Love Songs Aug 28 2021 "Love seems to be the balance pole. Too little and your load shifts precariously one way, too much and it swings the other." *Love Songs* is a unique collection of short works. It was intended to be a concert of sweet old love songs to ease the soul. Instead the pieces are truer to the agony of blues. Some are amusing-some abrasive-some tragic. And all are thought provoking cautionary tales. Death of a Mordot, the crowning novella, illustrates the fickle nature of gods and the inability of the inhabitants of that world to feel the compassion needed to survive. It is a fantasy romance of diversity, tolerance and faith, all that good stuff we could use in our world where our gods, hard cash and cruel power, are just as fickle and even more dangerous. This is a book to be read curled up in a cozy place with your favorite comfort food-or on the subway on your way to fight dragons. Better yet, if you are a dragon, on a hillside on your way to fight men. "A superb collection Robertson really tells it like it is! This is a MUST READ!" G. Abrams-Proof Picks

Touch Me, I'm Sick Sep 09 2022 Love once inspired sonnets, plays, novels, and countless romantic songs. But romance can become obsession, and nowadays, love songs are creepier than ever. Even the Police's stalker anthem "Every Breath You Take" is a popular choice at weddings and funerals. In *Touch Me, I'm Sick*, Tom Reynolds offers hilarious riffs on 52 love songs that have gone off the rails into the realm of the tawdry, the overwhelming, the obsessive, the self-absorbed, and

the completely weird. Including songs by artists as diverse as Melissa Etheridge, Michael Jackson, Paul Anka, Sinéad O'Connor, and Slipknot, he also pillories a handful of the 1,700 different songs called "Butterfly." Praise for Tom Reynolds' I Hate Myself and Want to Die: "A tremendous idea . . . Reynolds ameliorates the pain of having put his ear up close to some of the most inconsiderate despair anthems of our time by having enormous fun deconstructing them." --The Sunday Times "Full of premium trivia and pinpoint pomposity-pricking, Reynolds has made comedy gold from the full base metal of misery." --NME "An entertaining and well-researched set of cautionary tales music fans will enjoy. Consider the list a batch of enthralling liner notes for a box set that comes with razor blades." --Playboy "Bridget Jones would love it." --The Scotsman

Hope Heals Apr 04 2022 When all seems lost, where can you find hope? Katherine and Jay Wolf married right after college and sought adventure far from home in Los Angeles, CA. As they pursued their dreams--she as a model and he as a lawyer--they planted their lives in the city and their church community. Their son, James, came along unexpectedly in the fall of 2007, and just six months later, everything changed in a moment for this young family. On April 21, 2008, as James slept in the other room, Katherine collapsed, suffering a massive brain stem stroke without warning. Miraculously, Jay came home in time and called for help. Katherine was immediately rushed into brain surgery, though her chance of survival was slim. As the sun rose the next morning, the surgeon proclaimed that Katherine had survived the removal of part of her brain, though her future recovery was uncertain. Yet in that moment, there was a spark of hope. Through forty days on life support in the ICU and nearly two years in full-time brain rehab, that small spark of hope was fanned into flame. Hope Heals documents Katherine and Jay's journey as they struggled to regain Katherine's quality of life and as she relearned to talk, eat, and walk. As Katherine returned home with a severely disabled body but a completely renewed purpose, she and Jay committed to celebrating this gift of a second chance by embracing life fully, even though that life looked very different than they could have ever

imagined. As you uncover Katherine and Jay's remarkable story, you'll be encouraged to: Find lasting hope in the midst of struggle Embrace the unexpected Welcome God's miracles into your everyday life In the midst of continuing hardships, both in body and mind, Katherine and Jay found what we all long to find: a hope that heals the most broken place--our souls. Let Hope Heals be your guide along the way. Praise for Hope Heals: "As I read this book, tears streamed from my eyes even as joy flooded my heart. Jay and Katherine are a raw yet refreshing testimony to the unshakable trustworthiness of God amidst the unimaginable trials of life. This book reminds all of us where hope can be found in a world where none of us know what the next day holds." --David Platt, author of the New York Times bestseller Radical and president of the International Mission Board "Hope Heals is a beautiful, true story that illustrates the love and protection God has for us even in the darkest times of our lives. Katherine and Jay's dedication to each other and the Lord through their most devastating season is inspiring. This book will help your heart believe that He sees, He knows, He cares, and He is still working miracles today!" --Lysa TerKeurst, New York Times bestselling author and president of Proverbs 31 Ministries

[Indian Story and Song from North America](#) Jun 13 2020 "Music enveloped the Indian's individual and social life like an atmosphere."-

Alice C. Fletcher. Anthropologist Alice C. Fletcher (1838-1923) was a pioneer in the study of Indian music. Originally published in 1900, *Indian Story and Song from North America* came out of her fieldwork and friendship with the Omahas (among whom she lived), Poncas, Arapahoes, and other tribes. Fletcher provides the stories behind these songs and the scores for authentic Indian melodies in native language (which is also translated into English). They run the gamut of experience, from making war to making love. Fletcher writes: "Universal use of music was because of the belief that it was a medium of communication between man and the unseen. The invisible voice could reach the invisible power that permeates all nature, animating all natural forms. As success depended upon help from this mysterious power, in every avocation, in every undertaking, and in every ceremonial, the Indian appealed to this power through song." When hunting, he sang to insure the aid of the unseen power in capturing game. When confronting danger and death, he sang for strength to meet his fate unflinchingly. In using herbs to heal, the men and women sang to bring the required efficacy. When planting they sang for abundant harvest. In their sports, courtship, and mourning, song increased pleasure and comforted sorrow. All occasions for singing are covered in this volume. The achievement of Alice Fletcher is discussed in an introduction by Helen Myers, associate professor of music at Trinity College and ethnomusicology editor of the *New Grove Dictionary of Music and Musicians*.

Love Songs for Skeptics Nov 11 2022 "Voicy, heartfelt, hilarious, propulsive—this book is brilliant."—Christina Lauren, *New York Times* and *USA Today* bestselling author For fans of *Josie Silver* and *Emily Henry* comes a debut romcom about the life-changing magic of second chances. This charming and quirky debut has it all: childhood friends, love triangles, enemies-to-lovers, and a dash of *My Big Fat Greek Wedding*. Zoë Frixos gets the whole love song thing. Truly, she does. As an editor at a major music magazine in London, it's part of her job description. But love? Let's just say Zoë's been a bit off-beat in that department. After falling hard for her best friend, Simon, at thirteen and missing every chance to tell him how she felt before he left town, Zoë

came to one grand conclusion: Love stinks. Twenty years later, Simon is returning to London, newly single and as charming as ever, and Zoë vows to take her second chance. But Zoë's got other problems now: In order to save her magazine from closure, she has to land the biggest interview of her career with a notoriously elusive rock idol. There's just one problem: Nick, the arrogant publicist who seems determined to stop the story and ruin Zoë's life. With her brother's big(ish) fat(ish) Greek wedding on the horizon, Zoë begins to wonder if her first love is the right love. In the wake of a life-changing choice, Zoë must decide if she's right to be skeptical about love, or if it's time to change her tune...

Gitagovinda of Jayadeva Jan 13 2023 Jayadeva's dramatic lyrical poem *Gitagovinda* is a unique work in Indian literature and a source of inspiration in both medieval and contemporary Vaisnavism. It concentrates on Krsna's love with the Cowherdess Radha. Intense earthly passion is the example Jayadeva uses to express the complexities of divine and human love. It describes the loves of Krsna and Radha in twelve cantos containing twenty-four songs. The songs are sung by Krsna or Radha or Radha's maid and are connected by brief narrative of descriptive passages. The appropriate musical mode and rhythm for each song are noted in the text. This poem is really a kind of drama, of the ragakavya type, since it is usually acted. Critical acclaim of the poem has been high, but its frank eroticism has led many Indian commentators to interpret the love between Radha and Krsna as an allegory of the human soul's love for God. Learned and popular audiences in India and elsewhere have continued to appreciate the emotional lyricism the poem expresses in its variations on the theme of separated lover's passion. Barbara Stoler Miller was Professor of Oriental Studies at Barnard College, Columbia University. She was a student of the late Professor W. Norman Brown. She had travelled widely throughout the Indian subcontinent and lived here to study Sanskrit and Indian music and art. Dr. Miller's other published works include *The Hermit and the Love-Thief: Sanskrit Poems of Bhartrihari and Bilhana* and *Theater of Memory: The plays of Kalidasa*. She had also edited *Exploring India's Sacred Art: Selected Writings of Stella Karmrisch* published by Motilal Banarsidass.

Congo Love Song Apr 11 2020 In his 1903 hit "Congo Love Song," James Weldon Johnson recounts a sweet if seemingly generic romance between two young Africans. While the song's title may appear consistent with that narrative, it also invokes the site of King Leopold II of Belgium's brutal colonial regime at a time when African Americans were playing a central role in a growing Congo reform movement. In an era when popular vaudeville music frequently trafficked in racist language and imagery, "Congo Love Song" emerges as one example of the many ways that African American activists, intellectuals, and artists called attention to colonialism in Africa. In this book, Ira Dworkin examines black Americans' long cultural and political engagement with the Congo and its people. Through studies of George Washington Williams, Booker T. Washington, Pauline Hopkins, Langston Hughes, Malcolm X, and other figures, he brings to light a long-standing relationship that challenges familiar presumptions about African American commitments to Africa. Dworkin offers compelling new ways to understand how African American involvement in the Congo has helped shape anticolonialism, black aesthetics, and modern black nationalism.

What's Love Got to Do with It? Feb 02 2022 What do pop songs have

to say about love? Surprisingly, this book shows that most popular love songs express much more about alienation, infatuation, estrangement, jealousy, and heartbreak than about love. Scheff takes the reader on a tour of popular lyrics from 80 years of American song to reveal the emotional and relational meaning of lyrics. He shows that popular love songs typically steer listeners away from a healthy connection to the emotions surrounding love. Readers will gain a deeper understanding of love songs while appreciating the author's suggestions for how listeners and artists could enrich the art of the love song.

The great scholar, W. E. B. Du Bois, once wrote about the Problem of race in America, and what he called “Double Consciousness,” a sensitivity that every African American possesses in order to survive. Since childhood, Ailey Pearl Garfield has understood Du Bois’s words all too well. Bearing the names of two formidable Black Americans—the revered choreographer Alvin Ailey and her great grandmother Pearl, the descendant of enslaved Georgians and tenant farmers—Ailey carries Du Bois’s Problem on her shoulders. Ailey is reared in the north in the City but spends summers in the small Georgia town of Chicassetta, where her mother’s family has lived since their ancestors arrived from Africa in bondage. From an early age, Ailey fights a battle for belonging that’s made all the more difficult by a hovering trauma, as well as the whispers of women—her mother, Belle, her sister, Lydia, and a maternal line reaching back two centuries—that urge Ailey to succeed in their stead. To come to terms with her own identity, Ailey embarks on a journey through her family’s past, uncovering the shocking tales of generations of ancestors—Indigenous, Black, and white—in the deep South. In doing so Ailey must learn to embrace her full heritage, a legacy of oppression and resistance, bondage and independence, cruelty and resilience that is the story—and the song—of America itself.

[Not Another Love Song](#) Jul 15 2020 An aspiring teenage singer finds herself playing a different tune when she falls for a boy who could jeopardize her future dreams in Olivia Wildenstein's romantic YA novel, *Not Another Love Song*. Angie has studied music her entire life, nurturing her talent as a singer. Now a high school senior, she has an opportunity to break into Nashville's music scene via a songwriting competition launched by her idol, Mona Stone. Discouraged by her mother, who wishes Angie would set more realistic life goals, she nonetheless pours her heart and soul into creating a song worthy of Mona. But Angie's mother is the least of her concerns after she meets Reedwood High's newest transfer student, Ten. With his endless collection of graphic tees, his infuriating attitude, smoldering good looks, and endearing little sister, Ten toys with the rhythm of Angie's heart. She's never desired anything but success until Ten entered her life. Now she wants to be with him and to be a songwriter for Mona Stone, but she can't have both. And picking one means losing the other.
