9.69" size In this practical walkthrough for first-year elementary teachers, readers will learn how to translate the theory from their teaching education to actionable methods on classroom management. They will be guided through -Getting comfortable in their new school-Working with and supplementing a curriculum-Establishing a behavior management system-Communicating with parents -Setting up their first classroom -And collecting data on the first week to show growth on the last week Written by MacKenzie Polseno in her second year of teaching, this collection of pragmatic advice is the knowledge she found missing from her MAT education that first-year teachers are often left to discover on their own. Weather purchasing as a self-help book for your own first year or as a gift for a new teacher in your life, this book will ease the stress and fumbling of figuring out how to lead a classroom and streamline the path to a successful year.
