"The Dao of things cannot be complete without the Dao of driving a bus. I'd ride with Doug all the way to the Himalayas just to listen to the art of his wisdom." - David Biddle, author of Implosions of America — A Story Collection "Nice read. I like the mix of situational context and life lessons." - Chad Upham, graduate, Art Center College of Design This book brings to poetic life a world literally in transit: the movement of people along its roads and highways facilitated by public transit and the drivers who steer their buses. Focusing on the separate world-within-a-world of the bus -- with relationships among riders, between drivers and riders, and between the bus and other vehicles that share the road -- these poems give weight and substance to a segment of the everyday that is largely ignored. Within that separate world, this book brings to light (and dark) the depths and complexities of metropolitan living through this seemingly prosaic facet of modern American life. ROMAN BLAISE BLAISE "Understanding the Complex Reality of the SCHOOL BUS DRIVER'S JOB" is the testimony of a school bus driver named Roman Blaise. Throughout the school year, trying to please everyone and answer every question; screaming at the students for their safety on the bus, also smiling, playing and even dancing for them. When necessary, requiring order out of troublemakers, caution out of harassment of other drivers, fairness out of indifference. This book contains important tools of prevention, asks for more children's understanding, talks about what Roman Blaise has seen and heard, raises various problems encountered by school bus drivers, laments the loss of a colleague. It also questions the system of things and is

waiting for answers, forces drivers to learn to adapt to students, raises the barrier of communication between immigrant drivers and students, and tests the driver's conscience. It ends the last school day with the tears of a black kindergartener who will miss forever the affection of his dear white female teacher. Everyone endowed with the passion to know, should reserve in his library a space for this fascinating book, "Understanding the Complex Reality of the SCHOOL BUS DRIVER'S JOB".

Many of these stories are serious while others are mind boggling, hilarious or just make you say, "Oh my gosh; what were they thinking." He has written this book using the following parameters: there are no swear words in this book (He doesn't need to use profanity to get his point across); he does not identify any ethnic backgrounds of the people in his stories (Marty wants people to view people without prejudice and bias) and lastly he was honest and told the truth to the best of his ability (By doing this he has found out that people don't like the truth and will go to extremes to avoid it.) Marty's' writings are unique because he writes like he talks. He does this so that he can relate to anybody who has ever told a story. The stories that he tells are inspirational, motivational and humorous. He has become a Master Story Teller and shares his stories with all who will listen. The footpath of a special child becoming a special man, and the challenges met and surmounted by his mother, form the core of this captivating narrative. As we shift between the perspectives of Ella, the mother, and Andrew, the son, we touch down in different time frames, capturing unfettered glimpses into his simple outlook and guileless character, in contrast to Ella's complicated and multifaceted emotions. Ella juggles poverty, divorce, health crises, remarriage, and tragedy while raising six young children and struggling to navigate Andrew's special needs. Through

her journey, she discovers that life is as much about opposition and extremity as it is about smooth sailing. The story underscores common challenges of raising special-needs children, such as confusing medical diagnoses, problematic glitches in the educational system, and unsolicited opinions and judgments offered liberally by well-meaning outsiders. Far from clinical, the story is poignant and emotional, with some surprising twists and turns. Throughout, we become acquainted with the sincere and unassuming man that is Andrew as he embarks upon a surprisingly fortuitous career as a tour bus driver, one who genuinely cares about each passenger. The Bus Driver's Mother portrays the pain, challenges, and disappointments integral to life. It also depicts the wonder, surprises, and blessings which come, when least expected, along the way. It proposes that every level of intellect should be esteemed, and that indeed, every child ought to be cherished. Today you're the train driver! Your job is to take the family into the city.
