut his stuff, the lights shining on his oily muscles just right. I'd give anything to be the omega in his arms. One drunken night in Vegas made that wish come true when I wake up naked next to Z himself with his mark on my neck and a surprise that will change everything. I want to believe its fate, but if it is, then how could it go so wrong? ZI'm the black sheep. The imperfect son. The icy alpha who will give one night of pleasure and never see you again. My rules are simple: Keep everyone at surface level, strengthen my walls, and wear a mask to hide my true self. In secret, I'm one of the most popular alpha cam hunks in the world. But one night of passion and a marked omega are enough to shatter everything. He looks innocent, but his heart is as fiery as his red hair and I can't get him out of my mind. Did he also shatter my icy heart? Z is book one of Live Alphas featuring an omega with a heart of gold and a grump-alicious alpha with a wall around his heart that is as high as the great wall of china. Don't worry, our omega will crush that wall to pieces and use that rubble to build us a heartwarming HEA in time to meet the parents for the holidays. Warning: Foul Language, some angst, sexual harassment, violence from a very angry overprotective alpha, and Mpreg A disappointing meeting... Mason longed to find his own mate someday. Being the only human living amongst a pack of wolf shifters made him wish for a fated mate like the rest of his family had. When his foster brother becomes mated to a dragon, the longing becomes unbearable. Then Mason met his mate... it was nothing like he'd hoped for. A risk he can't take... Broderick knew loss all too well. During the war, it was the Stone dragons that fell the hardest. Two thousand years later, he still didn't want to put his heart on the line again. The easiest thing to do would be to push his mate away. That way both their hearts would be spared. But when Mason has to stay with Broderick for his own protection, it's hard to not fall for the human. Unfortunately,

Broderick's not the only one who realizes what a catch Mason is... ****This is a short (25,000 words), sweet romance with a HEA. It contains mpreg and is the third of the Dragons Series. One is forsworn. One is forsaken. One will pay. Noah and Luther are in love. The problem, Luther is a beta, Noah is an omega, and their mating is forbidden. Worse, if Noah can't find an acceptable alpha in the next three days, he will have no choice but to mate with Raymond, an alpha he despises. Then Arthur arrives, and everything falls apart. Arthur is an alpha with a secret. He and his mother were betrayed, and both wear the mark of it. Now, Arthur will stop at nothing to make the alpha who cursed them pay. Now, with revenge in his teeth, Arthur's own body betrays him. Twice. Will Arthur sacrifice love and happiness for vengeance? Or will he choose another path? Find out in Omega Challenge an action-packed Omegaverse romance. This is a short book set prior to the events of the other three books of the Pine Creek Lake series. But it wasn't the dragon that stuck in his mind, it was the man with the piercing blue eyes that captivated Frost's attention. He hid away in an abandoned cabin, never imagining that he'd be found by the man he couldn't stop thinking about and be pulled into a world he had no idea existed. A dragon on the hunt...Gale's ice dragon demanded he go north. Gale assumed the winter snow will satisfy his beast, but he found so much more hidden in his cabin. An enemy still at large...Determined to keep his mate safe from Molpe, Gale and the other dragons accept help and information from an unlikely source. Unfortunately, their enemies will stop at nothing to capture what they desire most. ****This is a short, sweet romance with a HEA. It contains mpreg and is the second book in the Dragons Series.This book can be read as a standalone, but would be best read in series order Gage has been keeping a secret for years... Gage wants to

accept Alice Williams' invitation to join the White Falls pack and leave the Cherry Creek pack behind him like a bad memory. That desire only intensifies when he finds his mate, Luke, who belongs to that pack. But ever since their parents died, or killed, as Gage suspects, his first concern has been to protect her younger brother, Sean, who has a gift Gage suspects Cherry Creek alpha desperately wants to control, and Gage doesn't know if he can trust the White Falls alpha to be any different. Luke will wait as long as he needs to... Unable to stay away now that he's found him, Gage still holds himself at a distance from Luke, not knowing how far he can trust him. Then the Cherry Creek alpha makes a move, and Gage finds he has no choice but to jump off the deep end. As Gage starts to believe he can have it all: trust the White Falls pack, protect his brother, and be with his mate and child, the Cherry Creek alpha realizes his prize is slipping his grasp, and he'll do whatever it takes to win. Driven to Mate is a 43,000 word novel that can be read as a standalone with no cliffhangers and a HEA. A shattered love...Six years ago, Oliver fell hard for an Alpha who was supposed to be his forever. He'd always want a happily ever after of his own, but he'd never expected to find it at eighteen. With a promise that they'd love each other until the end of time, Oliver jumped in head first and came out on the other side with a shattered heart and a baby on the way. A second chance...When his Omega ghosted him with no explanation, Philip tried to get on with his life. Unfortunately, love seemed to only strike once for him, so he remained alone. When Oliver comes back into his life, Philip demands answers. Starting with, whose child is that? Just as questions are answered and Philip and Oliver begin to trust again, Oliver uncovers secrets that could rip the town apart and put their son in danger. ***Dashboard Lights is 27K sweet mpreg romance. Dare, heir to the White Falls pack, has given up on finding his mate after six years of travelling the US and Europe. Evan is an omega without a pack, and no intention of ever joining one again. When Evan's best friend Cole, who happens to be Dare's younger brother, gets married, the two meet for the first time, and sparks fly. Neither can see what fate has brought them, but fate has a way of forcing her hand...

Accidentally Mated is an mpreg novella featuring fated mates. A hidden gift... Lux has tried to deny his gift for electricity his entire life, but when he meets Merek and sparks fly literally, he can't deny it any longer. He jumps head first into being a dragon's mate, but will Fate be enough to hold them together when the odds are stacked against them? A need to protect...Merek has failed to keep those he loves safe before, and he cannot let that happen again, not when his mate's life is in danger. He cannot prepare for his life with his mate and unborn child until the dragons and their families are safe from Molpe. Taking down Molpe becomes his only focus. ****This is a short (22,000 words), sweet romance with a HEA. It contains mpreg and is the fifth and final book of the Dragons Series. A secret marriage, a secret baby, and a secret mate—will Owen and Caleb ever find out they are meant to be? Caleb My stepbrother, Owen, is a beautiful, young omega, and I'm going to make him mine. I never thought I would find my omega so close to home. When my mother married his father, Owen became my stepbrother. Now his father's scheming is keeping us apart. I won't allow that. Owen is mine. No one will have him but me. Owen So much has happened since my father married Caleb's mother. We're stepbrothers, but we're so much more. My life is so complicated now. A secret marriage and a secret baby don't make it any easier for me to figure out what I feel for this gorgeous, domineering alpha. Is this real? Could we be fated for each other, or will my father's threat of an arranged marriage keep me apart from my alpha, the man I love? The winds of change are blowing, and even Hermes must choose a side... The Messenger of the Gods has been a neutral party in the war between the immortal Olympian gods for centuries. Zeus and his brothers on one side; Hera and her sisters on the other... there will be no peace between them while jealousy festers and anger and resentment keep their hold on the hearts of the gods. Hermes has seen it all, and listened, while both parties have ranted and raved about their mistreatment at the hands of the other. But when will it be his turn? The nursery at Olympus has been filling with noise and laughter, but while Hermes' uncles seek their own perfect match, he wallows in denial that the prophecy was even meant for him. How can he truly stay neutral in this war when his heart is pledged to the mortal who would bear his children? It's not fate he's avoiding, it's the knowledge that everything he is will be compromised. It would only take one moment of weakness, and every alliance that he has worked so hard to build will be shattered. Noah isn't a one-night-stand kind of guy, but when it comes to Lukas, he's made a month's worth of exceptions. A triathlete in the depths of competition training, Noah doesn't have time for much more, but there's something about Lukas that makes him want more than what's currently on offer... and frankly, he's tired of waking up alone. All it takes is one moment of strength, one step towards what he wants, and everything will change forever, but Noah has no idea what kind of change is coming, or what it will mean for his future. Blending into the woodwork may be the opposite of what most people want, but most people aren't Darren Jones, the youngest son in a large, boisterous family. Darren likes his quiet, settled life in small town Knot Valley, he likes it just fine. No drama, no excitement, and plenty of tea and books—an introvert's dream, He's totally unprepared for the hunky, alpha Sergeant Jameson Weaver to upend his family Christmas by doing the one thing most people don't anymore: see him. Newly retired Jameson can't help but notice the omega who thinks he's plain and hides behind his shyness. Something about him calls to all Jameson's primal alpha instincts to claim and protect—feelings the loner in him has never felt before. But he's only visiting for the holidays—he'd be no good for the younger man. Christmas has a way of working its magic, even if you don't believe in it. Well, Christmas and the folks of Knot Valley who know a good match when they see it. The grizzled, broody alpha and introverted, quiet omega may seem like opposites in every way, but love, cocoa, interfering families, and the spirit of Christmas can change their minds if they only change their hearts first.

Welcome to Knot Valley, a sleepy small town in Eastern Washington. Knot Christmas Without You is the fifth in the series about super dominant alphas and quirky omegas finding love and creating families in an alternate universe where mpreg is possible. Some of the books are reimagined from a different series. If you like your MM steamy and endings happy, this hot series will get you right in the feels. Genre: Alpha & Omega Non-Shifter MPreg / Gay Dystopian Novel

Can an artist not only survive but thrive in a Post-Apocalyptic America with nothing more than love, canvas, and a paintbrush? Diego's life revolves around his station in the empire. Painting and providing babies are his only duties. Any hope of escaping the breeding prison is unlikely. Even less likely is his dream of becoming an adventurous Omega like his best friend Cassian. Knowing their fate if they stay, the pair flee in hopes they'll be embraced and adored by kind Alphas. Brian's a scavenger and has little time or appreciation for anything beyond a gun and food reserves. Painting isn't useful, yet an Omega's skill with a brush might just transform his life and the planet in remarkable ways. This post-apocalyptic gay romance contains detailed descriptions of steamy bedroom encounters and is told with dual perspectives from the Alpha and Omega.

Note: There is a side-quel called Omega Road in the same universe which follows the other Omega's journey. Each is written as a standalone and meant to be enjoyed on their own, although they reference events in the other story. An omega scientist desperate to find a cure confronts his biggest challenge—an alpha heir determined to save his life... Scientist Phillip Anderson has dedicated his life to finding a cure for shifter cancer. He's an omega wolf—a shifter with a genetic mutation that allows a male to bear a child—and omega genes are the key to his breakthrough. He doesn't care that he's overworking himself, with no love life and nothing beyond his research. He only cares about ending the disease. The final thing he needs is a genetic sample from a lagodire omega. But the savage lagodire hybrids only live inside the ruins of Old Detroit. To help him, he wants to hire elite ex-soldier Lance Briggs. Which is a problem. Not only is Lance handsome and

tough, with a grin that gets Phillip's heart beating fast, but the man wants absolutely nothing to do with taking him into a dangerous, walled-off city filled with monsters. But Lance has a weakness that might sway things in Phillip's favor. The wolf shifter dreams of starting a family of his own, and Phillip is willing to give Lance anything he wants to find the cure to a deadly disease...including his heart. Years ago, Lance turned his back on the duties of an alpha heir and joined the elite Chimera Company to make a difference in the world. When a desperate Phillip turns to him for help, he can't find it in his heart to walk away, especially since the omega is exactly his type. But he refuses to let Phillip throw away his life chasing after mythical lagodire omegas. His refusal drives the scientist straight into the arms of a ruthless alpha who promises Phillip everything he wants. It soon becomes clear Phillip is little more than a prisoner, and the alpha intends to exploit the cure for his own profit. Lance must help the omega, but things are never easy, especially when Phillip has no intention of being rescued. After Lance gets Phillip pregnant, the stakes grow even higher. He must act quickly to save the omega who has stolen his heart and rescue the precious life Phillip carries inside... Reader note: contains M/M Mpreg, wolf shifters, hot romance elements, and male male love Nickolas As the first son of a wealthy family, there are expectations. He has to marry the right omega, and have blue-blooded children. Nickolas is prepared to do his duty until an encounter with an omega, so far from his world, changes everything. For the first time, he's met someone who sees him and not his wealth but can love overcome years of duty and expectations? Jaimie What is an omega to do when he is alone in the world? Survive of course. Jaimie leaves his small town for the city and for the first time in his life he gets to be young and free. But, no one has told him the consequences. Now he's pregnant by a man who thinks he's only good for one thing. Jay is proved right when he discovers that the alpha intended to save marriage and children for an omega who is more suited to his wealth and status. What is an omega to do when he's pregnant and alone and not sure he can trust his alpha? But now he has no other choice and only one person he can turn to. One is ruthless. One is deceived. One will win. An alpha of the Pine Creek Lake pack killed Devon's father. will never give up... Mike Sloan is U.S. Army Airborne and as tough as they come. He's just retired after a distinguished career and is enjoying a drink in a Detroit bar when Colin Parker walks through the door. The attraction is instant and staggering. Colin is everything Mike wants in a man—lean, gorgeous, and with soulful, unforgettable eyes. Perfect for a night of hot fun. There's also something about Colin that Mike can't deny, something that draws him irresistibly toward the other man. But the bar is a rough one, and not friendly to men who love men. Mike isn't worried. No one dares mess with him. But Colin is ambushed in the back of the bar when he's alone. Mike rushes to his rescue, saving him from a brutal attack. Blaming himself for not stopping it sooner, Mike's only choice now is to take Colin home and make him feel so incredible he will forget every bruise. But when Mike wakes after an incredible night together, Colin is gone... Not only is Colin gay, but he also has the rare omega gene, which means he can get pregnant. He's been on his own for years, roaming the country, never putting down roots. He distrusts strangers, but after Mike comes to his rescue, he loses all sense and gives in to his heart. But a scorching-hot night with Mike isn't enough to make him settle down anywhere for long. He's been on the road ever since his family disowned him for what he was. It's only a matter of time until Mike rejects him too, so it is best to leave. Only his luck has run out. He's pregnant with Mike's child. How can he ever face the man again? Little does he know that Mike is not a man to give up—ever—on having the thing he wants. And what he wants is Colin. Reader note: contains M/M Mpreg, alpha military heroes, hot romance elements, and male male love Falling for the one person you can't have? What else is Christmas for? Riley is an alpha with a problem: his family. Coming home for Christmas means more comparisons to his older brother Ethan, more disapproval from his parents, and more insinuations that it's high time he settled down with an "appropriate" omega--one his parents choose for him, of course. His one comfort is that his brother hasn't shown any signs of settling down yet, either. Until Riley opens the front door to find Ethan with an omega--a pregnant omega. An omega whose scent makes Riley's blood sing like no other omega has before. Falling for his brother's omega was not in Riley's plans for the holidays, but he can't seem to stop himself... Accompanying his "boyfriend" home for Christmas is a last-ditch attempt for Chris to fix a relationship that's already broken, if only for the sake of the child he's about to bring into the world. But some things are easier said than done... especially when coming face-to-face with Ethan's gorgeous brother makes things a lot more complicated. Protective, kind, supportive: Riley is everything Chris's baby daddy isn't. For the first time, Chris starts to envision a real family and a future full of love for him and his child... with Riley, not with Ethan. But when his head says one thing and his heart another, which one should he follow? A Family for Christmas is a 49,000 word slow burn omegaverse mpreg romance novel with no cheating, a guaranteed happily ever after, and plenty of Christmas cheer--not to mention the best Christmas gift an alpha and omega can ask for. Both will betray the pack. Can they save each other? In the Louisiana bayou, the bond between alpha and omega burns hot and dangerous. Kevin was a beautiful contradiction of vulnerability and fury wrapped in pure sex appeal. It was all I could do to hold my wolf in check. If I pushed too hard, I'd lose. I couldn't afford to lose Kevin. Already,

this omega had become precious. I hadn't come here to find a mate. That didn't matter. The omega was mine and I was his, whether we liked it or not. His name was Blaze, and Kevin was playing with fire. Our eyes met. It was just dinner. Blaze kept to the boundaries of our agreement, but I wanted more. I'd never felt this way about an alpha. Blaze was everything I wanted and everything I couldn't have. Alpha Blaze is an action-packed mpreg romance novel of 64,000 words with hot werewolf bikers, bad language, smutty-times, knotting, and men who get pregnant. Warning: this book contains a tough-as-nails omega struggling to overcome a painful past (incl. rape trauma and miscarriage) and a strong, sensitive alpha who will do anything to win his omega's heart.
