Wonderfully accessible ideas for maintaining a stylish home, drawing on the ways French mothers and grandmothers manage their

households. French houses ooze with charm—and their inhabitants, despite busy schedules, regularly entertain at home. What are the secrets for leading such a chic lifestyle? In this insightful tome, lavishly illustrated with images of a country residence in a romantic French town, de Dampierre shares her knowledge of ways to achieve a warm and inviting home. Her continental traditions make beautifying your house a joy. Household chores—from stocking the pantry to washing and storing delicate linens to cleaning wooden and stone surfaces—are discussed. Tips for adorning your home range from lining dresser drawers with pretty papers and enhancing them with homemade scents to creating delicate floral arrangements of fresh-cut blooms for pleasant accents throughout your rooms. Basic instructions are also provided for designing a simple and attractive aromatic kitchen garden full of herbs, fruit, and vegetables, whether on a plot of land or in attractive containers; its produce then becomes the basis for preparing fresh, seasonal recipes to share with family and friends. Palm Beach interiors have long reflected the travels, penchants, and whimsies of the town's worldly inhabitants. But as real estate on this tiny barrier island becomes increasingly valuable, residents are calling upon world-class designers to help fine-tune their visions, giving rise to a fresh tropical design vernacular. Fashion designer Josie Natori, for instance, asked architect

Calvin Tsao to transform a standard two-bedroom apartment into an airy retreat with rattan furniture and ethnic accessories that are perfectly suited to Palm Beach's subtropical setting and pay tribute to her Asian heritage. These homes aren't slavish copies of interior design magazines or decorators' dictates but testaments to what can be achieved when inspired by the natural beauty of a unique locale and when imagination is one's only limitation. Tropical Chic: Palm Beach at Home captures the enduring charm of newly restored seaside fantasies by Mizner, Fatio and Volk, celebrated for their Cuban coquina courtyards and soaring miradors overlooking tiled pools and arching fountains. Jennifer Ash Rudick, a long-time Palm Beach resident, leads an insider's tour of twenty-five houses, cottages, Moorish casbahs, artists' compounds, and Mad Men-era vintage condos. Jessica Klewicki, a Palm Beach-based photographer, captures extraordinary gardens, verandas, lakeside pavilions, a rustic ranch, and simple pastel Bermudan houses sheltered by dense thickets of Norfolk pines and age-old banyans. It is this eclectic mix of old and new, of Spanish and Caribbean, of contemporary design and sun-faded WASP thrift, that makes Palm Beach chic. Pattern sheets in sleeve affixed to page 2 of cover. Presents tips and inspiration for designing rustic wedding decorations, providing an alternative to traditional ballroom

weddings and suggesting such non-traditional locations as country farms and backyard venues. Sew your own stylish clothes with this fabulous sewing book. Inspired by Paris, this lighthearted and deceptively wise contemporary memoir serves as a guidebook for women on the path to adulthood, sophistication, and style. Jennifer Scott's self-published success is now a beautifully packaged and fully illustrated gift book, perfect for any woman looking to lead a more fulfilling, passionate, and artful life. Paris may be the City of Light, but for many it is also the City of Transformation. When Jennifer Scott arrived in Paris as an exchange student from California, she had little idea she would become an avid fan of French fashion, lifestyle, and sophistication. Used to a casual life back home, in Paris she was hosted by a woman she calls "Madame Chic," mistress of a grand apartment in the Sixteenth Arrondissement. Madame Chic mentors Jennifer in the art of living, with elegance and an impeccably French less-is-more philosophy. Three-course meals prepared by the well-dressed Madame Chic (her neat clothes covered by an apron, of course) lure Jennifer from her usual habit of frequent snacks, junk food, sweatpants, and TV. Additional time spent with "Madame Bohemienne," a charming single mother who passionately

embraces Parisian joie de vivre, introduces readers to another facet of behind-closed-doors Parisian life. While Francophiles will appreciate this memoir of a young woman's adventure abroad, others who may not know much about France will thrill to the surprisingly do-able (yet chic!) hair and makeup lessons, plus tips on how to create a capsule wardrobe with just ten useful core pieces. Each chapter of Lessons from Madame Chic reveals the valuable secrets Jennifer learned while under Madame Chic's tutelage—tips you can master no matter where you live or the size of your budget. Embracing the classically French aesthetic of quality over quantity, aspiring Parisiennes will learn the art of eating (deprive yourself not; snacking is not chic), fashion (buy the best you can afford), grooming (le no-makeup look), among other tips. From entertaining to decor, you will gain insights on how to cultivate old-fashioned sophistication while living an active, modern life. Lessons from Madame Chic is the essential handbook for a woman that wants to look good, live well, and enjoy that Parisian je ne sais quoi in her own arrondissement. Frenchwomen--particularly those 40 and over--are role models for stylish and gracious living, what the French call l'art de vivre. American-born fashion journalist Tish Jett, who has studied these women for years, shared their beauty secrets in her first book, Forever Chic. Now she explores why Frenchwomen of a certain age are master hostesses and homemakers, expert practitioners of les bonnes manières as well as everyday elegance, savoir-faire, and as a result, la joie de vivre. Jett explains how to entertain like a Frenchwoman, including a glimpse into the typical French larder from which a delicious meal can be thrown together with ease, to detailed instruction on laying a beautiful table and crafting a perfect

cheese plate (did you know that when cutting from a wedge of cheese, slice from the back to the point, which is the "heart" of the cheese, and as such considered the best part and not to be lopped off so others cannot enjoy it). She explores everyday style and elegance, disclosing how to create that special *bien dans sa peau* (to feel good about oneself) sensation so coveted by Frenchwomen. Jett also shares the importance of discipline, which goes hand in hand with beauty--a well-ordered closet, be it for clothes or linens, translates to easy everyday elegance. With tips on adjusting your beauty and style regimes seasonally, charmingly packaged with color illustrations, *Living Forever Chic* is a delightful gift for the Francophile in your life.
