Urban Poetics in the French Renaissance Apr 02 2020 Through a construct she calls urban poetics, Elisabeth Hodges draws out the relationship between the city and the self in early modern French literature and culture, showing the impact of the city in human history and cultural production to be so profound that it cannot be extricated from what we know by the name of subjectivity. Charting a course between cartography, literary studies, and cultural history, this study opens new vistas on some of the period's defining problems.

To be a Citizen May 16 2021 France's Third Republic confronts historians and political scientists with what seems a paradox: it is at once France's most long-lived experiment with republicanism and a regime remembered primarily for chronic instability and spectacular scandal. From its founding in the wake of France's humiliation at the hands of Prussia to its collapse in the face of the Nazi Blitzkrieg, the Third Republic struggled to consolidate the often contradictory impulses of the French revolutionary tradition into a set of stable democratic institutions. To Be a Citizen is not an institutional history of the regime, but an exploration of the political culture gradually formed by the moderate republicans who steered it. In James R. Lehning's view, that culture was forced to reconcile conflicting views of the degree of citizen participation a republican form of government should embrace. The moderate republicans called upon the entire nation to act as citizens of the Republic even as they limited the ability of many, including women, Catholics, and immigrants, to assume this identity and to participate in political life. This participation, based on universal male suffrage alone, was at odds with the notion of universal citizenship--the tradition of direct democracy as expressed in 1789, 1793, 1830, and 1848. Lehning examines a series of events and issues that reveal both the tensions within the republican tradition and the regime's success. It forged a political culture that supported the moderate republican synthesis and blunted the ideal of direct democracy. To Be a Citizen not only does much to illuminate an important chapter in the history of modern France, but also helps the reader understand the dilemmas that arise as political elites attempt to accommodate a range of citizens within ostensibly democratic systems.

NTA UGC NET History (Paper I & II) | Teaching and Research Aptitude | 10 Full-length Mock Tests [Solved 1500+ Questions] Jun 16

2021 • Best Selling Book in English Edition for UGC NET History Exam with objective-type questions as per the latest syllabus given by the NTA. • Compare your performance with other students using Smart Answer Sheets in EduGorilla's UGC NET History Exam Practice Kit. • UGC NET History Exam Preparation Kit comes with 10 Full-length Mock Tests with the best quality content. • Increase your chances of selection by 14X. • UGC NET History Exam Prep Kit comes with well-structured and 100% detailed solutions for all the questions. • Clear exam with good grades using thoroughly Researched Content by experts.

Orality and Performance in Early French Romance Sep 19 2021 This book proposes a fundamental revision of the history of early French romance: it argues that oral and performed traditions were far more important in the development of romance than scholars have recognised. Starting with issues of orality and literacy, it is argued that the form in which romances were composed was not the invention of clerics but was, rather, an oral form. The second part of the book looks at performance, and shows that romances such as those of Chretien invited voiced presentation; moreover, they were frequently recited from memory, sung, and acted out in dramatic fashion. Romances can, and should, still be performed today.

French Women Writers and the Book Jan 12 2021 Examines the work of French women writers, Marie de France, Simone de Beauvoir and

Helene Cixous, and three who are much less well-known, Madeline and Catherine des Roches and Marie de Gournay. This study shows how they have dealt with the challenge of entering the male literary tradition.
