Ours is a generation of brokenness. Personal and global strife has led many to question the existence of a loving God--or of a God at all. Drawing from his own story of brokenness and redemption, evangelist Tony Nolan wants to change all that. In this stirring call to walk the talk, Nolan calls on Christians to be modern-day Good Samaritans, not so they can pat themselves on the back, but so that they can model the love of Christ in a hurting world. From the foreword by Johnny Hunt: "If there was ever a generation or a time in history when people were in need of hope, it is now. This book has the potential to touch a generation not only in America but literally all over the world as we consider that the deepest need, the deepest hurt, and the deepest wounds can only be healed in the person of the Lord Jesus Christ." With Society Crumbling Around Us, It's Time to Rebuild We live in a post-Christian age marked by moral and spiritual decay. We have watched our comfortable walls collapse as our faith has been attacked on every side. But take heart! God can raise up leaders dedicated to defending His truth and following His blueprints for holy living. One of those leaders might be you—because no matter where you live and what you do, you have a circle of influence. And your influence is desperately needed. How does a believer construct secure barriers to hold back the discouragement and moral danger of this world? Respected ministry leader Michael Youssef takes you through the book of Nehemiah to help you learn the keys to godly leadership and restoration. Discover what it takes to rebuild walls in this highly relevant study of a people who traded their rubble for rejoicing. We live in a deeply broken world . . . but there is hope. Sexuality is a fundamental part of what it means to be human—part of God's beautiful design when he created all things. And yet, sex in our world today looks nothing like the way that God intended it to be. Sexual brokenness surrounds us and, in one way or another, affects us all. This sexual brokenness reveals our deep need for redemption—something quick fixes, mere behavior modification, or a set of rules can't provide. Honest and direct yet kind and caring, this book points us to the only place we can find help for sexual brokenness—the transforming grace of Jesus Christ. Only this grace offers hope for a life of freedom, purity, and joy as God intended. Before God touched his heart and transformed his life, Rudy Rasmus was a businessman running a "borderline bordello" in Houston. But thousands now know him simply as "Pastor Rudy"-with a downtown ministry at St. John's Church that he and his wife Juanita started to reach out to those who Jesus called "the least of these." TOUCH is the amazing story of Rudy's life and ministry of grace that is changing lives daily. The church has become one of the most culturally diverse congregations in the country with people from every social and economic background, including the homeless, sharing the same

pew. Pastor Rudy's message to touch the lives of those in our own communities has a lesson for us all. Pastor Rudy is also a featured contributor to O, The Oprah Magazine-answering questions on ethics and marking one of the few times O has asked a Pastor to serve in this manner. What role does Scripture play in counseling? Today, we face a weakening of confidence in the Bible. This is just as true for the pastor offering counsel in his office as it is for the person in the pew talking with a struggling friend. We need to regain our confidence in God's living Word as sufficient to address the real-life issues we face today. Scripture and Counseling will help you understand how the Bible equips us to grow in counseling competence as we use it to tackle the complex issues of life. Divided into two sections, Part One develops a robust biblical view of Scripture's sufficiency for "life and godliness" leading to increased confidence in God's Word. Part Two teaches how to use Scripture in the counseling process. This section demonstrates how a firm grasp of the sufficiency of Scripture leads to increased competence in the ancient art of personally ministering God's Word to others. Part of the Biblical Counseling Coalition series, Scripture and Counseling brings you the wisdom of twenty ministry leaders who write so you can have confidence that God's Word is sufficient, necessary, and relevant to equip God's people to address the complex issues of life in a broken world. It blends theological wisdom with practical expertise and is accessible to pastors, church leaders, counseling practitioners, and students, equipping them to minister the truth and power of God's word in the context of biblical counseling, soul care, spiritual direction, pastoral care, and small group facilitation. Christopher Ash asks the question "How can the ordinary local church help restore the fractured world we live in?" in this Bible overview. It doesn't take a long list of statistics to convince you that our world is broken. Mission trips, service projects, and supporting children through relief organizations are just a few of the ways that many youth workers engage their students in serving the least, the last, and the lost. As good and helpful as these things may be on the surface, that's where they remain—at the surface. The problems run far deeper than an occasional paint job or fundraising project can solve. But it's not hopeless. Deep social justice is possible in your youth ministry. Following their bestselling book, *Deep Ministry in a Shallow World*, Kara Powell and Chap Clark provide you with research and insights that will help your ministry get to the next level. In addition to helping you further understand the Deep Design method (introduced in their previous book), their practical Kingdom of God theology will help you go beyond simply trying to motivate your students to serve those in need, and invite your students (and maybe even your leaders) to wrestle with why those people are in need in the first place. You'll hear from well-known social justice leaders and youth workers who are making a difference in urban, suburban, and small town settings including:

- Jim Wallis (Sojourners)
- Tony Campolo (Eastern University)
- Lina Thompson (World Vision/Vision Youth)
- John Perkins (Christian Community Development Association)
- Shane Claiborne (The Simple Way)
- Larry Acosta (Urban Youth Workers Institute)
- Rudy Carrasco (Harambee Christian Family Center)
- Jeremy Del Rio (Community Solutions, Inc.)
- Noel Castellanos (Christian Community Development Association), and more

In addition to expanding your personal justice commitments, *Deep Justice in a Broken World* will help you reflect with your own leadership team, and will provide you with online resources to take you even deeper into the journey. So go ahead, dig deeper into what it means to heal the broken world in which we live. Take your ministry deeper into social justice. Broken marriages, shattered friendships, racial divisions, war between nations—we live in a fractured world. How can the pieces be put back together? In this eleven-session LifeGuide® Bible Study on Ephesians Paul lifts the veil from the future to allow us to see God's plan to unite everyone and everything in Christ. Studying this book will renew your hope. Sally Read converted from atheism to Catholicism when her daughter, Flo, was only four years old, but it did not take long for the child to become aware that many friends and relatives did not share her mother's newfound faith. This consciousness of "two worlds" led to a great many doubts in Flo, and some rebellion. Two nights before her First Communion she suddenly questioned whether she should receive the Eucharist. Sensing the precarious nature of faith in an overwhelmingly secular world, Read began writing down the compelling reasons for holding on to both God and Church. Taking the Annunciation as her template, she explored common experiences of the spiritual life as she meditated on each part of the story recorded in the Gospel of Luke. Drawing on Scripture, the saints, and the lives of people she has known personally or professionally as a nurse, Read shows how God is with us always—even in suffering, spiritual dryness, and depression. Although inspired by a mother's

loving response to a daughter, this book will speak to any believer engaged in the bliss and the bewilderment of a relationship with God. Kit Includes: Six 30-minute lessons on DVD and CD, Participant book, Leader guide, Promotional material (Also available by clicking button below). Strong Bible teaching, practical insights, Side-splitting humor. One-of-a-kind experience for married couples and those who plan to be married. Do today's believers know how to be not simply good citizens but good Christian citizens? Are they ready to respond to contemporary public policy issues such as genocide, global AIDS, global warming, and human trafficking according to Scripture rather than any particular political agenda? A growing segment of them are, even if they aren't quite sure how to accomplish it. This book is for them. With American evangelicals having more political influence today than ever before, this book is especially important. The opening chapters establish the foundational biblical principles that are relevant to our lives as Christian citizens no matter the topic. Author Steve Monsma next highlights crucial global issues in which believers are called to live out their faith. Forgoing ready-made answers, Monsma encourages a reflective, thoroughly biblical response via a lively writing style. His book will equip all believers to make godly, humanitarian choices rather than purely political ones. A DVD featuring a 10 minute introduction to each chapter of this book is available from Crossway at www.crossway.org or from the Henry Institute for the Study of Christianity and Politics at www.calvin.edu/henry. It is ideal for use in classes and discussion groups. Moe-Lobeda shows how the advent of globalization places a new horizon on the spiritual quest for religious experience. "Healing a Broken World" places spirituality and contemplative experience in relation to today's most-pressing problems. A deep exploration of the intersection of faith, creativity, and justice from acclaimed hip-hop artist and creative polymath Sho Baraka "Sho has the courage to say what many are thinking and the candor to say what many are not. His words have positively influenced me for years—now this book gives the world that influence."—Lecrae You were created to help bring truth and beauty into this broken world. God made you with an imagination and a yearning for justice. No matter your calling or vocation, you can help shape a better world around you through your creativity. But that doesn't mean it will be easy. We are surrounded by toxic stories and bad cultural thinking. We're held back by incomplete theology. But does it have to be like that? Is frustration the end of the story? In the face of confusion and injustice, we can lose sight of our true narrative—the one that started in a garden and wants to make our real lives better today. In *He Saw That It Was Good*, activist and recording artist Sho Baraka wrestles deeply and honestly with these questions, gives you permission to do the same, and shows a hard-earned path to creative change. With Sho, you'll engage with art, justice, and history. Learn from the powerful principles of historic movements, explore why it's important to cultivate your creative calling (no matter what you do!), and discover a fresh look at how the gospel can transform how you see God, your neighbor, your work, and your world. You'll return to your biggest and truest story. Your life (and your world) need never be the same. Discover God's plan for mending our broken world We're saved by the free gift of God - but how free is that gift when our lives are demanded in return? Many Christians are confused by the relationship between the grace of God, and the role of laws and commands in the Christian life. What does it mean to live a life of grace? How does grace help us grow? And are we "once saved always saved?" In this short, readable book, Michael Jensen explores the Bible's teaching on these important questions and delivers some surprising conclusions. J. Philip Wogaman challenges preachers not to retreat from the world and to reconsider what they leave out of their sermons. In this helpful guide, he discusses the biblical and theological grounding of prophetic preaching, the pastoral and liturgical setting, Christian moral decision making, and appropriate issues for discussion from the pulpit. He also includes his most compelling sermons, identifying the setting and goals of each. God sees the poor as blessed. Rich and Reneé Stearns show us why. We often separate ourselves from people who are different from us, sometimes even intentionally. This book is a great reminder of all the things we share in common—hopes, dreams, heartaches—and most important of all, it reminds us that He walks among us. All of us. This book offers great perspective from our brothers and sisters around the world. Rich and Reneé Stearns have traveled the world visiting the most poverty-stricken habitations imaginable, and they've discovered an amazing and common occurrence among the people who live there: joy can be found no matter how dire your circumstances. *He Walks Among Us* is a 90-day devotional giving readers an up-close and personal view of Christ in the lives of mothers, fathers, and children who have so little, yet are so rich in His spirit and love.

Christians who are interested in or committed to missionary outreach will encounter the transforming power and courage needed to make a difference in someone else's life. The authoritative biography of Henrietta Szold, founder of Hadassah, introduces a new generation to a remarkable leader who fought for women's rights and the poor. Born in Baltimore in 1860, Henrietta Szold was driven from a young age by the mission captured in the concept of *tikkun olam*, "repair of the world." Herself the child of immigrants, she established a night school, open to all faiths, to teach English to Russian Jews in her hometown. She became the first woman to study at the Jewish Theological Seminary, and was the first editor for the Jewish Publication Society. In 1912 she founded Hadassah, the international women's organization dedicated to humanitarian work and community building. A passionate Zionist, Szold was troubled by the Jewish-Arab conflict in Palestine, to which she sought a peaceful and equitable solution for all. Noted Israeli historian Dvora Hacoheh captures the dramatic life of this remarkable woman. Long before anyone had heard of intersectionality, Szold maintained that her many political commitments were inseparable. She fought relentlessly for women's place in Judaism and for health and educational networks in Mandate Palestine. As a global citizen, she championed American pacifism. Hacoheh also offers a penetrating look into Szold's personal world, revealing for the first time the psychogenic blindness that afflicted her as the result of a harrowing breakup with a famous Talmudic scholar. Based on letters and personal diaries, many previously unpublished, as well as thousands of archival documents scattered across three continents, *To Repair a Broken World* provides a wide-ranging portrait of a woman who devoted herself to helping the disadvantaged and building a future free of need. *Fathers & Sons* is a two-volume series containing 48 readings. These books allow over a year of close fellowship between father and son, with the goal of leading sons toward Christian manhood. Taking serious issues seriously, yet promoting a joyful life of enjoying the pleasures of God, these books show how, when a young man makes decisions about the direction his life will take, the stakes are high. *Dangerous Christian* is a war cry for intimacy with God. It's easy to equate following Jesus with being nice. Fighting, for all intents and purposes, has become what the bad guys do. That's the message Shay Robbins learned growing up. Be a good guy. Keep your cool. And don't get too passionate—that's a fast track to sin. But perhaps fighting itself isn't the problem—maybe it's what we're fighting for. We cut other people down to prove our point. We do whatever it takes to get ahead. We puff up our chest and strut around hoping to get others' approval. And many times, we fail to even recognize the spiritual battle raging just beyond the curtain of our senses. In a world obsessed with status and self-satisfaction and a Christian community caught up in culture wars, *Dangerous Christian* offers an invitation to a radically different way of life. Weaving together personal experience and biblical truth, Shay takes readers on the journey of developing brave hearts to engage our broken world through: - Discovering the radical, passionate love of Jesus Christ -Cultivating a posture of humility and dependence on God -Experiencing intimacy with God that changes us from the inside out -Unleashing the power of the Holy Spirit to fight spiritual battles -Breaking free from fear and turning our wounds into weapons This book is not about working harder or doing more. It's an invitation into a deeper relationship with Jesus Christ, which can transform us from passive believers into dangerous weapons for the Gospel. A *Dangerous Christian* sees the world, themselves, and other people differently. Appearances don't matter so much anymore. Physical prowess is no longer how strength is measured. Faith is. Humility, toughness, prayer, and passion to follow Jesus—that's what has the power to change our world, make the devil tremble and bring glory to God. You and I were created to fight against evil with our Heavenly Father by our side. Following Jesus isn't for wimps. It's the most dangerous thing we could ever do. It will take toughness and grit, passion and gutsiness. But it may not look like you'd expect. Brokenness has become endemic in our days. In poll after poll, the vast majority of respondents say that our country is fundamentally broken. Our political system is broken. Our economy is broken. Our very society, the way we live together, our values, our priorities, all of them are broken. For Christians, however, the brokenness of the world and their own brokenness should not come as breaking news; in fact, brokenness and the healing of brokenness are at the

very heart of the Christian faith. Christians believe that God became a human being in Jesus who suffered and died on the Cross. He came to be among the broken-hearted in a broken world. That's the very painful, yet comforting thought behind this book. When Jesus left the most exclusive gated community in the universe to come live with the people he loved and gave his life for, he turned everything we know and believe about life on its head. Jesus said that he came to bring good news to the poor, but most Western Christians remain disconnected and isolated from the poor and their contexts of injustice. Even our churches echo society's pressure to isolate ourselves from the margins (e.g. by moving to a better suburb) and instead teach us how to be "nice people" who worship a "nice Jesus" and don't disrupt the status quo. Convinced that Jesus places love for the poor and the pursuit of justice central, Craig Greenfield has sought to follow in Christ's footsteps by living among people at the edges of society for the last fourteen years. His quest to follow this Subversive Jesus has taken Craig and his young family from the slums of Asia to inner city Canada and back again. This is the story of how Jesus led them to the margins: initiating the Pirates of Justice flash mobs, sharing their home with detoxing crackheads, welcoming homeless panhandlers and prostitutes to the dinner table, and ultimately sparking a movement to reach the world's most vulnerable children. This book is a strong and potentially controversial critique of the status quo too often found in our churches, but it offers an inspirational and hopeful vision of another way. While readers may not relocate to a slum, they will certainly come to view their lives and ministry through a fresh lens—reconsidering how they are uniquely called by Jesus to subversively love the poor and break down systems of injustice in their sphere of influence. A deep exploration of the intersection of faith, creativity, and justice from acclaimed hip-hop artist and creative polymath Sho Baraka "Sho has the courage to say what many are thinking and the candor to say what many are not. When confronted with the prevalence of sexual violence in Kenyan and Zambian communities, filmmaker Nikole Lim committed to advocating alongside her courageous African sisters to end the cycle of violence through faith, education, and self-empowerment. Weaving together these women's powerful stories, Lim paints a picture of God's grace and healing amid fear and trauma. "Greg Paul tells of whores and crazies, misfits and rejects that sound as if they stepped out from the pages of the Bible." -Eugene Peterson Sam has survived physical, sexual, and substance abuse, terrible violence, and life on the streets. Wendy lives for the next high on crack, oblivious to her boyfriend's love. Neil is dying of AIDS. These are the people of inner-city Toronto. Look into their distorted, obscure faces, their fractured lives, and catch a glimpse of the sublime. Greg Paul calls them tragic heroes—individuals who can offer a testament to God's love and mercy. With emotional depth and spiritual intensity, Greg's compelling stories reveal that people with desperate lives have precious lessons to teach us about the character of God. *God in the Alley* offers a profound message of grace and calling that each one of us needs to hear. "The experience of reading this book haunts, convicts, delights. But one thing is for sure: you don't want to miss it." -Mark Buchanan, author of *The Holy Wild: Trusting God in Everything* "Greg Paul writes beautifully and welcomes us into the life he lives... playwright who authored some 30 plays and an equal number of philosophical writings. This volume presents a translation of his four act play, *The Broken World*, with illustrations, commentary, a companion essay by Marcel titled *Concrete Approaches to Investigating the Ontological Mystery*, and a number of relevant appendices. Annotation copyrighted by Book News, Inc., Portland, OR Sarah The barge ponders the intersection of faith and medicine in this insightful narrative of her medical mission trip to Togo, West Africa. Sarah The barge, a Yale-trained physician assistant, nearly died of breast cancer at age twenty-seven, but that did not end her deeply felt spiritual calling to medical missions in Africa. Risking her own health, she moved to Togo, West Africa-ranked by the United Nations as the least happy country in the world-to care for sick and suffering patients. Serving without pay in a mission hospital, she pondered the intersection of faith and medicine in her quest to help make the world "well." In the hospital wards, she witnessed death over and over again. In the outpatient clinic, she daily diagnosed patients with deadly diseases, many of which had simple but unavailable cures. She lived in austere conditions and nearly succumbed herself in a harrowing bout with malaria. She describes her experiences in gripping detail and reflects courageously about difficult and deep human connections-across race, culture, material circumstances, and medical access. Her experience exemplifies the triumph of surviving in order to share the stories that often go untold. In the end, *Well* is an invitation to ask what happens when, instead of asking why God allows suffering to happen in the world, we ask, "Why do we?" Vocation is more than a job. It is our relationships and responsibilities woven into the work of God. In following our calling to seek the welfare of our world, we find that it flourishes and so do we. Garber offers here a book for parents, artists, students, public servants and businesspeople—for all who want to discover the virtue of vocation. How can we love our neighbors amid so much division and hurt? Loving your neighbor as yourself would be easy if your neighbors were all people you understood, people you agreed with, people like you. But what about playground bullies, colleagues, refugees, online adversaries? They're all our neighbors, and Jesus said to love them. Every one. But how? Lauren Casper believes the key is the lost art of empathy, stepping into other people's shoes and asking what if?—what if it were my child? What if it were me? Casper helps us discover how to identify our blind spots and tune our hearts to the stories around us; seek and extend forgiveness with grace and humility; and engage in diverse and meaningful relationships. Following these steps will enable us to connect in simple but life-altering ways, to respond to conflict with grace, bring about needed change, and shine God's unconditional love into a dark world. "This is a book about love. It's about how you choose to love and who you choose to love, but most of all it's about the God who first chose to love you and the ways his incredible love can shape our own relationships. In a world where teenage girls are bombarded by different messages about love, dating and marriage, God's voice can get lost in the noise. Take some time to discover the kind of love God wants for you. Learn how listening to God and choosing to love like he does even when it's difficult can lead to real, deep satisfaction and a love that helps others see the heart of God. You might just find that God's design for relationships is bigger and more wonderful than you ever imagined! Each chapter includes questions to think about, Bible passages to help you dig deeper and discussion questions to use if you'd like to read this book with a parent or youth leader."...amazon.com Workbook to accompany DVD study. This also covers how these chain reactions were started from the first lie off of Satan's lips to Donald Trump and the United States in Bible prophecy! And also, it tackles Bible prophecy compared to predictions of Nostradamus, the French astrologer and physician. And they all lead to and point to our White House of today and Donald Trump, our president! It's time to wake up and smell the coffee. We are in the evil days and times. From what sources might one find the resolve to begin a rebuilding process? "The fact is," writes Gordon MacDonald in *Rebuilding Your Broken World*, "the God of the Bible is a God of the rebuilding process. And not enough broken people know that." No stranger himself to brokenness, Gordon MacDonald draws from personal experience and discusses the likely sources of pain, the humiliation, and the long- and short-range consequences of a broken personal world. And he offers encouraging answers to the questions everyone asks when their worlds fall apart: Is there a way back?
