How To Think Like A Manager for the CISSP Exam Nov 27 2022 "How
do you think like a manager?" It is one of the most common
questions asked when preparing for the CISSP exam. Using 25
CISSP practice questions with detailed explanations, this book
will attempt to answer how to think like a member of a senior
management team who has the goal of balancing risk, cost, and
most of all, human life. The questions will take you through how
to resist thinking from a technical perspective to one that is
more holistic of the entire organization. Like all of Study
Notes and Theory's CISSP practice questions, these questions
correlate multiple high-level security concepts and require
thinking like a manager. Extracting the most value comes from
understanding not only which choice is correct, but more
importantly, why the other choices are wrong.
