Masters of Disaster Nov 29 2020 Roped into wacky attempts to break world records, imitate scenes from books, and other inspired ideas, Riley and Reed follow their fearless leader Henry into the wilderness, the bull-riding ring, a haunted house, cataclysmic collision with explosive life forms, and off the roof of a house on a bike.

Masters of Scale Nov 22 2022 What can you learn from a Silicon Valley legend and a pantheon of iconic leaders? The key to scaling a successful business isn't talent, network, or strategy. It's an entrepreneurial mindset—and that mindset can be cultivated. "If you're scaling a company—or if you just love a well-told story—this is a book to savor."—Robert Iger, #1 New York Times bestselling author of *The Ride of a Lifetime* Behind the scenes in Silicon Valley, Reid Hoffman (founder of LinkedIn, investor at Greylock) is a sought-after adviser to heads of companies and heads of state. On each episode of his podcast, *Masters of Scale*, he sits down with a guest from an all-star list of visionary founders and leaders, digging into the surprising strategies that power their company's growth. In this book, he draws on their most riveting, revealing stories—as well as his own experience as a founder and investor—to distill the secrets behind the most extraordinary success stories of our times. Here, Hoffman teams up with *Masters of Scale*'s executive producers to offer a rare window into the entrepreneurial mind, sharing hard-won wisdom from leaders of iconic companies

(including Apple, Nike, Netflix, Spotify, Starbucks, Google, Instagram, and Microsoft) as well as the bold, disruptive startups (such as 23andMe, TaskRabbit, Black List, and Walker & Co.) that are solving the problems of the twenty-first century. Through vivid storytelling and incisive analysis, *Masters of Scale* distills their collective insights into a set of counterintuitive principles that anyone can use. How do you find a winning idea and turn it into a scalable venture? What can you learn from a “squirmy no”? When should you stop listening to your customers? Which fires should you put out right away, and which should you let burn? And can you really make money while making the world a better place? (Answer: Yes. But you have to keep your profits and values aligned.) Based on more than a hundred interviews and including a wealth of new material never aired on the podcast, this unique insider’s guide will inspire you to reimagine how you do business today.

Masters of the Mind Feb 13 2022 The compelling story of the quest to understand the human mind -and its diseases This engaging presentation of our evolving understanding of the human mind and the meaning of mental illness asks the questions that have fascinated philosophers, researchers, clinicians, and ordinary persons for millennia: What causes human behavior? What processes underlie personal functioning and psychopathology, and what methods work best to alleviate disorders of the mind? Written by Theodore Millon, a leading researcher in personality theory and psychopathology, it features dozens of illuminating profiles of famous clinicians and philosophers.

Masters of Doom Jun 05 2021 Masters of Doom is the amazing true story of the Lennon and McCartney of video games: John Carmack and John Romero. Together, they ruled big business. They transformed popular culture. And they provoked a national controversy. More than anything, they lived a unique and rollicking American Dream, escaping the broken homes of their youth to co-create the most notoriously successful game franchises in history—Doom and Quake—until the games they made tore them apart. Americans spend more money on video games than on movie tickets. Masters of Doom is the first book to chronicle this industry's greatest story, written by one of the medium's leading observers. David Kushner takes readers inside the rags-to-riches adventure of two rebellious entrepreneurs who came of age to shape a generation. The vivid portrait reveals why their games are so violent and why their immersion in their brilliantly designed fantasy worlds offered them solace. And it shows how they channeled their fury and imagination into products that are a formative influence on our culture, from MTV to the Internet to Columbine. This is a story of friendship and betrayal, commerce and artistry—a powerful and compassionate account of what it's like to be young, driven, and wildly creative. “To my taste, the greatest American myth of cosmogenesis features the maladjusted, antisocial, genius teenage boy who, in the insular laboratory of his own bedroom, invents the universe from scratch. Masters of Doom is a particularly inspired rendition. Dave Kushner chronicles the saga of video game virtuosi Carmack and Romero with terrific brio. This is a page-turning,

mythopoeic cyber-soap opera about two glamorous geek geniuses—and it should be read while scarfing down pepperoni pizza and swilling Diet Coke, with Queens of the Stone Age cranked up all the way.”—Mark Leyner, author of *I Smell Esther Williams*

Decadent Master Dec 11 2021 Three sinfully sexy vampires. One very willing woman. Get ready for. . . *Maximum Pleasure* A closed door swings open. . .and Wynne Fischer enters an elegant bondage club for those who crave extremes of forbidden sensation. Within the walls of *Twilight*, ultra-male temptation comes in threes: the muscular brothers Rolf and Dierk, and the mysterious Master Zane. Dominance is in their blood and the natural submissiveness of the inexperienced Wynne arouses the men beyond belief. Baring herself body and soul at their command, their captive is about to satisfy her most hidden desires as she explores the dark side of sexual passion. . . Praise for Tawny Taylor "Absolutely delicious!" --Kate Douglas on *Dark Master* "Halloween will never be the same after this fun read!" --L.A. Banks on *Sex And The Single Ghost*

Masters of Craft Mar 14 2022 In today’s new economy—in which “good” jobs are typically knowledge or technology based—many well-educated and culturally savvy young people are instead choosing to pursue traditionally low-status manual labor occupations as careers. *Masters of Craft* looks at the renaissance of four such trades: bartending, distilling, barbering, and butchering. In this engaging book, Richard Ocejo takes you into the lives and workplaces of these people to examine how they are transforming once-undesirable jobs

into “cool” and highly specialized upscale occupations. He shows how they find meaning in these jobs by enacting a set of “cultural repertoires,” resulting in a new form of elite taste-making. Focusing on cocktail bartenders, craft distillers, upscale men’s barbers, and whole-animal butcher shop workers in Manhattan, Brooklyn, and upstate New York, *Masters of Craft* provides new insights into the stratification of taste, the spread of gentrification, and the evolving labor market in today’s postindustrial city.

Masters of Spanish Comic Book Art Jun 17 2022 "Masters Of Spanish Comic Book Art is a celebration of the great artists who revolutionized American horror comics in the 1970s with their work on Warren's *Vampirella*, *Creepy*, and *Eerie* horror comics. This first-ever comprehensive history of Spanish comic books and Spanish comic artists reveals their extraordinary success -- not just in Spain and America, but around the world. Their global influence has been little known until this celebration of their contributions.

Containing artwork from over 80 artists, this in-depth retrospective includes profiles of such legends as Esteban Maroto, Sanjulian, Jose Gonzalez, Jordi Bernet, Enrich, Victor De La Fuente, Jose Ortiz and Luis Garcia Mozos. With 500 illustrations, over half scanned directly from the original artwork, *Masters Of Spanish Comic Book Art* honors the "Golden Generation" whose artwork inspired the imagination of comic book lovers everywhere."--

Masters of Disguise Feb 19 2020 Shapes, colors, or markings. Some mammals, birds, and fish use unusual camouflage to hide in plain sight.

Masters of Silence Sep 20 2022 Silence can be powerful. Kathy Kacer's second book in her middle grade series about heroic rescues during WWII tells the tale of siblings Helen and Henry, and history's most famous mime. Desperate to save them from the Nazis, Henry and Helen's mother makes

the harrowing decision to take her children from their home in 1940s Germany and leave them in the care of strangers in France. The brother and sister must hide their Jewish identity to pass for orphans being fostered at a convent in the foreign land. Visits from a local mime become the children's one source of joy, especially for Henry, whose traumatic experience has left him a selective mute. When an informer gives them up, the children are forced to flee yet again from the Nazis, but this time the local mime—a not yet famous Marcel Marceau—risks everything to try to save the children. *Masters of Silence* shows award-winning author Kathy Kacer at the top of her craft, bringing to light the little-known story of Marceau's heroic work for the French Resistance. Marceau would go on to save hundreds of children from Nazi concentration camps and death during WWII. In characteristic Kacer style, *Masters of Silence* is dramatic and engaging, and highlights the courage of both those rescuing and the rescued themselves. Wenting Li's chapter heading illustrations and evocative covers provide the perfect visuals for the series.

Masters of Disaster Oct 29 2020 Twelve-year-old Henry's grand adventures spell disaster for best chums Riley and Reed, who always seems to land in a pile of "smelly goo."

The Masters of Wisdom Dec 23 2022 "The Masters of Wisdom" is the last book to have been published during the John Bennett's lifetime, and is probably the most unusual, having little in common with his previously published works, except in serving a number of discrete objectives. Originally planned to be incorporated into a single volume to be entitled "Gurdjieff and the Masters of Wisdom" this work was

separated from what became "Gurdjieff: Making a New World" which eventually was published a year earlier in 1973. In the last years of Bennett's life, he had been deeply affected by his close association with the Turkish mystic, Hasan Lutfi Shushud, and originally a contract was drawn up with a London publishing house for the combined work, in which both men were signed as joint authors. However, before anything was written, Shushud abruptly withdrew his support for the project, ostensibly on the grounds of a disagreement with the publishers. Only after Bennett's death in 1974, Shushud indicated privately that he found Gurdjieff's teaching and methods offensive. There is however some overlap between the two books, and "The Masters of Wisdom" draws on Gurdjieff's resources as well as material provided by Hasan Shushud. "The Masters of Wisdom" is unlike Bennett's other books not only in the way it is constructed, which appears to be somewhat out of balance, but also in the content. The first three chapters provide an overview of material presented 8 years earlier in the fourth volume of "The Dramatic Universe", of the Earth as single intelligent whole, in which humanity plays an increasingly active role and - must accept greater responsibility. These chapters provide an introduction to Chapter 4 which presents an account of the Christ Event not to be found anywhere else, and by Bennett's own account, arising out of insights vouchsafed to him privately by Gurdjieff. The next chapter serves as a bridge to the second major detailed message Bennett shares, which concerns the extraordinary period spanning at least 350 years, when a group of men within a single unbroken tradition played a

pivotal and benign role in otherwise catastrophic events. It is not clear why Bennett devotes an entire chapter to Genghis Khan in a book entitled "The Masters of Wisdom" except that he appears to have been an exceptionally gifted individual whom Bennett apparently admired for his great self-control, and his willingness to accept guidance from a spiritual director. The researches Bennett completed in his last years led him to certain conclusions which may not have been fully expressed in this account. Unlike Bennett's other books, "The Masters of Wisdom" contains hidden messages, and also occult elements which are accessible to those able to access them. "Beelzebub's Tales to His Grandson" and "The Dramatic Universe" showed the transformative power of books, but like "Meetings with Remarkable Men" this book imparts information which remains hidden except from those readers who find the key. The book is also unlike any of Bennett's other books in containing secret "magic" elements, opening mystical channels. Since the text was left unfinished when Bennett died, it is not possible to know for certain whether the message of the book is complete or would have included other material such as the very detailed accounts that Bennett gave to his student in the last months - the "esoteric phase" - of the Third Basic Course. Overall the message is of the planet we inhabit seen as a single indivisible whole, of which we human beings are an important element, but which is subordinate to the Cosmic forces.

New Masters of Flash Dec 19 2019 Flash has upped the standard for web motion graphics and has been welcomed with open arms on account of its powerful new

ActionScripting capabilities. Following the phenomenal success of *New Masters of Flash*, the *Flash Annual* will bring together a new collection of the hottest Flash design talents on the planet, all of whom have grabbed attention in the preceding year. *New Masters of Flash: The 2002 Annual* gives competent web artists inspiration for cutting-edge Flash design techniques, as well as hard tutorial information on how to build top class effects. The format builds on the best of the original best-selling title while improving in areas where the first volume was weaker, (e.g. generic customizable code examples), while the talents, the inspirations and effects are all of the moment and represent the mature and expert deployment of the staggering new capabilities of Flash 5 ActionScript. The *Flash Annual* format: The Intro is a series of 3 "field-report" essays written by key *New Masters* from the previous year covering new talents, new techniques and new trends. The main body of the book is then an evolution from the original format. This time, as well as the inspiration and tutorial sections, we add a third section to each chapter, headnotes. Part summary, part chapter commentary, part code overview, the Headnotes section teases out the reusable and generic elements of the previous tutorial and suggests ways forward for the reader.

Masters of FX Oct 09 2021 It would be rare these days to find a film that did not in some way depend on the magic of visual effects, from the raging computer-generated dinosaurs in Steven Spielberg's *Jurassic Park*, to the fantastical worlds of Tim Burton's *Alice in Wonderland*, and the photoreal tiger and ocean in Ang Lee's *Life of Pi*. Through interviews with 16 of the leading effects pioneers from around the world (see

list below), author Ian Failes explores the making of some of the most memorable film sequences ever produced, showcasing the shift from practical to digital magic with original behind-the-scenes imagery, shot breakdowns, and detailed explanations of some of the secrets behind the making of cinema's most extraordinary creations. Visual effects artists and films discussed include: Dennis Muren (Star Wars: Episodes IV–VI; Terminator 2: Judgment Day; Jurassic Park; A.I. Artificial Intelligence; War of the Worlds) Bill Westenhofer (Babe: Pig in the City; Cats & Dogs; The Lion, the Witch and the Wardrobe; The Golden Compass; Life of Pi) Joe Letteri (The Lord of the Rings trilogy; King Kong; Avatar; Planet of the Apes; The Hobbit trilogy) Rob Legato (Apollo 13; Titanic; The Aviator; Hugo) Paul Franklin (Pitch Black; Christopher Nolan's The Dark Knight trilogy; Inception; Interstellar) Richard Edlund (Star Wars: Episodes IV–VI; Raiders of the Lost Ark; Ghostbusters; Multiplicity); Edson Williams (X-Men: The Last Stand; The Curious Case of Benjamin Button; The Social Network; Captain America films) Karen Goulekas (Godzilla; The Day After Tomorrow; 10,000 BC; Green Lantern); Chris Corbould (Golden Eye; Die Another Day; Christopher Nolan's The Dark Knight trilogy; Inception); Ian Hunter (The X-Files; The Dark Knight; The Dark Knight Rises; Inception; Interstellar) John Rosengrant (Terminator films; Jurassic Park; Iron Man films; Real Steel)

Masters of the Air Sep 27 2020 Chronicle of the U.S. 8th Air Force's daylight bombing campaign over Europe during World War II, from its genesis to the end of the war.

Masters of Chaos Feb 01 2021 Special Forces soldiers are daring, seasoned troops from America's heartland, selected in a tough competition and trained in an extraordinary range of skills. They know foreign languages and cultures and unconventional warfare better than any U.S. fighters, and while they prefer to stay out of the limelight, veteran war correspondent Linda Robinson gained access to their closed world. She traveled with them on the frontlines, interviewed them at length on their home bases, and studied their doctrine, methods and history. In *Masters of Chaos* she tells their story through a select group of senior sergeants and field-grade officers, a band of unforgettable characters like Rawhide, Killer, Michael T, and Alan -- led by the unflappable Lt. Col. Chris Conner and Col. Charlie Cleveland, a brilliant but self-effacing West Pointer who led

the largest unconventional war campaign since Vietnam in northern Iraq. Robinson follows the Special Forces from their first post-Vietnam combat in Panama, El Salvador, Desert Storm, Somalia, and the Balkans to their recent trials and triumphs in Afghanistan and Iraq. She witnessed their secret sleuthing and unsung successes in southern Iraq, and recounts here for the first time the dramatic firefights of the western desert. Her blow-by-blow story of the attack on Ansar al-Islam's international terrorist training camp has never been told before. The most comprehensive account ever of the modern-day Special Forces in action, *Masters of Chaos* is filled with riveting, intimate detail in the words of a close-knit band of soldiers who have done it all.

Masters of Modern Soccer Apr 22 2020 How do some of soccer's smartest and most accomplished figures master the craft of the game? This in-depth analysis of modern soccer reveals how elite players and coaches strategize on and off the field to execute in high-pressure situations. "A worthy addition to any soccer fan's shelf."—*The Wall Street Journal* In *Masters of Modern Soccer*, America's premier soccer journalist, Grant Wahl, reveals what players and managers are thinking before, during, and after games and delivers a true behind-the-scenes perspective on the inner workings of the sport's brightest minds. Wahl follows world-class players from across the globe, examining how they do their jobs and gaining deep insight from the players on how goalkeepers, defenders, midfielders, and forwards function individually and as a unit to excel and win. He also shadows a manager and director of soccer as they juggle the challenges of coaching, preparation, and the short- and long-term strategies

of how to identify and acquire talent and deploy it on the field. These central figures share the little details that matter, position by position: • Attacking midfielder Christian Pulisic explains why he wears his soccer cleats a size too small to make his first touch even better. • Forward Javier “Chicharito” Hernández reveals the Mexican national team’s secret synchronized patterns that create space for him in front of the goal. • Defender Vincent Kompany tells you why his teammates’ pressure on the ball means he can defend his man more tightly in the penalty box. • Defensive midfielder Xabi Alonso describes his disdain for slide tackles and the tendency among even the best professional midfielders to play too closely to one another. • Goalkeeper Manuel Neuer tells the origin story of his sweeper-keeper role, which has allowed him to redefine the position for the modern game. • Head coach Roberto Martínez explains the differences between coaching clubs and national teams and why one of the first things he looks for in any game situation is numerical advantage. • Director of football Michael Zorc discusses what he looks for when it comes to identifying players he can buy low and sell high, Moneyball-style, while still competing to win trophies. The definitive analysis of the craft of soccer, *Masters of Modern Soccer* will change the way any fan, player, coach, or sideline enthusiast experiences the game.

Masters of Perception Mar 22 2020 Divided into four parts, this book describes the developmental stages of the internal martial artist. The first requirement lies in the constant cultivation and maintenance of proper posture and breathing habits, both in the stillness of sitting and standing and in the movement of the body. The next stage develops "jin," or "fajin," a unique power characteristic of internal martial arts that is examined through the fundamental, physiological, anatomical, and mechanical bases and parameters. Also important is the "yi," which refers to the mental faculty tasked with controlling our movements and actions in the world, and "shen," the peak or transcendent experience of awareness. This is the final volume of the Warriors of Stillness trilogy.

The Dzogchen Primer Mar 02 2021 The Tibetan Buddhist meditation practice known as Dzogchen (pronounced ZOG-chen) is a practical method for accessing the pristine, clear awareness that lies beneath the chatter and confusion of our daily thoughts. The Dzogchen Primer provides the keys for understanding Dzogchen and putting it into practice. Marcia Schmidt, a long-time Buddhist practitioner, has gathered here the most accessible, down-to-earth writings published on this subject and has organized them into a study guide for the serious beginner on the Buddhist path. The collection includes writings from such well-known and venerable masters as Milarepa, Padmasambhava, Shantideva, Chögyam Trungpa, and Tulku Urgyen. The concept of Dzogchen is said to lie beyond the confines of our beliefs, our intellectual constructs, our ordinary understanding. A Dzogchen master writes, "We need to dismantle our fixation on the permanence of what we experience. A normal person clings to his experiences as being 'real,' concrete, and permanent. But if we look closely at what happens, experience is simply experience, and it is not made out of anything. It has no form, no sound, no color, no taste, no texture; it is simply empty cognizance." The Dzogchen Primer includes an informative editor's preface as well as two forewords by prominent Tibetan masters that provide fundamental background information that will be helpful to readers new to this subject. The book also includes short, descriptive guiding notes intended to assist both independent students and teachers leading workshops.

Masters of the Word Jan 24 2023 A captivating, illuminating, and sweeping historical narrative revealing the fascinating role media has played throughout the course of history. In “an engaging mix of theory, fact and enlightenment from across the millennia that wears its rich scholarship lightly,” Masters of the Word explains how new communication technologies and in particular our access to them, impacted human society (The Guardian). Writing was born thousands of years ago in Mesopotamia. Spreading to Sumer, and then Egypt, this revolutionary tool allowed rulers to extend their control far and wide, giving rise to the world’s first empires. When Phoenician traders took their alphabet to Greece, literacy’s first boom led to the birth of drama and democracy. In Rome, it helped spell the downfall of the Republic. Later, medieval scriptoria and vernacular bibles gave rise to religious dissent, and with the combination of cheaper paper and Gutenberg’s printing press, the fuse of Reformation was lit. The Industrial Revolution brought the telegraph and the steam driven printing press, allowing information to move faster than ever before and to reach an even larger audience. But along with radio and television, these new technologies

were more easily exploited by the powerful, as seen in Germany, the Soviet Union, even Rwanda, where radio incited genocide. With the rise of carbon duplicates (Russian samizdat), photocopying (the Pentagon Papers), the internet, social media and cell phones (the recent Arab Spring) more people have access to communications, making the world more connected than ever before. This “accessible, quite enjoyable, and highly informative read” will change the way you look at technology, history, and power (Booklist).

“[Bernstein] enables us to see what remains the same, even as much has changed.” —Library Journal, “Editors’ Picks”

“Riveting and thoroughly researched, it brims with interesting ideas and astonishing connections.” —Phil Lapsley, author of *Exploding the Phone: The Untold Story of the Teenagers and Outlaws Who Hacked Ma Bell*

“[Bernstein’s] narrative is succinct and extremely well sourced. . . . [He] reminds us of a number of technologies whose changed roles are less widely chronicled in conventional histories of the media.” —Irish Times

He-Man and the Masters of the Universe: The Hunt for Moss Man (Tales of Eternia Book 1) Aug 27 2020 Bestselling author Gregory Mone brings Mattel’s He-Man and the Masters of the Universe together for a brand-new adventure in the first book of this original middle-grade series based on the hit Netflix show! By the Power of Grayskull... I have the Power! A mysterious toxic gas is spreading across Eternia, ravaging farmlands and endangering citizens. The planet’s only hope lies with Adam, a lost prince with cosmic abilities. When he wields the mystical Sword of Power, he transforms from a scrawny teen into He-Man, the most powerful man in

the universe. With his friends Teela, Cringer, Duncan, and Krass by his side, Adam embarks on a dangerous journey, facing pirates, dragons, and perils at every turn in search of Moss Man, a legendary figure who might hold the key to stopping the devastating stench. Yet the sinister Skeletor and his Dark Masters will stop at nothing to thwart the unlikely heroes. The fate of all Eternia rests with He-Man and his friends.

Life and Teaching of the Masters of the Far East (Volume One) Nov 10 2021 2010 Reprint of 1924 Edition. In 1924 Spalding published this first and most important volume of *Life and Teaching of the Masters of the Far East*. It describes the travels to India and Tibet of a research party of eleven scientists in 1894. During their trip they claim to have made contact with "the Great Masters of the Himalayas," immortal beings with whom they lived and studied, gaining a fascinating insight into their lives and spiritual message. This close contact enabled them to witness many of the spiritual principles evinced by these Great Masters translated into their everyday lives, which could be described as 'miracles'. Such examples are walking on water, or manifesting bread to feed the hungry party. These books have remained consistently popular with spiritual seekers, those interested in the philosophy of the East and those who enjoy a good story because of their accessible nature and easy-to-follow format. However, despite most of the action taking place in India, the Great Masters make it clear that the greatest embodiment of the Enlightened state is that of the Christ (as personified by

Jesus): "The Masters accept that Buddha represents the Way to Enlightenment, but they clearly set forth that Christ IS Enlightenment, or a state of consciousness for which we are all seeking - the Christ light of every individual; therefore, the light of every child born into the world."

Masters of Rome Apr 03 2021 Britannia, 45 AD: In the shadow of Stonehenge, Vespasian's brother, Sabinus, is captured by druids. The druids want to offer a potent sacrifice to their gods - not just one Roman Legate, but two. They know that Vespasian will come after his brother, and they plan to sacrifice the siblings on a summer's day. But to whom will they be making this sacrifice? What were the gods of this land before the Celts came? Only the druids still hold the secret and it is one of pure evil. Vespasian must strive to save his brother whilst completing the conquest of the haunted isle, before he is drawn inexorably back to Rome and the heart of Imperial politics. Claudius' three freedmen remain at the locus of power. As Messalina's time as Empress comes to a bloody end, the three freedmen each back a different mistress. But which woman will be victorious? And at what price for Vespasian?
