#1 Bestseller, winner of the Crowned Heart Award for Excellence from InD'tale Magazine, 2014 RONE Award Finalist in the Mystery Category Reporter Jackie Alexander and Detective Michael Apostolou are forced to work together to investigate the mysterious deaths of the heirs to the incredible fortune of Greek tycoon Andreas Demiris. But their suspicions and unanswered questions are devouring them, just like their rising passion for each other. The action unfolds in Athens and on the majestic Greek Island of Corfu in the aquamarine waters of the Ionian Sea. Spellbound in His Arms is the first novel published in the award-winning, bestselling Greek Isles Series where passion flares and danger lurks around every corner. In the rigorous and highly original Self-Awareness and Alterity, Dan Zahavi provides a sustained argument that phenomenology, especially in its Husserlian version, can make a decisive contribution to discussions of self-awareness. Engaging with debates

within both analytic philosophy (Elizabeth Anscombe, John Perry, Sydney Shoemaker, Héctor-Neri Castañeda, David Rosenthal) and contemporary German philosophy (Dieter Henrich, Manfred Frank, Ernst Tugendhat), Zahavi argues that the phenomenological tradition has much more to offer when it comes to the problem of self-awareness than is normally assumed. As a contribution to the current philosophical debate concerning self-awareness, the book presents a comprehensive reconstruction of Husserl's theory of pre-reflective self-awareness, thereby criticizing a number of prevalent interpretations. In addition, Zahavi also offers a systematic discussion of a number of phenomenological insights related to the issue of self-awareness, including analyses of the temporal, intentional, reflexive, bodily, and social nature of the self. The new edition of this prize-winning book has been updated and revised, and all quotations have been translated into English. It also contains a new preface in which Zahavi traces the developments of the debates around self-awareness over the last twenty years and situates this book in the context of his subsequent work. Witch-in-training Emma Hart is preparing for one of the worst

days of her life...the marriage of fallen angel Daniel Starr to the spoiled fairy, Elsa Knightsbridge. Fortunately for Emma, distractions are easy to come by in Spellbound when a troll is found dead near a bridge and an overzealous werewolf is arrested for indecent exposure. Will these incidents be enough to keep Emma from falling apart? Or will one of these situations be her undoing? When a sleeping dwarf is found entombed in a glass coffin and remedial witch Sophie is blamed, Emma Hart must defend her friend while trying to get to the bottom of the enchantment. The investigation lands Emma smack dab in the middle of Spellbound's dating scene, where plenty of the town's residents are eager to make her acquaintance. Emma knows it's time to kick her witchy skills up a notch if she expects to survive Thursday night speed dating and keep sweet Sophie from a life in paranormal prison. Pursued by the demon who cursed him, Nicodemus must try to avoid spinning the world into chaos with his unique disability, the nasty inclination to misspell magical texts. Anne Rice continues her astonishing Vampire Chronicles in a new novel that begins where Blackwood Farm left off – and tells the story of Lestat's quest

for redemption, goodness, and the love of Rowan Mayfair. Welcome back to Blackwood Farm. Here are all of the brilliantly conceived characters that make up the two worlds of vampires and witches: Mona Mayfair, who's come to the farm to die and is brought into the realm of the undead; her uncle, Julian Mayfair, guardian of the family, determined to forever torment Lestat for what he has done to Mona; Rowan Mayfair, brilliant neurosurgeon and witch, who finds herself dangerously drawn to the all-powerful Lestat; her husband, Michael Curry, hero of the Mayfair Chronicles, who seeks Lestat's help with the temporary madness of his wife; Ash Templeton, a 5,000-year-old Taltos who has taken Mona's child; and Patsy, the country-western singer, who returns to avenge her death at the hands of her son, Quinn Blackwood. Delightfully, at the book's centre is the Vampire Lestat, once the epitome of evil, now pursuing the transformation set in motion with Memnoch the Devil. He struggles with his vampirism and yearns for goodness, purity and love, as he saves Patsy's ghost from the dark realm of the Earthbound, uncovers the mystery of the Taltos and unselfishly decides the fate of his beloved Rowan Mayfair. A story of

love and loyalty, of the search for passion and promise, Blood Canticle is Anne Rice at her finest. Welcome to Spellbound, where paranormal is the new normal. Struggling to make sense of recent changes in her life, witch-in-training Emma Hart decides to pursue therapy as well as a budding friendship with Markos, the town's most eligible minotaur and a talented architect. When the building inspector turns up dead in Markos's latest design, Emma quickly finds herself in the midst of a murder investigation. To top it off, she's defending a young werelion whose possession of a deadly substance has everyone wondering whether his intentions were equally deadly. Despite these distractions, Emma can't stop thinking about fallen angel Daniel and his heartbreaking decision. But if Emma doesn't manage to clear her head of all these distractions soon, she might just become the killer's next victim. Better Than Hex is the fifth book in the Spellbound paranormal cozy mystery series. Over the past few years Hekate has gained increasing popularity around the world. While there are books written about the historical Hekate, there is a lack of information applying this knowledge for personal development and

practicing witchcraft. Keeping Her Keys blends the 'keys' of personal development, magick and the ancient goddess, Hekate, together. Topics include the power of prayer, how to create sacred space, and guidance on spell crafting. In the final chapter readers can perform an optional self-initiation to become a Keeper of Her Keys.

It's all wands on deck as Emma's friends rally to get to the bottom of the mystery potion. Will Emma recover her memories in time to walk down the aisle and save Spellbound? A not-to-miss book for readers of the series! All Spell

Breaks Loose is the 10th book in the Spellbound paranormal cozy mystery series. This is a full-length, humorous cozy mystery novel. This is a book of short stories the longest being The Disappearing followed by ten others. The Disappearing is a story of horrific disaster that takes place in the near future, a road map to what could come. All the stories range from the super natural to science fiction. In contrary to the generally dark theme Me and You and Baby Makes Three is told in a light hearted measure that ends with a twist, (of course.) These stories are best read in the light of day and not at night in a darkened room, suggested merely for your own safety.

Framed with a candid autobiographical narrative, this book gives us the opportunity to enter into the author's daily life and explore her thoughts on themes of gender and sexuality, memory and urbanism, love and loss. On a cold day deep in the heart of winter, Rowan's father returns from an ill-fated hunting trip bearing a single, white rose. The rose is followed by the Huntress, a figure out of legend. Tall, cruel, and achingly beautiful, she brings

Rowan back with her to a mountain fastness populated solely by the creatures of the hunt. Rowan, who once scorned the villagers for their superstitions, now finds herself at the heart of a curse with roots as deep as the mountains, ruled by an old magic that is as insidious as the touch of the winter rose. Torn between her family loyalties, her guilty relief at escaping her betrothal to the charming but arrogant Avery Lockland, and her complicated feelings for the Huntress, Rowan must find a way to break the curse before it destroys everything she loves. There is only one problem—if she can find a way to lift the curse, she will have to return to the life she left behind. And the only thing more unbearable than endless winter is facing a lifetime of springs without the Huntress.

When a demon is loosed in the city, guild bartender Tori gets a crash course in Demonica magic--and it's about to get ugly. What's a girl to do when meeting The One means she's cursed to die a horrible death? Life hasn't been easy on sixteen-year-old Emma Conner, so a new start in New York may be just the change she needs. But the posh Upper East Side prep school she has to attend? Not so much. Friendly faces are few and far between, except for one that she's irresistibly drawn to--Brendan Salinger, the guy with the rock-star good looks and the richest kid in school, who might just be her very own white knight. But even when Brendan inexplicably turns cold, Emma can't stop staring. Ever since she laid eyes on him, strange things have been happening. Streetlamps go out wherever she walks, and Emma's been having the oddest dreams: visions of herself in past lives--visions that warn her to stay away from Brendan. Or else. At age thirty-two, there was still no sign of Russell's talent as a movie director--until all these disjointed efforts of his youth fell into place after an

unnerving but ultimately successful interview with the BBC for a position with the ground-breaking television film program Monitor. The show made Russell's career. Thirty years and fifty films later, Ken Russell looks back on a life filled with more than its share of highs and lows--a direct consequence of his inability to do anything in moderation. Written in the flowing, intercutting style of his films, this autobiography peels back the layers to explore the core Ken Russell. This is a man not instantly known on the streets as the director of the latest action sequel...but as a playful, sometimes serious, always inventive expander of the cinematic realm. Hampered by his inability to spell in a world where magic must be written in order to work, gifted young wizard Nicodemus experiences disturbing dreams in the wake of an ancient demon's murderous campaign that suggests that Nicodemus's spelling problem may be related to a curse. Metaphors in audiovisual media receive increasing attention from film and communication studies as well as from linguistics and multimodal metaphor research. The specific media character of film, and thus of cinematic metaphor, remains, however,

largely ignored. Audiovisual images are all too frequently understood as iconic representations and material carriers of information. Cinematic Metaphor proposes an alternative: starting from film images as affective experience of movement-images, it replaces the cognitive idea of viewers as information-processing machines, and heals the break with rhetoric established by conceptual metaphor theory. Subscribing to a phenomenological concept of embodiment, a shared vantage point for metaphorical meaning-making in film-viewing and face-to-face interaction is developed. The book offers a critique of cognitive film and metaphor theories and a theory of cinematic metaphor as performative action of meaning-making, grounded in the dynamics of viewers' embodied experiences with a film. Fine-grained case studies ranging from Hollywood to German feature film and TV news, from tango lesson to electoral campaign commercial, illustrate the framework's application to media and multimodality analysis. Nobel Prize-winning dramatist Luigi Pirandello is known worldwide for his innovative, complex plays. In Pirandello's Theatre of Living Masks, Umberto Mariani and Alice Gladstone Mariani offer the first new

edition in nearly sixty years of six of his major works - *Liola*, *It Is So If You Think So*, *Six Characters in Search of an Author*, *Henry IV, Each in His Own Way*, and *The Mountain Giants*. Mariani and Mariani's translations of these texts are both vibrant and faithful to the originals, using contemporary expressions and unambiguous language to facilitate readability and comprehension. This edition also offers a critical introduction to each play's most significant characters and structures, highlighting themes and poetics as they correspond to Pirandello's entire body of work. Pirandello's *Theatre of Living Masks* will appeal to those already familiar with his plays and those looking to discover one of the twentieth century's great dramatists. Books in the series include: Curse the Day, Book 1 Doom and Broom, Book 2 Spell's Bells, Book 3 Lucky Charm, Book 4 Better Than Hex, Book 5 Cast Away, Book 6 A Touch of Magic, Book 7 A Drop in the Potion, Book 8

Are we living in a spellbound world? When we think of spells, the picture conjured up in our minds often has more to do with fables we learned as children. An ugly old woman in a pointed hat reciting incantations at a boiling cauldron. The reality, however, is much more dangerous. Once given access to our lives, Satan can manipulate, dominate, and intimidate even the strongest Christian. Hell's Spells draws from Paul's writings to the Galatian church to bring you a fresh

awareness of Satan's spells and strategies, demonstrating how you can break free from the influence of such evils as:

- Controlling spirits
- Generational curses
- Witchcraft in the home

Cutting through the sensationalism and spookiness of spiritual warfare, Raley enables you to identify, understand, and break every bewitching spell the devil wants to launch against your life, your family, and your purpose. Welcome to Spellbound, where paranormal is the new normal. The only magic Emma Hart believes in is caffeine and the power of the dryer to lose one sock per load. A public interest lawyer buried under a mound of student debt, Emma's whole life has been one turn of bad luck after another. Her streak seems to continue when she gets lost on the way to see a client in the remote Pocono Mountains. A chance encounter with a suicidal angel lands her in Spellbound, a town where supernaturals have been cursed to remain for centuries--probably not the best time for Emma to discover that she's actually a witch. Between the recent murder of the town's public defender, a goblin accused of theft, remedial witch classes, and the attention of one smoking hot vampire, Emma struggles to navigate this unfamiliar

terrain without losing her mind...or her life. *Curse the Day* is the first book in the Spellbound paranormal cozy mystery series. In her sweeping debut, Diane C. McPhail offers a powerful, profoundly emotional novel that explores a little-known aspect of Civil War history—Southern Abolitionists—and the timeless struggle to do right even amidst bitter conflict. On a Mississippi morning in 1859, Emily Matthews begs her father to save a slave, Nathan, about to be auctioned away from his family. Judge Matthews is an abolitionist who runs an illegal school for his slaves, hoping to eventually set them free. One, a woman named Ginny, has become Emily's companion and often her conscience—and understands all too well the hazards an educated slave must face. Yet even Ginny could not predict the tangled, tragic string of events set in motion as Nathan's family arrives at the Matthews farm. A young doctor, Charles Slate, tends to injured Nathan and begins to court Emily, finally persuading her to become his wife. But their union is disrupted by a fatal clash and a lie that will tear two families apart. As Civil War erupts, Emily, Ginny, and Emily's stoic mother-in-law, Adeline, each face

devastating losses. Emily—sheltered all her life—is especially unprepared for the hardships to come. Struggling to survive in this raw, shifting new world, Emily will discover untapped inner strength, an unlikely love, and the courage to confront deep, painful truths. “McPhail’s first novel sheds light on an often unrecognized part of Civil War history . . . For fans of Charles Frazier’s enduring Cold Mountain.” —Booklist
