Ten
Commandments
from the Back Side
Are the Ten
Commandments
just a set of rules or
are they a way of
life? In this book

about laws of the
heart, each chapter
focuses on what
one of the
commandments
means for
Christians today.
God has given us
ten simple rules to
follow that we may
have life and have it
more abundantly.
From the time He
unveiled the Ten
Commandments to
the children of
Israel at Mount
Sinai until now,
God's people have
been identified by
the fact that they
follow His
commandments.
The Ten
Commandments are
the Christian's code
of conduct that
separates us from
the rest of the
world and serves as
a barometer of our
allegiance to the
Creator of the
universe. Ten

Commandments:
The Christian Code
of Conduct
examines the
commandments of
God and how they
apply to the
Christian life. The
book also addresses
one of the most
misunderstood
commandments--
the fourth
commandment and
the call to observe
the biblical
Sabbath. Many
Christians differ on
their interpretation
of this
commandment, but
through a clear
study of the Bible,
this book points to
the truth of the
Sabbath and the
importance for
Christians to follow
all ten
commandments. As
the end of the world
draws near, those
who will be ready
for Christ's return

are "those who keep the commandments of God and the faith of Jesus" (Rev. 14:12). May God's followers be found keeping all ten of His commandments! From the #1 personal finance columnist on the Internet (Nielsen/NetRatings)-a clear prescription for financial health in the 2010s and beyond. For previous generations, living within your means was a simple formula. Now, with the staggering rise in education, health care, and housing costs, millions of people find themselves skating from paycheck to paycheck with no idea how to move forward. As the

most-read personal finance columnist on the Internet, Liz Weston has heard the questions and has the answers. Her 10 Commandments of Money will help readers avoid critical mistakes, survive the bad times, and thrive in the good ones. Just a few of Weston's invaluable pointers include how to: • Balance Your Budget • Pay Down Toxic Debt • Get the Right Mortgage • Pay for College • Save for Retirement • Maximize Your Financial Flexibility Liz Weston's goal is to provide THE practical guide to the brave new world of money. What Sylvia Porter's Money Book was to the 1970s, The 10

Commandments of Money will be for the 2010s. Watch a Video This book retells the story of Moses and the Ten Commandments (Exodus 20:1-17). The Arch? Book series tells popular Bible stories through fun-to-read rhymes and bright illustrations. This well-loved series captures the attention of children, telling scripturally sound stories that are enjoyable and easy to remember. What is the spirit of the law behind each of the Ten Commandments? Take a closer look and rediscover the Ten Commandments as Butterworth reveals, in easy-to-understand terms, the deeper meaning

behind the words. When the courts of this country banned the posting of the Ten Commandments in classrooms and public buildings, Fr. Shamon wrote *The Ten Commandments of God*. He looked at each of them and asked the question, *Why? Why must I pray? Why must I honor my father and mother? Why can't I steal, and so on?* Fr. Shamon shows that the Ten Commandments are rooted in common sense and good judgment, basically justice and rights, and defend the dignity of man and woman and are geared to protecting parents, life, spouse, property and reputation. A nation

committed to law and order is committing civil euthanasia by outlawing the Ten Commandments from the public forum. This book gives a powerful argument for the return of the Ten Commandments to our nation. The author of *Life's Greatest Lessons* presents ten principles of practical wisdom to live by, drawn from readings of both the Old and New Testaments for people of all beliefs. Readers love Hal Urban's books for their common sense, their wisdom, and their inspirational affirmation of timeless values. With *The 10 Commandments of Common Sense*, he

continues to build on his central theme -- that there's a direct relationship between good character and the quality of life. He also shows how the teachings of Scripture and the genuine practice of faith can be integral parts of a fulfilling existence. Urban draws on his own lifelong spiritual search -- which has included Protestant churches, the Catholic church, some Eastern philosophies, and human potential psychology -- to produce an ecumenical and nondogmatic examination of the Scriptures, finding in them clear and simple guidance for increasing both purpose and joy in

our lives. Five of his principles are do's, as in "Keep a positive outlook on life" and "Bring out the best in other people." The other five are don't's, as in "Don't be seduced by popular culture" and "Don't judge other people." These ten commandments of timeless wisdom will inspire people of all faiths who are searching for more meaning and direction in their lives, no matter where it comes from. Here is a wealth of astute and warmhearted counsel on many of life's most difficult ethical dilemmas. Joseph Telushkin outlines his ten commandments of character, explaining why each one is so vital,

and then addresses perplexing issues that can and often do crop up in our lives relating to family, friends, work, community, medical ethics, and money, such as: • How honest should you be when you are asked to give a reference? • How much assistance should you give your son with his college application essay? • Is it wrong to receive a kidney from an executed prisoner in China? • What should you do if your father begs you to end his life rather than allow him to descend into the hell of Alzheimer's? • Should a brother give up part of his inheritance if his sister has children and considerable expenses and he

doesn't? • Should a dying woman reveal to her husband that their son is not really his? Many of us are finding it increasingly hard to tread the fine line between right and wrong. In *The Ten Commandments of Character*, Telushkin faces these issues squarely and shows us how to live a life of true integrity. "At a time when so many people are looking for moral guidance, we are lucky to have Joseph Telushkin as our guide and teacher. I am thoroughly impressed by his wisdom and good sense."—Rabbi Harold Kushner, author of *When Bad Things Happen to Good People* The Ten

Commandments of Dating, completely revised and updated, offers hope and sanity to singles who are sick and tired of the dating scene. Many people are tired of pouring time, energy, and money into relationships that start off great and end with heartache. Because of that, they need The Ten Commandments of Dating to give them the hard-hitting, black-and-white, practical guidelines that will address their questions and frustrations about dating. Revised and updated for a new generation of daters, this guide will help men and women keep their head as they search for the desires of their hearts. The

Ten Commandments of Dating isn't more relationship advice; it's relationship common sense. If people keep the ten commandments of dating, their relationships will run more smoothly, they will be protected from the pain of contemporary dating pitfalls, and they'll be on their way to building living, lasting relationships. This insightful exposition of the Ten Commandments demonstrates the wisdom of God's Word for the pressing issues of our day. The Ten Commandments is an ideal Bible study resource for youth and adults. Shows both the traditional

and contemporary wording of each of the 10 Commandments, a principle and the meaning of each commandment, what Jesus taught about the commandments, and why the 10 Commandments are important today. Below is an example of the information you will find in The Ten Commandments: Commandment 3 - Do Not Misuse God's Name Thou shalt not take the name of the LORD thy God in vain. Principle- God's name is holy, powerful and glorious. Meaning- God's name is holy and should be treated with respect. there is power in the LORD's name and it

shouldn't be used lightly. Because God is Spirit, we know Him through what He says about Himself, to take His name in vain violates God's nature. As God's creation, everything a person says and does should be done in order to praise and glorify God. (1 Corinthians 10:31) Bible examples- When a man named Shelomith blasphemed the name of God with a curse, the Lord commanded that he be taken outside the camp and stoned to death. (Leviticus 24:10-16) Jesus was accused of blasphemy because He claimed to be God. (John 10:33) James warned believers to watch what they

say because the tongue is capable of evil and poison and can easily corrupt a person. (James 3:5-9) Jesus' Teaching- Jesus said, .."every sin and blasphemy will be forgiven men, but the blasphemy against the Spirit will not be forgiven...But I tell you that men will have to give account on the day of judgment for every careless word they have spoken. For by your words, you will be acquitted, and by your words you will be condemned." (Matthew 12:31, 36, 37) Jesus said to begin praying with: "Our Father in heaven, hallowed be your name." (Matthew 6:9) Explanations: Jews and Jewish scribes

would go to great measures in order to avoid saying or writing the LORD's name for fear of blasphemy. The Bible says we are to pray, heal, and baptize in Jesus' name. (Matthew 28:19, Mark 16:17, John 14:13, Acts 3:6) The Bible says that what we say is very important and it is a glimpse into who we are (James 3:9-12). God loves us and wants us to love and worship Him in whatever we are doing and at all times. God wants us to use His name; it is holy and powerful. If we can show respect for the names of our fathers, mothers, teachers and doctors, then how much more should we respect the name of our

sovereign God. The Ten Commandments breaks the 10 Commandments into two main divisions: commandments about our relationship to God and commandments about our relationship to other people. This pamphlet is also a great resource on the history of the commandments and why The Ten Commandments were revolutionary for their time. Can you find a proven source for lasting standards and values? God revealed the heart of His standards-- the Ten Commandments-- long ago at Mount Sinai. But what sets them apart from man-made rules

and guidelines? What do they reveal about nature of God Himself. In this booklet you'll discover the answers to these questions and more. Inside this booklet:- The First Commandment: What Is Our Greatest Priority?- The Second Commandment: What Is God Like?- The Third Commandment: From Profanity to Praise- The Fourth Commandment: Key to a Relationship With Our Creator- The Fifth Commandment: A Foundation for Success- Sixth Commandment: Life Is a Precious Gift- Seventh Commandment: Protect the Marital Relationship- Eighth

Commandment: Practice Giving Rather Than Getting- Ninth Commandment: Truth as a Way of Life- Tenth Commandment: True Righteousness Comes From the Heart- Does the New Covenant Abolish the Commandments?[View or download other free booklets at www.ucg.org] "Imagine a world without sadness, fear, or evil. That is what God wants for all of us. That is why He gave us the Ten Commandments." In this illustrated guide, noted moral teacher and popular talk show host Dennis Prager explains the Ten Commandments in a way that young readers can

understand. Fluent in Hebrew, he provides unique insights into the most important words ever written, showing your whole family, no matter what your faith, why the Ten Commandments are as powerful and fresh today as they were to our ancestors. It will be an amazing discovery! J. I. Packer explodes common misconceptions about the Ten Commandments and gives readers God's blueprint for relational, spiritual, and societal well-being. A quality pew and ministry Bible at a very economical price. - Complete text with subject headings and translators' footnotes. Don

Keough—a former top executive at Coca-Cola and now chairman of the elite investment banking firm Allen & Company—has witnessed plenty of failures in his sixty-year career (including New Coke). He has also been friends with some of the most successful people in business history, including Warren Buffett, Bill Gates, Jack Welch, Rupert Murdoch, and Peter Drucker. Now this elder statesman reveals how great enterprises get into trouble. Even the smartest executives can fall into the trap of believing in their own infallibility. When that happens, more bad decisions are sure to follow. This light-hearted “how-

not-to” book includes anecdotes from Keough's long career as well as other infamous failures. His commandments for failure include: Quit Taking Risks; Be Inflexible; Assume Infallibility; Put All Your Faith in Experts; Send Mixed Messages; and Be Afraid of the Future. As he writes, “After a lifetime in business I've never been able to develop a step-by-step formula that will guarantee success. What I could do, however, was talk about how to lose. I guarantee that anyone who follows my formula will be a highly successful loser.” God's rules do more than restrict—they give freedom. They are words of

prevention and protection. They define identity—ours and God's. In this twelve session LifeGuide® Bible Study looks at one of God's commandments and a Bible passage that will help you better understand how to apply God's law. As you study these laws, you will encounter God himself. The Ten Commandments of Theater is a ten-chapter, step-by-step handbook to guide theater actors through the acting process from the moment they are first cast in a role until the final curtain comes down. Each chapter is written as a Commandment ? a rule of the theater that must be

respected in order to achieve success in a particular performance, as well as an overall acting career. These Commandments include points on: ? proper warm-up routines? scoring a script? researching and developing a character? formulating a personal acting process? and other guidelines that fall under the umbrella of ?Method? acting. Unlike many other acting handbooks, The Ten Commandments of Theater is concise and understandable for even the greenest of actors. It is a must for young and veteran actors alike, providing tried-and-true techniques to help create a more successful acting

process. ANNE JOHNSTON-BROWN is a graduate with Highest Honors from Cal State, San Bernardino, with her B.A. in Theatre Arts (Acting Emphasis). Over the past decade, Anne has accumulated a host of performance credits, including: Fanny Brice in Funny Girl, Annie Oakley in Annie Get Your Gun, Maria Rainer in The Sound of Music, Mama Rose in Gypsy, Anna in The King and I, and many more. She most recently appeared on the Kodak Theatre stage as the Narrator in Joseph and the Amazing Technicolor Dreamcoat alongside Eric

Martsolf (Passions) and Brad Maul (Days of Our Lives). She was a top-ten finalist at the ACTF Irene Ryan Competition in 1998 and has since won six Inland Empire Theatre League Outstanding Actress Awards. She is currently a proud member of the renowned Moho's, a sketch comedy troupe founded and directed by comedian Fred Willard and his wife, Mary. Anne is a resident of San Bernardino and lives with her husband, Tom, of eighteen years. The most important words ever written are the Ten Commandments. These words changed the world when they were

first presented at Mt. Sinai to Israelites, and they are changing it now. They are the foundation stones of Western Civilization. Given their staggering importance, you would think that all societies, and certainly our educational and religious institutions, would be intent on studying them closely. Sadly, this is not the case. Our schools ignore them and our churches and synagogues take them for granted. But here's a simple test: Who among us can even name all of the Ten Commandments? And even among those who can name them, how many can explain them in a way that

makes sense to the modern eye and ear? If you are a person of faith, this book will strengthen it; if you are agnostic it will force you to rethink your doubts; if you're atheist, it will test your convictions. For people who have thought little about the Ten Commandments, as well as for those who have a sophisticated understanding of them, it will be a revelation. That's a lot to ask of a little book, but the only thing that's little here is the length. The ideas are very big. A humorous and incisive analysis of the basic tenets of typography and how to turn them on their heads, this

book will appeal to the conformist and the non-conformist in everyone -- not just the newcomer to design. One side of this sharp-witted, cleverly designed guide presents the ten main rules, or 'commandments', of type design, addressing such aspects of typographic doctrine as legibility, alignment and capitalization; the other shows how type can successfully subvert these rules, presenting 'sacreligious' visual alternatives. In support of the commandments Felton includes a list of twelve 'disciples', those internationally renowned graphic designers whom he identifies as

ruleabiding, including such figures as Eric Gill, Jan Tschichold and Erik Spiekermann. Confronting these are his 'fallen angels', including such experimental typographers as David Carson, Jeffery Keedy, Phil Baines and Jonathan Barnbrook. Marriage is God's idea. He planned it. He designed it. And if you follow His blueprint, it will be more rewarding, more loving, more exciting than you ever imagined. In The 10 Commandments of Marriage, Dr. Ed Young shares the "thou shalt" and the "thou shalt nots" of successful relationships-- straight from the pages of God's

Word. In words that are profound, often humorous, but always biblical, Dr. Young draws from decades of counseling couples to provide 10 commandments for a lifelong marriage that sizzles. God wants your marriage to be nothing short of incredible. And it could begin with this book. According to Beth Moore (bestselling author and speaker), "The 10 Commandments of Marriage not only tells you 'what.' Thankfully, it tells you 'how.' Ed Young has taken the principles of Scripture and has had the courage to test them on the linoleum glued to average life on planet earth." In a

fascinating introduction that blends anecdotes about Nixon and original insight into his personality and politics, Humes notes that "vision, to Nixon, was knowledge of the past directed toward the future." Nixon was a politician, a statesman, and a historian; as a result, Humes is able to illustrate each maxim with a key example from Nixon's own career in diplomacy as well as an illuminating story from world history. The Lord alone -- Hallowing the name of God -- Keeping the Sabbath -- Respect for parents -- Protecting life -- Marriage, sex, and the neighbor -- Property and

possessions -- Telling the truth -- Desire and its repercussions -- The ethics of the commandments. Provides creative alternatives to ten conventional business practices and theories Learn the story behind the ten laws that have been the guiding light of Judeo-Christian belief. Not just about Moses, whose origin story leaves open questions, this book looks back at the time when the commandments were written, how the belief in one all-powerful God set the Israelites apart from other ancient peoples, and the roles the Ten Commandments have played in Judaism, Christianity, and

Islam. It also looks at what each individual commandment means and how together they form the basis of leading a moral life as well as forming a just government. This book answers critical questions about the Ten Commandments with compelling clarity and Bible evidence. The bestselling author shows how to bring the Christian faith into the workplace. With simple strategies and inspiring insights, Bishop Jakes helps readers understand how to put work in its proper place, recognize their blessings, and fight to take control of their work life. (Christian Religion) ACROSS THE

WESTERN WORLD, the Ten Commandments have become a source of both inspiration and controversy, whether in Supreme Court rulings, in film and literature, or as a religious icon gracing houses of worship of every Christian and Jewish denomination. But what do the commandments really stand for? According to polls, less than half of all Americans can even name more than four of them. Fewer still can name all ten, or have a clear idea of the ideals they were meant to promote. For most of us, agnostics and faithful alike, they have been relegated to the

level of a symbol, and the teachings they contain are all but forgotten. In Western life today, the Ten Commandments are everywhere—except where we need them most. In *The Ten Commandments*, David Hazony offers a powerful new look at our most venerable moral text. Combining a fresh reading of the Old Testament's most riveting stories and ancient rabbinic legends with a fearless exploration of what ails society today, Hazony shows that the Ten Commandments are not just a set of obscure laws but encapsulate a deeply valuable approach to life—one that is as

relevant now as it was when they first appeared more than two millennia ago. *The Ten Commandments* begins with a daring claim: Although they have become a universally recognizable symbol of biblically based religion, they are not, strictly speaking, a religious text. Rather than making a statement about faith or mystical realms inaccessible to reason, they contain a coherent prescription for how to make a better world. At their core stands what Hazony calls the "spirit of redemption," which he describes as one of the two basic spiritual components of

Western civilization. While the Greeks gave us the "spirit of reason," teaching that we should be free to explore and express our views, the spirit of redemption teaches that every individual can, and should, act to improve the world. This spirit reached us from ancient Israel, in the form of the Hebrew Bible, and has stood at the heart of the most important social movements in our history. Going through the commandments one by one, Hazony shows how each represents a poignant declaration about honesty, the self, life, love, freedom, community, and inner peace. Each

commandment, we discover, adds another piece to the puzzle of how the redemptive spirit may enter our lives and help us become more caring, world-changing individuals. Part memoir, part scholarship, part manifesto for a vital approach to life, *The Ten Commandments* tackles some of the most painful human questions that stand at the heart of who we are as modern, thinking people—and offers answers that are sure to start a new discussion about the meaning of one of our most enduring, yet least understood, traditions. *The Ten Commandments* are the first direct communication

between a people and God. Designed to elevate our lives above mere frantic, animal existence to the sublime levels humanity is capable of experiencing, they are the blueprint of God's expectations of us and His plan for a meaningful, just, loving, and holy life. Each commandment asserts a principle, and each principle is a moral focal point for real-life issues relating to God, family, sex, work, charity, property, speech, and thought. Written in collaboration with Rabbi Stewart Vogel, *The Ten Commandments* incorporates lively discussion of the Bible and the Judeo-Christian values

derived from it. Filled with passion, emotion, and profound insights, it will move, enlighten, inspire, entertain, and educate you on the meaning each commandment has in our daily lives today: I am the Lord, your God, Who has taken you out of the land of Egypt, from the house of slavery. You shall not recognize the gods of others in My presence. You shall not take the Name of the Lord., your God, in vain. Remember the Sabbath day and sanctify it. Honor your Father and your Mother. You shall not murder. You shall not commit adultery. You shall not steal. You shall not bear

false witness against your fellow. You shall not covet. New moms and dads always have the same reaction: 'I had no idea it would be this hard!' But you can make it a little easier, and a lot more rewarding, simply by following The 10 Commandments of Parenting. In words that are clear, simple, and sometimes humorous, Ed Young draws from decades of counseling and raising his own children to help you created a biblical foundation for life's greatest challenge and most important calling. The 10 Commandments of Parenting includes:
1. Thou Shalt Build a Functional Family
2. Thou Shalt Love

Thy Children 3. Thou Shalt Model Godliness 4. Thou Shalt Teach Thy Children 5. Thou Shalt Spend Time With Thy Children 6. Thou Shalt Discipline Thy Children 7. Thou Shalt Encourage Thy Children 8. Thou Shalt Provide Stability and Security for Thy Children 9. Thou Shalt Have the Sex Talk With Thy Children 10. Thou Shalt Not Be a Passive Parent "Employing humor and otherwise charming prose . . . Patrick weaves a compelling story of persuasive elements that define and drive propaganda. In addition, he uses contemporary and historical examples to clearly and

precisely explain complex ideas. This text is a keeper!"NProf. Bruce L. Plopper, School of Mass Communication, University of Arkansas at Little Rock. Presented from the perspective of practitioners, researchers and academics, The Ten Commandments of Lean Six Sigma serves as a practical guide for senior managers and executives who want to achieve operational and service excellence in various manufacturing, service and public sector organizations. You will be fascinated by this collection of intellectual and holy speeches and essays on the ten

commandments. Anybody would love these comments on the most important laws set in stone by our Lord and Savior. "The Christian model of loving offers a foundation for meeting the needs of both today's organization and the individuals in it. Pascarella outlines how you as a Christian can be an agent for positive change in the workplace - how to be a loving person as you make your organization more effective." "The Ten Commandments of the Workplace and How to Break Them Every Day is written by a top industry analyst. Each chapter offers upbeat and specific guidelines for demonstrating love

in action - and showing that Christian faith and values are good for business."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved
