*The Last Lecture* Nov 17 2021 "We cannot change  
the cards we are dealt, just how we play the  
hand."---Randy Pausch A lot of professors give  
talks titled "The Last Lecture." Professors are  
asked to consider their demise and to ruminate on  
what matters most to them. And while they speak,  
audiences can't help but mull the same question:  
What wisdom would we impart to the world if we  
knew it was our last chance? If we had to vanish  
tomorrow, what would we want as our legacy? When

Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave--"Really Achieving Your Childhood Dreams"--wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because "time is all you have...and you may find one day that you have less than you think"). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

Ethan Kellar spent his long life running from his destiny, from his role in changing the fate of the world. Until the night Alexa falls into his arms. Believing she is the key to escaping his fate, Ethan gives in to their intense physical attraction only to discover that in trying to cheat destiny, he set it in motion. So he does the only thing he can to save them both. He walks away. Consumed by grief, Alexa is lost until she learns her brief encounter with love resulted in a child. When that child falls ill, her search for answers leads her back to Ethan and thrusts her into his dark and mysterious world, unlocking the secrets of her past and revealing threats to their future. Together, they fight to protect their love, but one battle remains that Ethan must fight alone as he struggles to choose his

own path and avoid the choices of fate.

Redemption of Fate - When Ethan Kellar awakens in the dark he struggles to remember who or where he is. His mind and body feel foreign, like a flesh and blood prison, until he discovers the lifeless form of his beautiful wife, Alexa, in his arms.

Trapped by fear for her missing brother, Ethan, and by the unwanted, yet undeniable, attraction to her cocky new brother-in-law, Jared. When the body of one of their kind is discovered by humans, the Elite are forced to intervene, giving Cami a reprieve as she leads the team to retrieve the body and clean up the mess before the race is exposed. Meanwhile, through a forced blood bond, Lucias uses Ethan in his quest to rule humans and vampires alike. Unbeknownst to Lucias and despite Alexa's death, the mate bond remains keeping a small part of Ethan beyond Lucias' control, but will he eventually give in to the darkness or will it be enough to redeem him.

Absolution of Fate - After his wife was ripped away along with his free will, Ethan is forced to watch a monster walk away with his only daughter. Locked in a cell, the last shred of the man he was slips away. Meanwhile, the woman he thought he lost is fighting her way back to him. Having sacrificed herself to save those she loves, Chloe is trapped under Lucias's watchful eye. He demands she bind herself to him, or remain cut

off from the world forever. As she struggles to hang on to the hope of being with her family again, Chloe manages to find comfort in the most unlikely of places. When an accident reveals Chloe's most dangerous power, plans are set in motion that change the course of the world and finally bring an end to the war her kind have been fighting for centuries.

*The Complete Lynch* Jul 02 2020 After working with David on his previous work for the series, *The Complete Kubrick*, we knew we were on to a winner for this book. Not only is David Lynch a master of modern film-making but David Hughes is well-qualified to write this 'complete' book. The book covers all Lynch's films including *Mulholland Drive*, TV and other projects, as well as the unrealised ventures such as *Revenge of the Jedi* (later directed by Richard Marquand as *Return of the Jedi*). It also includes a foreword by Barry Gifford - the novelist behind *Wild at Heart* and co-writer with Lynch of the screenplay for *Lost Highway* - and excerpts from a new

interview David Hughes carried out with David Lynch himself. The Complete Lynch is the only comprehensive study of this great director.
