Una divertidísima comedia romántica que nos recuerda que, aunque el amor tiene fecha de caducidad, a veces puedes conservarlo para toda la vida. Hola, soy Coral. Siempre fui una romántica empedernida, hasta que el género masculino me rompió el corazón. Después de varios desengaños, os juro que me dije a mí misma que no iba a permitir que nadie más me hiciera daño. ¡Qué bonito es el amor, pero menuda mierdecita es sufrir por él! Hoy por

hoy me considero una mujer relativamente feliz. Trabajo como repostera, tengo unas amigas increíbles y una preciosa hija a la que adoro. En cuanto al tema de los hombres, lo único que pretendo es disfrutar de un sexo divertido con ellos y poco más. Sin embargo, debo confesar que hay uno que hace que se acelere mi atontado corazón cada vez que lo veo. Se llama Andrew y es el jefe de seguridad de las giras musicales de mi amiga Yanira. Andrew es un bomboncito alto, de ojos oscuros, moreno y terriblemente atractivo. Y si a eso le sumas que conduce una moto y que tiene ese puntito canalla en su mirada que me vuelve loca, ¡ini te cuento! Pero Andrew es esquivo en lo que se refiere a las relaciones amorosas, y eso me hace pensar que a él también le partieron el corazón y que por eso nunca repite con la misma mujer. Repetir, repetir, yo no le voy a pedir que lo haga conmigo, pero cuando nuestras miradas se encuentran, una extraña corriente se genera entre nosotros, y eso me inquieta y me hace pensar en si realmente repetiremos algún día. Pero eso sólo lo sabrás si lees Oye, morena, ¿tú qué miras? Una divertidísima comedia romántica que nos recuerda que, aunque el amor tiene fecha de caducidad, a veces puedes conservarlo para toda la vida. Julia tiene una vida perfecta y controlada, un trabajo que le apasiona, una familia que la quiere y unas amigas que lo son todo para ella. Pero, ¿qué sucede cuando, por casualidades de la vida, y dejando salir su carácter inquieto y soñador, su vida da un giro de 180º? De repente todo se tambalea, sus sueños se pueden romper y su familia hace aguas... Una historia de amor, de amistad, de sueños y esperanzas que te invitan a dejar volar tu imaginación. Hola, Soy Estefanía y, como ya sabes, me he separado y ahora rezo para que llegue pronto el divorcio. Sí... sí, no me mires así, DI-VOR-CIO. Con todas sus letras. Por si lo has olvidado, te recuerdo que me separé porque descubrí que el caradura, por no decir un palabrotón, del que era mi maridito me la pegaba con otra mujer a quien tenía escondida en su teléfono como ¡Saneamientos López! ¡Se puede ser más ruin! En fin. Ya lo he asumido, aunque a veces no es fácil aceptar que Alfonso y yo ya no somos más que los padres de tres preciosos niños y unos auténticos desconocidos. A pesar de todo, intento que la vida continúe con normalidad para todos y, dispuesta a reencontrarme, comienzo a salir con mis amigas. Según ellas, vuelvo a estar en el mercado, pero oye... ¡vaya tela como está el mercado! Y si a eso le añado, entre otras cosas, que mi ex, en una de sus locuras, decide llevarse de vacaciones a mis hijos con su nueva churri, ¡pues imagina! ¡Estoy que reviento por todos lados! Pero ¡madre del amor hermoso! ¿Qué voy a hacer yo sin mis polluelos? ¿Será capaz Alfonso de apañarse con los niños sin mí? Eso sólo lo sabrás si lees... Soy una mamá divorciada y alocada. ¡Te espero! Alana es una periodista independiente que se refugia en su profesión porque es muy escéptica en cuestiones de amor. Un día, la revista para la que trabaja le encarga un reportaje en Nueva York, y allí, los caprichos del destino harán que conozca a Joel Parker, un atractivo norteamericano. Sin embargo, cuando Alana descubre que es capitán de la primera división de Marines del ejército de Estados Unidos, huye de él sin mediar palabra. Incapaz de entender la reacción de Alana, el capitán Parker hace todo lo posible por comprenderla, hasta que descubre que el padre de la joven fue, como él, militar americano. Sin proponérselo y casi sin quererlo, Alana encontrará en Joel esa clase de amor especial e irrepetible del que su madre siempre le había hablado. Pero se topará también con una dolorosa parte de su pasado que nunca conoció y que su madre jamás pudo olvidar: su padre. Hola, ¿te acuerdas de mí? nos sumerge en dos historias paralelas con un final de película: dos relaciones en diferentes épocas, en distintas ciudades y con unas circunstancias que nada tienen en común, pero en las que el amor se convierte en el gran protagonista. Si te gusta Megan Maxwell, no puedes dejar de leer su novela más íntima, basada en la historia de su madre y repleta de momentos emotivos que te harán tener los sentimientos a flor de piel. Enamorarse no entra en los planes de Jaime Ferrán. Soltero, independiente y con un hijo de siete años que es todo su mundo, no imagina que Belisa, esa compañera de trabajo callada y discreta con la que coincide cada mañana en la piscina de un gimnasio, está a punto de irrumpir en su vida para romperle los esquemas. A veces el amor ataca por sorpresa y, en esta ocasión, por culpa de un encontronazo bajo el agua, Jaime descubrirá que Belisa esconde un fiero carácter. Él la desafía con su sonrisa seductora y su actitud irónica, sin darse cuenta de que corre el peligro de rendirse a la pasión y el deseo que esconde en sus ojos azules. NEW YORK TIMES BESTSELLER • This vibrant, tender, and moving tale pulses with the excitement of New York City, as Danielle Steel explores twists of fate, and the way that sometimes, in special places, friends can be the family we need most. They come together by chance in the heart of New York City, four young women at turning points in their lives. Claire Kelly finds the walk-up apartment—a spacious loft in Hell's Kitchen. But the aspiring shoe designer needs at least one roommate to manage it. She meets Abby Williams, a writer trying to make it on her own, far away from her successful family in L.A. Four years later, Morgan Shelby joins them. She's ambitious, with a serious finance job on Wall Street. Then Sasha Hartman, a medical student whose identical twin sister is a headline-grabbing supermodel. And so the sprawling space, with its exposed brick and rich natural light, becomes a home to friends about to embark on new, exhilarating adventures. Frustrated by her ultra-conservative boss, Claire soon faces a career crisis as a designer. Abby is under the spell of an older man, an off-off-Broadway producer who exploits her and detours her from her true talent as a novelist, while destroying her self-confidence. Morgan is happily in love with a successful restaurateur who supplies her roommates with fine food. At her office, she begins to suspect something is off about her boss, a legendary investment manager whom she's always admired. But does she even know him? And Sasha begins an all-work-no-play residency as an OB/GYN, as her glamorous jet-set sister makes increasingly risky decisions. Their shared life in the apartment grounds them as they bring one another comfort and become a family of beloved friends. Unexpected opportunities alter the course of each of their lives, and as they meet the challenges, they face the bittersweet reality that in time, they will inevitably move away from the place where their dreams began. The "real" Fifty Shades of Grey... A true life erotic story of female submission to rival The Story of O. In Diary of a Submissive, Sophie Morgan candidly explains what exactly an independent, 21st century woman gets out of relinquishing her power and personal freedom in a submissive relationship with a dominant man for their mutual sexual pleasure. In the wake of Fifty Shades of Grey, here is a memoir that offers the real story of what it means to be a submissive and follows Sophie's story as she progresses from her early erotic experiences through to experimenting with her newfound awakened sexuality. From the endorphin rush of her first spanking right through to being collared, she explains in frank and explicit fashion her sexual explorations. But it isn't until she meets James, a real life 'Christian Grey,' that her boundaries and sexual fetishism are really pushed. As her relationship with James travels into darker and darker places, the question becomes: Where will it end? Can Sophie reconcile her sexuality with the

rest of her life, and is it possible for the perfect man to be perfectly cruel? Daring, controversial, and sensual, *Diary of a Submissive* is filled with a captivating warmth and astounding honesty such that no one—man or woman—will be able to put Sophie's story down. Once you read the book you will understand why Sophie Morgan is a pseudonym. Hola, me llamo Amara y estoy aquí no para hablaros de mí, sino de Liam Acosta, ese guapísimo empresario que se dedica al negocio del vino en Tenerife y que sigue soltero porque quiere, pues siempre tiene a una legión de mujeres pendientes de él. Por lo que sé, un día recibió una misteriosa llamada telefónica en la que le pedían viajar a Los Ángeles por un asunto urgente, que resultó ser, ni más ni menos, que un bebé. A Liam, al principio, le costó mucho admitir su paternidad, pero cuando vio a la criaturita, el mundo se movió bajo sus pies: al igual que él, tenía el ojo derecho de dos colores. Así que, muy agobiado y tremendamente perdido, regresó a Canarias con su hijo, pero se dio cuenta de que necesitaba a alguien que le echara una mano y, por recomendación de mi amiga Verónica, me contrató a mí. De pronto, Liam y yo, dos personas independientes y acostumbradas a no tener que dar explicaciones a nadie, hemos tenido que ponernos de acuerdo por el bien del pequeño. Y eso ha hecho que, sin apenas darnos cuenta, hayamos reconocido el uno en el otro a la persona que nunca hubiéramos esperado encontrar. After a breakup, that made her hit rock-bottom, Lindsey chooses to change the direction of her life. But it won't be as easy as she thinks...After thousands of interviews and just when she's about to lose hope, fate offers her an incredible opportunity. However, in the ideal job there's a great BUT... Axel, the son of the Dhal's. Some adjectives that describe Axel are: shy, crude, impolite and obsessive. Logically, he's not happy with his parent's decision and tries that their new employee leaves before finishing the trial period. Even though that means falling for a second time in the same hole... In my process of forgetting some doors opened inside me and this book came to life, day after day, I face the other part of me that has your shadow stuck on your heels. I was trampling my independence for insecurities that tied me to your false image. I want you to read each line so when you try to find me, remember that I won't answer. Excuse me, I forgot to thank you because after all... Thank to you and our unsuccessful story, we will help those who don't know how to leave and cling to the wrong people by calling them: love «Si regalaran un diamante por cada disgusto que da la vida, sería multimillonaria», pensó Victoria cuando encontró a su novio liado con su mejor amiga el día antes de su boda. Y tenía razón, porque a pesar de sus gafas Prada, de sus bolsos Chanel, de sus zapatos Gucci y de todos los Carolina Herrera del mundo que cuelgan en su armario, Victoria sólo es una mujer amargada que vive en la mejor zona de Madrid. En medio de este caos emocional, su empresa le da un ultimátum: si en dos meses no consigue convencer a un conde escocés de que ceda su castillo para rodar un anuncio de una marca de relojes, la pondrán de patitas en la calle y perderá su fantástico estilo de vida. Con un fracaso amoroso a cuestas y una difícil misión empresarial, Victoria se encamina a las Highlands en busca del conde McKenna, pero allí, aparte de lluvia, paletos y vacas, la única pista que encontrará del invisible aristócrata será la de su mano derecha, Niall, quien tiene un plan muy bien trazado para tratar a la española gruñona. Te lo dije es una divertida comedia romántica salpicada de escenas emotivas que te harán pensar en lo maravilloso que es el amor. Kenner has given us one hell of a story with this start to the Stark International series. And if anyone can give Damien Stark a run for his money, it's Jackson Steele."—Cocktails and Books "If you enjoyed the Stark novels, you are going to love Say My Name!"—Reading Keeps Me Sane ¿Qué es el ciberfemismo? ¿Cómo está evolucionando el texto literario en la era digital? ¿Cómo interaccionan los

géneros con los formatos digitales? En Ciberfeminismos, tecnotextualidades y transgéneros. Literatura digital en español escrita por mujeres se recogen las reflexiones sobre su propia práctica artística de creadoras digitales como Belén Gache, María Mencía, Tina Escaja y Alex Saum para enriquecerla con aspectos teóricos y críticos de investigaciones que contextualizan su obra y la de otras mujeres (Dora García, Belén García Nieto, Lidia Bocanegra, Mariela Yeregui, Frida Robles, etc.), y la ponen en valor dentro del conjunto de la creación digital en el ámbito hispánico. En este volumen colectivo se pone de manifiesto, desde distintas perspectivas, cómo las creadoras de literatura digital en español se hacen eco en sus obras de universos simbólicos donde lo femenino transita en la búsqueda de nuevas identidades multiculturales, transnacionales y plurilingüísticas. De esta manera, la reflexión sobre la práctica de la literatura digital se imbrica a menudo con el planteamiento de cuestiones sobre la identidad, el cuerpo, la memoria o la historia. Leyendo Ciberfeminismos, tecnotextualidades y transgéneros se descubre que la literatura digital en español escrita por mujeres es «un arma cargada de futuro». A magnificent saga of two proud and powerful families--one British, one African--and their battle over Kenya's destiny in the twentieth century. In 1917, Dr. Grace Treverton arrives in Kenya, determined to bring modern medicine to the African natives. Her brother, Sir Valentine Treverton, has his own dream for the British protectorate: to establish an agricultural empire to rival any in England. The aspirations of the wealthy Trevertons collide with those of the Mathenge tribe, an African family that has lived on the land for years. Grace soon finds a deadly rival in Mama Wachera, an African medicine woman who fights to maintain native traditions against the encroaching whites. After Wachera curses the Trevertons, a series of tragedies threatens to destroy what the once-great family fought to create. But the fates of future generations of these two remarkable families are inextricably bound. A bold and brilliant achievement, Green City in the Sun brims with all the drama, violence, and fierce beauty of the Kenyan landscape.
