Interpretable Machine Learning Sep 03 2020 This book is about making machine learning models and their decisions interpretable. After exploring the concepts of interpretability, you will learn about simple, interpretable models such as decision trees, decision rules and linear regression. Later chapters focus on general model-agnostic methods for interpreting black box models like feature importance and accumulated local effects and explaining individual predictions with Shapley values and LIME. All interpretation methods are explained in depth and discussed critically. How do they work under the hood? What are their strengths and weaknesses? How can their outputs be interpreted? This book will enable you to select and correctly apply the interpretation method that is most suitable for your machine learning project.

More Than Peach (Bellen Woodard Original Picture Book) Nov 05 2020 Penned by the very first Crayon Activist, Bellen Woodard, this picture book will tug at readers' heartstrings and inspire them to make a difference! When Bellen Woodard's classmates referred to "the skin-color" crayon, in a school and classroom she had always loved, she knew just how important it was that everyone understood that "skin can be any number of beautiful colors." This stunning picture book spreads Bellen's message of inclusivity, empowerment, and the importance of inspiring the next generation of leaders. Bellen created the More Than Peach Project and crayons with every single kid in mind to transform the crayon industry and grow the way we see our world. And Bellen has done just that! This moving book includes back matter about becoming a leader and improving your community just like Bellen. Her wisdom and self-confidence are sure to encourage any young reader looking to use their voice to make even great spaces better!

Don't Make Me Think May 24 2022 Five years and more than 100,000 copies after it was first published, it's hard to imagine anyone working in Web design who hasn't read Steve Krug's "instant classic" on Web usability, but people are still discovering it every day. In this second edition, Steve adds three new chapters in the same style as the original: wry and entertaining, yet loaded with insights and practical advice for novice and veteran alike. Don't be surprised if it completely changes the way you think about Web design. Three New Chapters! Usability as common courtesy -- Why people really leave Web sites Web Accessibility, CSS, and you -- Making sites usable and accessible Help! My boss wants me to _____. -- Surviving executive design whims "I thought usability was the enemy of design until I read the first edition of this book. *Don't Make Me Think!* showed me how to put myself in the position of the person who uses my site. After reading it over a couple of hours and putting its ideas to work for the past five years, I can say it has done more to improve my abilities as a Web designer than any other book. In this second edition, Steve Krug adds essential ammunition for those whose bosses, clients, stakeholders, and marketing managers insist on doing the wrong thing. If you design, write, program, own, or manage Web sites, you must read this book." -- Jeffrey Zeldman, author of *Designing with Web Standards*

Siblings Dec 07 2020 Brothers and sisters: they can make great friends, and it's nice to have someone who'll love you no matter what. But kids know siblings can be a real drag, too. Full-color illustrations and humorous, kidfriendly text teach kids how to cope with problems of fairness, jealousy, conflict, tattling, privacy, and other things that can make having siblings so difficult. Kids learn how to cope with a new baby in the home and how to handle special situations such as siblings with special needs, step-siblings, and adopted siblings. Unlike most other books on the topic, *Siblings* doesn't dwell on sibling rivalry; it focuses on building positive

relationships. After all, siblings can grow up to be the best of friends.

When Does Life Begin? Nov 17 2021 Where do you stand on abortion? Have you made a decision? Have you been avoiding the issue? This book provides straight answers to these tough questions about abortion: When does life begin? Doesn't a woman have the right to control her own body? Is abortion murder? Does the baby feel pain during an abortion? Isn't a fetus only a "potential" human being? Isn't abortion a safe procedure for women? Shouldn't abortion be allowed so that only "wanted" babies will be born? This book answers these & 32 other tough questions about abortion in concise well-documented easy-to-reference chapters.

Let's Talk About Love Jan 08 2021 For his 2007 critically acclaimed 33 1/3 series title, *Let's Talk About Love*, Carl Wilson went on a quest to find his inner Céline Dion fan and explore how we define ourselves by what we call good and bad, what we love and what we hate. At once among the most widely beloved and most reviled and lampooned pop stars of the past few decades, Céline Dion's critics call her mawkish and overblown while millions of fans around the world adore her "huge pipes" and even bigger feelings. How can anyone say which side is right? This new, expanded edition goes even further, calling on thirteen prominent writers and musicians to respond to themes ranging from sentiment and kitsch to cultural

capital and musical snobbery. The original text is followed by lively arguments and stories from Nick Hornby, Krist Novoselic, Ann Powers, Mary Gaitskill, James Franco, Sheila Heti and others. In a new afterword, Carl Wilson examines recent cultural changes in love and hate, including the impact of technology and social media on how taste works (or doesn't) in the 21st century.

We're Different, We're the Same (Sesame Street) Jul 26 2022 Who better than Elmo and his Sesame Street friends to teach us that though we may all look different on the outside—deep down, we are all very much alike? Elmo and his Sesame Street friends help teach toddlers and the adults in their lives that everyone is the same on the inside, and it's our differences that make this wonderful world, which is home to us all, an interesting—and special—place. This enduring, colorful, and charmingly illustrated book offers an easy, enjoyable way to learn about differences—and what truly matters. *We're Different, We're the Same* is an engaging read for toddlers and adults alike that reinforces how we all have the same needs, desires, and feelings.

What's Inside A Flower? Apr 30 2020 From the creator of the New York Times bestseller *Women in Science*, comes a new nonfiction picture book series ready to grow young scientists by nurturing their curiosity about the natural world--starting with what's inside a flower. Budding backyard scientists can start exploring their world with this stunning introduction to these flowery show-stoppers--from seeds to roots to blooms. Learning how flowers grow gives kids beautiful building blocks of science and inquiry. In the launch of a new nonfiction picture book series, Rachel Ignotofsky's distinctive art style and engaging, informative text clearly answers any questions a child (or adult) could have about flowers.

The Presence of Grace and Other Book Reviews by Flannery O'Connor Sep 27 2022 During the 1950s and early 1960s Flannery O'Connor wrote more than a hundred book reviews for two Catholic diocesan newspapers in Georgia. This full collection of these reviews nearly doubles the number that have appeared in print

elsewhere and represents a significant body of primary materials from the O'Connor canon. We find in the reviews the same personality so vividly apparent in her fiction and her lectures--the unique voice of the artist that is one clear sign of genius. Her spare precision, her humor, her extraordinary ability to permit readers to see deeply into complex and obscure truths--all are present in these reviews and letters.

I'm Fine...And Other Lies Jul 14 2021 “Whitney Cummings has written a book about being, well, not fine—and what to do when you find yourself with brutal anxiety and a co-dependency disorder; all in her trademark wit, humor, and honesty. This book, however, is fine as hell.”—Sophia Amoruso, author of #Girlboss “The funniest cry for help you'll read this year.”—BJ Novak Well, well, well. Look at you, ogling my book page....I presume if you're reading this it means you either need more encouragement to buy it or we used to date and you're trying to figure out if you should sue me or not. Here are all the stories and mistakes I've made that were way too embarrassing to tell on stage in front of an actual audience; but thanks to not-so-modern technology, you can read about them here so I don't have to risk having your judgmental eye contact crush my self-esteem. This book contains some delicious schadenfreude in which I recall such humiliating debacles as breaking my shoulder while trying to impress a guy, coming very close to spending my life in a Guatemalan prison, and having my lacerated ear sewn back on by a deaf guy after losing it in a torrid love affair. In addition to hoarding mortifying situations that'll make you feel way better about your choices, I've also accumulated a lot of knowledge from therapists, psychotherapists, and psychopaths, which can probably help you avoid making the same mistakes I've made. Think of this book as everything you'd want from the Internet all in one place, except without the constant distractions of ads, online shopping, and porn. I'm not sure what else to say to say, except that you should buy it if you want to laugh and learn how to stop being crazy. And if we used to date, see you in court.

Can I Recycle My Granny? Jun 12 2021 Meet Ethan Greenhart, committed eco-activist, ethicist and campaigner. In this must-have guide, Ethan answers some of today's most pressing environmental dilemmas such as, “Is it ethical to watch sport?”, “Is it ethical to get into an ambulance?” and crucially, “Is it ethical to laugh?” Ethan makes no compromises as he advises us that having a baby is “an unethical crime of the highest order” and that confetti is “Wedding Day acid rain”. Described as “One of this country's sharpest social commentators” (Telegraph) Brendan O'Neill has created a hugely popular fictional columnist, most famous for

his contributions to online magazine, Spiked. Is it ethical to buy this book? Probably not, but it'll be worth every tree-murdering page . . .

Happily Ever After . . . and 39 Other Myths about Love Dec 31 2022 Bust the Myths to Build a Great Relationship According to bestselling authors and relationship counselors Linda and Charlie Bloom, accepting common myths such as “couples with great relationships don’t fight” or “little things aren’t worth getting upset over” can prevent you from building the strong relationship you hope for. This book offers compelling stories and valuable suggestions for replacing myths with realistic expectations, equipping you with behavior and communication guidelines that will enhance and strengthen your intimate relationship. With the Blooms’ strong yet flexible approach to love, you’ll discover a new openness in which mutual understanding can thrive.

Power Sep 15 2021 “Pfeffer [blends] academic rigor and practical genius into wonderfully readable text. The leading thinker on the topic of power, Pfeffer here distills his wisdom into an indispensable guide.” —Jim Collins, author of New York Times bestselling author *Good to Great* and *How the Mighty Fall* Some people have it, and others don’t—Jeffrey Pfeffer explores why in *Power*. One of the greatest minds in management theory and author or co-author of thirteen books, including the seminal business school text *Managing With Power*, Pfeffer shows readers how to succeed and wield power in the real world.

Think Like an Artist Aug 03 2020 Learn how to jump-start your imagination to conjure up innovative, worthwhile ideas with help from some of the greatest artists in the world. How do artists think? Where does their creativity originate? How can we, too, learn to be more creative? BBC Arts Editor Will Gompertz seeks answers to these questions in his exuberant, intelligent, witty, and thought-provoking style. *Think Like an Artist* identifies ten key lessons on creativity from artists that range from Caravaggio to Warhol, Da Vinci to Ai Weiwei, and profiles leading contemporary figures in the arts who are putting these skills to use today. After getting up close and personal with some of the world’s leading creative thinkers, Gompertz has discovered traits that are common to them all. He outlines basic practices and processes that allow your talents to flourish and enable you to embrace your inner Picasso—no matter what you do for a living. With wisdom, inspiration, and advice from an author named one of the fifty most original thinkers in the world by *Creativity* magazine, *Think Like an Artist* is an illuminating view

into the habits that make people successful. It's time to get inspired and think like an artist!

Jacques Lacan and the Other Side of Psychoanalysis Apr 10 2021 This collection is the first extended interrogation in any language of Jacques Lacan's Seminar XVII. Originally delivered just after the Paris uprisings of May 1968, Seminar XVII marked a turning point in Lacan's thought; it was both a step forward in the psychoanalytic debates and an important contribution to social and political issues. Collecting important analyses by many of the major Lacanian theorists and practitioners, this anthology is at once an introduction, critique, and extension of Lacan's influential ideas. The contributors examine Lacan's theory of the four discourses, his critique of the Oedipus complex and the superego, the role of primal affects in political life, and his prophetic grasp of twenty-first-century developments. They take up these issues in detail, illuminating the Lacanian concepts with in-depth discussions of shame and guilt, literature and intimacy, femininity, perversion, authority and revolt, and the discourse of marketing and political rhetoric. Topics of more specific psychoanalytic interest include the role of objet a, philosophy and psychoanalysis, the status of knowledge, and the relation between psychoanalytic practices and the modern university. Contributors. Geoff Boucher, Marie-Hélène Brousse, Justin Clemens, Mladen Dolar, Oliver Feltham, Russell Grigg, Pierre-Gilles Guéguen, Dominique Hecq, Dominiek Hoens, Éric Laurent, Juliet Flower MacCannell, Jacques-Alain Miller, Ellie Ragland, Matthew Sharpe, Paul Verhaeghe, Slavoj Žižek, Alenka Zupancic

The Federalist Papers Mar 29 2020 Classic Books Library presents this brand new edition of "The Federalist Papers", a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. "The Federalist", as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyze the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755–1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation's finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.

Evil Plans Jun 24 2022 The acclaimed author of *Ignore Everybody* is back with more irreverent wisdom, wit, and original cartoons. "It has never been easier to make a great living doing what you love. But to make it happen, first you need an EVIL PLAN. Everybody needs to get away from lousy bosses, from boring, dead-end jobs that they hate, and ACTUALLY start doing something they love, something that matters. Life is short." -Hugh MacLeod Freud once said that in order to be truly happy people need two things: the capacity to work and the capacity to love. *Evil Plans* is about being able to do both at the same time. The sometimes unfortunate side effect is that others will hate you for it. MacLeod's insights are brash, wise, and often funny.

Think Bigger Aug 27 2022 What does it take to succeed today both personally and professionally? In looking for answers, one obvious place to start would be to talk to self-made men and women who themselves are successful. That's exactly what Michael W. Sonnenfeldt—an accomplished entrepreneur—has done here in this ground-breaking book. Drawing on the wisdom, insight and experience of members of TIGER 21 (The Investment Group for Enhanced Results in the 21st Century), and supplementing that with additional research and interviews, Sonnenfeldt offers real-world guidance and often counter-intuitive advice and conclusions. Among the things you'll learn are: Why grit and focus trump intelligence just about every time. Why having—and listening to—a wise mentor will create shortcuts to getting more done. What you need to do to avoid getting in your own way. And why. 'Shirtsleeves to shirtsleeves in three generations' can be avoided by taking some simple, commonsense steps. *Think BIGGER* will inspire you, no matter where you are in your business career. It will also show you that the skills you use to grow wealth can be applied to making the world a better place. Your success can benefit others. Michael W. Sonnenfeldt is the founder and chairman of TIGER 21, the premier peer-to-peer learning network for high-net-worth first generation wealth creators in North America and London. He is an accomplished serial entrepreneur, philanthropist and most excited that all of his proceeds from this book will support the TIGER 21 Foundation for young entrepreneurs.

Penguins Can't Fly Feb 01 2023 Life is supposed to be fun. We knew this instinctively as kids, but somehow forgot on the way to adulthood. We got busy

and overwhelmed, started valuing things that don't matter, and learned to follow the rules that don't even exist: hate Mondays only celebrate when the calendar gives you permission don't make a mess don't play hooky hide your weirdness hide your wrinkles care what other people think Following these so-called rules is a terrific way to stress you out, sap your energy, and ensure a boring life. But there's a better way. In his enlightening book, author and artist Jason Kotecki uncovers some of the most useless rules so you can shift perspective and start seeing the world with wonder once again. It's time to stop living by someone else's rules. Your life is a story, and a short one at that. Make it a good one.

Operating Systems Dec 27 2019 "This book is organized around three concepts fundamental to OS construction: virtualization (of CPU and memory), concurrency (locks and condition variables), and persistence (disks, RAIDS, and file systems"--Back cover.

The Sellamillion Oct 17 2021 THE SELLAMILLION is NOT a parody of Tolkien's THE SILMARILLION. That would be pointless because although all Tolkien fans have a copy, only three of them have read past page 40. It is, however, a parody of all that Tolkien created as he worked on LORD OF THE RINGS. The

history of the elderly days. Early missing drafts of LORD OF THE RINGS. A correspondence between the author and publisher on whether it should be a Bellybutton Stud of Doom rather than a Ring of Power. An experimental version of LOTR as if written by Dr Seuss. That sort of thing. It'll be funny. Possibly hilarious. The author's told us it will be. Promised even. And he did write THE SODDIT. And that was quite funny.

Model Rules of Professional Conduct Jan 20 2022 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Lakesedge Mar 22 2022 A lush, gothic fantasy from debut author Lyndall Clipstone about monsters and magic, set on the banks of a cursed lake, perfect for fans of Naomi Novik and Brigid Kemmerer. When Violeta Graceling and her younger brother Arien arrive at the haunted Lakesedge estate, they expect to find a monster. Leta knows the terrifying rumors about Rowan Sylvanan, who drowned his entire family when he was a boy. But neither the estate nor the monster are what they seem. As Leta falls for Rowan, she discovers he is bound to the Lord Under, the sinister death god lurking in the black waters of the lake. A creature to whom Leta is inexplicably drawn... Now, to save Rowan—and herself—Leta must confront the darkness in her past, including unraveling the mystery of her connection to the

Lord Under.

I'm Like You, You're Like Me Nov 29 2022 "It's fun to find ways I'm like you and you're like me. It's fun to find ways we're different." In this colorful, inviting book, kids from preschool to lower elementary learn about diversity in terms they can understand: hair that's straight or curly, families with many people or few, bodies that are big or small. With its wide-ranging examples and fun, highly detailed art, I'm Like You, You're Like Me helps kids appreciate the ways they are alike and affirm their individual differences. A two-page adult section in the back provides tips and activities for parents and caregivers to reinforce the themes and lessons of the book.

Shadow and Bone Dec 19 2021 Orphaned by the Border Wars, Alina Starkov is taken to become the protégée of the mysterious Darkling, who trains her to join the magical elite in the belief that she is the Sun Summoner, who can destroy the monsters of the Fold.

The Thirty-Nine Steps Oct 05 2020 Famous as the basis for several films, including the brilliant 1935 version directed by Alfred Hitchcock, *The Thirty-Nine Steps* is a classic of early twentieth-century popular literature. Richard Hannay has just returned to England after years in South Africa and is thoroughly bored with his life in London. But then a murder is committed in his flat, just days after a chance encounter with an American who had told him about an assassination plot that could have dire international consequences. An obvious suspect for the police and an easy target for the killers, Hannay goes on the run in his native Scotland where he will need all his courage and ingenuity to stay one step ahead of his pursuers.

Horseradish Jan 26 2020 Lemony Snicket's work is filled with bitter truths, like: 'It is always cruel to laugh at people, of course, although sometimes if they are wearing an ugly hat it is hard to control yourself.' Or: 'It is very easy to say that the important thing is to try your best, but if you are in real trouble the most important thing is not trying your best, but getting to safety.' For all of life's ups and downs, its celebrations and its sorrows, here is a book to commemorate it all - especially for those not fully soothed by chicken soup. Witty and irreverent, *Horseradish* is a book with universal appeal, a delightful vehicle to introduce Snicket's uproariously unhappy observations to a crowd not yet familiar with the Baudelaires' misadventures.

The Poppy Seed Cakes Feb 06 2021 *The Poppy Seed Cakes* is a beloved children's classic first published in 1924: eight charming and humorous linked

stories about little Andrewshek and his Auntie Katushka, with colorful woodcuts by Caldecott Award-winning illustrators Maud and Miska Petersham. Auntie Katushka has just come from the Old Country, bringing poppy seeds to make cakes for a mischief-prone four-year-old boy named Andrewshek. A little neighbor girl named Erminka, who wears red boots that are too big for her, joins Andrewshek for a series of adventures with talking animals including a greedy goose who steals the cakes; a naughty white goat who hides on the roof; and a kitten, a dog, and two chickens who are determined to crash the children's tea party. There is art on every page, featuring mischievous animals and gooseberry tarts, colorful shawls and Russian dolls, and cheerful Auntie Katushka in her kerchiefed and aproned splendor.
