With Doctor Stein unable to carry on, Maka, Kid, and Black\*Star enter the magnetic field to take up the mission and locate the tempestuous demon tool known as Brew. Time is quickly running out as the three face off against Mosquito, struggling to harmonize their wavelengths within the magnetized vortex. They'll be lucky to escape with their lives, let alone the demon tool! Kid enters the witches' realm to appeal for help! Though they have been DWMA's enemies for years, the witches share a respect for order--and are equally threatened by the Kishin. Kid's immediate goal is to deal with the situation on the moon, but he hopes that the negotiations will forge a new pact between DWMA and witches in the future--assuming anyone survives the Kishin's madness! Arachnophobia has taken the offensive and spreads the Kishin's madness throughout the world, using "BREW" to threaten anyone who stands in their way. In the wake of attacks at home and abroad, DWMA sends its top students to quell the madness and gather information wherever they can. But the madness is spreading much quicker and is stronger than they had anticipated. When confronted by an incarnation of the Kishin's madness itself, will Maka and Soul fall victim to the sinister Clown's manipulations? Kid's sense of order stands in sharp contrast to the unpredictable madness of the Kishin. But order and madness are two sides of the same coin. When Asura challenges the "tyrannical" Shinigami and his laws that serve to control humans' lives, Kid can feel the tendrils of madness within himself seeking purchase. The bonds of his friendships and his faith in order are tested to their limits as Asura makes his final stand against the forces of DWMA. When the moondust settles, who will emerge as lord of this world--Shinigami or Kishin? Kid has been freed from Noah's greedy clutches, but The Book of Eibon remains at large. Noah was a troublesome foe, but the vast knowledge contained within the book could itself be dangerous - and information is not all that lies in its pages... Meanwhile, Crona has resurfaced in Moscow, his madness and Medusa's maternal pressure having all but consumed the friend Maka once knew. The question is how many will be devoured by Crona's madness before he can be stopped?! Volume 2 of 2. Coleridge's nephew, son-in-law, and first editor, Henry Nelson Coleridge, began at the end of 1822 a record of Coleridge's remarks as a way of preparing an anthology of the interests and thought of the great poet and critic. His manuscripts, gathered to form the major text of his new edition, include passages on relatives, friends, and various censorable topics omitted from the Table Talk of 1835 and unpublished until now. These two volumes also contain talk recorded by other listeners from 1798 until Coleridge's death in 1834. Some of these records have not been previously published; some are published from manuscripts that differ from versions previously known. Also included are previously unpublished remarks by Wordsworth. Along with a bibliography of earlier editions of Table Talk and other useful appendixes, Carl Woodring's edition reprints the second edition (1836), which differs from the manuscripts more extensively than the edition of 1835. This is the first fully annotated edition of a work that long remained more popular in the United Kingdom than any of the works in prose published by Coleridge himself. The two volumes make a convenient encyclopedia of his ideas and interests. Carl Woodring is George Edward Woodberry Professor of Literature Emeritus at Columbia University. Originally published in 1972. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905. While Black\*Star and Tsubaki keep Mifune and Mosquito distracted, Sid is able to locate Arachnophobia's demon tool and put an abrupt end to their sinister plans. But though the evil organization won't be manipulating anyone's morality anytime soon, the blueprints for the dangerous tool are sealed away in Shinigami-sama's secret vault rather than destroyed. Surely Shinigami-sama would never think of constructing a demon tool himself?! Kid's sense of order stands in sharp contrast to the unpredictable madness of the Kishin. But order and madness are two sides of the same coin. When Asura challenges the "tyrannical" Shinigami and his laws that serve to control humans' lives, Kid can feel the tendrils of madness within himself seeking purchase. The bonds of his friendships and his faith in order are tested to their limits as Asura makes his final stand against the forces of DWMA. When the moondust settles, who will emerge as lord of this world--Shinigami or Kishin? Shinigami-sama summons the strongest weapons from around the world to contain the rogue kishin and the spread of his madness. As these powerful weapons strategize for what will be the most difficult battle of their lives, the students of DWMA try to get back to their normal lives as best they can. For Maka, adjusting to the dangerous times is nothing compared to Crona's struggle to adjust to life as a DWMA student! "Maka is a weapon meister, determined to turn her partner, a living scythe named Soul Eater, into a powerful death scythe -- the ultimate weapon of Death himself! Charged with the task of collecting and devouring the tainted souls of ninety-nine humans and one witch, Maka and her fellow meisters strive to master their weapons as they face off against the bizarre and dangerous minions of the underworld. But the meisters' own personal quirks may prove a bigger obstacle than any sultry enchantress!" -- from publisher's web site. The DWMA student body is still reeling after the news that one of their own is a witch. But as one young witch flees Death City, another has come back to DWMA hoping to strike a deal with Shinigami-sama. Medusa has already proven herself a traitor to the school, but the information she offers is critical to DWMA's efforts to take down Arachnophobia and curb the spread of madness. Can Medusa be trusted to lead a team of students into the heart of enemy territory?! As Kid struggles against the madness deep in the Book of Eibon, a group of Spartoi members race to rescue their friend. Through page after page of Lust, Gluttony, and Envy, the students must conquer the seduction of their own fears and desires to reach the final chapter! Will their

efforts be enough to give this tale a happy ending?! Deep in the belly of Baba Yaga Castle, Maka, Soul, and Medusa prepare to face Arachne in her own chambers. Arachne has grown even stronger since their last meeting, and even the crafty Medusa is caught in her sister's twisted web. As Arachne's intense madness threatens everyone in and around the castle, Soul must perform a string concerto that will move his audience to their very souls...or be caught in the witch's net himself! A new action fantasy set in a steampunk Tokyo from the creator of the smash hit Soul Eater!

As the madness of the Kishin continues to threaten the world, Noah and Medusa race to find Asura and ally themselves with him. South Carolina Fire-Eater is the first book-length biography of Laurence Massillon Keitt, one of South Carolina's most notorious advocates of secession and apologists for African American slavery. A politician who wanted to be a statesman, a Hotspur who wanted to be a distinguished military leader, Keitt was a U. S. congressman in the 1850s, signed the Ordinance of Secession, and represented his rebellious state in the Confederate Congress in 1861. Through this thoroughly researched volume, Holt Merchant offers a comprehensive history of an important South Carolina figure. As a congressman, Keitt was responsible for no legislation of any significance, but he was in the midst of every southern crusade to assert its "rights": to make Kansas a slave state, to annex Cuba, and to enact a territorial slave code. In a generation of politicians famous for fiery rhetoric, Keitt was among the most provocative southerners. His speeches in Congress and on the stump vituperated "Black Republicans" and were filled with references to medieval knight errantry, "lance couched, helmet on, visor down," and threats to "split the Federal temple from turret to foundation stone." His conception of personal honor and his hot temper frequently landed him in trouble in and out of public view. He acted as "fender off" in May 1855 when his fellow representative Preston Brooks caned Charles Sumner on the Senate floor. In 1858 he instigated a brawl on the floor of the House of Representatives that involved some three dozen congressmen. Amid the chaos of his personal brand of politics, Keitt found time to woo and wed a beautiful, intelligent, and politically astute plantation belle who after his death restored the family fortune and worked to embellish her late husband's place in history. After Abraham Lincoln was elected president, Keitt and the rest of the South Carolina delegation resigned their seats in Congress. He then negotiated unsuccessfully the surrender of Fort Sumter with lame-duck president James Buchanan, played a major role in the December 1860 Secession Convention that led his state out of the Union, and a lesser role in the convention that formed the Confederacy. Bored with his position as a member of the Confederate Congress, Keitt resigned his seat and raised the 20th South Carolina Infantry. Keitt spent most of the war defending Charleston Harbor, sometime commanding Battery Wagner, the site of the July 18, 1863, assault by the 54th Massachusetts Regiment of African American troops, made famous by the movie Glory. Keitt took command the day after that battle and was the last man out of the battery when his troops abandoned it in September 1863. In May 1864, his regiment joined the Army of Northern Virginia and Keitt took command of Kershaw's Brigade. Inexperienced in leading troops on the battlefield he launched a head-long attack on entrenched Federal cavalry in the June 1, 1864, Battle of Cold Harbor. Keitt was mortally wounded advancing in the vanguard of his brigade. With that last act of bravado, Keitt distinguished himself. He was among the few fire-eater politicians to serve in the military and was likely the only one to perish in combat defending the Confederacy. Tsubaki and Black\*Star set off on their most

difficult mission yet: a battle with the Uncanny Sword Masamune, a soul on the brink of becoming a Kishin. But this fight holds personal significance for Tsubaki - their target is her older brother. Jealous of her inherited talents, Masamune is holding nothing back. Usually docile and complacent, Tsubaki must find the strength to overtake the Uncanny Sword before she too is sucked into the darkness. The attack on Eternal Feather is a cruel reminder that there is very real danger out there for the weapons and meisters of DWMA. Tsugumi is more determined than ever to develop her skills so that she can defend her friends in the future. But the road ahead is filled with challenges...and silliness! Mosquito tries to defeat Kid, whose "BREW" is activated, before the intruders from DWMA unlock the way to the Spider Queen Room. In his madness, Death the Kid has embraced a new notion of "order": Only in nothingness can there be true balance and equilibrium. But for Black\*Star, being on equal footing with anyone is not his style. Black\*Star has always wanted to "transcend the gods"-now his only chance may be to overpower his shinigami friend and take Death down if he wants to save him...! Crona's loyalties are torn as Medusa regroups and plots to beat both DWMA and her sister, Arachne, in the arms race for Eibon's demon tools. As the madness of the Kishin continues to spread, Maka, Black\*Star, and Kid begin even more rigorous training to master their weapons and work together as a team. Will they be ready to face Arachnophobia in time for their next mission? Or will internal strife tear them apart?!
