The Right Letter Jun 29 2020 Replaces previous edition. In today's hectic world of cell phones, email, and instant messages, is it still worthwhile to know how to write a good letter? Absolutely! An attractive, well-written letter can grab the reader's attention and hold it long after someone else's email has been discarded. It can make a strong, lasting impression on a hiring manager, potential client, or faraway friend who receives it. In other words, the letter is still an important professional and personal communication tool, one that too few people know about these days. In this completely revised and updated edition of BETTER LETTERS, writing authority Jan Venolia dispenses expert advice on creating the perfect letter, covering composition, style, and format. With THE RIGHT LETTER! your message will rise above the rest. • This handy, portable addition to the Right! series (650,000 copies sold) is an important guide to effective letter writing, including a section on email. • With so many people complaining about the glut of email, spam, and misinformation, this reference is needed now more than ever. • Previous editions of BETTER LETTERS have sold more than 80,000 copies.

Rich is Not a Four-letter Word Apr 07 2021 Veteran financial journalist and pundit Gerri Willis takes on the progressive mind-set championed by liberals that gives government bureaucrats the right to decide what's best for us, resulting in bigger government programs, more bureaucracy, and more wasted taxpayer money. She dissects Obamacare and Democratic tax initiatives to show how they have hamstrung the average American. Then she shows us how to overcome these left-wing financial hurdles and grow our nest eggs, despite the political pickpocketing from Washington. Among the topics she tackles: how the progressive agenda has robbed Americans of their financial freedom, and how to get it back; how the open spigot of college loan dollars has encouraged college administrators to boost tuition each and every year; how, with a stroke of President Obama's pen, company-sponsored healthcare coverage was put on deathwatch, as companies abandon employee healthcare coverage; why the knee-jerk progressive response to the 2008 market crash and subsequent recession has acted as an albatross on the shoulders of American corporations, keeping corporate tax rates at sky-high levels among Western nations--and what we can do to create jobs and jump-start the economy. For all those who want to take control of their financial future--from mastering the intricacies of the tax system to planning for their future retirement, from managing their healthcare costs to navigating the costs of their children's college education--this is the book you need to achieve the financial success you've earned and you deserve.--Adapted from dust jacket.

This Is Not a Love Letter Jul 31 2020 "[A] long, beautiful, heart-breaking love letter to potential and possibilities and hope, to the pain we survive in youth and carry with us into adulthood."--NPR Book Reviews One week. That's all Jessie said. A one-week break to get some perspective before graduation, before she and her boyfriend, Chris, would have to make all the big, scary decisions about their future -- decisions they had been fighting about for weeks. Then, Chris vanishes. The police think he's run away, but Jessie doesn't believe it. Chris is popular and good-looking, about to head off to college on a full-ride baseball scholarship. And he disappeared while going for a run along the river -- the same place where some boys from the rival high school beat him up just three weeks ago. Chris is one of the only black kids in a depressed paper mill town, and Jessie is terrified of what might have happened. As the police are spurred to reluctant action, Jessie and others speak up about the harassment Chris experienced and the danger he could be in. But there are people in Jessie's town who are infuriated by the suggestion that a boy like Chris would be a target of violence. They smear Chris's character and Jessie begins receiving frightening threats. Every Friday since they started dating, Chris has written Jessie a love letter. Now Jessie is writing Chris a letter of her own to tell him everything that's happening while he's gone. As Jessie searches for answers, she must face her fears, her guilt, and a past more complicated than she would like to admit.

School Administrator's Complete Letter Book Dec 28 2022 The School Administrator's Complete Letter Book with CD-ROM, Second Edition, offers a comprehensive selection of model letters and memos for a wide variety of educational purposes and situations. This book and its accompanying CD contain a gold mine of tested, usable letters and other communiques, some of which can be used practically word-for-word from the book, while others can be adapted to your specific needs. The book's letters and memos represent the contributions of more than 60 outstanding school administrators throughout the United States - including superintendents, principals, supervisors, guidance counselors, and others - all of them with well-earned reputations for solid, professional communication. Many types of letters are included - letters addressed to parents, teachers, students, teacher applicants, other school administrators, businesspeople, and the community at large. In addition, this handy resource is clearly organized, designed for easy use, and filled with the best letters of the best communicators in modern American education. The CD-ROM makes the letters easy to modify to fit your own situations.

The Complete Works of John Ruskin: Letters to a college friend. Letters to the clergy. Poems Dec 24 2019

One Wants to Be a Letter Jan 05 2021 "One Wants to be a Letter is about embracing your uniqueness. The story is about the Number One whose friends are all letters. He has felt different and wants to be just like his friends. What person has not felt that way in their lifetime? Throughout the story, One keeps trying to be a letter, when in the end he finds out that being a Number One was what he was meant to be.

Montessori: Letter Work Jan 23 2020 These unique board books bring the popular Montessori pedagogy to trade book form for the first time. Using materials and methods common to Montessori classrooms, these interactive board books immerse young children in an aesthetically rich learning experience, while providing parents and caregivers with carefully crafted language to encourage understanding. In Montessori classrooms, students learn to write before they learn to read, so the process is driven by their own words and thoughts before those of others. Letters are taught first as sounds (instead of names), and alphabet tiles encourage children to trace each letter with their fingers. This book honors that tradition by emulating the standard classroom material with touchable, traceable letters and beautiful colors that evoke the elegant simplicity of the Montessori aesthetic. Praise for Montessori: Letter Work "The combination of phonetics and simple retro illustration makes for an excellent entree into pre-literacy." --The Wall Street Journal

The Letter for the King Dec 16 2021 Sixteen-year-old Tiuri must spend hours locked in a chapel in silent contemplation if he is to be knighted the next day. But as he waits by the light of a flickering candle, he hears a knock at the door and a voice desperately asking for help. A secret letter must be delivered to King Unauwen across the Great Mountains--a letter upon which the fate of the entire kingdom depends. Tiuri has a vital role to play, one that might cost him his knighthood. He must trust no one. He must keep his true identity secret. Above all, he must never reveal what is in the letter . . . Tiuri's journey will take him through dark, menacing forests, across treacherous rivers, to sinister castles and strange cities. He will encounter evil enemies who would kill to get the letter, but also the best of friends in the most unexpected places.

The Promise of a Letter May 09 2021 A letter brings him back to his Amish family. It will take someone truly extraordinary to make him stay. Roman is on the verge of leaving the Amish ways. Feeling confined by the strict rules, he

longs to do something more with his life. But when things don't go as planned, Roman's prospects outside of the community dwindle. Upon learning that his beloved grandmother has died and left a letter urging him to reconcile with his brother in Birch Creek, Roman decides to return home. But he doesn't plan to stay for long. Leanna Chupp has always made her own way in her small community of Birch Creek. Though some may call her unconventional—strange, even—Leanna is happy. Her unique outlook on life has meant she's never had many suitors pursuing courtship, which Leanna doesn't mind. She is content being single. But when Roman and Leanna find themselves working together again, everything changes. Though neither fit squarely within the strictures of the Amish faith, their differences could be the very thing to help them form a deeper connection to their community and to each other. The question remains: will this strengthening bond be enough to make Roman stay for good?

The Executive's Business Letter Book Aug 12 2021 Provides more than 150 model letters to cover most business situations, with additional paragraphs to personalize letters

Letter And Number Tracing Book For Kids Ages 3-5 May 21 2022 Are you looking for a fun workbook to help you teach your child to write? Then you are in the right place! Take your child on an exciting journey through the entire ABC and all the numbers from 0 to 30 with: Letter And Number Tracing Book For Kids Ages 3-5: A Fun Practice Workbook To Learn The Alphabet And Numbers From 0 To 30 For Preschoolers And Kindergarten Kids! This exercise book introduces your child to writing letters and numbers in a playful and age-appropriate manner that will help him or her get to know the alphabet and the numbers 0 to 30. In this way, children are guided and optimally prepared for pre-school and primary school. The book is divided into sections: numbers and letters. The learning process is guided as follows: Letters Every letter is new territory for your child. The first step is to get to know the letter and practice through the correct pen guidance by simply tracing it. This is followed by a word containing the letter you have just learned. So your child learns to put the letter in a word. Encourage your child to read the word aloud to directly practice the corresponding sound. Finally, your child learns to write the letter freely and independently. Numbers To understand the meaning of numbers, your child starts counting picture elements. Then, just as with letters, he or she will have to trace the numbers. As soon as they become more confident, free writing follows the number you have just learned, with guidelines ensuring that the number is placed at the correct height. In both areas, learning takes place in a meaningful and reliable structure that gives your child security and constantly encourages them to see their own progress. Parents can help their children work through this exercise book and provide the necessary support. After all, writing is not easy for every child. Parents should keep a special eye on the correct pen position and hand guidance and celebrate every milestone with their child. For both numbers and letters, encourage your child to speak out loud about what he or she has learned. The more senses are involved in the learning process, the faster and easier it is to learn. By completing this exercise book, your child will be able to write the lower and upper case letters from A to Z, as well as the numbers 0 to 30. It is especially important that your child can work and learn at their own pace. This is the only way to keep the fun and become more confident in writing from letter to letter, or from number to number. A quick look at the most important facts of the book: Suitable for children from ages 3 to 5 Sensible structure that optimally accompanies the learning process Great preparation for pre-school and kindergarten A fun way to learn the numbers from 0 to 30 and the letters A to Z Designed and sensibly structured to suit children Promotes correct pen management and concentration Lots of space for free practice Lovely designs Combine play with learning. Benefit from "Letter And Number Tracing Book For Kids Ages 3-5" and accompany your child within a meaningful structure on the way to writing letters and numbers! Get this book NOW!

How to Write a Love Letter Jul 23 2022 No one can resist a love letter Love letters are largely a lost and forgotten art. Not long ago suitors used the written word to work magic, and people were swept off their feet by a sweet, sincere note. How to Write a Love Letter teaches us, once again, how to reinvent this most meaningful of arts. In today's rushed, individualistic society, love letters are more potent than ever before. They embody and convey the mysterious, the unexpected, and the most utterly thoughtful. A love letter can be anything--from a brisk, casual E-mail asking a love interest to coffee to a handwritten marriage proposal that will serve as a family treasure always. Fun, flirtatious, intimate, provocative--a love letter can be any and all of these things. Even the simplest letter can cause a stir. Barrie Dolnick and Donald Baack have collected a wide range of letters--from old family keepsakes to casual and proper office E-mails. The authors demonstrate and explain, to both women and men, that writing a love letter is about turning sincere affection or intrigue into a unique, cherishable gesture, no matter how small the occasion or how short and uncomplicated the note. Whether you're shy and have trouble expressing your feelings face to face, or you're a romantic at heart who wants to learn more effective ways to communicate, How to Write a Love Letter is your ultimate inspiration and guide. Go ahead. Fan the flames of a fledgling romance, or tell your husband of forty years that you still adore him as much as you did the day you first married him. Words are sexy, romantic, and wondrous. Letters are legacies. Learn the art today, and improve your life. Julie, My life is starting to become different, even if my days seem the same. And I must confess that it's you who has changed my outlook. You have opened my eyes to some amazing new possibilities. Your touch is so gentle, your kisses are so delicious, and your body is soft when it presses against me. I will forever be filled with a new sense of wonder and joy, because you have shared these things with me. I must confess that in some ways I feel inadequate. Can I match your gentleness? Can I give any feeling as warm and secure as the one you have bestowed on me? You have chosen to show me such strong passion combined with such sweet affection, and I can only hope you feel a glimpse of the same from me. Our time together is very special. There are very few moments that a man knows will linger with him for the rest of his life, and you have already given me many. Thank you for being such an extraordinary part of my life. I hope we will continue this journey together for a long time to come. John

The Red Letter Alphabet Book May 01 2023 An alphabet book with touch-sensitive letters in red felt. It integrates touch, sight and sound for developing writing and reading skills. Realistic drawings of everyday objects reinforce the textured letters.

Letters to the Lost Jan 17 2022 Secret letters spark true love in this emotionally compelling romance from the New York Times bestselling author of A Curse So Dark and Lonely, Brigid Kemmerer. Juliet Young always writes letters to her mother, a world-traveling photojournalist. Even after her mother's death, she leaves letters at her grave. It's the only way Juliet can cope. Declan Murphy isn't the sort of guy you want to cross. In the midst of his court-ordered community service at the local cemetery, he's trying to escape the demons of his past. When Declan reads a haunting letter left beside a grave, he can't resist writing back. Soon, he's opening up to a perfect stranger, and their connection is immediate. But neither Declan nor Juliet knows that they're not actually strangers. When life at school interferes with their secret life of letters, sparks will fly as Juliet and Declan discover truths that might tear them apart.

For the Love of Letters Sep 12 2021 Remember letters? They were good, weren't they? The thrill of receiving that battered envelope, all the better for the wait . . . In this richly entertaining book, paper geek John O'Connell puts forward a passionate case for the value of letter-writing in a distracted, technology-obsessed world. Drawing on great examples from the past, he shows that the best letters have much to teach us – Samuel Richardson's 'familiar letters'; Wilfred Owen's outpourings to his mother; the sly observational charms of Jane Austen. And in doing so he reminds us of the kind of letters we would all write if we had the time – the perfect thank-you letter, a truly empathetic condolence letter, and of course the heartfelt declaration of love. Was there a Golden Age of Letters? Why is handwriting so important? Can we ever regain the hallowed slowness of the pre-Twitter era? In answering these questions O'Connell shows how a proper letter is an object to be cherished, its crafting an act of exposure which gives shape and meaning to the chaos of life. *** 'The nib touches the paper. And instinctively I follow the old formula: address in top right-hand corner; date just beneath it on the left-hand side. My writing looks weird. I hand-write so infrequently these days that I've developed a graphic stammer - my brain's way of registering its impatience and bemusement. What are you doing? Just send an email! I haven't got all night . . .'

The Robert Collier Letter Book Mar 31 2023 Robert Collier was decades ahead of his time in writing down ways for man to improve his lot in life. He wrote "Secret of the Ages" during an active and successful life developed upon basic ideas which opened up new vistas of living for countless multitudes of people. A Letter from Your Teacher Jun 21 2022 From the author and illustrator of *Our Class is a Family*, this touching picture book expresses a teacher's sentiments and well wishes on the last day of school. Serving as a follow up to the letter in *A Letter From Your Teacher: On the First Day of School*, it's a read aloud for teachers to bid a special farewell to their students at the end of the school year. Through a letter written from the teacher's point of view, the class is invited to reflect back on memories made, connections formed, and challenges met. The letter expresses how proud their teacher is of them, and how much they will be missed. Students will also leave on that last day knowing that their teacher is cheering them on for all of the exciting things to come in the future. There is a blank space on the last page for teachers to sign their own name, so that students know that the letter in the book is coming straight from them. With its sincere message and inclusive illustrations, *A Letter From Your Teacher: On the Last Day of School* is a valuable addition to any elementary school teacher's classroom library.

Idiot Letters Mar 26 2020 Look out, public relations; take cover, customer service -- Paul Rosa's letter is in the mail and his inventively imbecilic queries about consumer products have a way of eliciting equally idiotic and even more unlikely answers from some of America's biggest companies.

How to Write a Business Letter Nov 02 2020 Learn how to write the perfect business letter.

Cover Letters That Blow Doors Open Jun 09 2021 Although a resume is important, the cover letter is the first impression. This book is a compilation of great cover letters that helped real people get in the door for job interviews against stiff competition. Included are letters that show how to approach employers when you're moving to a new area, how to write a cover letter when you're changing fields or industries, and how to arouse the employer's interest in dialing your number first from a stack of resumes. Some of the cover letters in this book landed jobs in fields including financial consulting, data entry, insurance, banking, customer service, school systems, restaurants, hospitality industry, retail, police force, social work, nonprofit organizations, sales, municipalities, medicine and healthcare, landscaping, management information systems, teaching, publishing, top management, electronics, accounting and auditing, agriculture, criminal justice, human resources, manufacturing, automotive, telecommunications, dentistry, academic affairs, childcare, sports, rest homes, business operations, journalism, quality control, the arts, bookselling, and many other fields. Designed as a comprehensive guide to cover letter preparation, the 272-page book shows examples of exciting and door-opening cover letters. The first section of the book shows cover letters used to blow doors open in the accounting, banking, and financial community. From aviation, to computer operations, to management, to sales, to transportation, cover letters tailored to specific fields are illustrated which can be used as "models" or templates tailored to specific fields. But what if a job hunter is changing fields or doesn't need a cover letter targeting a specific field or functional area? The book has a complete section showing examples of all-purpose cover letters, career-change cover letters, cover letters for entrepreneurs, and cover letters for those seeking their first job. And for those seeking advice on how to respond to ads, how to handle questions about salary requirements, how to request consideration for multiple job openings in the organization, and how to write letters for special situations, there's a section entitled *Sixteen Commonly Asked Questions About Cover Letters (and Job Hunting)*. In a job hunt, the cover letter is the first impression, and great cover letters can blow doors open to create employment opportunities. Job hunting just got easier with this great book! Rave reviews for this book! "A comprehensive collection of cover letters for different career fields." - Catholic Library World Testimonials from some who used this book: "The letter I prepared using this book resulted in my receiving a \$15,000 annual raise from my current employer. Thanks!" Larry D. "The employer who interviewed me said that my cover letter was the best letter he'd ever received. You got me in the door that led to my desired career change." Melissa W. "I got reinstated in my college degree program based on the letter I wrote using the sample in your book." Angela H. "I thought I had burned a bridge with a potential employer until your letter helped me recapture their interest and then gain the job offer I wanted. I am in your debt." Miriam S.

The Complete Letter-writer Dec 04 2020

The Works of Aurelius Augustine: Letters. v. 1. Translated by J.G. Cunningham. 1872 Nov 14 2021

Ancient Epistolary Fictions Mar 19 2022 A comprehensive look at fictive letters in Greek literature from Homer to Philostratus, first published in 2001. It includes both embedded epistolary narratives in a variety of genres (epic, historiography, tragedy, the novel), and works consisting solely of letters, such as the pseudonymous letter collections and the invented letters of the Second Sophistic. The book challenges the notion that Ovid 'invented' the fictional letter form in his *Heroides* and considers a wealth of Greek antecedents for the later European epistolary novel tradition. Epistolary technique always problematizes the boundaries between fictionality and reality. Based on a process of selection and self-censorship, the letter is a construction, not a reflection, of reality. The author bypasses the question of sincerity for a close look at epistolary self-representation, the function of the letter form and the nature of the relationship between writer and reader in a wide range of ancient Greek texts.

Every Letter is a Flower in Bloom Aug 31 2020 You can use this book many ways. Read to your child, have them find the alphabet letters, say the alphabet letters, and practice reading at whatever stage they are at in their learning. In addition, they can color in all the flowers in the book and learn to draw their own letter flowers. They should be encouraged to draw and color anywhere in this book! Parents are the best models, so draw with your child! There are extra pages for coloring, drawing, and learning.

The Book of Love Oct 26 2022 "The late John Cheever once insisted that "saving a letter is like trying to preserve a kiss." Luckily for us, the loved ones of great writers ranging from Sappho to Anne Sexton, from Anton Chekhov to Mr. Cheever himself have ignored that clever dictum. In more than one hundred of the most powerful, witty, wicked and whimsical letters ever written, we chronicle passion's erratic progress." "Why should Marcus Aurelius's amorous words sit side by side with John Steinbeck's letter to the woman who inspired much of his late work? Distinguished scholar Cathy Davidson argues that the love letter is a form of literature all its own, a genre whose language may have changed from ancient Rome to twentieth-century America but whose basic form and content remain the same. For if all literature is a kind of seduction, then the love letter becomes the perfect vehicle for writers to hone their seductive skills." "With novelistic flair, Ms. Davidson has arranged these letters as though they were all part of one romance - a romance in which any of us may have played a part. From the joy of "Falling in Love" to the pain of "Unrequited Love," we chart the evolution of that most hard-to-define emotion. These pages are filled with glorious examples of writers being just like the rest of humanity, to wit: willing to stake so much on what at times seems like nothing more than a promise and an act of faith. How delightful to discover the master of light verse Ogden Nash writing tenderly to a woman he first saw across a crowded room nine months earlier: "This is a particularly gifted and intelligent pen. Look what it's writing now: I love you. That's a phrase I can't get out of my head - but I don't want to. I've wanted to try it out for a long time; I like the look of it and the sound of it and the meaning of it." "Of course what writers do better than anyone else is to write about love. Through Ms. Davidson's deft touch, *The Book of Love* becomes a treasure trove of literary discovery. She prefaces each letter with biographical comments that read like novelettes. From the tragic lovers Heloise and Abelard to love that became literature, such as Ernest Hemingway's affair with Agnes von Kurowsky, to Samuel Clemens's heart-breaking expression of love and grief for his deceased child...all have a place in this marvelous anthology. Though originally addressed to only one reader, each of these letters is now a letter to the world that speaks to us all."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc.
