She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away. From the New York Times and international bestselling author of Sometimes I Lie comes a brand new, highly anticipated, dark and twisted thriller: I Know Who You Are. Meet Aimee Sinclair: the actress everyone thinks they know but can't remember where from. Except one person. Someone knows Aimee very well. They know who she is and they know what she did. When Aimee comes home and discovers her husband is missing, she doesn't seem to know what to do or how to act. The police think she's hiding something and they're right, she is—but perhaps not what they thought. Aimee has a secret she's never shared, and yet, she suspects that someone knows. As she struggles to keep her career and sanity intact, her past comes back to haunt her in ways more dangerous than she could have ever imagined. In I Know Who You Are, Alice Feeney proves that she is a master of brilliantly complicated plots and killer twists that will keep you guessing until the final page. What is the essence of Christianity? How does the Christian Faith relate to the Jewish Faith? How do we understand and interpret the New Testament (= NT)? Are there any principles and rules as well as tools which can guide us, so that we can understand the

NT as it was intended? Is the NT passé and out of date, as some think, who compare it with the world view of Egypt and Mesopotamia 2000 years B.C.? The Author produces concrete evidence that the Greek world view that the NT shares, was quite modern, laying the foundation for all modern sciences. The supposed conflict between science and Faith is a myth! The author's insights into the language and culture of the NT offer the reader a unique possibility for a fuller understanding of the NT. The reader is offered all the help he/she needs with many examples of how to go about in order to understand the NT in depth. I may find a way from this dreadful place, away from this cursed spot, from this cursed land, where the devil and his children still walk with earthly feet!' Young lawyer Jonathan Harker travels to Transylvania on business for a mysterious Count. Months later in England, beautiful Lucy Westenra falls ill and dies, inexplicably, as if from a severe loss of blood. Lucy's friends, including Jonathan's fiancée Mina and the intrepid doctor Van Helsing, must begin a desperate battle against a powerful, ancient evil, in Bram Stoker's definitive gothic tale. How you can enrich your life by becoming a more skillful and engaged reader of literature We are what we read, according to Robert DiYanni. Reading may delight us or move us; we may read for instruction or inspiration. But more than this, in reading we discover ourselves. We gain access to the lives of others, explore the limitless possibilities of human existence, develop our understanding of the world around us, and find respite from the hectic demands of everyday life. In *You Are What You Read*, DiYanni provides a practical guide that shows how we can increase the benefits and pleasures of literature by becoming more skillful and engaged readers. DiYanni suggests that we attend first to what authors say and the way in which they say it, rather than rushing to decide what they mean. He considers the various forms of literature, from the essay to the novel, the short story to the poem, demonstrating rewarding approaches to each in sample readings of classic works. Through a series of illuminating oppositions, he explores the paradoxical pleasures of reading: solitary versus social reading, submitting to or resisting the author, reading inwardly or outwardly, and more. DiYanni closes with nine recommended reading practices, thoughts on the different experiences of print and digital reading, and advice on what to read and why. Written in a clear, inviting, and natural style, *You Are What You Read* is an essential guide for all who want to enrich their reading—and their life. "In this brilliant and profoundly moving collection of farewell letters written by servicemen and women to their loved ones, *Sin Price* offers a remarkable insight into the hearts and minds of some of the soldiers, sailors and airmen of the past three hundred years. Each letter provides an enduring snapshot of an impossible moment in time when an individual stares death squarely in the face. Some were written or dictated as the person lay mortally wounded; many were written on the eve of a great charge or battle; others were written by soldiers who experienced premonitions of their death, or by kamikaze pilots and condemned prisoners. They write of the grim realities of battle, of daily hardships, of unquestioning patriotism or bitter regrets, of religious fervor or political disillusionment, of unrelenting optimism or sinking morale and above all, they write of their love for their family and the desire to return to them one day. Be it an epitaph dictated on a Napoleonic battlefield, a staunch, unsentimental letter written by a Victorian officer, or an email from a soldier in modern day Afghanistan, these voices speak eloquently and forcefully of the tragedy of war and answer that fundamental human need to say goodbye." **THE INSTANT NEW YORK TIMES BESTSELLER!** One of Newsweek's Most Anticipated Books of 2020 One of SheReads Most Anticipated Books of 2020 One of PopSugar's Most Anticipated Books of 2020 One of HelloGiggles' Most Anticipated Books of 2020 One of Marie Claire's Best Fiction by Women in 2020 One of Woman's Day's Best Fiction Books Coming Out in 2020 The electrifying #1 New York Times bestselling authors of *THE WIFE BETWEEN US* and *AN ANONYMOUS GIRL* return with a brand new novel of psychological suspense, *YOU ARE NOT ALONE*. Auguste Dupin: 'The Murders in the Rue Morgue', 'The Mystery of Marie Rogêt' and 'The Purloined Letter'. Poe's short mysteries inspired the creation of countless literary sleuths, among them Sherlock Holmes. Today the unique Dupin stories still stand out as utterly engrossing page-turners. Beware! Dangerous secrets lie between the pages of this book. OK, I warned you. But if you think I'll give anything away, or tell you that this is the sequel to my first literary endeavor, *The Name of This Book is Secret*, you're wrong. I'm not going to remind you of how we last left our heroes, Cass and Max-Ernest, as they awaited initiation into the mysterious Terces Society, or the ongoing fight against the evil Dr. L and Ms. Mauvais. I certainly won't be telling you about how the kids stumble upon the Museum of Magic, where they finally meet the amazing Pietro! Oh, blast! I've done it again. Well, at least I didn't tell you about the missing Sound Prism, the nefarious Lord Pharaoh, or the mysterious creature born in a bottle over 500 years ago, the key to the biggest secret of all. I really can't help myself, now can I? Let's face it - if you're reading this, it's too late. There's nothing better than a book you can't put down—or better yet, a book you'll never forget. This book puts the power of transformational reading into your hands. Jack Canfield, cocreator of the bestselling *Chicken Soup for the Soul®* series, and self-actualization pioneer Gay Hendricks have invited notable people to share personal stories of books that changed their lives. What book shaped their outlook and habits? Helped them navigate rough seas? Spurred them to satisfaction and success? The contributors include Dave Barry, Stephen Covey, Malachy McCourt, Jacquelyn Mitchard, Mark Victor Hansen, John Gray, Christiane Northrup, Bernie Siegel, Craig Newmark, Michael E. Gerber, Lou Holtz, and Pat Williams, to name just a few. Their richly varied stories are poignant, energizing, and entertaining. Author and actor Malachy McCourt tells how a tattered biography of Gandhi, stumbled on in his youth, offered a shining example of true humility—and planted the seeds that would help support his sobriety decades later. Bestselling author and physician Bernie Siegel, M.D., tells how William Saroyan's *The Human Comedy* helped him realize that, in order to successfully treat his patients with life-threatening illnesses, "I had to help them live—not just prevent them from dying." Actress Catherine Oxenberg reveals how, at a life crossroads and struggling with bulimia, a book taught her the transforming difference one person could make in the life of another—and why that person for her was Richard Burton. Rafe Esquith, the award-winning teacher whose inner-city students have performed Shakespeare all over the world, recounts his deep self-doubt in the midst of his success—and how reading *To Kill a Mockingbird* strengthened him to continue teaching. Beloved librarian and bestselling author Nancy Pearl writes how, at age ten, Robert Heinlein's science fiction book *Space Cadet* impressed on her the meaning of personal integrity and gave her a vision of world peace she'd never imagined possible. Two years later, she marched in her first civil rights demonstration and learned that there's always a way to make "a small contribution to intergalactic harmony." If you're looking for insight and illumination—or simply for that next great book to read—*You've Got to Read This Book!* has treasures in store for you. **#1 NEW YORK TIMES BESTSELLER #1 INTERNATIONAL BESTSELLER** A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called iCarly, she is thrust into fame. Though Mom is

ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the iCarly spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I'm Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair. From the author of *Exhalation*, an award-winning short story collection that blends "absorbing storytelling with meditations on the universe, being, time and space ... raises questions about the nature of reality and what it is to be human" (*The New York Times*). *Stories of Your Life and Others* delivers dual delights of the very, very strange and the heartbreakingly familiar, often presenting characters who must confront sudden change—the inevitable rise of automatons or the appearance of aliens—with some sense of normalcy. With sharp intelligence and humor, Chiang examines what it means to be alive in a world marked by uncertainty, but also by beauty and wonder. An award-winning collection from one of today's most lauded writers, *Stories of Your Life and Others* is a contemporary classic. Includes "Story of Your Life"—the basis for the major motion picture *Arrival* The old saying goes, "To the man with a hammer, everything looks like a nail." And the secret phrase is this: **NOBODY WANTS TO READ YOUR SH*T**. Recognizing this painful truth is the first step in the writer's transformation from amateur to professional. From Chapter Four: "When you understand that nobody wants to read your shit, you develop empathy. You acquire the skill that is indispensable to all artists and entrepreneurs—the ability to switch back and forth in your imagination from your own point of view as writer/painter/seller to the point of view of your reader/gallery-goer/customer. You learn to ask yourself with every sentence and every phrase: Is this interesting? Is it fun or challenging or inventive? Am I giving the reader enough? Is she bored? Is she following where I want to lead her? When was the last time you listened to someone, or someone really listened to you? "If you're like most people, you don't listen as often or as well as you'd like. There's no one better qualified than a talented journalist to introduce you to the right mindset and skillset—and this book does it with science and humor." -Adam Grant, #1 New York Times bestselling author of *Originals* and *Give and Take* **Hand picked by Malcolm Gladwell, Adam Grant, Susan Cain, and Daniel Pink for Next Big Ideas Club** "An essential book for our times." -Lori Gottlieb, New York Times bestselling author of *Maybe You Should Talk to Someone* At work, we're taught to lead the conversation. On social media, we shape our personal narratives. At parties, we talk over one another. So do our politicians. We're not listening. And no one is listening to us. Despite living in a world where technology allows constant digital communication and opportunities to connect, it seems no one is really listening or even knows how. And it's making us lonelier, more isolated, and less tolerant than ever before. A listener by trade, New York Times contributor Kate Murphy wanted to

know how we got here. In this always illuminating and often humorous deep dive, Murphy explains why we're not listening, what it's doing to us, and how we can reverse the trend. She makes accessible the psychology, neuroscience, and sociology of listening while also introducing us to some of the best listeners out there (including a CIA agent, focus group moderator, bartender, radio producer, and top furniture salesman). Equal parts cultural observation, scientific exploration, and rousing call to action that's full of practical advice, *You're Not Listening* is to listening what Susan Cain's *Quiet* was to introversion. It's time to stop talking and start listening. A rabbit in a picture book is very glad when a reader turns up. A timely and deeply moving debut picture book that explores the power our words hold. "A practical and savvy guide." -- Gavin de Becker, #1 New York Times bestselling author of *The Gift of Fear* "Understanding nonverbal language is the essential skill in any profession that involves communication. This book is the best primer on the topic of nonverbal communication I have ever read." -- Geoffrey N. Fieger, noted trial attorney "As a regular contributor to and commentator on Court TV, Dr. Lillian Glass has repeatedly demonstrated her exceptional professional skills of reading people in our on-air coverage of several trials. In this book, she shares with readers these skills, which could prove to be invaluable in every aspect of your life." -- Nancy Grace, Court TV "A must-read for everyone, whether they are in business or not. Applause to Dr. Glass for giving the public such an important work." -- Arnold Kopelson, motion picture producer
