Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." —The New York Times "Deserves a place on the same shelf with The

Diary of a Young Girl by Anne Frank." —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

Return to the Reich Nov 11 2020 The remarkable story of Fred Mayer, a German-born Jew who escaped Nazi Germany only to return as an American commando on a secret mission behind enemy lines. Growing up in Germany, Freddy Mayer witnessed the Nazis' rise to power. When he was sixteen, his family made the decision to flee to the United States--they were among the last German Jews to escape, in 1938. In America, Freddy tried enlisting the day after Pearl Harbor, only to be rejected as an "enemy alien" because he was German. He was soon recruited to the OSS, the country's first spy outfit before the CIA. Freddy, joined by Dutch Jewish refugee Hans Wynberg and Nazi defector Franz Weber, parachuted into Austria as the leader of Operation Greenup, meant to deter Hitler's last stand. He posed as a Nazi officer and a French POW for months, dispatching reports to the OSS via Hans, holed up with a radio in a nearby attic. The reports contained a goldmine of information, provided key intelligence about the Battle of the Bulge, and allowed the Allies to bomb twenty Nazi trains. On the verge of the Allied victory, Freddy was captured by the Gestapo and tortured and waterboarded for days. Remarkably, he persuaded the Nazi commander for the region to surrender, completing one of the most successful OSS missions of the war. Based on years of research and interviews with Mayer himself, whom the author was able to meet only months before his death at the age of ninety-four, Return to the Reich is an eye-opening, unforgettable narrative of World War II heroism.

She will equip you with tangible and applicable solutions for every part of your dating life, helping you recognise that men hold as much power in our romantic lives as we grant them. In the past, dating books tend to lean more into the territory of 'how to make him find you hot!', 'how to make him jealous!', 'how to get him to propose!'. But these how-tos are placing men on a pedestal of being 'the prize'. Men are NEVER the prize. You are. Let *The Slumflower* show you why.

Build a Bridge and Get Over It! Apr 28 2022 Unity.  
Jesus prayed that his followers would experience it. The apostles worked hard to achieve and maintain it. Christians today rarely enjoy it. God's desire is for our churches, marriages, families, and interpersonal relationships to be characterized by unity and agreement. But all too often, strife and discord prevail instead-why? Because we fail to realize that our differences-be they doctrinal debates, generational clashes, or other personal preferences-don't have to create division. Unity and unison are two entirely different things. The key to practicing biblical unity is to "build a bridge and get over it!" Drawing insight from key passages of Scripture as well as years of leading a dynamic and diverse congregation, this author

explains in very practical ways how we can improve our relationships and deal constructively with our differences and disagreements as followers of Christ. Paul Earl Sheppard has been senior pastor of Abundant Life Christian Fellowship in Mountain View, California since 1989. Under Paul's visionary leadership, this church has become one of the largest and most racially diverse congregations in northern California. He serves as speaker for Enduring Truth, a popular daily radio program heard on stations and networks around the country. A native of Philadelphia, Paul has studied at the University of Pennsylvania, the Center for Urban Theological Studies, and the Southern California School of Ministry. He holds a Master's degree in Ministry and a Doctorate of Divinity. Paul sits on the board of directors of NRB (National Religious Broadcasters) and is a highly sought after speaker and conference leader. He was married to his wife, Meredith, in May 1982. They have two adult children, Alicia and Aaron.

Why They Just Can't Get Over It \_\_\_\_\_ Feb 24 2022 Slavery may have ended in 1865, but the pains, prejudices, and traditions of four hundred years of slavery have continued through the generations and are ingrained in our modern psyches. Present-day America is still a breeding ground for hate crimes and racism because passed-down hatred is just as potent as firsthand hatred. We are not at fault-we were never slaves or masters, ourselves-but this is our problem all the same. And we must make it our mission to break the cycle of abuse, cope with our legacy of hatred and mistrust, and heal ourselves with the kind of understanding and dialogue that Why They Just Can't Get Over It delivers. Skelton's groundbreaking, hard-hitting book addresses the reasons that our nation has become so divided and dysfunctional and covers why we have a disproportionate level of social problems in the black community, including out-of-wedlock births, divorce, violence, drugs, and the number of black men in prison. But most importantly, the sensible and spiritual principles and practices set forth in this illuminating and motivating guide empower Americans to move beyond the dark and wretched era of slavery and commit their hearts, minds, and lives to overcoming racism forever.

Get Over It! May 10 2023 Today—as repeated attempts to "fix ourselves and our lives" fail—many of us face

unprecedented fears about the future, struggle with unspeakable life tragedies, and sink under the belief that certain lives do not matter in our society. Others confront our epidemic of anxiety with fierce resistance, or "the fight to be right," criticizing anyone and everyone just to end up stuck. In the face of such pervasive human suffering, New York Times best-selling author and legendary life coach Iyanla Vanzant challenges us: What if it's not them—what if it's you? What if you need to "get over it"—and get over yourself? Because no matter how much we would like to blame people and circumstances beyond our control, the truth is staggeringly simple: anything and everything we experience is a function of what and how we think. In *Get Over It!* Iyanla offers a unique spiritual technology called "thought therapy," a process that harnesses proven spiritual tools with the science of neuroplasticity. The 42 prayers and affirmations, and complementary energy-clearing tools at the heart of the thought therapy process are designed to neutralize and eliminate the unconscious, unproductive, soul-destroying dominant negative thought patterns (DNTPs) and discordant emotional energies, allowing you to get to the root cause of your personal suffering, and make life-affirming choices. If you're ready to break free of your ego's resistance and willing to face yourself, willing to change, and willing to heal and grow—then now's the time to *Get Over It!*

Get Over Yourself Apr 04 2020 Many books have sought to introduce the writings of the infamous and influential philosopher, Friedrich Nietzsche, but Get Over Yourself puts matters the other way round. Rather than simply explaining his thought, it instead asks: what would Nietzsche make of us? What would he think of our 21st-century, digital age? In our time of identity politics, therapy culture, 'safe spaces', religious fundamentalism, virtue-signalling, Twitterstorms, public emoting, 'dumbing-down', digital addiction and the politics of envy, the book introduces Nietzsche by putting the man in our shoes. Get Over Yourself both uses Nietzsche's philosophy to understand our society, and takes our society to explain his philosophy.
