**Holy Spirit Led Poetry** Oct 31 2022  
The poems for this book were originally written in 2006 in connection with a sermon series called God's Character and were an outline for the sermons presented during the series. The poems can not only be used as sermon outlines, but also as an inspiration for the individual reader in their growth with the Lord. The poems are used to help one

understand the depth of God's Character and our response to him so we can grow in our relationship with him. It is my desire that you will not only be blessed by this book but be able to help others grow as Holy Spirit Led Poetry leads you into a new dimension of who God is and how you can know him today! Dr. Don Carson felt a call to the ministry as a child. He went to Emmanuel College knowing that he was called to preach and to fulfill the desire to become a minister. After earning a B.S. in religion, he was licensed by Pentecostal Holiness Church in June 1985. Rev. Don went on to earn a M. Min from Christian Leadership University in 2012 and a D.Min in 2013 by Christian Leadership Seminary. He was the Asst. Pastor of Word of Grace from its inception in 1987. The church had a webpage which he edited on multiply.com and also worked with another assistant pastor to do weekly editing of a TV show for a while, which was called Nothing but Grace. In 2006,

after the death of the founder and head Pastor John Hogan, Dr. Carson became the Pastor of Word of Grace Fellowship. He was married in 1993 to Janet Hendricks, his HS friend. (from Timothy Christian High School in Piscataway, NJ) until her death in 2011.

**Divine Sovereignty and Human Responsibility** Nov 07 2020 Both theology and philosophy wrestle with the tension that exists between the sovereignty of God and human response. In Christianity, this tension is particularly acute as God is understood to be both omnipotent and benevolent. This tension underlies numerous other questions: about the nature of God, the meaning of human freedom and choice, the concept of divine repentance, the reign of God and supremely, the significance of the incarnation. Dr. Carson brings clear, scholarly insights and finely-honed exegetical skills to this all-pervasive issue, seeing it not so much as a problem to be solved as a framework to be explored. He examines the sovereignty-responsibility themes in the Old Testament, intertestamental literature and in the theology of John's gospel and concludes with a reflection on the theological implications for ministry and mission today.

Paul, the Spirit, and the People of God Dec 29 2019 This contemporary classic by renowned scholar Gordon Fee explores the Spirit's significant role in Pauline life and thought. After Fee published his magisterial *God's Empowering Presence*, he was asked to write a more accessible volume that would articulate Paul's priorities for experiencing the life of the Spirit in the church. Fee's bestselling introduction to Paul and the Spirit, *Paul, the Spirit, and the People of God*, went on to sell over 70,000 copies. This book by one of the greatest evangelical and Pentecostal New Testament interpreters of our time argues that the presence of the Spirit is, for Paul and for us, the crucial matter for the Christian life. This repackaged edition features an updated design and packaging, new study questions, and a foreword by Dean Pinter, who commends the book to a new generation of readers.

**Teach Us to Pray** Mar 31 2020 In almost 500 years of evangelical praying, there has

never been a book like this. *Teach Us to Pray* is in effect four books in one. It begins with a detailed analysis of the biblical theology of prayer, surveying each part of the Scriptures in turn. Next comes an investigation of prayer and spirituality within Hinduism, Buddhism, Islam, historic Christianity (Puritanism) and a different Christian contemporary tradition (Roman Catholicism). In addition, expert commentators offer *Lessons in Prayer from the Worldwide Church*, featuring Korea, China, Latin America and Africa. Finally a group of Christian leaders write about prayer in their individual experience, adding a personal dimension to this comprehensive book. This is a full library on the subject of prayer, conserving the best insights of the past and breaking new ground with penetrating original thinking. *God the Peacemaker* Aug 05 2020 What does God intend for his broken creation? In this *New Studies in Biblical Theology* volume, Graham A.

Cole seeks to answer this question by setting the atoning work of the cross in the broad framework of God's grand plan to restore the created order, and places the story of Jesus, his cross and empty tomb within it.

*A Call to Spiritual Reformation*

Feb 03 2023 Carson calls believers to revolt against superficiality and find again the deeper knowledge of God at Paul's school of prayer.

Strong expository study.

Praying with Paul Jan 02 2023

God doesn't demand hectic church programs and frenetic schedules; he only wants his people to know him more intimately, says top-selling author D. A. Carson. The apostle Paul found that spiritual closeness in his own fellowship with the Father. By following Paul's example, we can do the same. This book calls believers to reject superficiality and revolutionize their lives by embracing a God-guided approach to prayer.

Previously published as *A Call to Spiritual Reformation*, this book has now been updated to

connect more effectively with contemporary readers. A study guide, DVD, and leader's kit for the book are available through Lifeway and The Gospel Coalition.

examination of the primary

**Jesus the Son of God** Feb 20 2022 Although it is a foundational confession for all Christians, much of the theological significance of Jesus's identity as "the Son of God" is often overlooked or misunderstood. Moreover, this Christological concept stands at the center of today's Bible translation debates and increased ministry efforts to Muslims. New Testament scholar D. A. Carson sheds light on this important issue with his usual exegetical clarity and theological insight, first by broadly surveying Jesus's biblical name as "the Son of God, and then by focusing on two key texts that speak of Christ's sonship. The book concludes with the implications of Jesus's divine sonship for how modern Christians think and speak about Christ, especially in relation to Bible translation and missionary engagement with Muslims across the globe.

**A Model of Christian**

**Maturity** Dec 01 2022 We live in a time when leadership and showmanship are seen as far

greater virtues than humility and meekness. Even the church has often got it backward. And in Paul's second letter to the Corinthians, he confronts similar problems in the first-century church. D. A. Carson believes we can learn valuable lessons from Paul's letter about what it really means to be a mature Christian in the face of adversity. In *A Model of Christian Maturity* he takes the reader step by step through an exposition of 2 Corinthians 10-13 and then helps them apply these Scriptures to everyday life in the church. Perfect for pastors, students, and laypeople, this book highlights the power of weakness in the life of the Christian.

**Showing the Spirit** Apr 05 2023 Eschewing extremes, Bible scholar D. A. Carson explores the controversial subject of the role of the Holy Spirit in the life of a believer and in the life of the church. Unpacking 1 Corinthians 12-14, as well as touching on relevant passages in Acts, Carson faithfully follows the

evidence of the text and offers an honest look at the strengths and weaknesses of both charismatic and non-charismatic viewpoints.

**Father, Son and Spirit** Sep 29 2022 In this New Studies in Biblical Theology volume, Andreas J. Köstenberger and Scott R. Swain provide a thorough biblical survey and theological treatment of the three persons of the Godhead in John's Gospel.

Spirit Clans May 26 2022 For thousands of years, Native American tradition has taught that we all carry within us an ancient blessing, a spirit clan that connects us to the earth. Our spirit clan may be an animal, or a plant, a stone, or some special object that has taken on spiritual power. Your clan is a reservoir of powerful energy. It helps carry you through troubled times and protects you from danger. The wisdom of their teachings shows the way to true peace and prosperity and to live in harmony with all that is. In this book, you will learn how to discover your own spirit clan

using dreams and visions as a guide and by contemplating the stories, traditions, and descriptions of the 75 clans gathered here. In-depth descriptions of the physical, psychological, and spiritual aspects of spirit clans and their modern-day manifestations lift these ancient teachings off the page and bring them to life.

**The Farewell Discourse and Final Prayer of Jesus** Jul 28 2022 In this study D. A. Carson illuminates Jesus's message to his disciples after the Last Supper, in which Jesus proclaims the coming of the Holy Spirit and prays for himself, his followers, and the world. D. A. Carson clearly explains what Jesus taught his disciples the night before his crucifixion. This exposition of John 14-17 helps students of the Bible appreciate Jesus's teaching on the coming and the work of the Holy Spirit, his high priestly prayer, and his commandment to love one another.

The Church in the Bible and the World Aug 29 2022 As Christianity makes its impact

upon widely different social contexts around the world, new questions arise about the interpretation of the church's biblical identity and mission. Contributors include Edmund P. Clowney, P.T. O'Brien, Russell P. Shedd, Ronald Y. K. Fung, D. A. Carson, Sunand Sumithra, and David Adeney. Among the topics dealt with are mission, ministry, worship, syncretism, persecution, the church as a heavenly and eschatological entity and the biblical theology of the church. Published on behalf of the World Evangelical Fellowship.

**Spirit-Filled Truth** Nov 19 2021 For many of Christians, no matter how many church services we attend, podcasts we listen to, or conferences we sign up for, we often feel a deep sense of emptiness or void in our relationships with Jesus. Feelings of being orphaned by God, divorced from His family, and enslaved to our sins, consume our hearts. We do everything we can to try and fill our spiritual emptiness, but nothing seems to change. Despite our best

efforts to apply what we are learning from our daily Bible readings and church's weekly sermons, what we "know" in theory rarely becomes what we encounter on a day to day basis. Because of this, our relationships with Jesus are in desperate need of rejuvenation. In John 16:13, Jesus says, "When the Spirit of Truth comes, he will guide you into all truth.". Within this passage, Jesus teaches his followers that it is by the guiding work of the Holy Spirit that we will encounter the truths of God's Word that brings us life. The Spirit will be the active agent in guiding our hearts to God's loving truths for our lives. Therefore, Spirit-Filled Truth speaks to the longing many Christians have to encounter God's truths for themselves, and how His presence alone can satisfy their deepest needs by means of: - Unveiling who the Spirit of Truth is, and our need for His guidance in our lives. - Illustrating how to walk in our identity as adopted children of God. - Revealing how to actively be a part of

God's family. - Displaying how to be used as effective ambassadors for His Kingdom. *Showing the Spirit* Mar 04 2023 This incisive study of 1 Corinthians 12-14 and other passages about "spiritual gifts" gets to the core of Paul's message about the Spirit-empowered life. Carson's careful exegesis considers differences of opinion, and makes helpful pastoral applications. 342 pages, from Authentic.

**Gift and Giver** Apr 12 2021 Affirms the validity of spiritual gifts while seeking to restore a biblical emphasis on why the gifts are given.

**Showing the Spirit** May 06 2023 Eschewing extremes, Bible scholar D. A. God's Indwelling Presence Feb 08 2021 Does the Holy Spirit do the same things now and in the New Testament times that He did in Old Testament times? Volume one in the NEW AMERICAN COMMENTARY STUDIES IN BIBLE AND THEOLOGY series for pastors, advanced Bible students, and other deeply committed laypersons addresses this challenging subject. God's Indwelling Presence asks and explores to answer: What are the spiritual differences and similarities between Old Testament and New Testament believers? Did God dwell in Old Testament believers as He does in New Testament believers? Were Old Testament believers born again (that is, experience

regeneration)? What do the words indwelling and regeneration mean? How is the Holy Spirit's ministry similar or different during Old Testament and New Testament times?

Users will find this an excellent extension of the long-respected NEW AMERICAN COMMENTARY.

Keep in Step with the Spirit (second edition) Jul 16 2021

Since we live by the Spirit, let us keep in step with the Spirit (Galatians 5:25). The Holy Spirit empowers us, guides us, and enables us to grow and endure in our relationship with the Father through Jesus Christ. Often the most misunderstood member of the Trinity, the person of the Spirit continues to attract attention today amidst church revivals and renewals. In this new edition of his classic *Keep in Step with the Spirit*, J. I. Packer seeks to help Christians reaffirm the biblical call to holiness and the Spirit's role in keeping our covenant with God. Packer guides us through the riches and depth of the Spirit's work, assesses versions

of holiness and the charismatic life, and shows how Christ must always be at the centre of true Spirit-led ministry. A new chapter explores Christian assurance. With abiding relevance and significance, *Keep in Step with the Spirit* sets forth vital knowledge for healthy and joyous Christian living, through understanding and experience of God the Holy Spirit. Here is a book for every serious believer to read and re-read.

The Glory of God and Paul Jan 28 2020 God intends his glory to impact many areas of believers' lives—their gradual transformation "from glory to glory" occurs as they meditate and reflect on the splendor of the Lord. Christopher Morgan and Robert Peterson explore the glory of God in Paul's letters, touching on the Trinity, salvation, the resurrection, the new covenant, the church, eschatology, and the Christian life.

17 2021 Through the history of God's people, the constant element has been the manifest presence of the Almighty. Baptism in the Holy Spirit galvanized the young church, equipping and empowering the believers for action, particularly for proclamation. This transformative experience boosted courage, fostered fluency, and granted insights to ordinary men and women--and still does today. The Spirit gives particular gifts. Terry clarifies the distinction between pastors, apostles, and prophets. Every fellowship needs a pastor, someone who can keep the flock close to the Shepherd Himself. Beyond that there is the role of the apostle,

whose calling is to act as the master builder. But we are all called to be a prophetic people, able to speak God's word into the current situation, bringing direction, comfort, solutions, and action. This warm and loving description of the work of the Spirit is a delightful articulation of the passion that has driven Terry's life and ministry.

**Christ Has Set Us Free** May 02 2020 How can a sinful human stand before a holy God? The New Testament book of Galatians deals with this question—a question that stands at the heart of the gospel. In *Christ Has Set Us Free*, nine seasoned Bible teachers walk through the entirety of Galatians, offering insights on how to interpret and apply its important message about justification by faith. This book will help all who teach or study the Bible better understand what Christ has done to set us free from the power of sin through his death and resurrection.

**Christ and Culture Revisited**  
Feb 29 2020 Called to live in the world, but not to be of it, Christians must maintain a balancing act that becomes more precarious the further our culture departs from its Judeo-Christian roots. How should members of the church

interact with such a culture, especially as deeply enmeshed as most of us have become? In this award-winning book -- now in paperback and with a new preface -- D. A. Carson applies his masterful touch to that problem. After exploring the classic typology of H. Richard Niebuhr with its five Christ-culture options, Carson offers an even more comprehensive paradigm for informing the Christian worldview. More than just theoretical, *Christ and Culture Revisited* is a practical guide for helping Christians untangle current messy debates about living in the world.

**Hearing the Spirit** May 14 2021 Explores how Jesus continues to make the Father known today For those seeking a deeper experience of the Spirit of God In partnership with the Proclamation Trust

**Right With God** Jul 04 2020 'Right with God' is a study of what the Bible has to say about justification, along with reflections as to how this teaching ought to work out in a variety of contexts, around the

world. In addition to the essays on particular parts of the Bible (Paul, Matthew, Luke, Acts, John, James), the book includes an essay assessing recent thought on justification, and another attempting to put together a synthesis of biblical perspectives on this important theme. One chapter relates justification and personal Christian living; another weighs the relationship between justification and social justice; yet another evaluates the treatment of justification in Roman Catholicism and in various interfaith dialogues. For some readers, however, the most innovative chapters will be those discussing the relevance of the Christian doctrine of justification by faith in Hindu, Islamic, and Buddhist contexts. The contributors have been drawn from evangelical communities around the world.

**Ministry** Sep 17 2021 In this exposition of 1 Corinthians, D. A. Carson presents a comprehensive view of what the death of Christ means in preaching and ministering to

God's people. He explains the key biblical principles for dynamic, cross-centered ministry and how to put the cross at the center of Christian life.

### *Rediscovering the Holy Spirit*

Oct 19 2021 For the Spirit, being somewhat forgotten is an occupational hazard. The Holy Spirit is so actively involved in our lives that we can take his presence for granted. As they say, familiarity breeds contempt. Just as we take breathing for granted, we can take the Holy Spirit for granted simply because we constantly depend on him. Like the cane that soon feels like an extension of the blind man's own body, we too easily begin to think of the Holy Spirit as an extension of ourselves. Yet the Spirit is at the center of the action in the divine drama from Genesis 1:2 all the way to Revelation 22:17. The Spirit's work is as essential as the Father's and the Son's, yet the Spirit's work is always directed to the person and work of Christ. In fact, the efficacy of the Holy Spirit's mission is

measured by the extent to which we are focused on Christ. The Holy Spirit is the person of the Trinity who brings the work of the Father, in the Son, to completion. In everything that the Triune God performs, this perfecting work is characteristic of the Spirit. In *Rediscovering the Holy Spirit*, author, pastor, and theologian Mike Horton introduces readers to the neglected person of the Holy Spirit, showing that the work of God's Spirit is far more ordinary and common than we realize. Horton argues that we need to take a step back every now and again to focus on the Spirit himself—his person and work—in order to recognize him as someone other than Jesus or ourselves, much less something in creation. Through this contemplation we can gain a fresh dependence on the Holy Spirit in every area of our lives. *Themelios*, Volume 41, Issue 2 Jun 02 2020 *Themelios* is an international, evangelical, peer-reviewed theological journal that expounds and defends the historic Christian

*What Is the Gospel?* Jan 10 2021 The gospel is the glorious truth about Christ, and it unfolds us in the global purpose of God by renewing hearts, empowering lives, and transforming the world. A Gospel Coalition booklet.

**Worship by the Book** Jun 14 2021 “What is at stake is authenticity. . . . Sooner or later Christians tire of public meetings that are profoundly

inauthentic, regardless of how well (or poorly) arranged, directed, performed. We long to meet, corporately, with the living and majestic God and to offer him the praise that is his due.”—D. A. Carson

Worship is a hot topic, but the ways that Christians from different traditions view it vary greatly. What is worship? More important, what does it look like in action, both in our corporate gatherings and in our daily lives? These concerns—the blending of principle and practice—are what *Worship by the Book* addresses. Cutting through cultural clichés, D. A. Carson, Mark Ashton, Kent Hughes, and Timothy Keller explore, respectively: · *Worship Under the Word* · *Following in Cranmer’s Footsteps* · *Free Church Worship: The Challenge of Freedom* · *Reformed Worship in the Global City* “This is not a comprehensive theology of worship,” writes Carson. “Still less is it a sociological analysis of current trends or a minister’s manual chockfull of

'how to' instructions." Rather, this book offers pastors, other congregational leaders, and seminary students a thought-provoking biblical theology of worship, followed by a look at how three very different traditions of churchmanship might move from this theological base to a better understanding of corporate worship. Running the gamut from biblical theology to historical assessment all the way to sample service sheets, *Worship by the Book* shows how local churches in diverse traditions can foster corporate worship that is God-honoring, Word-revering, heartfelt, and historically and culturally informed.

**Engaging with the Holy Spirit** Jun 26 2022 Despite the growth of the charismatic movement and Pentecostal churches, people still have

questions-and even troubling concerns-about the person and work of the Holy Spirit. These real questions are the burden of this book, which seeks to sequentially address from throughout Scripture six crucial questions that affect a person's relationship to the Spirit: What is blasphemy against the Holy Spirit? How does a person resist him? Ought we to pray to the Spirit? How do we quench the Spirit? How do we grieve the Spirit? and How does he fill us? Each chapter is devoted to one question and challenges readers about their relationship with the Spirit and about Christian living in general. Readers are also given key elements for thinking theologically and implications for their belief and behavior. It's a brief, reader-friendly book full of solid, reassuring answers.
