Andrew Morton uncovers the true story of the biggest

celebrity of our age. Everyone knows Tom Cruise—or at least what he wants us to know. We know that the man behind the smile overcame a tough childhood to star in astonishing array of blockbusters: Top Gun, Rain Man, Born on the Fourth of July, A Few Good Men, Jerry Maguire, several Mission: Impossible movies, and more. We know he has taken artistic chances, too, earning him three Academy Award and Golden Globe nominations. But beyond that, the picture becomes a bit less clear... We know that Tom is a devoted follower of the Church of Scientology. We know that, despite persistent rumors about his sexuality, he has been married to Mimi

Rogers, Nicole Kidman, and Katie Holmes. But it was not until he jumped on Oprah's couch to proclaim his love for Katie and denounced Brooke Shields for turning to the "Nazi science" of psychiatry that we began to realize how much we did not know about the charming, hardworking star. For all the headlines and the rumors, the real Tom Cruise has remained surprisingly hidden—until now. Ba Jin was one of China's most influential and prolific Chinese authors. He was nominated for the Nobel Prize in Literature in 1975 for his masterpiece Family. He wrote more than 80 books that made him famous in China and throughout the

world. A history of the police drama Dragnet and its creator and producer Jack Webb, from its beginnings as a successful radio show to its acclaimed run on television in the 1950s and later color version in the 1960s. **TOTALLY UNAUTHORIZED, UNCENSORED, AND RAW!** This is the real story of Steve Austin and his meteoric rise to the top in today's hottest and wildest entertainment. An expose of the notorious Extreme Championship Wrestling—a must-read for all wrestling fans. The teen stars of Saved by the Bell entertained global audiences for over a decade. On TV, the actors in this ground-breaking

show portrayed characters of model behavior, though often indulging in a little innocent adolescent fun. But what was it like behind the scenes? What were these kids really like, and what was it like to live one's teenage years in front of the camera? Dustin Diamond, Saved by the Bell's Samuel Screech Powers, pulls back the curtains to reveal the truth about being a child star in Hollywood. Diamond shows what happens when kids grow up too fast, too rich, and too famous. Book jacket. Testosterone is neither the biological essence of manliness nor even the "male sex hormone." It doesn't predict competitiveness or

aggressiveness, strength or sex drive. Rebecca Jordan-Young and Katrina Karkazis pry testosterone loose from more than a century of misconceptions that undermine science while making social fables seem scientific. The co-founder of CNN offers a behind-the-scenes account of the tumultuous launch of the world's first twenty-four-hour, all-news network. From the back bedrooms of suburban London to the most powerful offices on Capitol Hill, this story takes the reader on a journey through the pioneering and exciting, yet controversial rise of Rockstar Games and the Grand Theft Auto franchise. Despite more than two

centuries of having tacitly recognized its enormous potential utility, the phenomenon of hypnosis has always been commonly regarded with outright Fear and Loathing. How is it possible that something as beneficial to humanity as hypnosis ever came to be viewed in such a horrible manner? I intend to show that the history of hypnotism provides us with the clue to this unfortunate legacy; and I've neither spared anyone's feelings nor pulled any punches in this quest to reveal the shamefully appalling level of incompetence and ignorance that has characterized the (mis)use of this phenomenon

since its discovery by Mesmer more than two hundred years ago. This is the first book to combine an authoritative history of the Star Trek franchise—including all six television series and eleven feature films—with anecdotes about the show from those who helped shape it from the outside in: the fans. Star Trek expert Robert Greenberger covers everything from show creator Gene Roddenberry's™ initial plans for a series combining science-fiction and Western elements, the premiere of the original series in 1966, its cancellation, the franchise's™ return in an animated series, and its subsequent history on

television and film, up to expectations for the 2013 J.J. Abrams film. Along the way, Greenberger analyzes Star Trek's unique cultural impact and tremendous cult following, including the famous (and first ever) save-the-show mail campaign. But this isn't a sugarcoated history; this book chronicles the missteps as well as the achievements of Roddenberry and others behind the franchise. Approximately two dozen sidebars provide personal experiences of dedicated Trekkies who influenced or became a part of the franchise. Star Trek fandom is unparalleled in the effects it has had on the franchise itself. The book is

illustrated with a large collection of photographs of memorabilia, many of which have never been seen before in print. Robert Pattinson: The Unauthorized Biography lifts the lid on the life of one of Britain's most popular exports. Talented, gorgeous and just as desirable as his on-screen alter egos Edward Cullen and Cedric Diggory, Robert Pattinson has won himself millions of devoted fans. With this, the first full-length biography of the silver-screen sensation, fans can learn everything there is to know about Rob: from his childhood in London, private school education and early success with the Barnes Theatre Company to his

modelling career and current star status. Virginia Blackburn intimately explores Rob's life, including his expert musicianship, his inspirations and ambitions, and the inside story of his other film roles. Featuring behind-the-scenes stories from the Harry Potter set and up-to-the-minute gossip from the Twilight movies, Robert Pattinson is a must-have for Twilight and RPattz fans alike . . . everyone's thirsting for it. A rags-to-riches saga ; the story of the Haymans rise to success--and the brainchild they loved and lost--Giorgio perfume. LADIES FIRST--OR ELSE! With her body of death, quick-fire moves, and show-no-mercy attitude, Joanie Laurer,

also known as "Chyna," has definitely earned her nickname: The Ninth Wonder of the World. NINTH WONDER OF THE WORLD They never know what hit 'em As a city of 2 million, Vancouver is not unusual in having two daily newspapers. What makes it an anomaly among North American cities is that the "Vancouver Sun" and the "Province" share an owner,

the former Pacific Press. In this in'death account, researcher Marc Edge traces the history of Pacific Press from its inception in 1957 to the Sun's shift to morning publications in 1991. "Pacific Press" analyzes the market, business, and labour forces that gave rise to and shaped Pacific Press. We also get intimate glimpses of the early Vancouver newspaper world, including insight into Robert Cromie, publisher of the Sun, and heirs Don, Bob and Sam. Tales of venerable editorialist Bruce Hutchison, red'baiting Province columnist Ormond Turner, warring "Sun" writers Allan Fotheringham and Doug Collins and many others enliven the narrative.

"Pacific Press" furnishes an invaluable history of newspapering in Vancouver that is also a gripping business saga. Chronicles the rise and expansion of the nation's number-one fast-food chain and the Horatio Alger life of founder Ray Albert Kroc. It was supposed to be a car dealership. Instead, it became one of the most famous American music venues of all time... Only one place in the whole world can claim to be both the Carnegie Hall of western swing and the penultimate stop on the Sex Pistols' infamous American tour. Now, for the first time ever, all the secrets of the hottest honky-tonk of the 20th

Century—Cain's Ballroom—are revealed, in the words of the people who made it happen. Spanning the famed venue's first 75 years, from 1924 through 1999, Twentieth-Century Honky-Tonk tells it all,

from Bob Wills and His Texas Playboys—who became a national sensation with their clear-channel ballroom broadcasts—to U2, the Police, and Van Halen—as Cain's became an essential stop for

breakout acts and cosmic cowboys. The book also covers cutting-edge alt-rock acts, metal bands, and off-the-wall attractions like ladies' mud wrestling (which worked) and Pig Time Racing (which didn't).
